Engaging in and organizing school activities is the representative body of the students; Student Council. The process of finding themselves and viewing all from a proper perspective has finally started to begin this year. Dissatisfaction and expansion have been the key traits this year. Involvement in curriculum, student rights, and school board matters have been added to such activities as organizing Homecoming, Winter Festival, and Parents Night. Memorable are the struggles with the snow fence at the football field and the tribulations with the introduction of 'open' study halls. Student Council has truly taken part in the entire range of school activities.

LATIN CLUB

What do Caesar, Virgil, Cicero and Mrs. Norma Limberg have in common? Why of course they're all members of the Latin Club. Joining the ranks of these distinguished citizens are GCHS students who have completed at least one year of Latin, and who are interested in study and discussion of the Roman civilization and ancient classics. So, while hypocausts haven't burned for 600 years, interest in the Roman culture remains afire.

Eagles End Woeful Season 1-9

Grove City High School football fans had little to cheer about this season as the GC Gridders won only one game, lost nine, including three forfeits. When the defense was able to hold the opposition, the offense couldn't get going and had trouble putting points on the board. The Eagles were shut-out in four of the seven games and until the final game the extent of the Eagles scoring punch was two touchdowns by Ron Riede; one against Titusville and one versus Sharpshville. The team finally got it together at West Middlesex as Doug Labor crossed the goal line twice and Ron Reide once. That, combined with two extra points, gave Grove City their first win, and Coach Bennie Adams his last as head coach. Mr. Adams announced his resignation near the end of the season. He has been head football coach at Grove City since 1972 and his overall coaching record is 9 wins 19 losses and 1 tie. Seniors playing their last game for the Gold and White were running backs Bob Gildersleeve, and Ron Riede; quarterback Ed Black; linemen Vince Alessio, Tom Goble, Steve Jacobs and Bob Wilson; Linebackers John Ligo and Brad Myers and safetyman Ken Burns.

Coach Ben Adams sends in Quarterback Rich Surrena with a play from the bench.

An enemy linebacker jars a pass loose from end Tom Barger. Bill Montgomery and Wally Pretko watch the action.

Wally Pretko releases the ball just as he's about to get hit.
