Music. It surrounds each and every one of us every day. Notes and words that start out on a piece of paper that affect each person differently. From the pride that hearing our national anthem brings to the way that "*Take Me Out to the Ball Game*" strikes a special part of every baseball lover's heart, music affects us. It sets the tone for scenes in movies and also sets the tone for each individual's life. Regardless of what it is that you listen to - jazz, country, rap, hip-hop, classical, rock - what you listen to says something about who you are. For this reason, the 2002-2003 yearbook staff decided to title each page of this year's book with its own song title. Since the theme of this year's book is *All About Us*, we found it fitting that we include music that makes each of us who we are.

Hey Seniors, Remember When.....

Amanda Jaskowak and Chris Dumbroski were voted "Couple Most Likely to Make It Through High School?" Or when Mary Grisnik and Mike Bashline were voted the "Couple That Fights the Most." Justin Robinson and Nicole Pananos and Kelly Rodgers and Jeremy Myers were voted the "Couples That Kept Dating On and Off" and Nikki Masson and Evan McKnight were voted the "Couple That Was Meant to Be." Then you had Andrea Patterson and Drew McLean as "Most Likely to Succeed," Amber Chutz and Mike Bashline were voted "Most Athletic," Nikki Masson and Mike Zinkham were voted "Best Personality," Megan Ries and Patrick Sansotta were "Most Talkative," Gwen Oberlin and Jeremy Hedegore were "Most Artistic," Ryan Shoop was the "Class Clown," and Ashley Sloan and Justin Robinson were "Biggest Flirt." Some things change and some things never will!

It's all about...

the memories

**WHEREVER YOU
GO, GO WITH ALL
YOUR HEART!**

Nikki,

Thank-you for all that you have done and will continue to do! We are so proud of you! Keep smiling and enjoy your future.

**Love you,
Mom, Dad, and Allie**

Rebecca MacRae

God Grant you the serenity to accept the things you cannot change, the courage to change the things you can and the wisdom to know the difference. We are proud of you and all you have accomplished.

*Love you Forever,
Amy, Pam, Grace, Mom & Dad*

Justin,

You are the loving son every Mom and Dad dream of. You are the brother that your sister and brother feel lucky to have. Your Grandma, Aunts, Uncles and Cousins find you admirable, to say the least. You are the loyal friend most of us can only wish for. You make those around you laugh with your natural wit and you prove that one can never go wrong with good manners. You have faced adversity honorably and with integrity beyond your years, and have motivated others with your sense of leadership and ability to be a true team player.

Hold your head high, Justin Hoffman Robinson, and be

proud of the man you have become. Always remember that God works in mysterious ways and, "To thine own self be true." Stay focused and continue to bring heartfelt joy to everyone around you, especially me.

Love,
Mom

 As you grew (and grew and
 grew!) you got yourself into
 a knot or two. And now that
 you are "way up there," just
 remember:

"Don't let anyone look
 down on you because you
 are young, but set an
 example for the believers in
 speech, in life, in love, in
 faith, and in purity."

Congratulations on such a Great Wonderful Senior Class! To the last, but not least, of five Leamys to graduate as a GC Eagle. Way to wrap it up for the family; high honor roll for the last six years; helping lead your soccer team as Co-Captain to their first MOCAC Championship ever; and enabling GCHS Bible Club as President to continue to be a positive, strong, influential force among your peers and in the community. May God's love empower you to

do his will in your life. Good luck and God's blessings to you at Cedarville University and the ROTC.

job. Good luck in whatever comes
next-and just remember, I'm still
your big sister.
Love, Erin

Chanel,

To my daughter who

 graduating from high
 school. Her first step in
 succeeding throughout
 her life. This is only the
 beginning of her success
 throughout her life.

All my love,
 Mom

*May you always be blessed with the love and
 compassion that you so unselfishly give to others. It

Dear Christine,

We are so proud to have you for our daughter. You have grown into a beautiful, kind, generous and thoughtful young lady. You have brought joy and laughter into our lives- from peanut shells to cabling. You have awed us with your persistence and determination.

Chrissy, "You can do all things through Christ which strengthens you." - Philippians 4:13

May the Lord bless you & keep you & give you peace. We love you, Mom & Dad

Dear Chrissy,

We thank you so much for the love, kindness, patience and joy that you bring to our lives. We loved your company and the company of your dear and wonderful friends in our many times of loneliness.

Your surprises of french fries and hot dogs were more treasured than silver and gold.

God Bless you always.

We love you,

Grandma and Grandpa

Samantha,

You've always had a style that's all your own along with many dreams and goals. We're proud of you and all you have accomplished and look forward to what is still to come.

Remember all that is worth the trouble of doing deserves to be done well.

I Will Remember You

Lisa Dickson: It's finally over! I can't believe I made it these last four years. I'm going to miss everyone like crazy. **Becky D:** You are the bestest friend ever. You have been there for me through everything I've been through. I've trusted you with all my secrets and fears and you've never let me down. Never forget all of our crazy, happy, and sad times. We used to hate each other. Can you believe that? Also never forget Friday nite walks, strange boys in the park, late nite talks, birthday thongs, and grandmas using slang. I've had tough times these last four years and always found a home with you. You are more of a sister to me and I love you for that. I am always here for you. Forever and always and until the end of time you will always be my best friend. **Autumn:** We've had some tough times. But we have always made up and became friends again. You're a great and crazy friend. Never forget late nite mad libs, not being able to beat the rapping game, crazy college guys in the field, Dell and Pete in bikinis, road rage, weight limit 10 tons signs, and Jerry's famous "Pweese?Pweese? YEA! YEA! I love ya girl. Keep it real at BC3. I'll see ya around campus. **Tina:** Hey we've never really talked before this year but you're pretty cool. Except that you copy my shoes and my lover. Yours looks exactly like mine. Oh wait they're twins!!! You know my twin looks good but then again yours would have to too. Too bad they are so young. Oh well it's all good. Look after my hunny for me next year. I'll see ya around. **Jesse Uber:** Umm have I told u lately I hate you? Well I hate you!! Haha I just kidding. High school would have been so quiet and peaceful without you. Never forget me fighting with Kevin, buying me roses and how much you love me. I'll miss you boy but don't ever tell anyone I said that. **Mrs. Mills:** You have been my favorite teacher for four years now. You have always listened to me when I needed to talk and joke around with. I will miss you so much. At least we are both getting out of here. Give Skipper a kiss for me. Man I love that little guy!! **Jamell:** I don't know where to start with you. You're a great guy. You're cute and you're sweet. In a very VERY short time we have become so close. I wish you would of moved here sooner so we could of hung out longer. You make me wish I wasn't graduating this year. Keep it real youngin. I will miss you so much!! I love you sweetie. Never forget me. **Jamar:** Well we don't really talk that much. But I like your brother and my friend likes you so you deserve a shout out too. You're a pretty cool but shy guy. Keep it real. I'll see you around sometime. **To all the teachers who helped donate food and money for my niece Megan Martinelli you are greatly appreciated. Thank you.** Lea I love you!!!
