March 2018

Dear Friend,

The Grove City Community Library (GCCL), an integral part of our healthy community, would not be possible without your support. We ask for it once again in this annual fundraising effort.

Our library offers an ever-expanding collection of books, DVD's, audio books, and eBooks, along with programs to serve the changing needs and interests of our community's children, teens and adults. A sampling of programs includes: Intro to Technology sessions and Does Not Compute classes for seniors and others who are new to technology; employment resources, and skilled library staff available to help navigate a resume, cover letter, and online applications; and, a safe and positive afterschool environment. There are story times for small children, book clubs for various ages and interests, summer reading programs, children's cooking classes, language tutoring and an adult cooking club. Among the events are: Family Movie Night, Star Wars Day, American Girl Tea Party, the Librarian's Ball and Harry Potter Night. Special activities for our 60 Year Anniversary focus on community outreach, such as Adult Storytime at Senior Care facilities in the GC area. The GCCL, with its professional and dedicated staff, provides all of this and so much more.

As a regular patron, you already know how amazing your library is. If you haven't visited us in a while, please stop in and see what we've been up to. In the meantime, please check us out on the web at www.grovecitypalibrary.org and view our latest newsletter full of useful information.

The Library cannot serve our community in this vital role without your support. Donations are tax deductible and directly benefit the GCCL. There are 3 ways to donate: 1) online at the Friends of the Library, using PayPal or credit card <http://www.grovecitypalibrary.org/friendsofthelibrary.html> ; 2) write a check payable to Friends of the Grove City Community Library and mail it to the above address.; or, 3) drop off your donation in person to one of our appreciative staff.

Grove City Community Library's Friends, staff, and volunteers are truly grateful for your continued support and patronage.

Sincerely,

Friends of the Grove City Community Library
