

EPSON PowerLite S4

This projector was donated to the Grove City Community Library to be used by the library for their programs. If it is not in use, it may be loaned to a person in authority for their church or club meetings at a pre-payment fee of \$10.00 (this helps with the cost of the bulb). It can not be loaned out for personal home use. The Library Director has the final authority in regard to who may borrow the projector. We absolutely need the borrower's name, phone number and possibly driver's license #.

When the projector is loaned out and returned, make sure all of the following are enclosed in the carrying case:

- The projector
- 1- "blue" cord
- 1- tri-color" cord
- 1-"black" cord
- 1- "gray" cord
