September 9, 1970 is a day that will live in our minds forever. That was the day that we let go of our mothers' hands and began our thirteen long years of preparation and education.

We can look back with pride on our accomplishments. Our first class project, the magazine sale net us record profits. Our "Evening in the Orient" was one of G.C.H.S.'s most beautiful proms and had an unprecedented attendance.

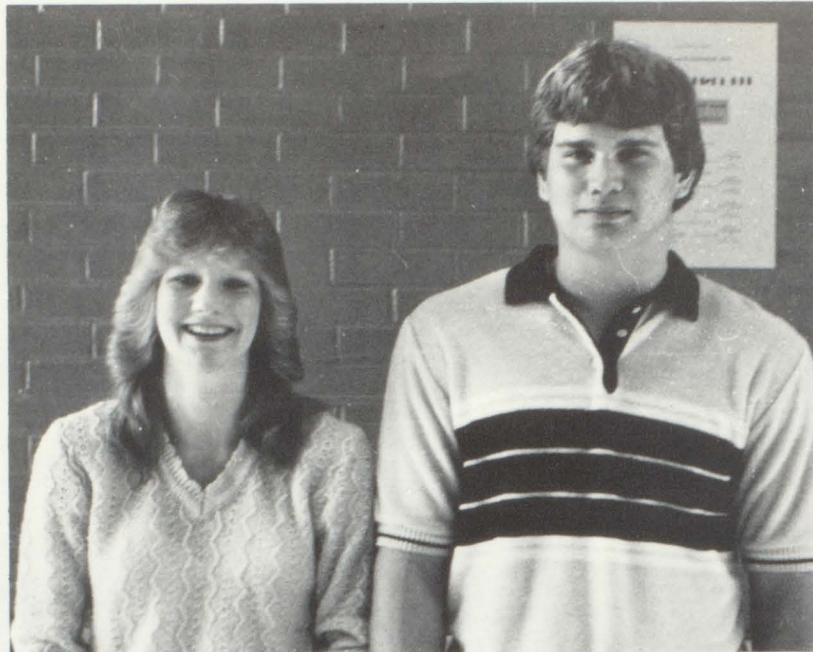

The senior class joined in laughter one last time at the senior banquet. The awards assembly, baccalaureate, and commencement all passed too quickly. We found that we were no longer seniors, but graduates.

It is with pride that we can look at our four years at G.C.H.S. as we travel toward our destinies, we can feel confident that we left behind a lodestar to guide our successors.

The 1982 Homecoming Court

The Eagle riding in style

This year's Homecoming was an enjoyable event for five lucky senior girls. The senior class nominated 10 girls, of which only one would reign as the 1982 Homecoming Queen. On October 22, Jenni Shaner was crowned the Homecoming Queen of Grove City High School.

Our football team proudly defeated the Hickory Hornets, 28 - 0, to make it an even more enjoyable event.

The 1982 GCHS Eagle Football team will be remembered for many years to come. The Eagles, led by 17 returning Lettermen, played in a new league—the Keystone Football League and came within one game of winning the League's 1st Championship. The year was filled with many exciting moments and great individual efforts.

The Eagles, led by Tri-Captains Chris Youngo, Tim Nesbit and Curt Conner opened the year with 3 straight wins over Oil City 20-0, Kennedy Christian 12-7, and Greenville 19-6 before losing to a powerful Meadville outfit, 14-13. An attempted 2pt conversion for the victory was unsuccessful and the mighty Eagles tasted defeat for the first time.

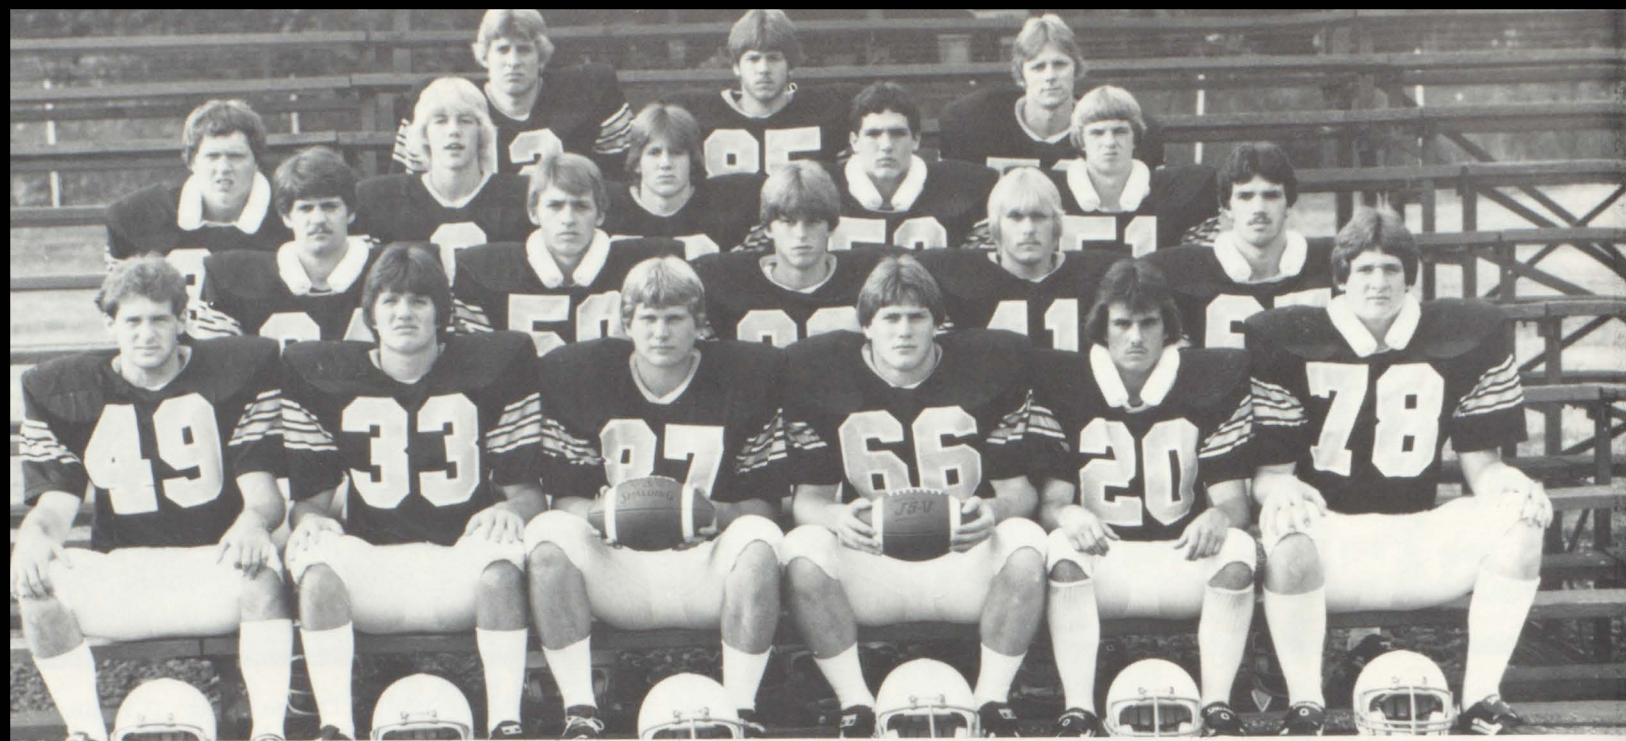

The Eagles came right back with 4 straight wins over League Foes -beating Sharpsville 13-6, Reynolds 14-0, Farrell 16-7 and Hickory 28-0. It was during 4 game stretch that the Eagles developed a reputation of being a strong 2nd half team—winning 3 of the 4 games with the winning scores coming in the 4th quarter. This set the stage for the Championship Showdown against the Sharon Tigers. With a crowd of over 5,000 football fans looking on—

largest in many years in Grove City—the Eagles slow start enabled the Tigers to take a 22-0 lead at half time. But with that "Never-Say-Die" attitude, the Eagles came soaring back in the second half only to fall short in their upset bid—losing 29-14 in one of the most exciting games in recent GCHS history. The Eagles finished the year with a win at Franklin. Giving them an 8-2 record for the year.

This 1982 Team will go down in history as one of the greatest ever!

The 1982 Cross Country team was the largest in the history of Grove City High School. The boys varsity compiled a record of 12 wins and no defeats during duel meet competition. Over the past two years the boys varsity have compiled a record of 24-0 in Mercer County competition. They also won the Mercer County Championship Meet and placed a disappointing 5th place in district competition. Norm Straub, Mike Rossi, Penn Barger, Bob Frazier, Greg Morris and Lance Reher were the reasons for such an outstanding season.

Mr. Dan Cole, Coach

The girls varsity compiled a record of 3 wins and 3 losses. Colleen Dickey, Deborah Conway, Nancy Mason, Colleen Murdock and Darlene Loughner made up a young but competitive group of runners. Colleen Murdock highlighted the girls season by placing 3rd at the Mercer County Championship. There is a good future in store for the girls, but a few more members are needed to add depth, which is important in Cross Country competition.

The future looks excellent for both boys and girls. The boys J.V. team totally wiped out all competition at the Mercer County Championship; and Gigi Highland and Becky Sample ran well in most Jr. High Competition. Laura Hamilton, Chris Bulfone, and Dirk VanTil were unable to participate due to injuries but were great supporters by helping run and coordinate all home events. Thanks a million, the team appreciated your help.

The Girls' Basketball Team finished the regular season with an outstanding record of 17 and 6. The highlight of the season occurred during the Kiser Classic when the girls rallied from behind to outscore Lakeview, 26 to 6 in the 4th quarter; and defeat the Sailors, 47 to 43 in overtime. This win enabled the girls to advance to the finals where they defeated Franklin, 46 to 41. As the season closed, Karen Yurchison and Cathy Szymarek were named to the first team All County, Carey O'Bannon and Amy Hennon were selected to the second team, while Brenda Tighe received honorable mention recognition. The performances of everyone on the team once again proved that team work was the key factor in the playing of the Lady Eagles. —Coach Roger Flynn

This year the wrestling team had more high points and low points than ever before. On the negative side was the loss to Commodore Perry, 33 - 21, and the loss of Mike Rossi. Mike was last years Regional Champ and a Tri Captain; yet, was lost for the season due to a knee injury. On the positive side was the big win over #1 ranked Hickory, 28 - 20, and Curtis Conner's 100th career win.

The team finished the year with 15 wins and 10 losses, which is more wins than any Grove City wrestling team in the school's history. Individually, we had two seniors that finished with more than 30 wins - Curtis Conner and Bob Becker. We had three underclassmen, Doug Straub, Scott Grace, and Bob Grace, who had more than 20 wins. It all added up to another successful season for the wrestling team.

## Our Friends From Afar

Jean Noel Mesenbourg

I am an AFS student. My name is Jean Noel Mesenbourg. I came from France, and I am staying in America for one year with Mr. Joseph Smith and family. I came here to see how American people live, and so far my visit here has been very enjoyable.

My name is Sven Einerth and I come from Sweden. I live on the coast in Southern Sweden near a city called Helsingborg. My family consists of my mother, my father and one brother who is 15 years old and one other who is 13 and one whom is 21. In the winter I do some skiing and in the summer I try to play tennis and L,ptrana. I also like to take photos. Here in Grove City I have been running on the Cross Country team. I also wrestle and take part in track. I was a member of French IV which was enjoyable. Before Christmas I stayed with Mr. & Mrs. Sample and after with Mr. & Mrs. Kempt. Both families are very nice.

# Vo-Tech Gets Head Start

Preparation for a job begins early in your education. The Mercer County VO-TECH helps provide that chance for you. It has 21 different shops to choose from. The VO-TECH provides training for entry level employment in most occupational areas for high school students.

VO-TECH also helped develop a positive work attitude, safety habits, job understanding, and an appreciation for other workers. Seniors are sometimes given the chance for on the job training through their shops.
