# *The Essential Piece*

"Isn't it a wonderful thing that we're all different? Each of us has strengths and skills to share. And when we link our individual strengths together, we're invincible." I once read this statement and thought of how it matched Grove City High School students. Each one of us plays a specific role, and together we complete the big picture. Whether you're a jock, a nerd, an emo, or just an average joe, we all fit together, and the final image makes for a great year at G.C.H.S. Though the seniors of 2007 could never be replaced, next year will be a new puzzle with a new picture.

## Highlights of The Season

The girls had a great season this year. With a record of 15 and 2, they could not have wanted more. Except they did. Their goal was to snap Wilmington's 6 season winning streak... and it happened. They not only snapped their winning streak with a 4-1 win, but turned around and beat them again, 3-2, to move on to the District 10 Championship. Unfortunately, Grove City's successful season came to an end at the D-10 championship, losing to Mercyhurst Prep. The girls could not have asked for a better season, and hope to go even further next season.

"Resilient is a great word to describe this team," said Coach Shawn Sowers. "They played the whole season a match down in the standings, played through two key injuries, and had to beat Wilmington twice in one week to clinch the Region I title and get a shot at the District 10 Championship. We had fantastic senior leadership that will be missed greatly, but each has left her mark on this team and led by example. The underclassmen certainly have big shoes to fill."

## Boys Soccer Season Overview

The boys had a great season, finishing 14-3-2 in regular season play. It was one of those seven year seasons, with the team's first win against Slippery Rock in 7 years, 1<sup>st</sup> playoff appearance in 7 years, and first undefeated home record at Forker Field in 7 years. "It's a step in the right direction," said Coach Brian Beil. "My goal for this team is for us to be a twelve month program, and I think we're getting closer every year."

## Girls Soccer Season Overview

"Practice, so the saying goes, 'makes perfect'. Maybe, maybe not. But you'll notice that nobody offers any hope of perfection without it." This saying, quoted by Coach Desue, really describes the girls' team this year. They worked hard, but with such a tough season and a young team, the girls can only hope to improve more for next year. "GCHS Girls Soccer is great," says senior Laura 'Lulu' Buchanan. "The whole season is just full of great memories and inside jokes. I'll miss it a ton."

## Golf Season Overview

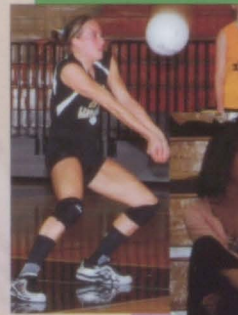

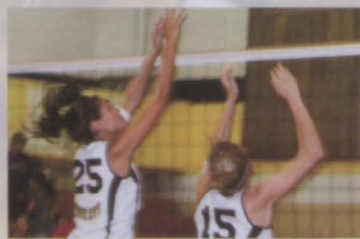

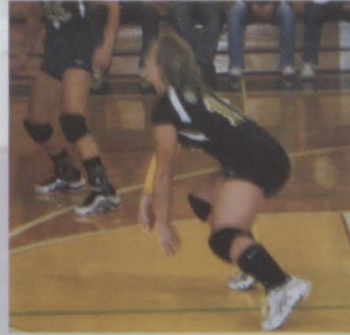

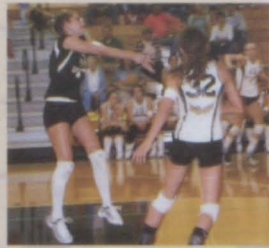

The boys golf team had an AMAZING season this year. Since District 10 has been reorganized, the golf team has claimed wins three years in a row. Both Cameron Peterson and Derek Forese were named to 1st Team District 10. Zach Nesbit, Derek Forese, and Cameron Peterson all made 1st Team All Region. Also, Cameron Peterson advanced to state competition where he placed 32nd. "We have had great success the last three years due to the hard work and dedication of the players on the team. I would like to especially thank the seniors for their contribution," said Coach Forese.

**"Team unity definitely describes this year's team. Their 17-3 record and being three year undefeated Region 5 champions in a row exemplifies what this team and its seniors were all about."**

**-Coach Denbow**

This year of Grove City Volleyball was without a doubt a great one. Six seniors led the team to their third consecutive Region 5 title, losing to no one in their league. A few things that made this team so great was the bond that the team shared and their amazing work ethic. When asked what Coach Denbow liked the most about the team, she responded, "Watching this team work hard in practice 100% of the time and all at 100%. They were overall the hardest working team I've ever coached." The Lady Eagles ended the season in the District 10 semifinals with a final record of 17-3.

2006-2007 Eagles Football Team

### Season Summary

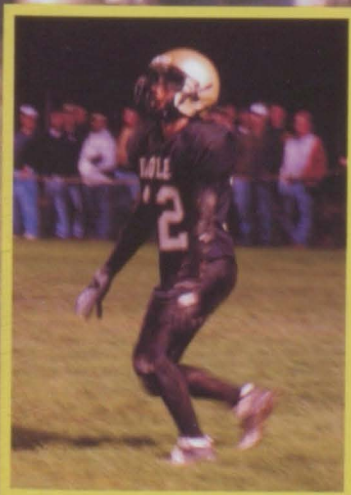

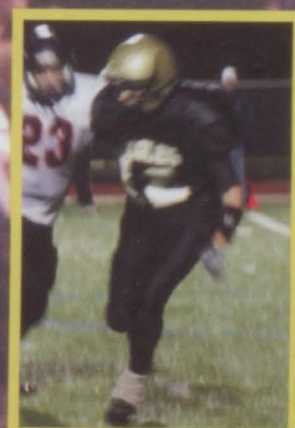

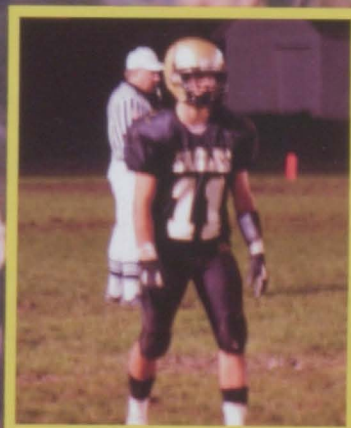

The Eagles football team's season may be summarized in one word: driven. From the beginning of the season until the end, the team left all they had on the field. Their goal was simple. Matt Duncan, a pillar of the team, stated the goal was simply to "play to the best of our ability and leave it all on the field." In the end, the Eagles did just that. The Eagles once again had a winning regular season record. They succeeded in their first playoff game and fought throughout the second game against Fairview where they battled until the end of the fourth quarter. This season was an improvement over the last and sets the bar high for the seasons to come.

## Season Overview

"Refuse to Lose." What a motto for this year's Grove City Boys Basketball season, because that is exactly what they did. The boys formed more of a family than a team, growing closer with each practice, and game. That is just one of the many traits that pushed this team to go so far. "An unmatched season," as Mr. Fee put it. Great job boys.

The best part about our season I think was the way everyone got along and how much fun we had with Coach T.L. A very inspiring year.

This year of Lady Eagles Basketball was a memorable one. Led by seniors Jenna Kelly, Stacia Peoples and Ashlee Shoop, the girls rebuilt their team under new coach, T.L. Thompson. They worked at their best everyday in practice learning drills and plays they were unfamiliar with, but making their team and skills stronger. The girls enjoyed bonding during bus rides, a spaghetti dinner, and a sleepover to form amazing friendships with one another. They also made an unforgettable trip to Hosss after the first win against East Forest. After starting from scratch this year, the Lady Eagles are definitely looking forward to next season to build on the groundwork they laid down and become an excellent team.

SENIORS

"Swimming is the road towards that glorious six-pack that everyone secretly wishes for..."  
*Dillon Forrest, captain*

At six in the morning a weary swimmer stretches on the pool deck, half asleep. *How can you tolerate those morning practices?* the swimmers are often asked. The answer is simple: swimming is love. Once in the water the swimmer is no longer weary, but focused. This is only the first of two practices in the day.

The GCHS swim team's hard work resulted in unparalleled success. The boys team, consisting of merely six swimmers, demonstrated their talent by beating many teams over twice their size and, come Districts, standing proudly on the podium numerous times--sophomores Jake Olson and Seth Brooks even advanced to the State Championship. The girls brought the most swimmers in the team's history to Districts, where their 400-freestyle relay placed third. The team, led by Coach Karen Wendelschaefer, came home with eleven school records and countless individual records broken. And as for next year? Less hair, more speed.

"This year the track team overcame the adversity of having no training facility for most of the year to be the most successful ever. This group of seniors left the track program better than it was when they were freshmen.

Their dedication and work ethic will be sorely missed, but I am sure the new tradition of excellence they established will continue into the future."

-Coach Gatewood

## Season Overview

We can surely say that the track team has had a successful year. Even with the practices on parking lots and bike paths, the team still practiced hard. This came through when the girls won the Union Invitational, placed 4th at McDowell, and were named D-10 champs. Junior Kristy Woods brought home the state championship in discus and state runner-up in shot put. Katie Zinkham, Jill Arnhold, Lisa Schnelzer, and Hana Casanova also ran their 4X4 at States. Freshman Hana Casanova ran the 400 and 800 meter dash setting school records, and Senior Helen Phipps ran the 1600 meter run. For the boys, Junior Greg Rieber went to States for shot put.

## Season

### Overview

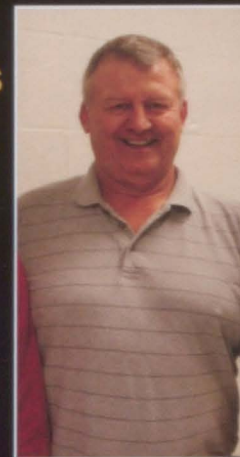

This years Girls Softball team was a magnificent one. The seniors, Kari Barnes, Tara Walmsley, and Ashley Patterson headed the team through scorching, tough practices, soggy, miserable games. Each player contributed to the team in a different way, and made a phenomenal season possible. Great Season Girls!

*I would like to take this opportunity to thank everyone who made my first year as the Pine Knot adviser an enjoyable one. First and foremost, I would like to thank Joe Skibinski for providing me with this opportunity and Ken Isles for giving me the confidence to embrace it. I am also indebted to former adviser Vince Anastasi and Jostens' sales consultant Larry Intihar for their unending patience and invaluable advice. Gregg Studio went above and beyond the "call of duty" to provide me with unlimited event coverage, spectacular photos, and professional service with a warm smile - thank you. The cooperation, understanding and support of the student body, faculty, and administration was truly appreciated. Last, but certainly not least, I have been blessed with a highly motivated, amazingly creative, and dedicated staff...you're the best! I especially appreciate the contributions of our four seniors...you will be missed. A special thanks to Zack Bombatch for handling this year's incredible volume of business ads. We couldn't have done it without you.*

## **Valerie Williams, 05**

Ground breaking endurance research by Slippery Rock University's Valerie Williams has helped distance runners and health care providers learn more about stamina and conditioning. Williams documented the flexibility loss runners experience after a 100-mile race. Her work earned her the Undergraduate Student Research Award from the American College of Sports Medicine. The exercise science major's solid foundation was formed in SRU's College of Health, Environment and Science.

## **Tim Evans, 05**

Tim Evans, a May graduate, is one of four students in the country accepted into the prestigious biophysics Ph.D. program at the University of North Carolina College of Medicine. Only the top students get in because they are funded by the National Institute of Health. Evans plans to become a graduate school professor and researcher. His solid foundation was formed in SRU's College of Health, Environment and Science, as a biochemistry major who graduated Magna Cum Laude.
