I'll always remember the District 10 Cross Country race. Beth qualifying for states. The girls team driving to Hershey to cheer for everyone & especially trying to cram 8 girls into a hotel room.
-Melissa Turner

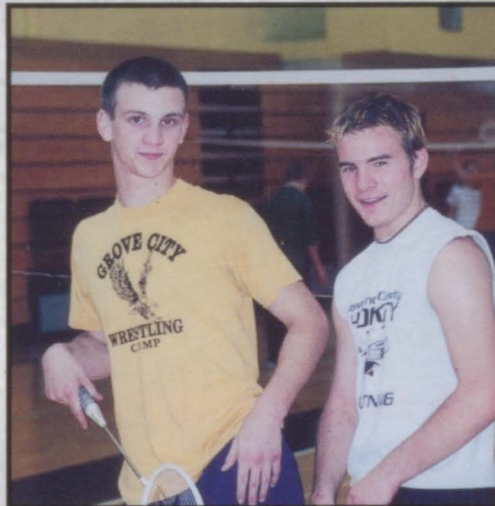

MEMORIES

One thing I'll never forget about this year is the time that the cheerleading bus broke down at the Hickory game & we had to ride the instrument bus home. But at least we won the game.
-Jess Maloney

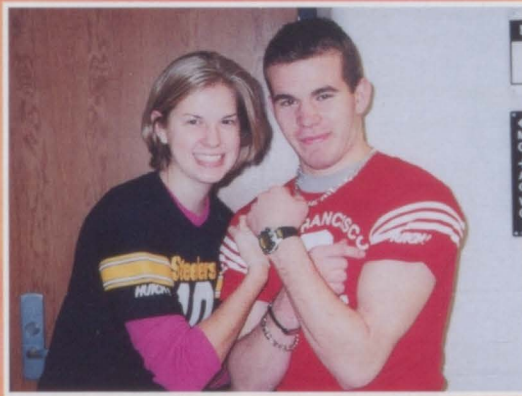

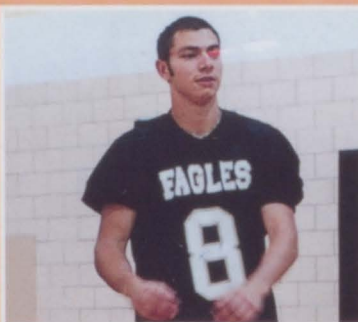

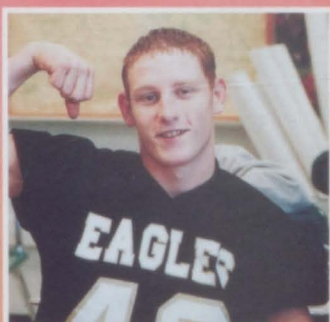

My favorite memory is Fun Food Friday. A group of Mrs. Howard's current/former students make lunch and we all eat and have a social period. It's definitely a good time.
-Mary Frydrych

MEMORIES

My greatest memory from this year is Mr. Anastasi singing his rendition of "All You Need Is Love." I'll never forget "All You Need Is Bugs." His Literature class was so much fun.

On September 11th, 2001, thousands of people died in New York, Washington, D.C, and Pennsylvania. This page gives the Sophomore class a chance to reflect on that day.

September 11th, 2001

“It’s hard to think exactly what I thought on 9/11 now. There was just so much going on. At first I was **confused**. Confused at **why** and **how** it happened. When I saw the towers burning and full of smoke, it hit me hard. I was **appalled** and **disgusted**. You can’t really pin-point how you’re feeling about something like this. It varied so much: from **angry** to **sick** to **sad**. It was very **disturbing** to me.” -Jeff Krantz

What went through your mind on 9/11?

“September 11th **shattered** my feelings of safety. It opened my eyes to what can happen in today’s world.”

-Brandon Hanna

“I was **in awe** at everything that was happening. I just kept wondering what was going to happen next.”

-Alex DeGross

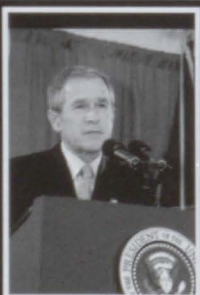

“I was **shocked** by what I was seeing. I was finding it hard to take it all in.”

-Ashley Lee

“When I heard that a plane crashed near Pittsburgh, it all started to **hit close** to home.”

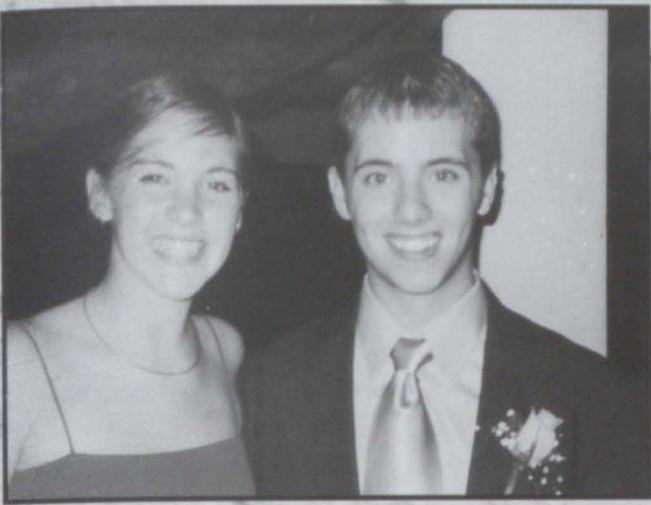

-Emily Marin

PROJECT PEERS

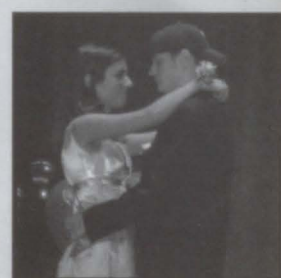

STUDENTS AGAINST S.A.D.D. DESTRUCTIVE DECISIONS

As a first year organization under the advisement of Mrs. Swope and Mrs. McKee, SADD has proved to be a success. SADD has been involved in hanging ribbons on cars, signing posters promoting friendship and being active participants in the Prom Promise campaign. This year, a new play was performed entitled "Last Dance." This was written by Senior Emily Stevenson and directed by Senior Jessica Baker.

BIG BROTHER BIG SISTER

We often think of sibling rivalry, but Big Brothers and Big Sisters also serve as role models to their younger siblings. In an attempt to capture this relationship, Mrs. Wilson organized a group of volunteers who wished to spend their quality time setting an example by spending time with a younger student in the Grove City area. This relationship was developed through organized activities such as bowling, visiting the SRU Recreation Center, and a picnic in the park. "It was a great success!" said Mrs. Wilson.

Big Brothers - Ron Bice, Jarett Buchanan, Brian Campbell, Frank Christy, J. Frank Cook, James Dillon, Travis Driggers, Mike Hazy, Ben McNutt, Matt Miller, Kevin Persch, Chris Turner, Nick Voorhees, Greg Woods.

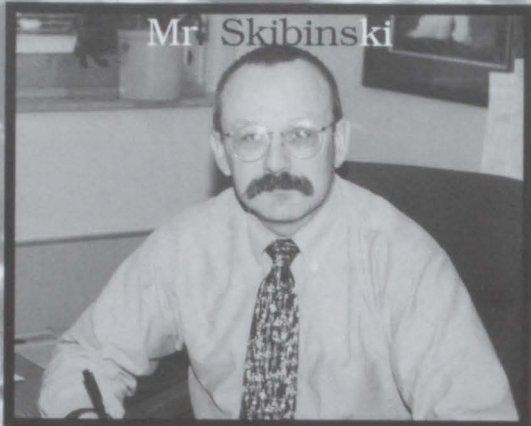

Big Sisters - Jessica Baker, Jen Burdick, Nadia Buzzelli, Mallory Frankenburg, Lisa Hammerschmidt, Ann Marie Hines, Shelby Kammerdiener, Krista Leamy, Christina Lee, Anita McCarl, Shannon O'Neil, Shannon Poole, Chelsea Smith, Shelly Stevenson, Melissa Turner, Keturah Welton, Heather West.

Queen sundaes 2 for a penny well something like that!

Jay Gomola - PATRICK: Listen soc, don't suck and just be happy. You are my one and only guide associate and there isn't one thing we haven't done together, well except that one thing we don't do at all. Yitzen Blitzen and being broadcast will always be remembered. **TOLER-ANCE.** Hot girls? -Soc- **BRENDAN:** B, late nights, actual intrigue, my first friend. Tenny, chet and taylor, infamous concerts, and thanks for not killing me even though I dated your little sister. Someday we will figure out what really matters. If you stumble upon it before me, let me know. It's a mister like you who puts the rest of us to shame. Good luck. **BRU:** Hey bud, just keep on rockin. You have stuck with me since the day we met and I know I can always count on you. You have inspired me in so many ways and you are a great companion. Roof tops er what? -Soc- **CHEL:** Thanks for putting up with me. I love you and you know that. Remember me when you are ready to get married. 6 foot here I come!! **SPRAD:** You are the biggest mooch I have ever met in my entire life but hey, what am I gonna do. You trying to be a soccer mom with that mini van er what? -Soc- **NATALIE:** Wow, words can't even describe what you mean to me. You are truly unique and I just hope that you don't forget me. When I need help with my theology I will call you up. Natty you are a woman to me. Someday we will both remove our halos. **CLINT:** Wendy's, taxing me around, and letting your dad make fun of me will never be forgotten. See you on the hill.

-Soc- **NADIA:** You are the greatest accountability partner that a distraught youth could have. Thanks for never giving up.

Brian Graham - Does anyone remember "jump man" or "Steve" or the classic "Bee Gee"? I would like to say thanks to all of my friends for sticking with me and being there. Like Aaron Bruck, Jason Haugh, Michelle Nicholson, Brian Telesz, Sean Palmer, Bill Altenbaugh, Dan Lane, Dream girls Kelly Bonner and Shannon O'Neal, one of my idols Pat Bell, Debbie Youngdahl, possibly Shawn Haugh. Jason don't forget that

sleepover for your birthday in 9th grade the one where I nailed everyone with shaving cream and your dad laughed at it! Also Bruck one thing I got to say is never all the 1 on 1 games we played when you beat me. Oh and Michelle don't ever forget all the fun we had at the creek with Chad and Des! And thanks for letting me mooch oh about 181 rides off you last year to school. You were probably my first friend that was a girl so thanks. Brian Telesz- Been a good friend since forever, always remember all the cool stuff we did. Sean Palmer is the man. I love this guy. He recently became a good friend of mine this year. I don't know why maybe because of all the free pizza I gave him. I think the best thing I ever did with p was probably basketball at his church. Also all the "special" times we shared with Miss. T. Pizza Joes hmmm I think I owe probably a large some of maybe \$1200.00 to the business for I have given away about that much in free pizza mostly to a man that I respect greatly Brendan Noone. Billy Altenbaugh also a new friend, mostly because of the "Joe". Remember there are always Billy's and Brian's together. PJS! Dan Lane also a new friend, I would like to say you have been a good friend although it may have been short lived due to the fact of daddy worrying too much. But really I did shoot at a deer. Shannon O'Neal and Kelly Bonnar, what I would give to be your boyfriend(s)... And oh yes my idol Pat Bell. Pat was a good friend because he took me home from school everyday last year and he also let me embarrass the crap out of him at college games. Debbie Youngdahl a great friend because she went to two dances with me. I think she knows that I have always liked her. Hmmm, Shawn Haugh one of the biggest mysteries known to man. Band is a sport! Also I hope nobody in my 7th period Spanish 3 class forgets the "cleavage" incident. Thank you Mr. Andrews for passing me in Adv Bio when it was mathematically impossible. My favorite teacher would have to be the stern but fair Mr. Haggart. Although times at the GCHS have been great I would probably have to say that the greatest time that I have had a school would have to be the Snowball dance. And I think everyone knows why...and oh yes the chick at the pool in Disney... Also Deana and Shannon P, no I will not play the game for who doesn't talk the longest!

Teresa Harris- TIM- I'll start at the beginning. Freshman year, when we made those stupid 3-d figures in art and I tried to make a pot out of clay. You do have to admit my spray paint tee shirt was the best. Now it's senior year. We've had so much fun making momoiselle go crazy and yelling at Mrs. Miller every day. You sleeping in class, us sleeping through that presentation, and our own class motto, real friends stab you in the front. My great movie quotes and representing in class. You have been a great friend and I hope you succeed in life, stay in touch. **DUSTIN-** I'm so glad you have been a part of my life these four years. When I met you freshman year I didn't know what kind of person you were. Now I know you are a wonderful and understanding person. Thanks for always being there for me, especially through the tough times. **MICHELLE-** Wow, these four long years have been fun. Remember last year, "she could be our fourth" and Cat and all the fun things we used to do. The parties, the drama, the laughter and all the tears we've shared together. Never forget the time we sang "Wonder Wall" at the top of our lungs in the parking lot. Thanks for helping me when I truly needed you most. Good luck with Micah! **CAT-** "They call me Mellow Yellow!!!" From tying my sister up when we were little and having Dr. Pepper contests that resulted in a punch in the face, we have been through a lot. Making crappy choices about whom we dated (not mentioning names, but his initials are Cody Wise and M.T.) The parties and fun we had just driving around doing nothing... were the greatest. Thanks to your "Land on your face back-hand-spring mount, Cheerleading will never be the same." The movie trivia and our wonderful quotes. See if you can get this one, "Ooh, look at his little — bunny ears."

Last year was a tough year for the both of us, but it has made us who we are today. When I needed you, you were there for me and that's what true friends do. Thanks. **JAMIE-** I just wanted to say thanks for putting up with me at our lunch table this year. You are a great friend and wonderful person. I hope next year is even better than this one.

I wish for you ALL the happiness in the world, never a dark sky. You deserve only the best and are worth a million smiles. Your friendship is priceless; there isn't a person on earth who could fill your shoes. I was lucky enough to have been blessed with the chance to get to know you. A best friend to eternity, I'll forget you never. You'll always be my Kacey **LAME!** Haha **EMILY AIN**: Where can I even begin w/ you? I was also blessed with the chance to get to know you, however the chance came 18 years to late. Although I've only had this last past year of your friendship, It was all I needed to find out that you're my "other half" as some people might say. I leave to you tons of comedy, annoying physics class noises including the backwards man, and **THUSLY**, well, I don't know...the word just needed to be in here. Tons of college memories to come, I can't wait! A best friend for life, we're just too much alike. Love for you always, and many more years of friendship

We've been put through torture in gym class and had more than our share of BS, 4th period will always equal pure hell. We're the losers that could never get dates to dances... I guess it's some sort of secret just how awesome we are?? Go figure. Matthew Potter - AKA "Harry Potter", "Matt", "Potter-1". This school year will be my most memorable one because it'll be my last time in high school. To my CROSS COUNTRY TEAM, remember all the good times we had through all the years. That we always had fun during practice, and that coach would yell at us most of the time. I had more fun with all of you than I did with the track team, because there were a small number of us and we could have more fun. To the TRACK & FIELD TEAM, even though there were a lot of us, those that I got to know would understand me when I say we had fun, also T&A forever (Track & Athletics). JFRANK: You're always good for a good laugh. Whenever I'm not expecting anything, you would come up with something so hilarious that I would crack up. I'm also waiting for that butt whooping you've been saying that you'll give me, even though you know that I'll win. WOODS: You always could get in trouble with the coaches, but that's what made you unique. JAY GOMOLA: I never did like you because you could never take band serious, haha. ANDY: Thanks for being my best friend throughout high school. TOBIAS: Wake up. To my BROTHER: Thanks for being there for me. ANGELA, NICOLE, & MICHELLE: Sociology was always fun with you three around. TONYA VECHNAK: What can I say, you've been a good friend during track. TRACY DAY & TONYA ALBERT: I didn't get to know you two much,

but what I do know is that when you needed help I was there. BRUCK: You were always the one with a cool head on your shoulders during the times the team goofed off during cross country. AMANDA: Track would be no fun without you. JANINE: You always seem to be in control during track, and you seem to know how to help the underclassmen whenever they decide not to listen to anybody. LIPPY: Thanks for being my friend during high school. Finally, for EVERYBODY ELSE that I didn't mention I'm sorry because I'm running out of room, and it is hard for me to think of something to say for you. So to finish this up, remember everyone even if you don't like some of them. Because everyone that you know help made who you are, and without them you wouldn't be who you are now. Also, after graduation you won't be able to see all your friends in one place any more, they'll be scattered everywhere living there own lives. These past four years of high school will be hard for anybody to forget, because everything was there for us. Now, after we are out we'll be working for a better education and start living life on our own. So, I'll be quoting my favorite quote from MASH, "Everyone gather around and take my advice, pull down your pants and slide on the ice."

Dad & Mom*

Dearest Lindsay,

It is certainly true that children are an inheritance and a blessing from God. We are so proud of you and the wonderful young woman you've become. You have chosen the right course. Stay on it. Remember the words of a wise king written almost three thousand years ago. He said, "Trust in Jehovah with all your heart and do not lean upon your own understanding. In all your ways take notice of him, and he himself will make your paths straight."

Sunshine,

No doubt my life has been more complete with a big sister. You have certainly been "A true companion that is loving all the time." You've been more than a perfect example for me, and will continue to be for others. Some people touch our lives and stay in our hearts forever.

Peace Baby.
Love,
Molly Liz

Love you forever!

Within you is great passion and joy for life, concern for others, a strong sense of justice, and so much more.

May you be a blessing to those whose lives you touch. You have always been a blessing to us and we love you and are so proud of the young woman you have become.

*With Love Always,

Dear Darci,

The Lord blessed us with a special daughter 18 years ago and you have filled our lives with love, laughter, happiness, and music. We are so proud of the young woman you have become. Always keep your faith in God as you travel down the road of life. ♪ ♪

Elizabeth Anne,

Walk your path one step at a time with courage, faith, and determination.

Follow your "destiny" wherever it leads you.

We love you so very much and are so very proud of you.

Dear Amber:

You bring sunshine to our lives. We are so grateful for you. Your basketball career has brought us great joy. Give thanks to God for your many blessings. Stay close to Him. Thank you for being a wonderful daughter.

In this world of uncertainty, remember this quote, "The Lord has not given us the Spirit of Fear, but of Power and Love and a Strong Mind." We love you so much and wish you a wonderful future.

Love,

Mom, Dad & Kyle

When you were born you were oh so sweet
With spiked-up hair and enormous feet
Eyes of blue and hair of brown
That even baby oil couldn't make lay down
Time flew by, it all went so fast
And now your childhood is in the past
Before you know it you will move out and leave
And in our hearts we all will grieve
You are not perfect, but you are the one
Whom God has chosen to be our son
I wrote this poem for the whole world to see
How much we both love you
Your father and me.

All our love, now and for always,
Dad and Mum

You are a great big brother, and a wonderful grandson. We love you, Tim!
Love, Abby, Alexandra, Madolyn, Guggy, Grandma, and Grandpa

KELLY, from the day you were born we have been blessed by your sunshine, joy, and love. We are very proud of you and we hope you know how much we love you and that God loves you infinitely more. May He always hold you tenderly in the hollow of His hand.

God bless you,
