Children's and Youth Programming Cancellation Policy

It is a priority of Grove City Community Library to ensure the safety and well-being of children and youth attending library programs. When there is inclement weather, the library will cancel children's and youth programming according to the following guidelines:

1. When Grove City School District is closed due to inclement weather, all children's and youth programs scheduled for that day are cancelled.
2. When the Grove City School District is delayed opening due to inclement weather, all children's and youth programs scheduled **before** 12:00 p.m. for that day are cancelled.
3. In the event that the Grove City School District has an early dismissal due to inclement weather, all children's and youth programs scheduled after 12 p.m. that day are cancelled.
4. If the Grove City School District is closed or has an early dismissal due to inclement weather and there is an evening program scheduled at the library, please check the Library's website and social media or call to confirm if children's and youth programs are still being held.

If you are ever in doubt about the status of a program, please call the library for information at 724-458-7320.

Please note that this policy does NOT apply to adult programs. Please call to check on the status of programs for adults.

Please note that if Bookworm Babies is cancelled due to inclement weather sessions will be rescheduled.
