

REMEMBER
WHEN...

REMEMBER
WHEN...

"...trouble; it might drag you down.

If you get lost, you can always be found. Just know you're not alone. Cause I'm gonna make this place your home."

Who could say it better? Our years here in good old Grove City have prepared us for the futures we are about to shape for ourselves and, whether you can admit it or not, they have truly been a blessing. The security and confidence this town provides is something that empowers us with all we need to pursue dreams as far away or as close as we choose. No matter where our lives may take us, one thing that will never change is that we always have a wonderful place to call home. To my fellow graduates of 2013, may your dreams take you as far as you let them and may the love that you've felt these past four years from inside the walls of GCHS always travel with you. I hope you never have a reason not to smile and there's always a little time in your life to sit back and think

'Remember when....!'

-Liv

To laugh often and much;
 To win the respect of
 intelligent people
 and the affection of
 children;
 To earn the appreciation
 of honest critics
 and endure the betrayal of
 false friends;
 To appreciate beauty,
 to find the best in others;
 To leave the world a bit
 better,
 Whether by a healthy
 child,
 a garden patch or a
 redeemed social condition;
 To know even one life has
 breathed easier because
 you have lived.
 This is to have succeeded.

People

"Life Isn't about how popular you are, what boy or girl you're dating or who you know. Life is about always being true to who you are and what you believe in. Never let anyone convince you that their way is better than your way." ~Andy Biersack

"Most of us end up with no more than five or six people who remember us. Teachers have thousands of people who remember them for the rest of their lives."

The 2012 season was one that was highly anticipated as we were dropping back down to AA, and restoring some of our old rivalries with schools in the county. We had a solid season posting big wins against Wilmington in week 2, followed by another big win against arch rival, and then undefeated Slippery Rock in week 7. For the 5th consecutive season we were region champions and earned a #1 seed heading into the playoffs. Coming into the season we felt we had a very talented team, but that was solidified by the strong leadership of our returning seniors. As the season moved along there are always peaks and valleys, and many younger players did an outstanding job earning important roles. We finished the season 9-2, losing in the district 10 semifinals to Hickory. -Coach Mowrey

Girls Soccer

Coached by Head Coach Matt Nichols and his assistants Jess Nichols and Ashley Sealander the girls soccer team had a great year reaching play offs for the first time in six years! They finished the regular season with an exceptional 11-5(7-3) record and made it to the district ten play offs. Unfortunately, they lost to the number one seed in the first round. Led by their three senior captains, the lady eagles played hard from the first day to the last and left it all on the field.

While silly, sweet classmates turned into life long friends...

While our preschooler with crayons turned into a Senior with tassels...

I don't know where the years have gone, but they have passed very quickly. It seems like yesterday that you were starting school and here we are in your Senior year. I can't begin to say how proud I am of you and your accomplishments. You have provided countless memories through your athletics as well as other interests, ones that will always be special to me. Most importantly though I am so very proud of the young man that you have become. You are intelligent, outgoing, funny, caring, and well liked by everyone that meets you. Megan Vallely

Megan... from the very first time I felt you move inside me, I held you in my heart. That is where you began and where you will always be. When you were just a little baby, I held you in my arms; your big, sparkling, bright eyes watching everyone around you, not missing a thing. So peaceful and calm, never crying or fussing. When you were just a little girl, never wanting to leave my side, curling up on my shoulder holding on for dear life, I would kiss the top of your head, twirl my fingers through your 'Shirley Temple' curls, and tell you everything would be okay. When you were just a young lady, carrying the weight of the world on your shoulders, always helping build confidence in others, inspiring those who like you, are still trying to find their place in the world. I do not see the passage of time, I see you as my free spirited, little girl. Laughing, running through the yard, playing on the swings. These are some of the sweetest moments in my life. I want you to know that I love you every bit as much today as the day you were born. And though I may not hold you in my arms the way I did then, I will always hold you in my thoughts and in my heart for the rest of my life. Never forget how much you are loved and how proud I am of the daughter you have grown to be.

Brillanny Rhoades

Where has the time gone? It seems like only yesterday we brought home a beautiful little bundle of joy and in a blink of an eye, you've grown into a uniquely independent, kind hearted, gentle spirited, mature young lady. With your pure soul, genuine dedication and ambition you can achieve anything. As you continue the journey called life, know that you'll always make us proud. What an honor and blessing it has been to have you in our lives.

Love always,

Kristi and Tim

What a Journey watching the two of you grow up! You two were miracles from the start-twins! Wow, what a challenge! From dad's first all-nighter, to getting clonked in the eye, to getting drowned by kisses, to protecting you from Santa Claus and the Easter Bunny-what fun! You are such good athletes-you could do anything, but softball and swimming become your focus! And academics-never a problem! You have both excelled in many areas! We cannot wait to see what the next chapter of your life brings!

We love you very much!
