## Editorial

Pine not for a year book, as each class in the past.  
For here in your hand is "The Pine Knot" at last.

The Staff of the Pine Knot have tried to portray faithfully the drama of '23-'24 at Grove City Hi and "Your humble patience pray, gently to hear, kindly to judge our play."

We wish to thank our advertisers, subscribers and contributors for their loyal support in this, the first edition of a regular year book, by Grove City Hi. One of the important duties of this staff was the choosing of a name. It was thought the name should be characteristic of the town. Allusion to Wolf Creek had been pre-empted by a College publication, so the former name of Grove City, "Pine Grove" suggested to us "Pine Cone." "Pine Nut," "Pine Needle," "Pine Stump," "Pine Log," "Piney," and "Pine Knot" as appropriate to come from a Grove. The first we feared our friends might say we had gone to seed, the second suggested a dumbbell, the third is even sharper than we wish to be, the Stump and the Log are quite unpoetic, The Knot although almost tough has a beautiful grain (Look for this in the Senior Writeups.) A Pine Knot contains so much resin that no kindling other than a match is needed to start a good fire. Readers will notice we have struck several matches. We expect the fire to burn brightly at least until the next issue of "The Pine Knot."

Think, too, how historical rich the word "Knot" is—the Gordon Knot, Matrimonial Knot, Hangman's Knot, etc.

—o—

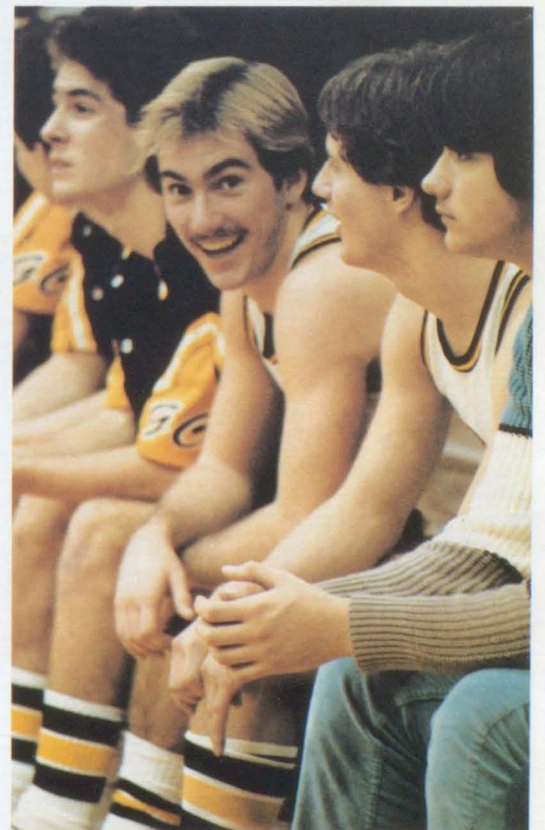

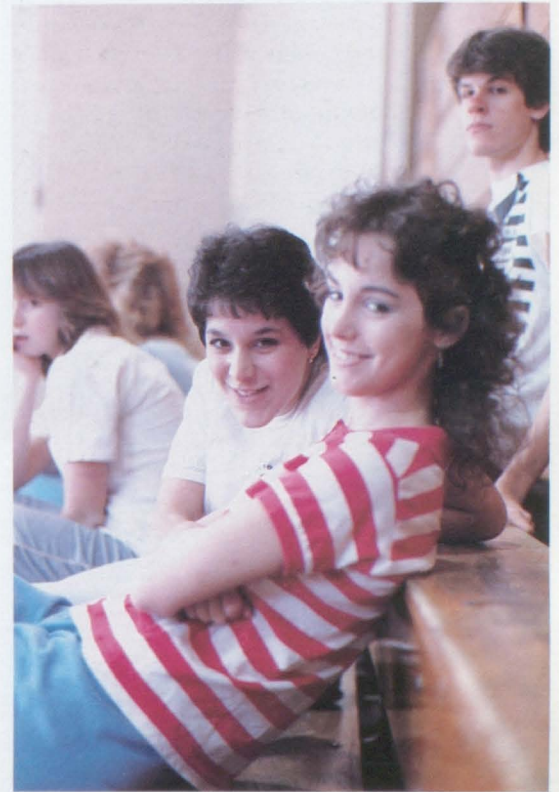

Article taken from original 1924 "Pine Knot."

In celebration of the 60th anniversary of the "Pine Knot", we have worked hard to improve and strengthen the traditional "Pine Knot" memory book. We have cut away the old limbs and strengthened the new by creating a theme to add interest. Because of the phenomenal growth of the community, new and exciting changes in administration, and the mighty boost of physical fitness, the yearbook staff feels that we can finally say "We're shaping up!"

As the day begins at Grove City Area High School many familiar sites and sounds greet the droopy-eyed students entering the building. The everyday site of students doing last minute homework in the student lounge, the cafeteria, the library or homeroom; the mad frenzied rush of getting to homeroom before the 8:20 bell and then the infamous, "Good morning today is Friday 1984, please rise for the pledge of Allegiance and remain standing for silent meditation." Even as late as second period many students are still stumbling around in a daze. As the day progresses students start to wake-up (some what) around lunch (mainly because of the ever present "wonderful" aroma). The rest of the day is generally a "blur" for most but the highlight of the "blur" is making plans for the evening; they probably include a Basketball game or wrestling match then a stop at Mac's or a radical party. As 3:19 approaches an astonishing metamorphosis occurs . . . a sudden "jolt" of electricity seems to take hold of the student body and even the most docile person becomes rowdy. Plans are finalized as the bell rings . . . people swarm the exits of the school and rush to the student parking lot, a bus or begin the trek home for the many who walk. Some dedicated souls remain behind to participate in the vast array of after school activities, such as cheerleading, french club, N.H.S., and Key club. And thus another day has ended at Grove City High.

# Student Life

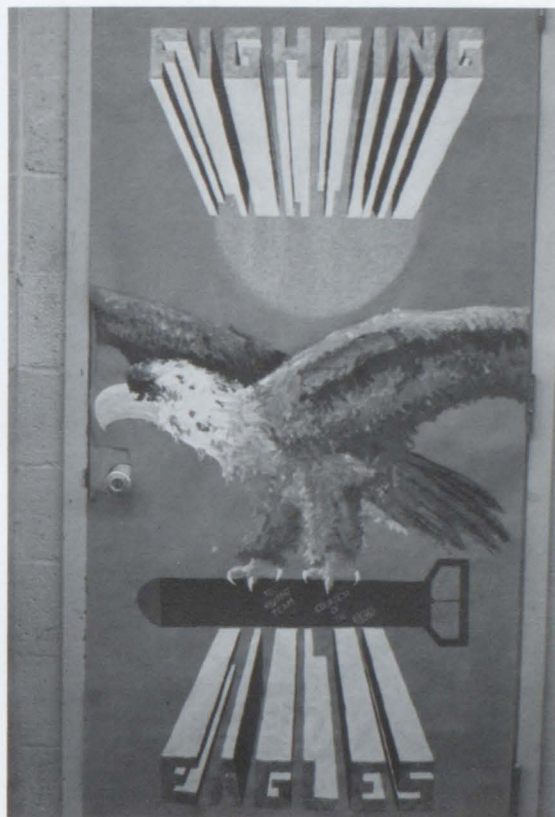

The students of Grove City High School have shed their apathetic skin and underneath is a spirited peppy student body!

They have supported the football games as-well-as the wrestling matches. The Pep assemblies have been "totally radical" and who will ever be able to forget the cheerleaders "stunts". Let's hope that future classes will be able to live up to the legacy left by the class of 1984!

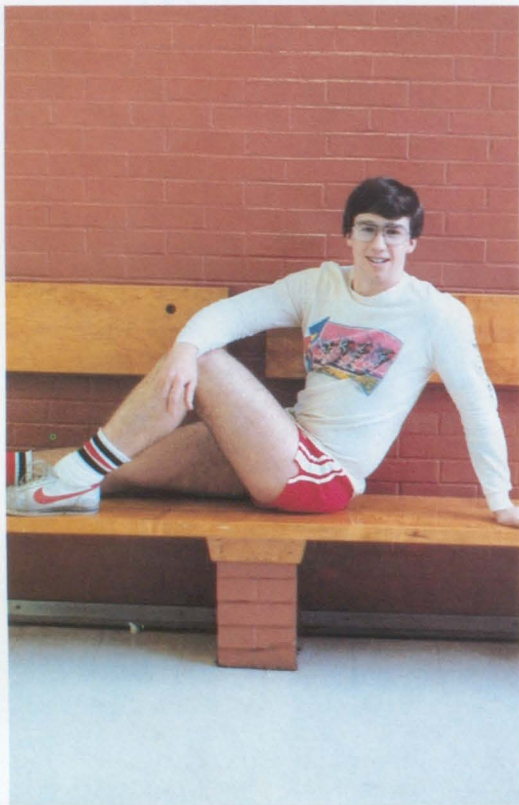

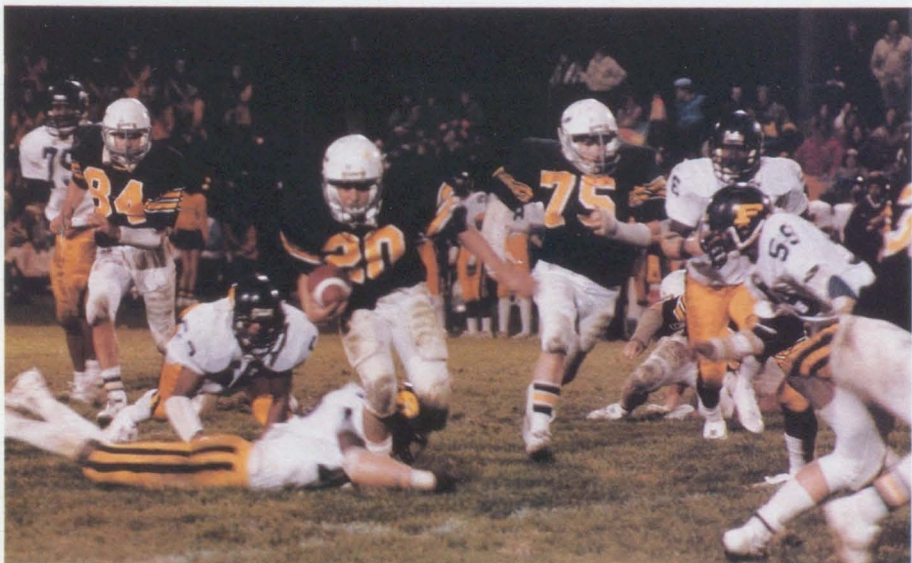

# School Spirit

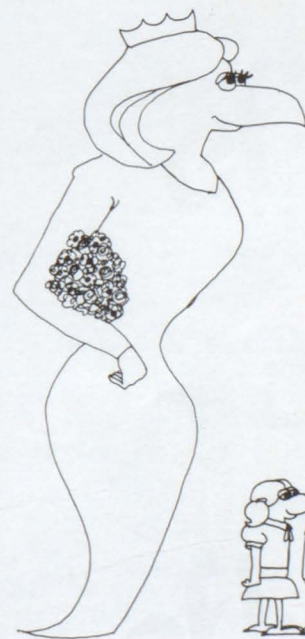

# *The First Big Event*

The first Mr. Leggs contest and Kiss and Eagle day bring back memories of the spirit-filled week preceding the 1983 homecoming game against the Farrell Steelers. Evening homecoming festivities began at 7 p.m. with the annual parade through town. During the half-time ceremonies, Amy Michel was crowned 1983 Homecoming Queen. The court and escorts were: Sherin Smith-Steve Fulkerson; Karen Longnecker-Terri Coutsolioutsos; Kim Knouse-Kevin Woods; and Beth Miller-Kevin Cummings. Amy's escort and beau was Steve Baker. While most of the area homecoming queen candidates were dressed in suits, our queen and court were adorned in beautiful full-length gowns of velour. The average cost of one of these gowns was \$180.00. Although the football team lost 13-7 to the undefeated Steelers, school spirit soared upward. The homecoming activities came to an end on Saturday evening at the Rec. Center dance. The dance was held from 8-12 p.m. with music by "Magpie".

# *School Activities*

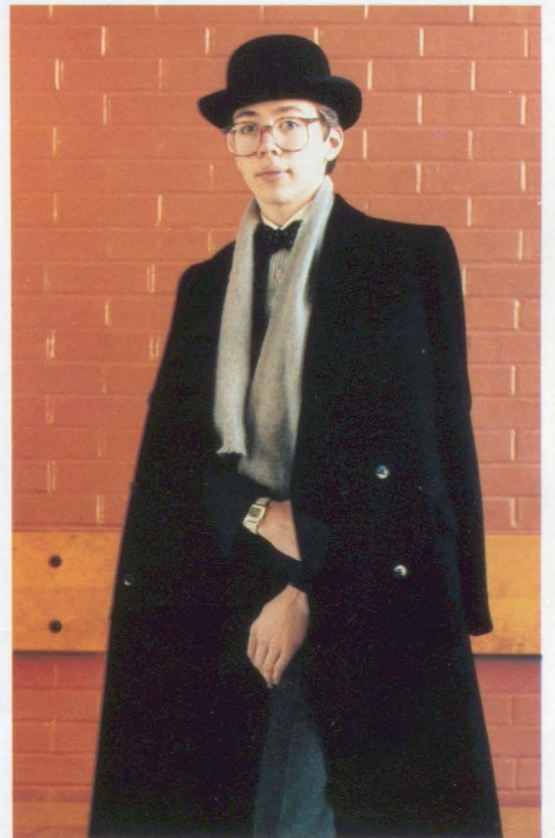

There were a wide variety of activities to keep the GCHS students busy this year. From cooking crepes with French Club to working on the computer with a friend, there was always something to do. Hard practices paid off for the basketball team as we beat Greenville for the Winter Festival queen and her court. An afternoon powder puff football game kept junior and senior girls occupied and attracted parents and faculty as well. The school year was filled with events to keep the students spirit and participation alive.

Neckties, Izod shirts, boots, denim, and sweats were just a few of the fad styles displayed at the senior high this year. Also, the students wore many punk rock styles such as mini skirts, short pants, stripes, headbands, and punk-feathered hair styles. The girls began to wear denim jackets and many of the guys showed up at school with pierced ears. Another fashion theme was the preppy look, which featured penny loafers, narrow ties, monogram sweaters and knickers.

# Fashion . . .

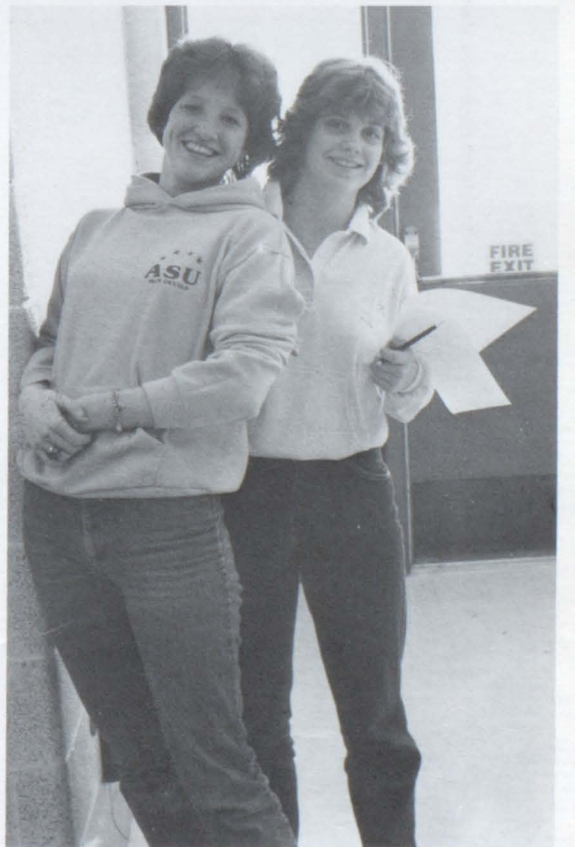

Students began to wear bigger and bolder accessories, as-well as the old standard Levis with cheerful OP shirts this year. In addition, Fridays were characterized by football players with Sport coats and ties and cheerleaders with dresses or skirts. All who were connected with sports were expected to "dress up" on days of games (or matches) to show pride. Fashion in 1984 can be summed up in 4 words: DO YOUR OWN THING !!

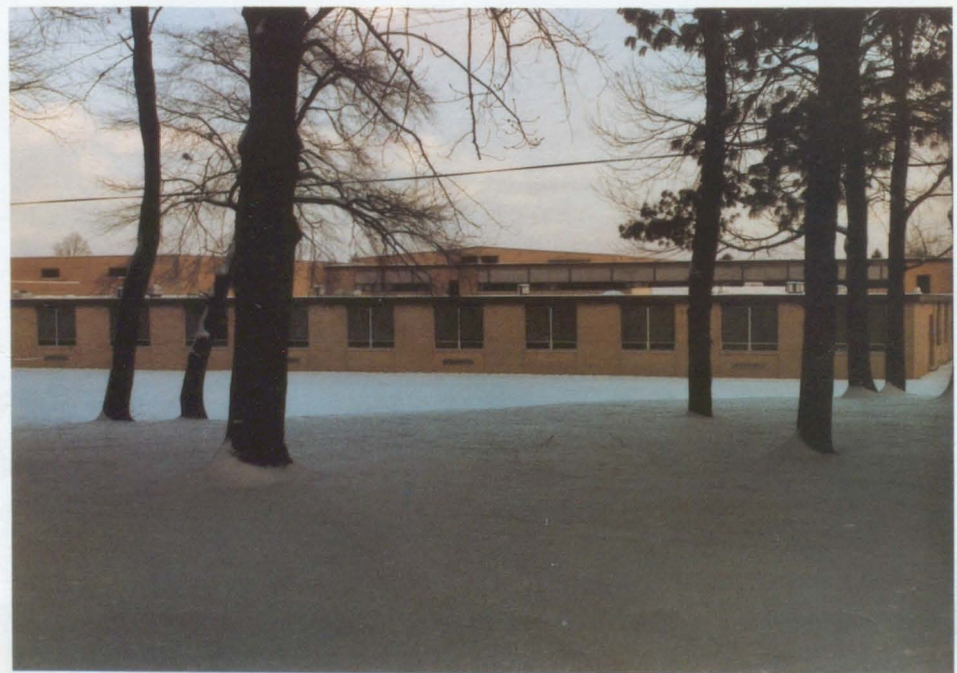

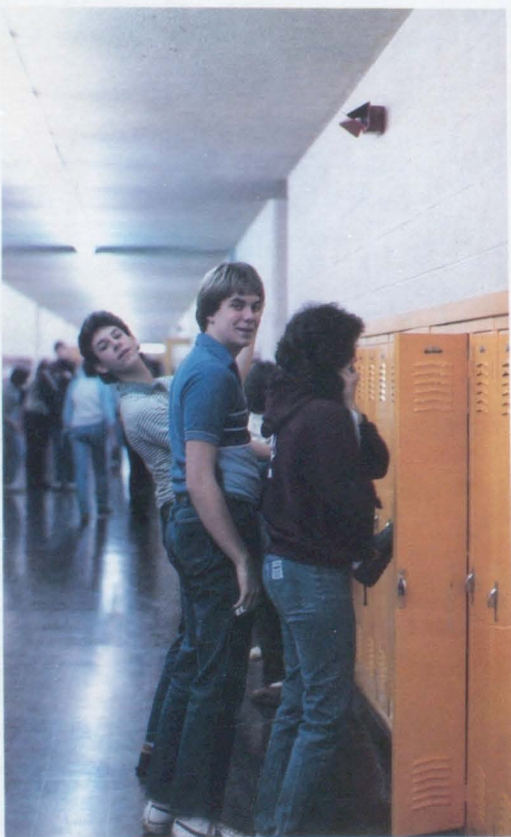

# Fashion . . .

# Community

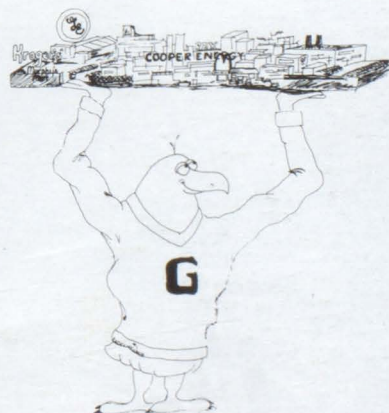

Our community is finally out of the dark ages. The Renaissance is upon us! Grove City, once a small, insignificant town, is now well on its way to becoming a thriving metropolis. Two well known corporations, General Electric and Cooper-Bessemer, have revamped their operations. Hopefully, many jobs will be made available. General Electric also donated the money for the lights at the football field, which made Homecoming successful. The leftover money went for the scoreboard and for the gym.

The openings of Rax and the Pine Grove Shopping Center have opened up many jobs for ambitious students and has also provided a new hangout.

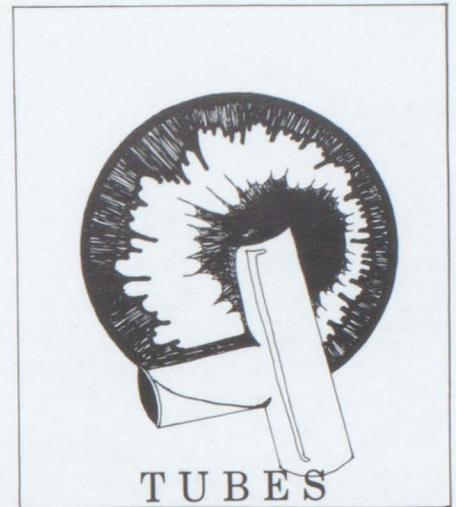

Grove City College began construction of the new Weir C. Ketler Computer Center this year. It should be completed by fall of 1984. The center will be built partly underground and will feature highly sophisticated computers. Many of the changes will directly affect the students of G.C.H.S. Some changes will not affect the masses as much as others, One of those such changes is the Nursing Home built on the site of the former G.C. Hospital.

To the 760 students at G.C.H.S. there was no sound more pleasant than the ring of the 3:19 bell on Friday afternoon. Even though 11th period lasted for only 45 minutes, it could be an eternity for students and teachers alike. But when that bell finally rang, everyone dashed for their buses or their cars in the student parking lot. That history test Monday was the last thing on their minds. "JUST GET ME OUT OF HERE!" was the most common thought.

JUST GET ME OUTTA' HERE!

Goodbye hallpasses; hello car keys. It's time for the weekend life of Grove City High School students. For a small town, the students are always able to find the excitement. If sporting events are not appealing, they never hesitate to travel to the action. Of course, we do manage to get some things together here in our own little bubble. The typical trip from the Guthrie to Mac's describes many of our Friday nights. Saturday night some poor fellow has been convinced that it's his turn to throw a party. Well planned or not, a party means friends and a good time! G.C.H.S.

students also enjoy a wide range of concerts. Whether it be the latest in new wave, or the hard rock of Ozzy, everybody loves a concert. Music is a big part of our weekend . . . Stereos, boxes, tapes, albums, video's.

## "Malled" To Death

The typical Saturday afternoon . . . Even though you never have the money, the popular thing for teen-agers to do is go to the mall. The boys go because the girls are there shopping, the girls go to be watched by the boys. Luckily, some malls put in arcades so that the boys have a legitimate excuse to be at a mall. Oh well, excuse or not, the malls are *the* place to be and are the hot spots that GCHS students go to.

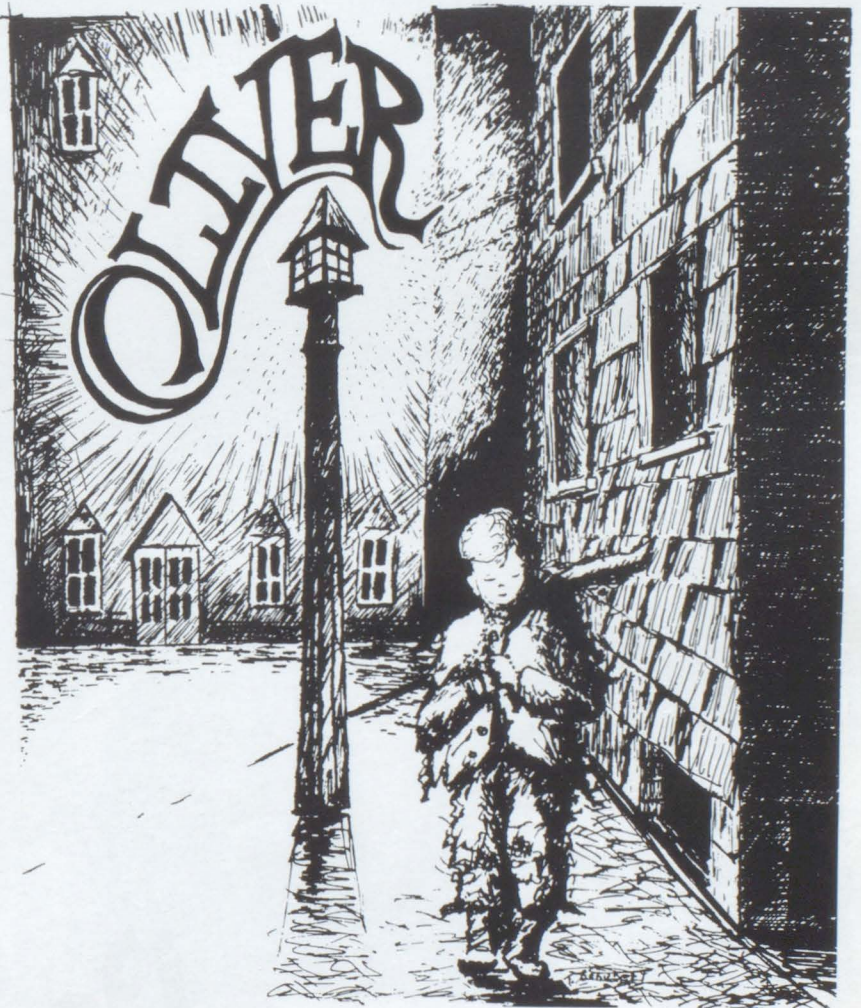

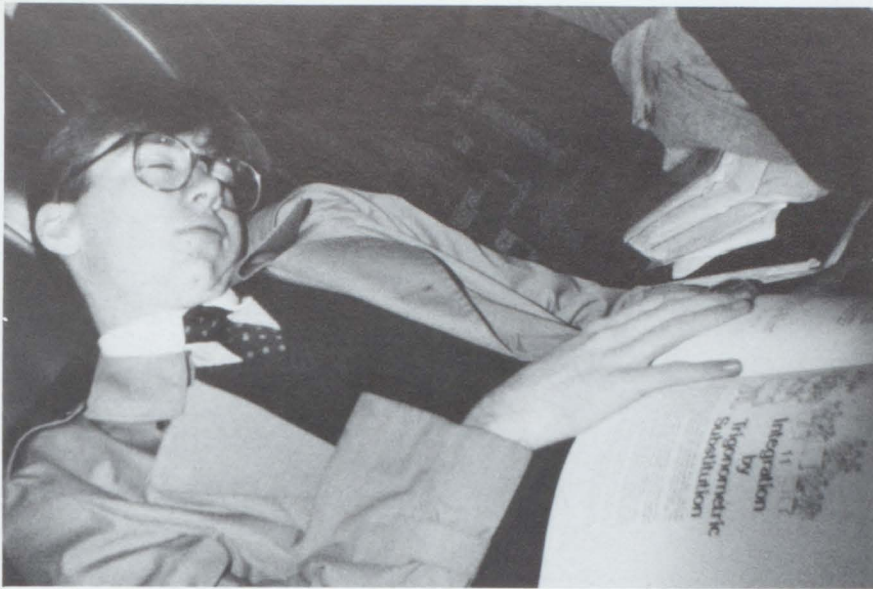

The anticipation of curtain time, the excitement of the audience, the dimming of the house lights, and music filling the air sets the scene for the Grove City High School drama productions. The 1983-84 school year was highlighted by two musicals: "You're A Good Man Charlie Brown", shown in the fall and "Oliver" put on in the spring. For the numerous students involved in the production of these musicals it meant studyhalls spent working on the set and long nights practicing on stage.

Months of dedication and hard work, not to mention unforgettably funny moments and good times, certainly paid off as the audience viewed two of the most enjoyable plays ever performed by G.C.H.S. students.

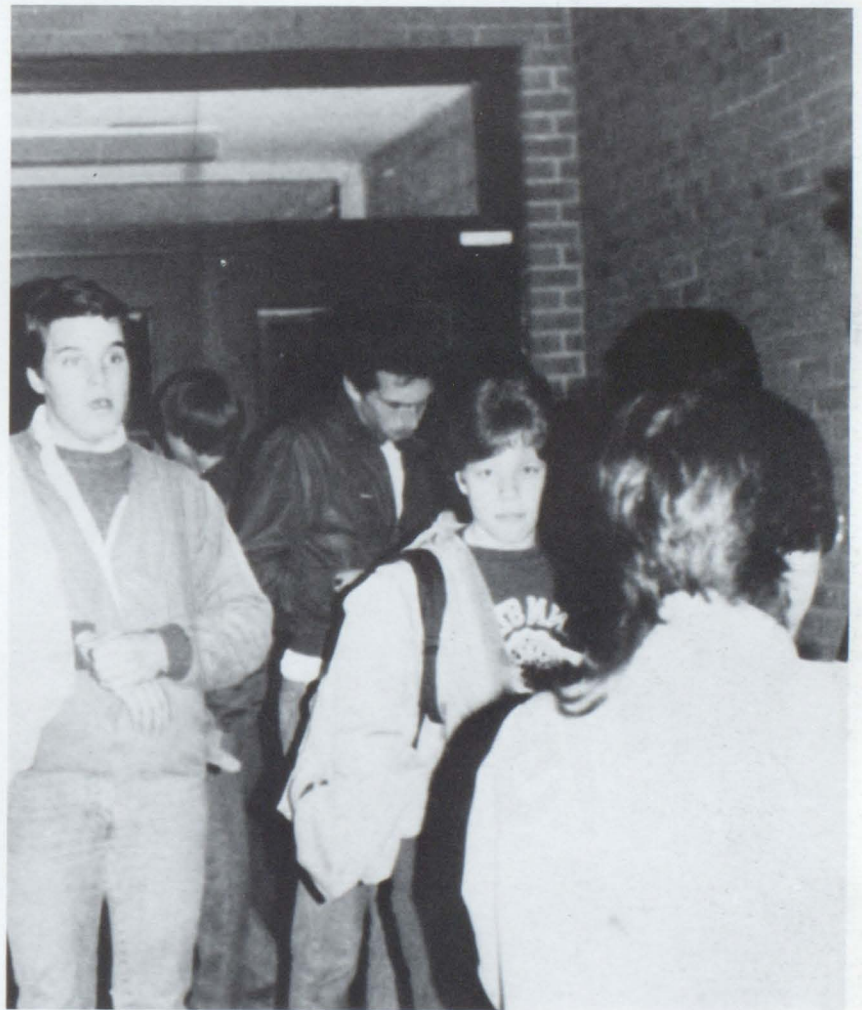

Some of the seniors involved as characters in these productions were Karen Longnecker, Paul Voltz, Thom Horne, Kim Tregaskes, Tom Zenobi, Julie Jordan, Ron Coulter, Nancy Mason, Beth Rice, Deborah Conway.

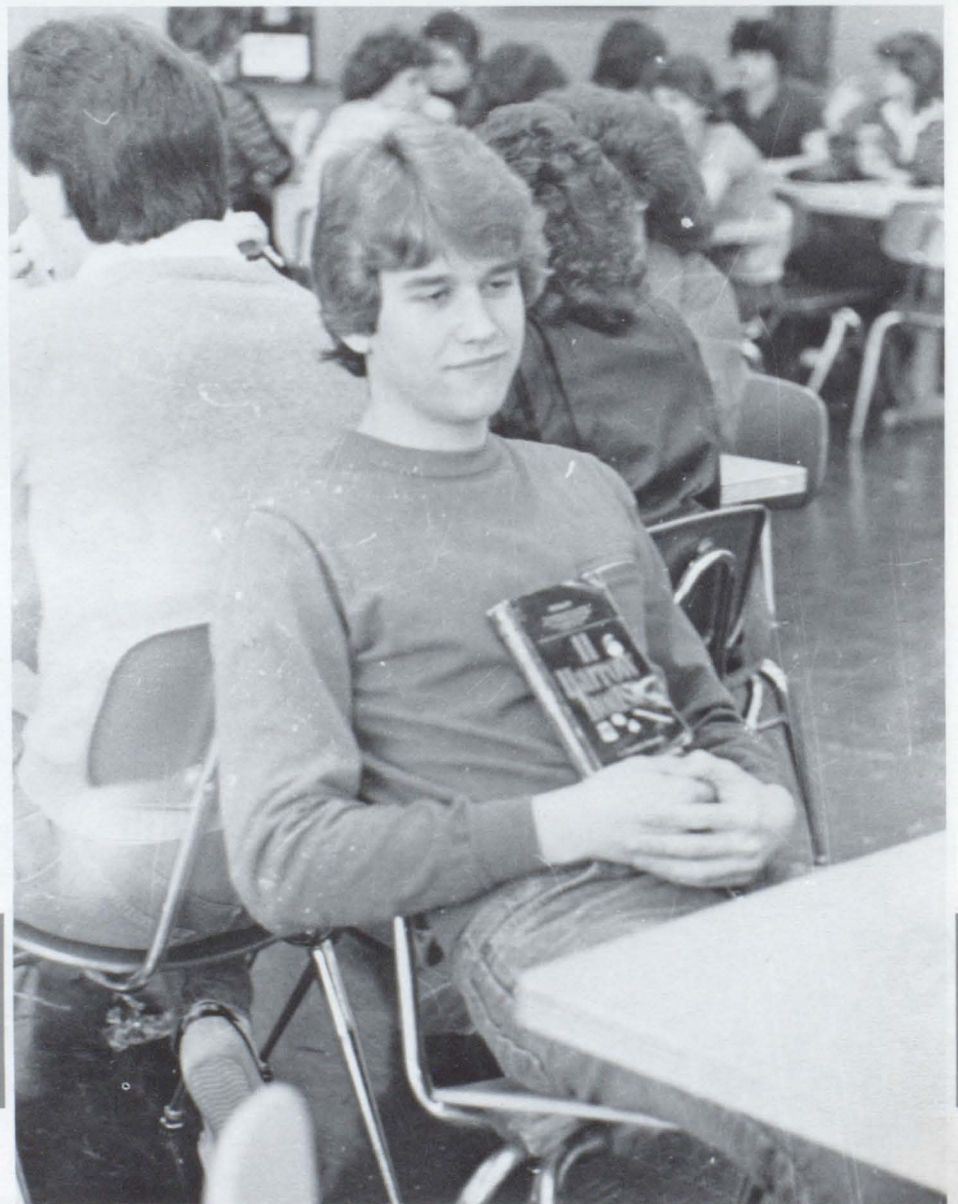

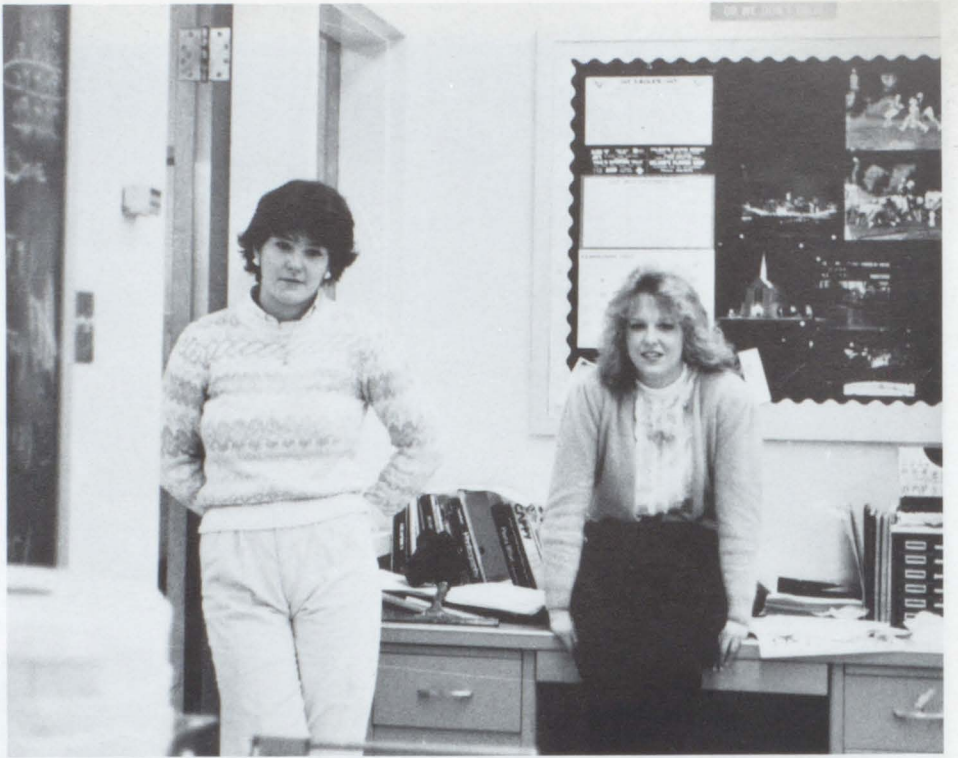

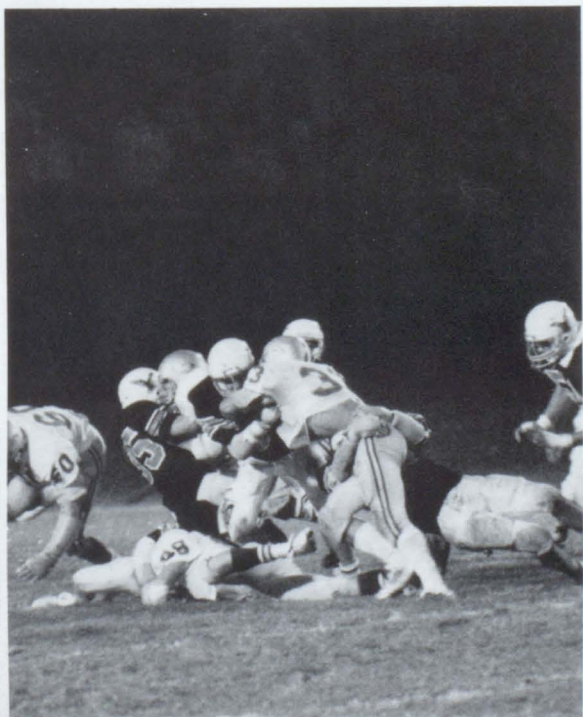

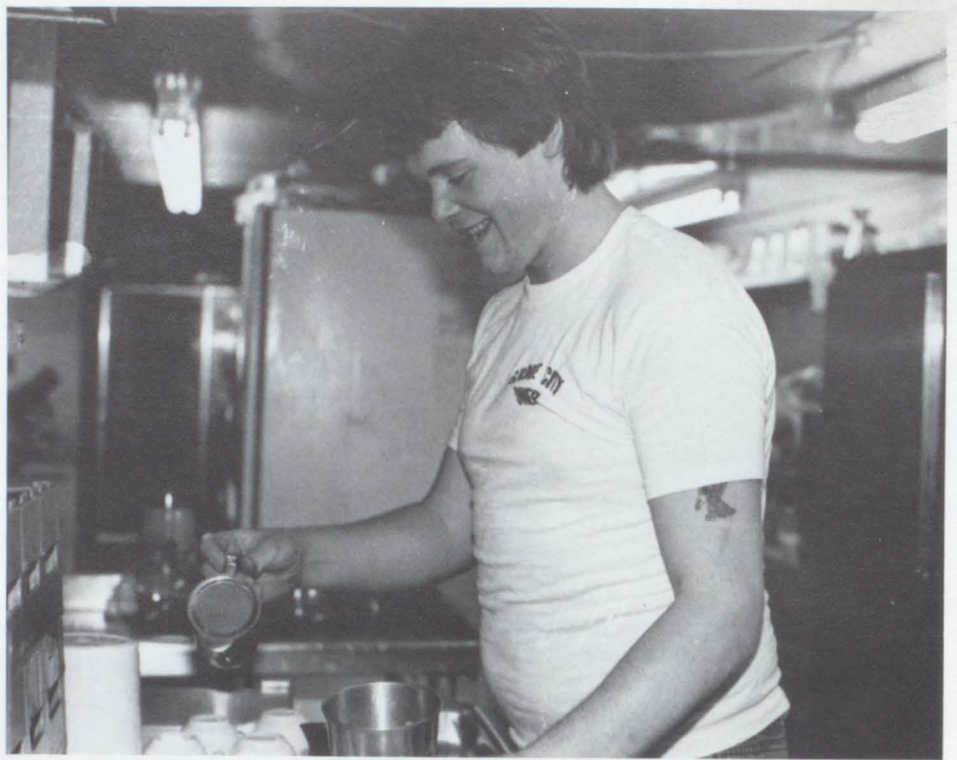

"You need roadtrips to survive at Grove City", according to Mike Dubiel. A roadtrip can range from drive to McConnells Mills to an excursion to Youngstown, Ohio. They all provide one main idea- escape from school. "Ty Thompson says you need roadtrips to get away and relax from the everyday monotony that school seems to bring about". The general consensus is in favor of roadtrips, not only to "get away" but to party with four friends also!

Many Grove City students during the school year are active participants in the job market. These students work in various places, usually part-time, but gain valuable knowledge and hands-on experience for the future as well as earn extra pocket money. When asked about the advantages resulting from being employed, most students related different opinions which included receiving skills to be used for future reference, a sense of responsibility and loyalty, and the desire to achieve success and satisfaction as well as acquiring friendships of fellow workers, a status of independence, and the feeling of being worthwhile when the first paycheck is received. One of the most popular extracurricular activities for many Grove City students, a part-time job, has proven to be a good experience, and a step into the future.

Students at Grove City High School not only have the usual run-of-the-mill hobbies but many have ones that border on the bizarre. Here are some ordinary and some not so ordinary hobbies.

**First - photography** - many students such as Tim Gregg who is pictured here are getting into the darkroom.

**Second - science** - as hard as it seems to believe, some students' hobby is science! pictured here Chris Kay and Jay Turek.

**Third - motorcross** - a large number of G.C.H.S. students are taking to the roads!

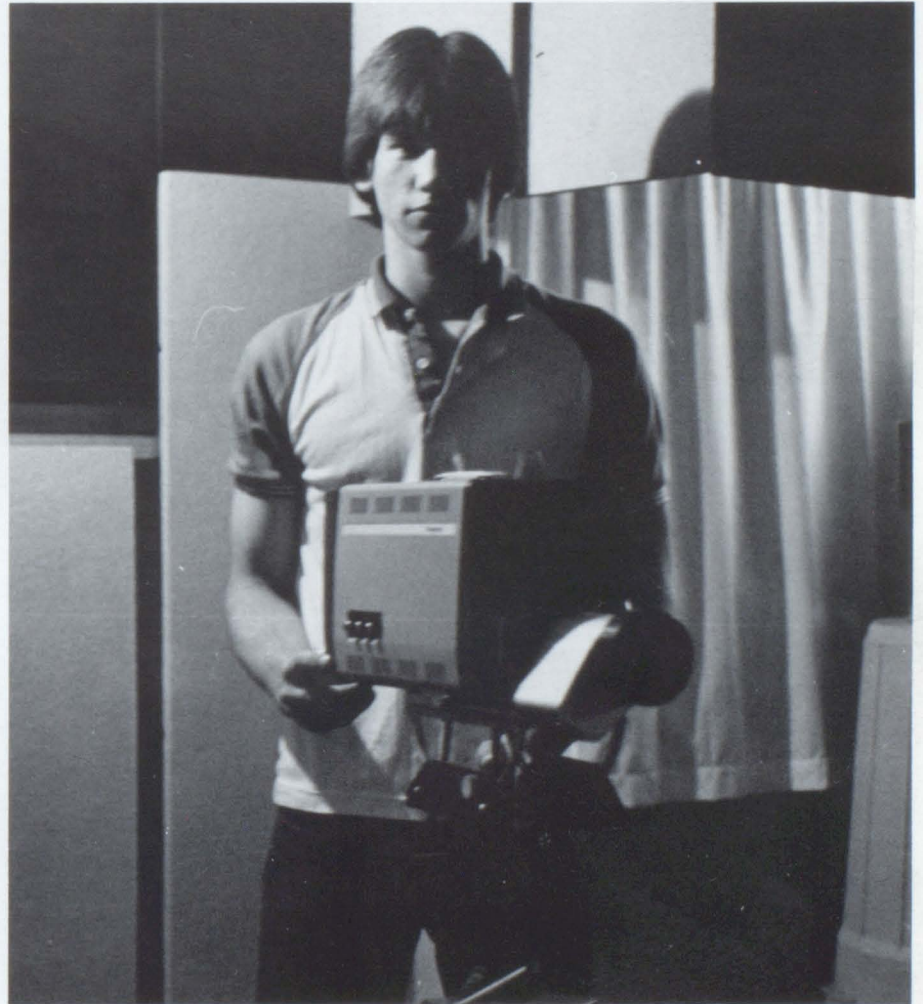

Some more favorite hobbies of the Grove City student body are:

**Dance:** from bread to ballet many from our school are hitting the floors.

**Juggling and unicycling:** One of the few unicycling jugglist is Scott Foster.

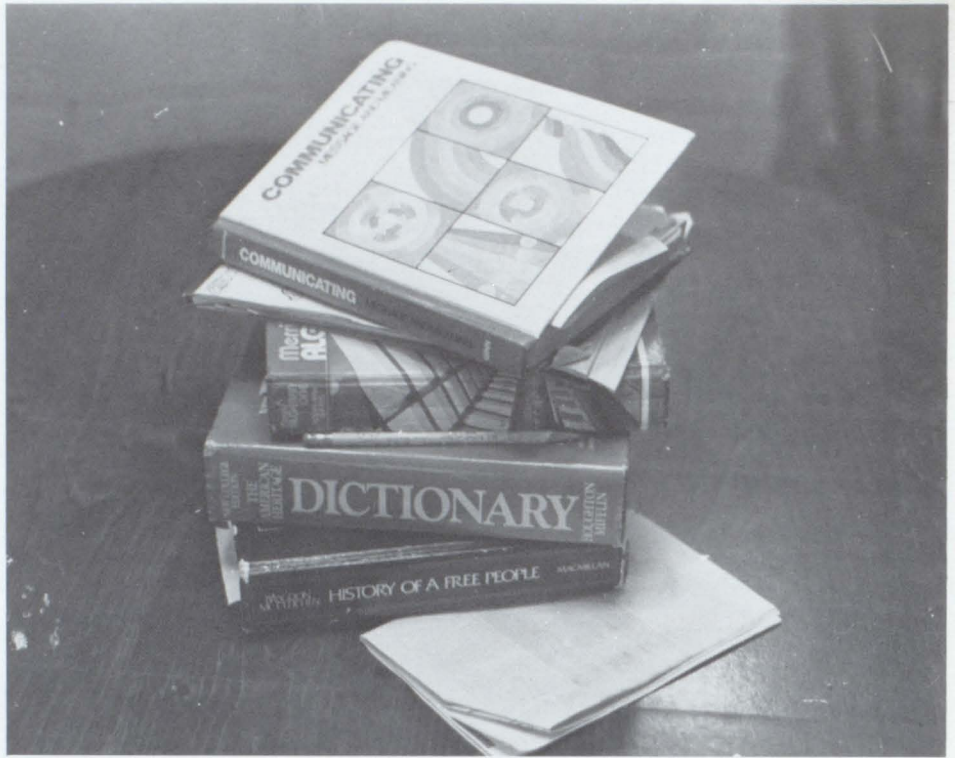

**Movie Making:** A cinematographer in our midst? Its Jeff Garton who is making his own Sci-fi flick.

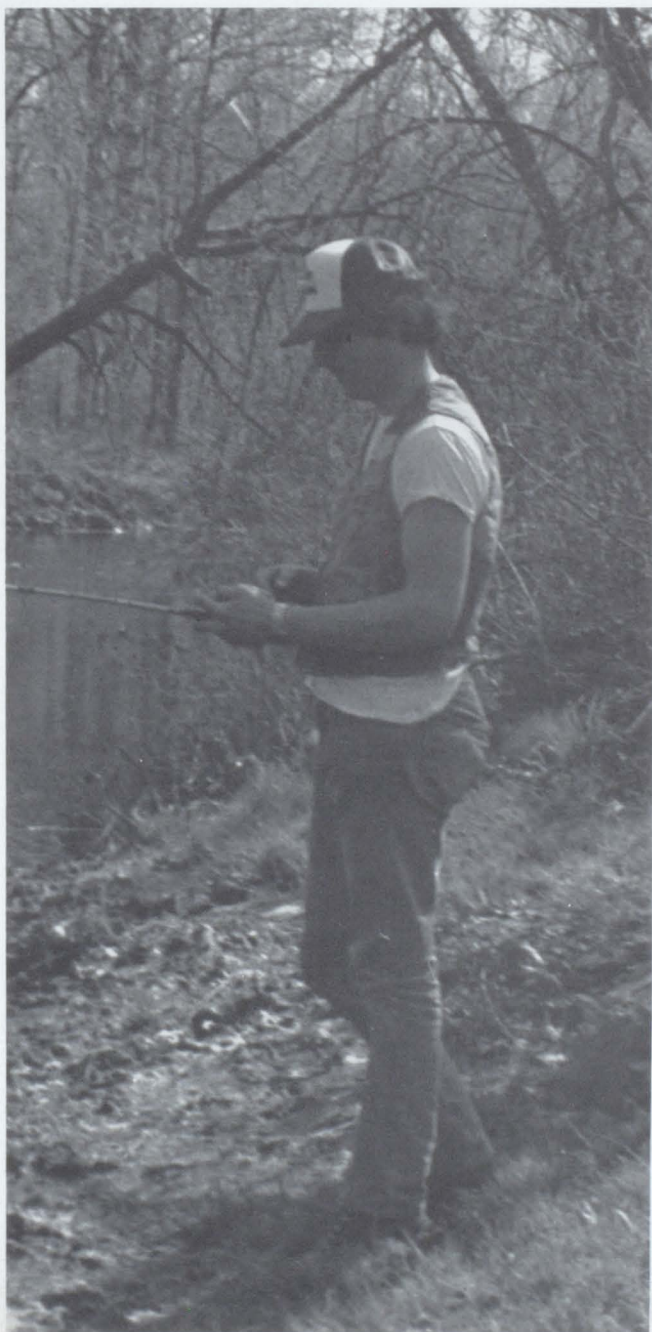

**Music:** Many as Andy Owens (from the band Lobotomy) have formed their own bands.

"When we were young, we made our own entertainment." Are these the words of your father, or the words you'll be telling your own kids in the times to come? Just how did the kids of Grove City in 1984 entertain themselves?

Movies were the key to entertainment in the 30's and the 40's. In 1984 it was music. Punk, new wave, or just plain old rock n' roll. Many GCHS students attended concerts in Pittsburgh. Places such as the Civic Arena and the Stanley presented series or rock concerts unparalleled in Pennsylvania.

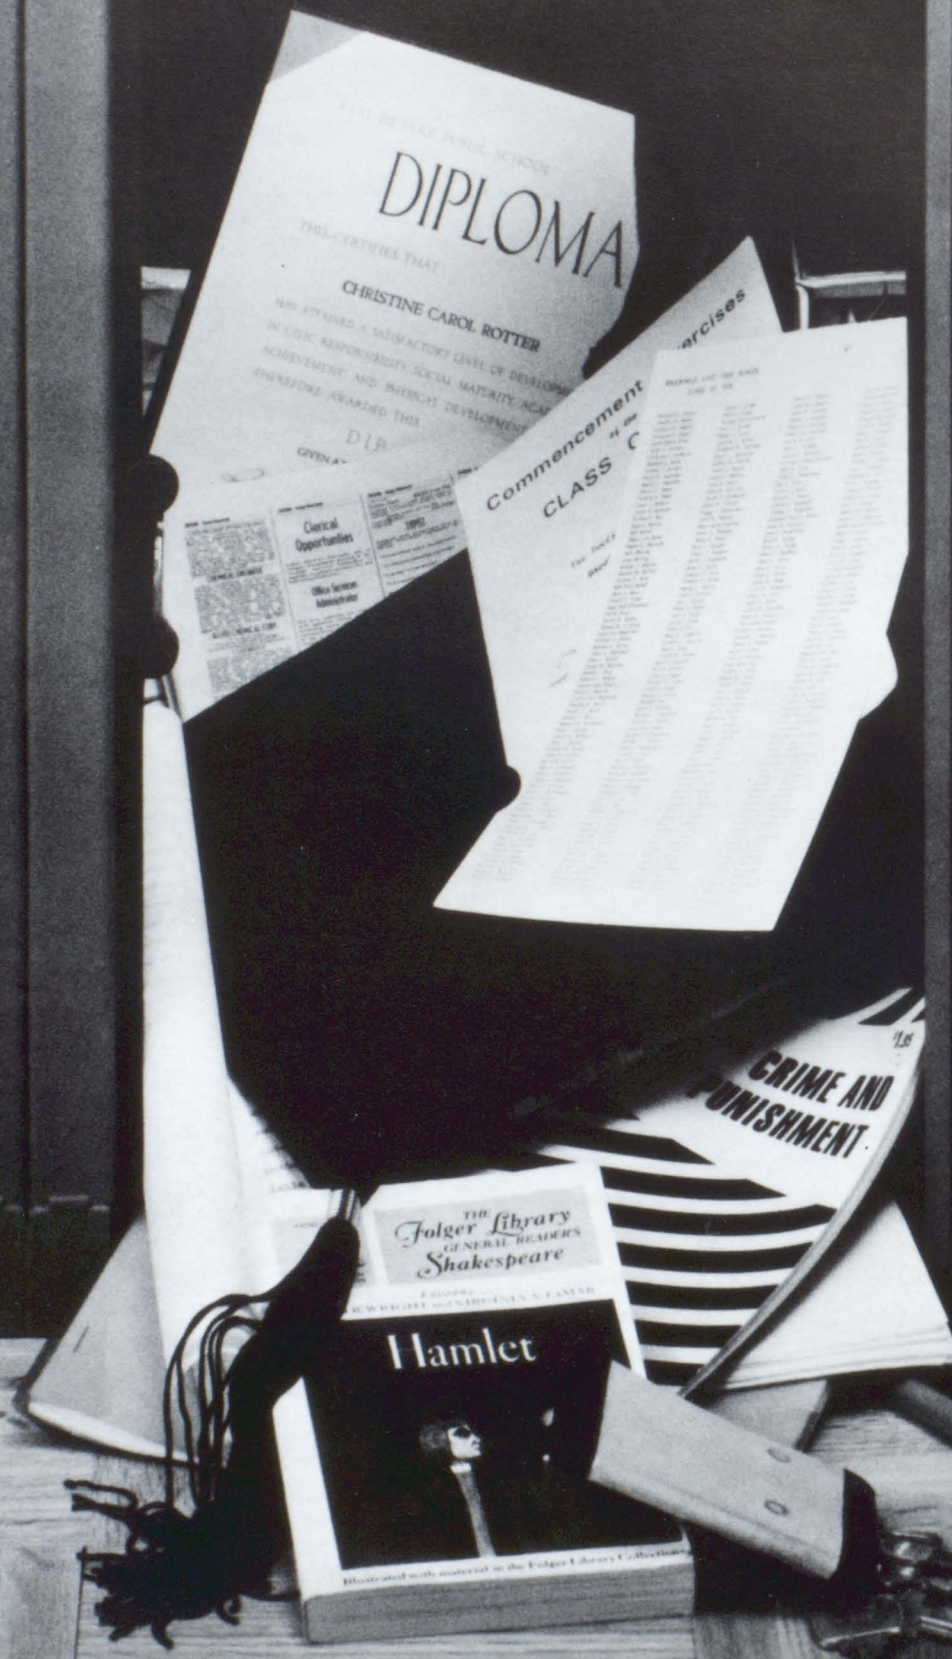

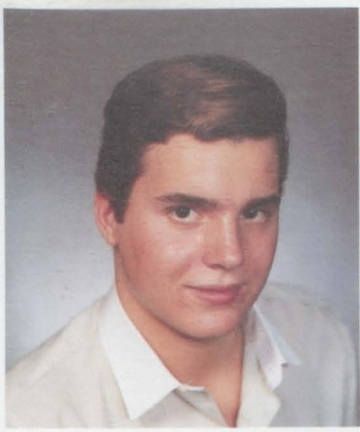

Besides concerts there was a wealth of new records and new bands. For the stay-at-homes, television still provided a tremendous source of entertainment. However with the hectic schedules of most high school students, television viewing was very selective. Only the specials commanded a large student audience. For most students, movies were a major staple in their lives. Most felt that a dollar-fifty was not much to pay for escaping from Grove City for two hours. Others found they could make their own entertainment. Some of the most widely used forms of entertainment were hunting, fishing, and shopping.

Men without speed was the motto of the 1984 boy's cross country team. Behind this play on the name of the popular Australian rock group was the team of seasoned runners who raced to a fine record of 8 wins and 2 loses in the dual meet season. The team was composed of nine returning lettermen: seniors, Bob Frazier, Jim Gallagher, Mike Rossi and Mike Sample; juniors, Penn Barger, Darin Powell, Lance Reheer; sophomores, Jim Highland and Joe Sample. The team was runner-up in the Mercer County Championship while standout runner, Penn Barger, placed second in the county race. The team finished fifth in the district with Penn qualifying for states with a 6th place finish. At the state meet held in Lehigh, Penn finished 50th in a field of 250.

The girls' varsity team was occasionally short-footed but led by seniors, Deborah Conway and Nancy Mason, they turned in a series of memorable performances. These include one contest in which they packed 15 team mates into one small auto.

Moving up to join Barger and the boys next season will be Jr. Varsity runners; Chuck Conway, Sam Goncz, Chris Freling, Tim Riddle and several talented freshmen. Junior Darlene Laughner will be the keystone on the distaff side; and if feet can be found, they will be competitive. Next season promises to be a good one as the runners strive to become the 'quiet riot' of speed in 1984.

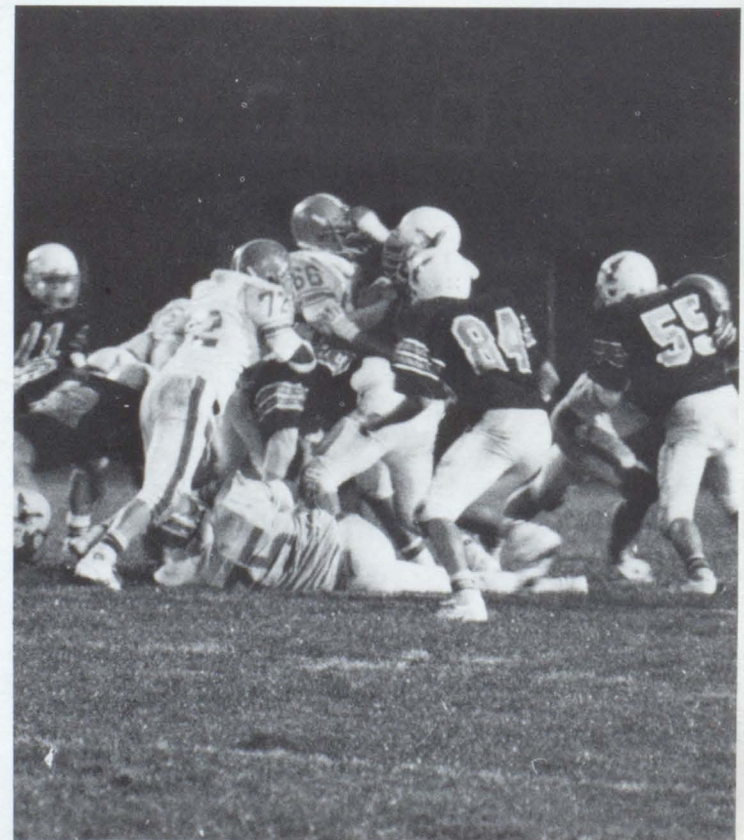

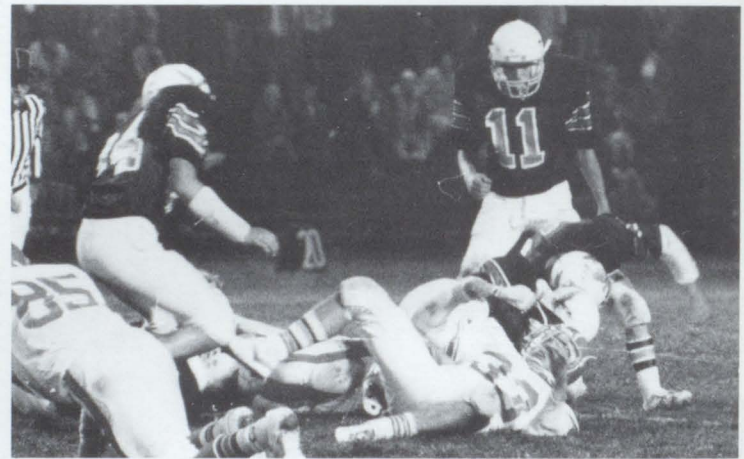

## *Seniors Trounce Juniors!*

This year the yearbook staff sponsored the first annual Powder Puff Football game between the senior and junior girls. The seniors coached by Fran Hassel thoroughly trounced the juniors coached by Dave White. When the mud settled the final score was 38-12, **SENIORS!**

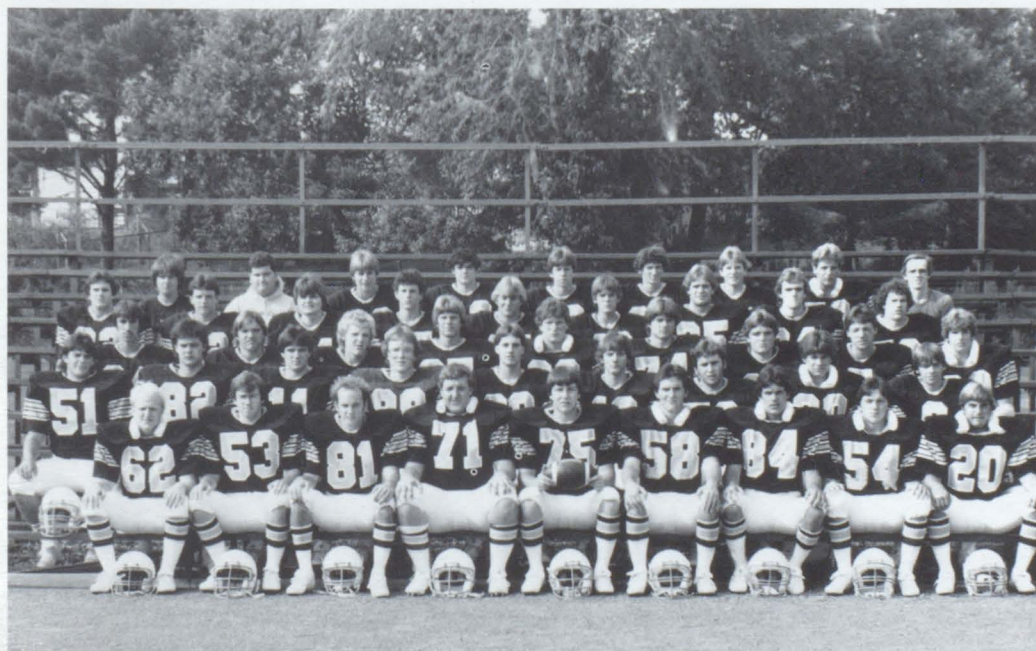

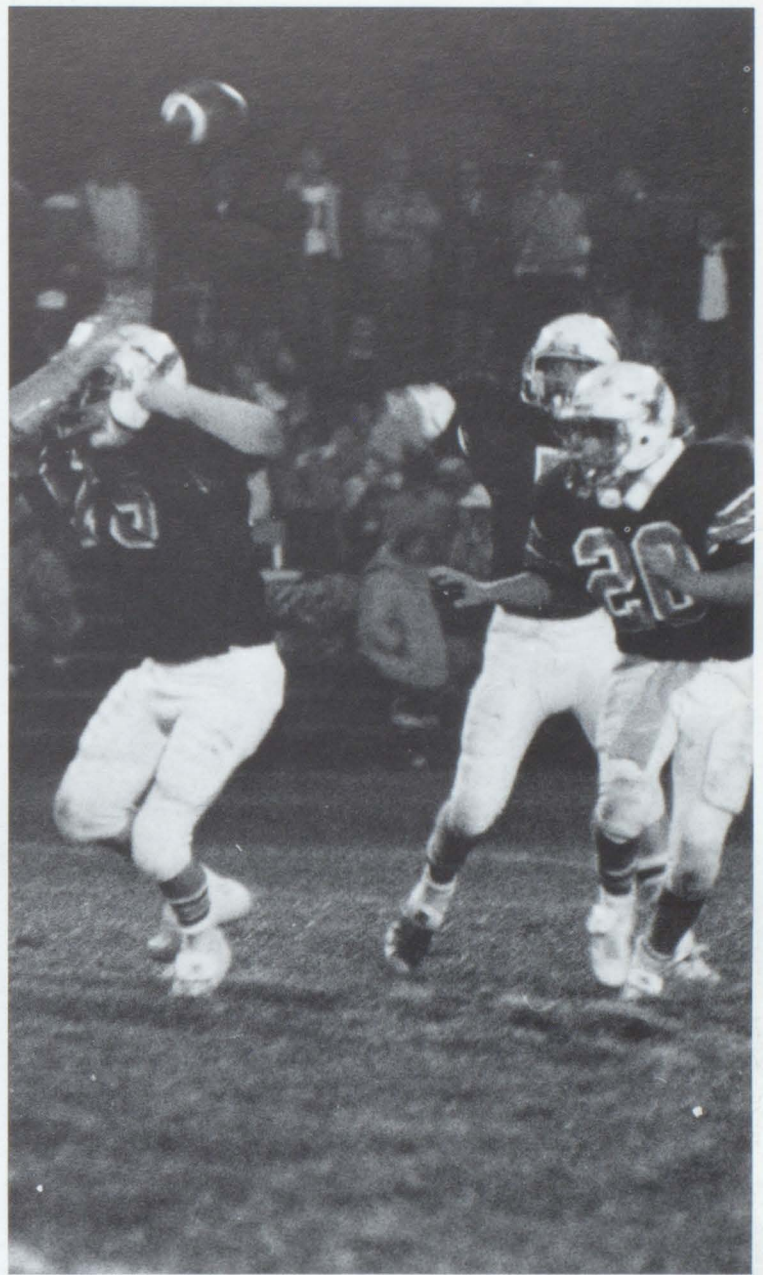

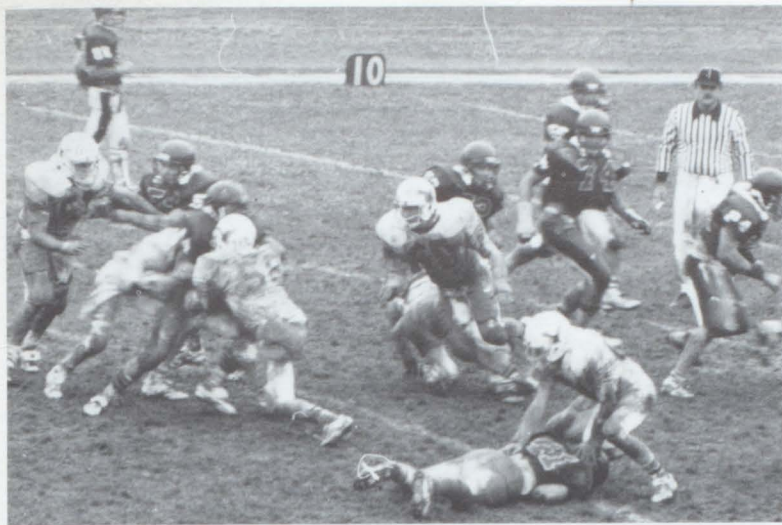

# Football

The 1983 football Season can be summed up with the words: Shaping Up! Although our record was an unimpressive 1 and 9 most games were excitingly close. The new coaching staff headed by Fran Hassel instituted many changes such as: white shoes, more passing. Juniors and seniors only on Varsity football and a 5-2 defense. Since we are a young team we certainly look forward to bigger and better things next season! Seniors who helped lay the foundations of the changed system are Terry Coutsolioutsos, Steve Baker, Mike Aque, Steve Fulkerson, Kevin Woods, Kevin Cummings, Mark Truran, Jeff Wilson, Kevin Anderson, Wade Patterson, Chris Kay, Ross Crum and Doug Riddle along with senior manager Todd Woods.

# Lady Eagles Shoot For Super Season

Success! The lady Eagles ended a fantastic season with a league record of 7 and 1 and MCL Champion title well under their wing. Although this gave Grove City the honored title for 4 out of the last 6 years, the 1983-84 team took it one step further. Advancing to PIAA interdistrict competition, the lady Eagles finished as one of the final 8 AAA teams in the western part of the state. Super-star Cathy Szemerek, named Mercer County Co-MVP, led in scoring with an average game of 15 pts and 10 rebounds. Freshmen center, Muffy Nesbit, had an outstanding season as she scored over 300 pts and hauled in more than 300 rebounds. Karen Garland averaged 11 pts per game while Fiona Kenny led the hustle in assists and steals. Senior Janet Miller and juniors, Stephanie Dittich and Jodi Kiser, provided valuable help throughout the season. Rounding out the squad were sophomores, Mary Place and Tammy Surrena, and freshmen Marya Louise. Our congratulations to the entire team.

Grove City concluded an outstanding, exciting basketball season in 1983-84, finished 22-8, Mercer County League champions and traveling up the PIAA triple-A ladder before bowing out in a heartbreaking 60-56 quarterfinal loss to Hampton, the state finalist.

After a mid-season slump, the Eagles rebounded to play a high pressure and consistent brand of basketball, equal to any AAA team in the western half of the state.

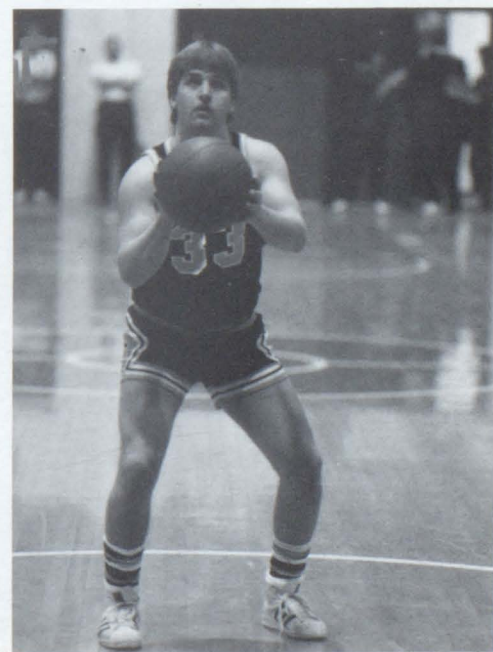

Departing from our championship team will be seniors, Tim Winbush, a four-year starter, Mark Shaffer, a two-year starter and Keith Kiser, a starter during his senior year. Terry Coutsolioutsos, a big contributor, and Scott Foster will also be lost to graduation.

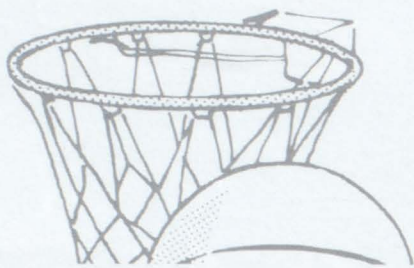

Three players dominated the scoring for GCHS. Mark Shaffer led the scoring with 490 points, Tim Winbush followed with 472, and junior Pat Cavanaugh ended with 371. Winbush was top rebounder with 271 and top defensive state man with 196 creations. Winbush also had the top field goal percentage with 57 percent.

Keith Kiser proved to be the Eagle defense specialist while Pat Cavanaugh had a fantastic 219 assists as the GCHS playmaker.

The Grove City High School track team's record was 7-2. They won district ten AA championship, and the Fairview tournament. The individual people who competed in States were- 3200 relay team placed 3rd which included Bob Frazier, Penn Barger, Mike Sample, and Jimmy Highland. They set a new school record of 8 min. and 5 sec. and 59/100. Mark Shaffer placed 4th in state setting a new record of 6 ft. and 5 inches.

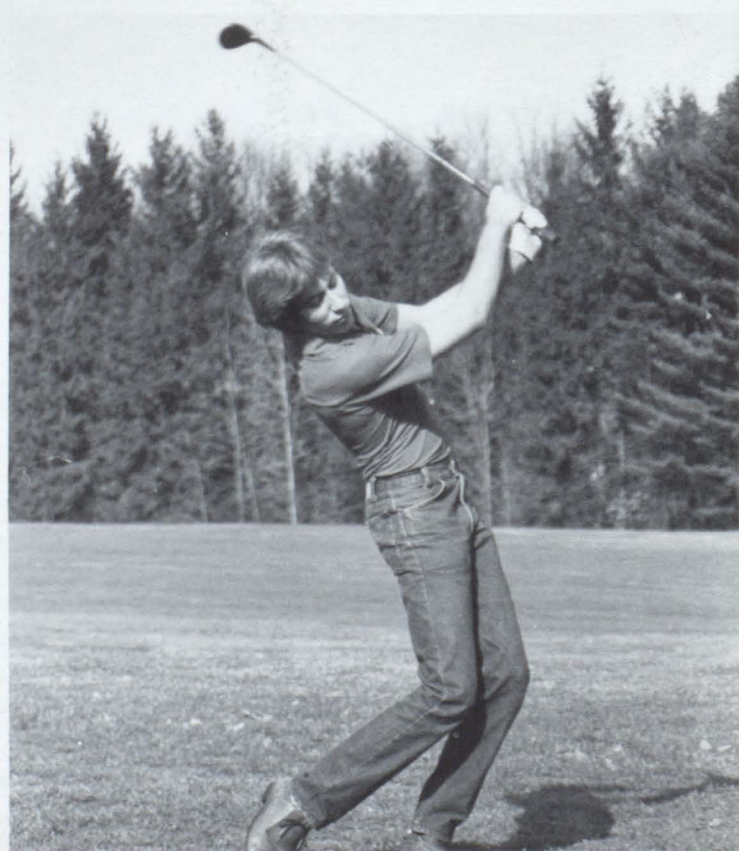

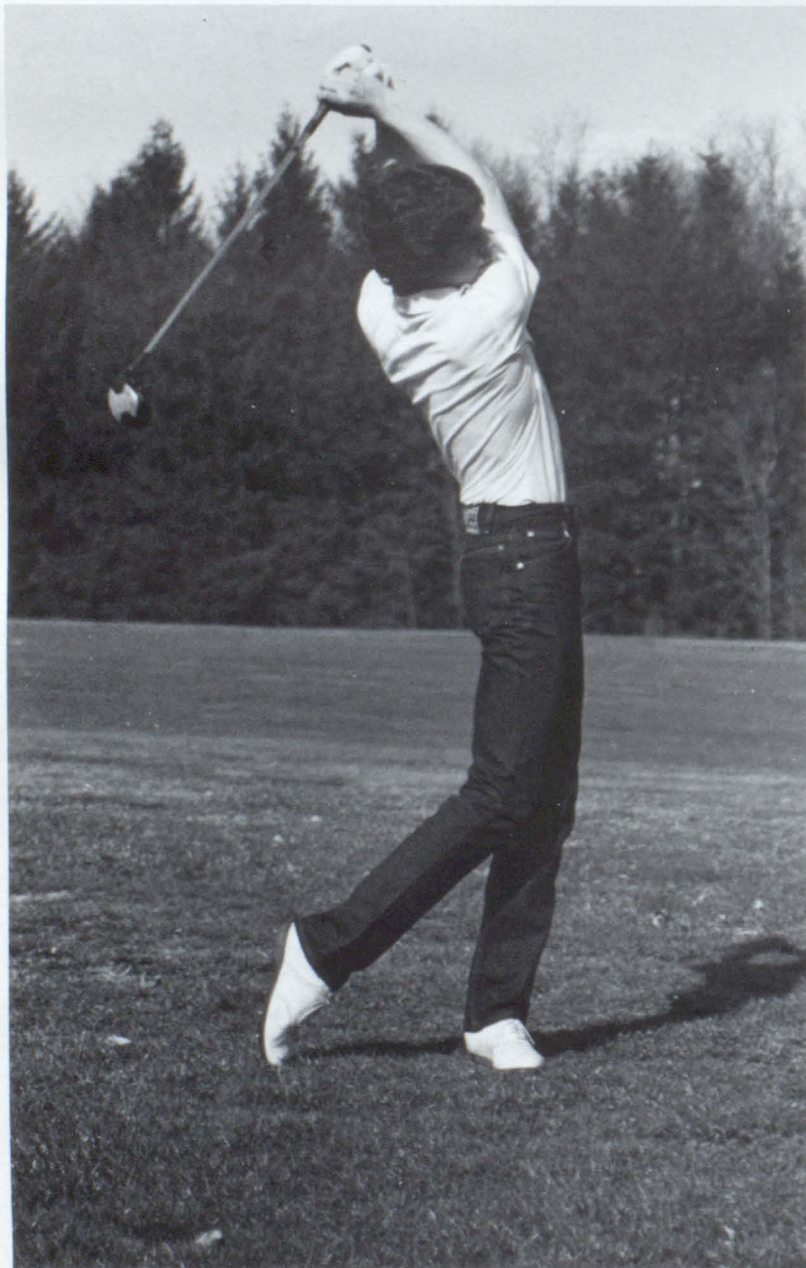

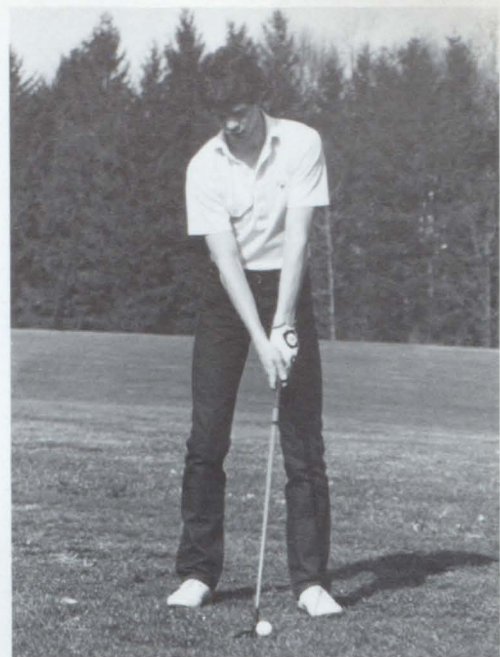

Doug Simmons went to state in hurdles but didn't place. Tami Owens also went to state in the long jump, but didn't place. Mike Sample set a new record in the 800 meter run. And in the 1600 meter run Penn Barger set a new record of 4 min. 27 sec. and 26/100. Penn competed in the most activities which were the 3200 relay, 1600, and the 3200.

# *Golfers Swing Through Winning Season*

The Eagle golfers finished their dual match season with an 8-4 record. Seven golfers participated in the 1983 District 10 Golf Tournament held at Okland Beach and Conneaut Lake Park Golf courses. Jeff Bryer remained the top Eagle golfer with an average of 71.56 for the season.

# Tennis

Our season ended on a good note when number one player Jeff Garton and Todd Humble, Jeff's doubles partner, advanced to the quarter finals of the District 10 Championships before being eliminated. The Eagles duo's top-eight finish, in a field of 48 doubles teams, represented the highest placing of a Mercer County entry. Jeff Garton and Ross Crum had winning singles records. The third doubles team of Russ Crum and Ethan VanTil also had a winning season.

Jeff Garton was the Jiggs Wolford Winner, certainly deserving of the award, he was the leader of our team.

# Cheerleading

Behind every great man there's a woman, and behind every great athlete there is a cheerleader. Twenty-six girls, from freshmen to seniors made up three squads of cheerleaders. These girls put in hard nights of practice and preparation for games, rallies and pep assemblies. On the next few pages are a few pictures of assemblies that were planned. Surprise kisses were given to basketball players by their mothers. Below Mrs. Knouse is giving her son Scott a big wet one. The cheerleaders dedication to their teams was evident in their performance.

Try-outs are held each year to determine these squads. The three squads together cheered for Varsity football, Varsity boys basketball, Varsity girls basketball, Varsity wrestling, and J.V. football and basketball.

Participating in the two Varsity cheerleading squads were seven seniors. Three of the seniors have been with a varsity squad for 3 consecutive years. They are Jennifer Cutshall, Kim Knouse and Amy Michel. We appreciate the spirit these seven girls have shown and wish them luck in the years to come.

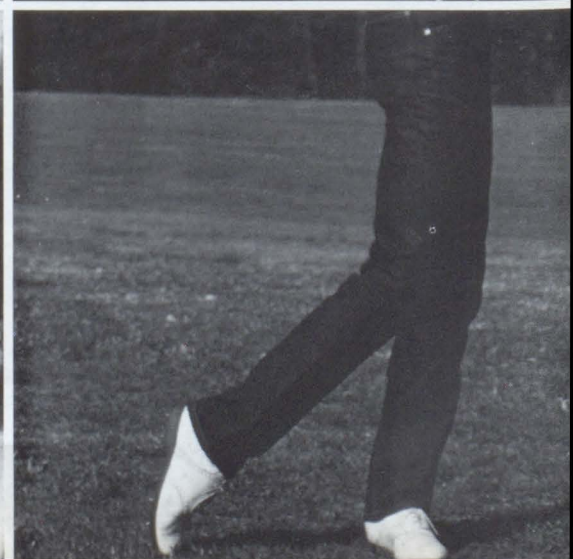

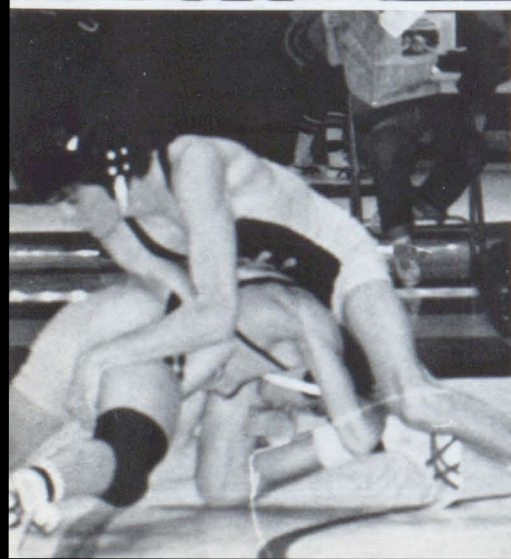

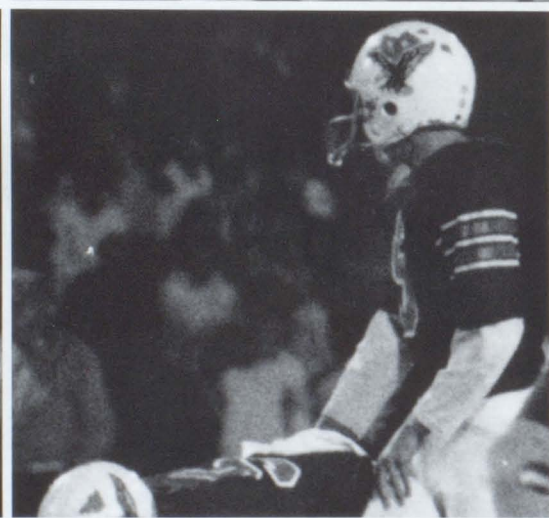

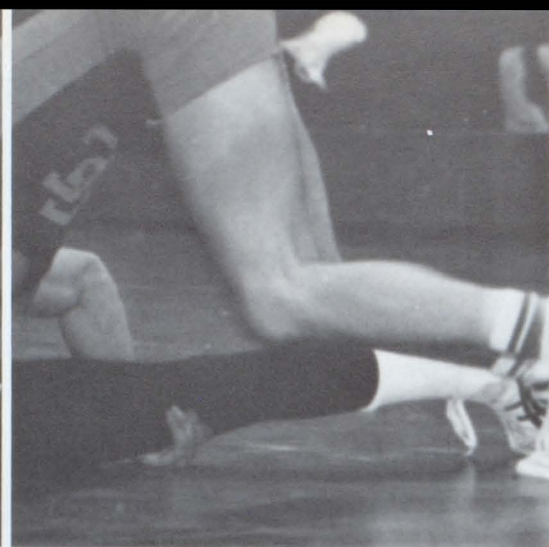

Following are the seniors

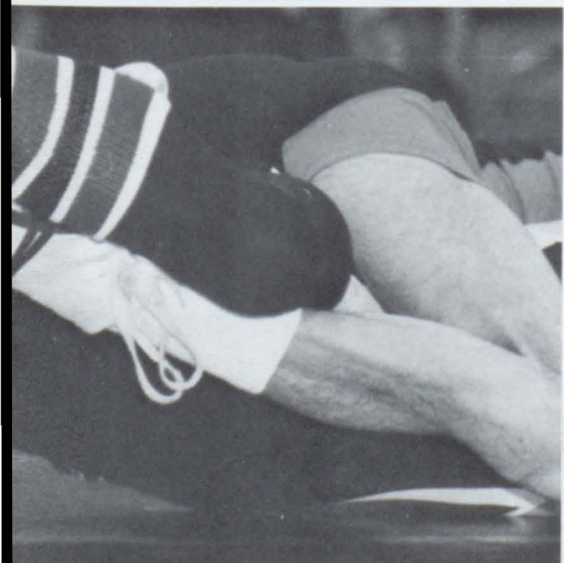

Jennifer Cutshall  
Leann Doherty  
Linda Feydo  
Sharon Hodge  
Kim Knouse  
Amy Michel

# FACULTY

## Administration

The graduating seniors of 1984 often request that the Superintendent provide some inspiring words as part of the superintendent's message in the yearbook. Real inspiration does not come from words, but rather from the lives and actions of the young people who have made this year such a success. The academic talents, the athletic prowess, and the dramatic and musical strengths exhibited by this 1983-84 school year have brought honor to the entire school district.

The research which indicates that the leadership positions in these United States are often filled by students from small communities and small school districts certainly is supported by the potential exhibited this year. Very real achievements have been noted at every level as recognized in everything from increasingly higher SAT scores, numerous scholarships, a winning sports season, the play "Oliver", and the creation of a new show group.

I join with all the other staff members of this district in congratulating you for making this a great year and I wish you great success as you pick up those responsibilities that make you productive adults in our society.

Best Wishes,

## Prom 1984

### *Journey To Atlantis*

Seahorses, dolphins, mermaids, sunken treasures and tuxedos were the order of the evening for the 1984 Junior-Senior Prom. Using the theme "Journey to Atlantis", Grove City High School students danced to the sound of the band, A. T. V., ate sundaes (compliments of Steese's), got their pictures taken, and watched movies at the after prom (The Sting and Psycho).

Student Council is a Student Service Organization. Each year five students from each grade are elected by their fellow classmates to represent them in student affairs. Some of Student Council's projects are Homecoming, Winter Festival, Parent's Night, and changing the school's marquee. Student Council also sponsors a Government Day. They select four students form the student body once a year to shadow the Mayor, Borough Manager, Fire Chief, and Police Chief.

The mention of ski club brings back memories of cold nights and fun times for many G.C.H.S. students. Although the number of club members dropped slightly from the large number last year, the enthusiasm of the group remained high. Six of the trips were on Monday evenings with the school bus leaving the high school at 4pm and returning shortly before midnight. The trips to MT.Pleasant were quiet ones. Many of the students survived the slopes only with the help of hot chocolate, their neighbor's walkman radio, an extra pair of jeans (for those who were wet or in need of repairs), and lots of laughter. The ski season was also highlighted by several trips to larger slopes in New York..

# National Honor Society-Seniors

The National Honor Society is a group of the school's top academic achievers. By the fall, 10% of the Junior class, and 15% of the Senior class have been inducted. Each spring, an assembly is held during which the top 5% of the Sophomore class is added into the society. Membership is based on grades, participation in extracurricular activities, and teacher recommendations. Advisor for the group is Mr. Clarke.

French Club - French Club is an organization that tries to relate French culture and customs to the members. With this in mind, we play games in French, attend an exhibit at Buel Planetarium, and make crepes - a French food. This past year, we adorned the classroom doors with Christmas decorations and also made pockets for absentee slips. This year ended with a picnic for all members.

# FFA

The Grove City High School FFA Chapter participated in local, regional, state, and national activities. Members traveled to Harrisburg for the State Farm Show and Mid-Winter FFA Convention and presented their demonstration entitled "Do It Right." The local chapter was represented at the summer FFA Activities Week at Penn State University. Highlighting the chapter's accomplishments this year was being named the first place winner in the Fall Harvest Safety Program sponsored by the Pennsylvania Agricultural Safety Council. The Chapter was awarded the top honor at Penn State University in March 1984. Other activities included various judging contests, the Annual Game and Parent-Member Banquets, National FFA week, and presenting the "Food For America" program to all 4th graders of the Grove City School District. In addition, the members conducted a citrus fruit sale, a vegetable and flower seed sale, and a sweet spanish onion plant sale to help raise funds to finance their many activities.

French IV is an organization with one objective- to raise money for a trip to Quebec. Our means of raising money is one primarily through support of the public. They donate glass for our glass drives, they come out to our chicken and bisquit dinners, and they also support us when we sell candy at basketball games. The club demands hard work and dedication but the trip is more than reward enough.

# Teen Weight Control Club

A club formed to teach Parliamentary Procedures and fund raising practices for the O.E. students. Some of the club activities this year were: (fund raisers) sold Christmas items, car wash, and rummage sale. Activities participated in were Mercer Co. O.E. Bowling Tournament, special games in Hickory, Halloween and Christmas parties.

Most of the money earned in the last project this year will go toward the purchase of a classroom computer.

# FBLA

The FBLA officers this year were: Amy Jones, President; Jodi Hensel Tammy Blom, Vice-President; Sharon Hadge, Secretary; Linda Feydo, Treasurer; and Amy Montgomery, Parliamentarian. After organizing our committees, we ran a kit sale to finance the year's activities. We hosted the Fall Regional Leadership Workshop and attended the Regional and State Leadership Conference in the spring. We donated one hundred dollars to the Arthritis Foundation, decorated a christmas tree downtown, and honored the high school secretaries on National Secretaries day. Our final project of the year was the Parents/Business persons Potluck Dinner held in May.

The club meets after school, organizing fund-raising projects such as pizza sales, the Valentines Day carnation sale, and the annual AFS Dance.

# Yearbook Staff

STAFF: (standing) Missy, Kim, Trisha, Carrie, Lisa (sitting) Gail, Heather, Kelly, Cathy, Lisa, Beth

Was all the shouting, pressure, re-drawing of layouts, re-writing of copy, re-taking of those photos that someone had lost (again) and the comments about senior pictures (color or not-color) worth it? The 1983-84 yearbook staff felt it was. We took many challenging steps to produce the best possible book of memories for this school year. We commend you, our peers and teachers, for your acceptance and support in our decision to make such drastic changes. We're proud of what we have to show for all our long hours of work. We feel that we did our part in "SHAPING UP" the yearbook and giving you *not* 'just another yearbook'.

*Graduation*

End of the Begining  
 Begining of the End  
 A time for facing fears  
 A time to explore  
     to learn  
     to dream  
     and to do!  
 A time for goodbyes,  
     which in turn bring new hellos.  
 A time for helping others,  
     and for looking deeper.  
 A time to push  
     to pull  
     and to direct each other.

We certainly will not regret the day  
     that we must walk out the one-way doors,  
     to start our new beginning.  
 Because that new beginning will nudge us towards  
     new opportunities that we have prepared ourselves  
     for.  
 And each of us will grow and live  
     in the direction of our needs.  
 And we will be proud!
