"Growing For Generations"

Dear Library Patrons,

"Growing for Generations" has been the Grove City Community Library's slogan for the past two years. The library certainly has grown as the expansion project is complete. If you have not visited the library lately, we encourage and invite you to do so soon. We are fortunate to live in a community that has been able to provide its residents with a vibrant and active public library for more than 50 years. Now it is bigger and serving you better than ever.

With the expansion, even more services are available to the patrons: books on CD and MP3, E-audio & E-book with download to smart device, player, reader or pc, internet access and word processing, Wi-Fi, expanded children's section, children's listening center, and program room just to name a few.

Now, as in the past, the library depends upon the generosity and loyalty of its patrons and supporters. The Friends of the Library continues to sponsor fundraising events to assist the library but our greatest assets are you, the community members, who consistently support our efforts through your donations. Whether your children or grandchildren attend the amazing children and youth programs, you use the online computers and WIFI for research, you join the book discussion group, stop in to check out the latest novel, read the newspaper or a magazine, or to get a tax form -- the library has it all.

The Grove City Community Library wants to continue to be here for you and future generations. Please consider making a donation, any amount you feel comfortable giving, to our very important and worthy organization. All donations are tax deductible and go directly to the Grove City Community Library. Checks should be made payable to Friends of the Grove City Library and returned in the enclosed envelope. We thank you for your generous and kind support.

If interested in joining the Friends, stop in the library or log on to the website www.grovecitypalibrary.org or email grovecpl@zoominternet.net for more information.

Sincerely,

Grove City Friends of the Library

Norma Reinhard, President
Carol Balcer, Vice President

Rachel Anderson, Secretary
Lynda Bortz, Treasurer

"You're the same today as you'll be in five years except for the people you meet and the books you read."
- Charlie "Tremendous" Jones
