May 2016

Dear Library Patrons and Supporters:

With spring comes our annual fundraising initiative for the Grove City Community Library. As a community activity center for all ages, we're proud that our library provides a broad variety of programs to our users. They include adult, teenage and children's book clubs, Yoga in the Stacks, the popular American Girl Tea Party, and the Summer Reading Program.

New additions to our programs include Building Block Parties for young children, Sensory Story Time for special needs children, Make a Difference Knitting and Crochet group, and the Fast Track to Employment Computer Station.

These programs and more, which are presented at **no cost** to participants, positively impact the lives of the very young through the oldest members of our community.

You have been kind enough to support our library in the past, and it is our hope that you will continue to do so. All donations are tax-deductible and directly benefit the Grove City Community Library.

Donating is as easy as one, two, three:

1. Donate online via the Friends of the Library paypal account at:
<http://www.grovecitypalibrary.org/friendsofthelibrary.html>
2. Mail a check, payable to Friends of the Grove City Community Library and send to the address above.
3. Stop in the library and give your donation to one of our wonderful library staff.

It is through people like you that our library will continue to be here—not only for you but for the children and other adults of our community. We wholeheartedly thank you for your continuing support!

Sincerely,

The Friends of the Grove City Community Library
