Foreword

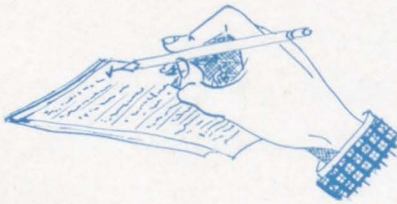

"HANDS" is the theme that has been chosen for the Pine Knot of 1949. It has been selected because few realize how hands have guided and affected our entire school life. In order to convey the importance of hands, the divisions of this yearbook have been introduced by a pair of hands symbolizing each activity in Grove City High School.

We have been acquainted with the strong and helpful hands of parents, teachers, counselors, and advisers throughout school and daily life, but few students realize that it has been those hands which have molded our character and often shaped our future.

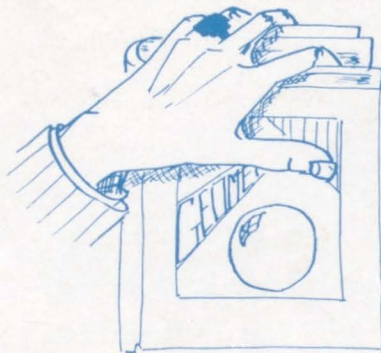

As each student graduates from high school, the kind and friendly hands of teachers and acquaintances are then in the past. Although we realize that the hands of others have shaped our lives, we know we shall journey into a world that does not always offer loving or sympathetic hands to the beginner, either in business or as a scholar.

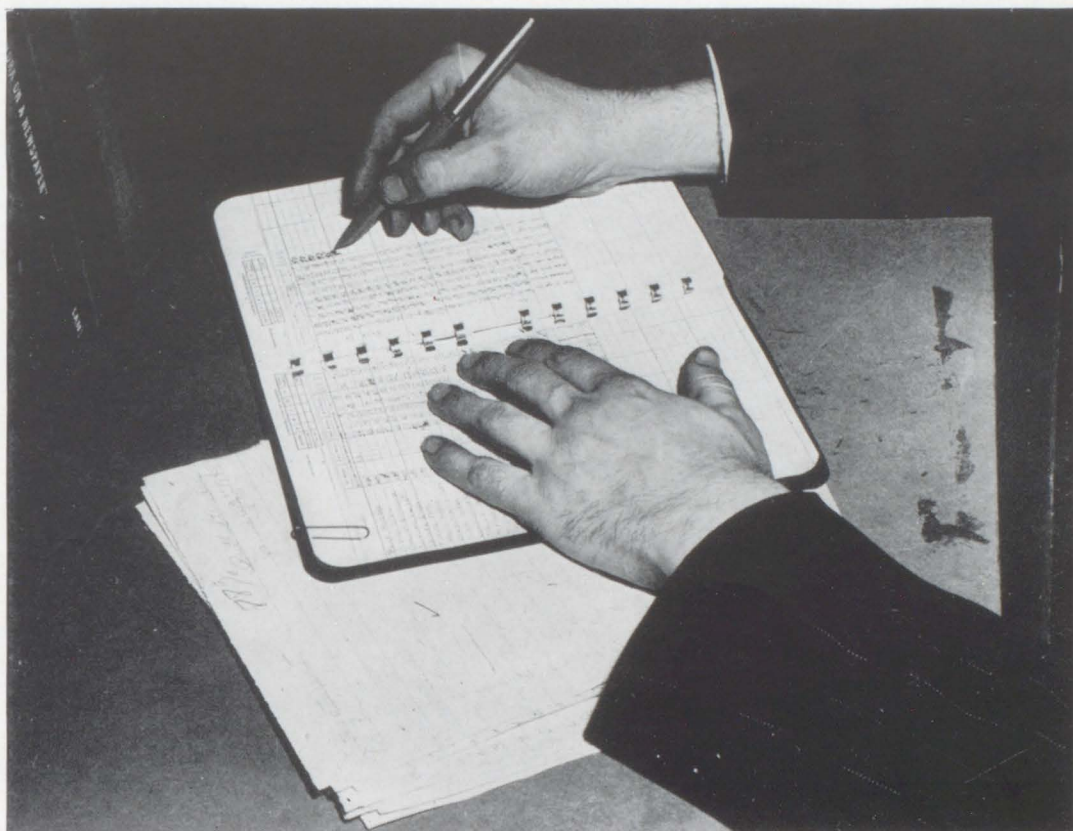

Hands of patience, learning, and hard work
are these.

Never have they refused to teach, guide,
and assist us.

Through the many years to come, these
hands will be remembered longest.

Administration

It is to the parents of the Grove City High School students that this 1949 Pine Knot is dedicated. It is dedicated as a remembrance to Mother and Dad who have given us many years of understanding, undaunted love, and faithful guidance.

This token of appreciation is small in comparison with the countless instances when they have unselfishly sacrificed time, money, and pleasures in our behalf. Although our thankfulness has seldom been expressed in words, we wish this year book to be a symbol of silent gratitude.

Each student has numerous personal reasons as to why this Pine Knot should be dedicated to his parents. But the general intention is—"it is in gratitude and appreciation to Mother and Dad, the 'Hands' that have fashioned our future, that we dedicate this book."

Dedication

Mrs. Betty Hummel
Secretary to the
Superintendent

Board of Education

Mrs. Mabel Caldwell
Secretary to the Principal

The first Monday night of every month the Board of Education meets to discuss the many problems which confront our school—the problems of appropriations and curricula, care of the building and grounds, and of taxes and school books. In general, their job is to see that Grove City schools maintain their high standing among the schools of Pennsylvania.

The members of the Board are entrusted by the community with the responsibility of provid-

ing its children with the best school it can afford. They are the ones who offer opportunity to the students while attending High School. They have always made decisions with our best interests in mind. They have set a fine example for us by their intelligent consideration of and wise decisions on all problems brought before them.

The Class of 1949 is grateful to the Board of Education for the competent service rendered by them.

BOARD OF EDUCATION

First row (left to right)—Dr. J. Nelson Mowls,
Dr. W. F. Rossman, Mr. V. H. Fleck.

Second row—Mr. P. N. Carpenter, Mr. A. M.
Winder, Mr. H. G. Cunningham.

Third row—Mr. N. S. Crill, Mr. F. H. Elliot,
Mr. Floyd McClymonds.

Superintendent

DR. J. NELSON MOWLS

Dr. J. Nelson Mowls, our superintendent, is one who is surely capable of filling this position. He is never too busy to stop and give friendly advice to anyone at anytime. He is very much concerned about the progress of educational practices, and has put forth his every effort in bettering our schools. His enthusiasm is a great help to both school and community.

We have noticed that his cheerful attitude, along with his encouragements to the students to take more of an interest in our social activities, has won him our highest respects.

We, the class of 1949, want to take this opportunity, Dr. Mowls, to express our sincere gratitude and appreciation for your whole-hearted cooperation in helping us solve some of the problems which we have had confront us during our past few years together.

Mrs. Betty Hummel, the superintendent's very efficient secretary, is always willing to cooperate and give us a helping hand. She is another person who we have had the pleasure of knowing through our four years at Grove City High.

Principal

H. J. SURRENA

Mr. Harland J. Surrena, who has been our principal for three years, has won our whole-hearted respect with his ability to keep the school running smoothly and in line—and our affection because of his understanding, his unlimited patience, and good humor. A miracle would happen before your eyes if you could find a time when he is not busy. Those are not pleasure calls he is making when he picks up the phone. He is taking care of the many things connected with the school.

Besides the other things he does, Mr. Surrena is the sponser of the Student Council and the Key Club. He is also interested in the other social activities of our school.

Mrs. Mabel Caldwell adds something extra special to our school with her ever-present helpfulness and efficiency. She is always there to answer our questions and help us with our problems. She is not only secretary to the principal but also a personal friend to everyone who seeks her aid.

We, the members of the graduating class of 1949, upon leaving the protective walls of Grove City High School for a cruel world, do bequeath the following legacies to the class of 1950.

We expect these legacies to be treated with due respect by our successors.

I. I, Carolyn Armstrong, do name thee, Della Buchanan, as the sole heir to my 'weeness'. May it bring as many cheers to you as it has to me.

II. I, Mary Lou Black, bequeath to my deserving heir, Doreen Jones, my winning smile and lovely personality. May your class benefit as greatly by them as mine has.

III. I, Eddie Bridges, leave my excess book learnin' to any of my successors who may need it worse than I do.

IV. I, Marybelle Buchanan, leave my little white hands to Dick Hawke, to have and to hold, for better or for worse, even after graduation do us part.

V. I, Madeline Vargo, bestow upon thee, Val Jean Osborne, my lovely blonde hair. Take good care of it and it will truly be your crowning glory also.

VI. I, Bob Dunn, do bequeath to thee, Jim Magee, my array of ardent female admirers. Here's hoping you can handle them.

VII. We three, Rebecca Gregg, Alma Ray, and Roma Vincent, leave our fiddles to be handled with care by all the future violinists of the G. C. H. S. orchestra.

VIII. I, Donna Crowell, am keeping my wit and humor for future reference, since they have proved so useful in winning friends in the past.

IX. I, Sally Buchanan, leave my chewing gum o the waste basket in Room 25.

X. I, Alfred Darcangelo, leave all the noise I make in class to the auditorium radiators.

XI. I, Alice, Sholler, do tearfully leave Jim Eaton, with a gentle word of caution to all hopeful females. "Hands Off!"

XII. I, Kenny Smith, find myself being forced to leave.

XIII. I, Joan Hollingsworth, bequeath to thee, Margie Ritchey, all my best assets. Please use them as willingly and generously as I have.

XIV. I, Fred Hassel, name thee, Stanley Hines, as the sole heir to my natural curly hair. Keep it well-groomed. The girls go for that in a big way. I know from experience!

XV. I, Bob Riddle, do bequeath to thee, Jerry Campbell, the gavel of the Senior Class. Wield it wisely as you lead your class to their graduation day.

XVI. I, Eleanor Schlicht, hereby give and bequeath to my sister, Eileen, my gift of incessant talking.

XVII. We two, Dolores Eakin and Helen Hamilton, bequeath to Darlene Hassel and Ruth Kennedy, our love for athletics of all kinds.

XVIII. I, Shirley Martin, leave with the satisfaction of a job well done in the senior play "Now and Forever."

XIX. We, two, Betty Kerr and Glenn Thompson, leave Don Kreidle to keep the trumpet section from blowing any ill-wind. No one else but Don could do that job as we want to have it done.

XX. I, Marlene Richardson, leave G. C. H. S. a better school for my having been a student there.

XXI. I, Dora Leone, being unable to find a suitable heir, have decided to keep my beautiful black hair.

XXII. I, Ralph Hunter, leave the all-important job of stage hand to David Shields and all others willing to work as hard as I have in order that "the show can go on."

XXIII. I, Ian Brown, leave my little brother Jim, to keep the teachers from becoming bored.

XXIV. I, Joan Foster, leave my outstanding artistic talent and necessary equipment for putting it to use, to Pat Walsh and Marilyn Smathers.

XXV. I, Doris Weber, name thee, Edna Grodon, as the most likely heir to my good nature.

XXVI. I, Shirley Curry, quietly gather together my worldly goods and nature.

XXVII. I, Eddie Dunkerley, gladly leave my horn for anyone who wants it, but I am taking Virginia with me.

XXVIII. I, Jim Duncan, leave the tiny space I have occupied in G. C. H. S. to Eddie Collar. Make the best of every cubic inch—there aren't many of them.

XXIX. I, Bonnie Dunlap, do wish to retain my pretty red hair and blue eyes, since they wouldn't be half so pretty on anyone else.

XXX. I, Jane Whenry, give my 'giggles' to Barbara Daugherty, to keep up the school morale.

XXXI. I, George Carson, do bestow my numerous talents and outstanding ability to be one grand guy to any member of the class of 1950 who will make these legacies benefit his class as much as they have mine.

and Testament

XXXII. I, Louise Brown, leave my beautiful school girl complexion to Anna Mae Boozel.

XXXIII. I, Joy Reznor, bequeath my crown and sceptre to the Homecoming Queen of 1950. May she be as deserving and as lovely as myself.

XXXIV. I, Chuck Atwell, give two big, brown eyes to Tom Mayes. I only hope you have better luck keeping them open during certain classes than I've had.

XXXV. I, Mary Webster, leave a beautiful alto voice to Pat Grabenhofer, who, I believe, will use it to the best advantage.

XXXVI. I, Virginia Filer, bestow upon my good friend, Gayle Jones, my deep love of a good time at all times.

XXXVIII. I, Ann Morrow, leave my clarinet to Roger Clarke. "Keep it hot!"

XXXVIII. I, Don Fehrs, give to thee, Jim Thompson, that well-dressed look I always manage to have.

XXI. I, Nancy Scott, leave my position as proctor of the Girls' Ensemble, to the member who will best do justice to the honor.

XL. I, Jack Miles, bestow upon my beloved cousin, David, a goodly portion of my famous wit and humor.

XLI. I, Fred Smith, do bequeath to thee, Dick Hawke, my rich bass voice to help keep the noise in the band room the fourth period.

XLII. I, Homer Younkins, leave to thee, Rita Ziccardi, the last seat in every class. At least that's better than getting the first seat.

XLIII. I, Bud Gregory, bestow upon thee, Keith Hodgson, my much practiced art of skipping school despite the handicap of a noisy motor scooter. I hope you are as successful as I usually am!

XLIV. I, Bob Samuels, bestow upon thee, Esther Orr, two very beautiful dimples, one for each cheek. These, of course, must be shown every time you smile.

XLV. We, the senior football lettermen, pass on the precious pigskin of G. C. H. S. to next year's team to "take on down the field for the Gold and White."

XLVI. I, Sue Porter, leave my friendly smile to whomever it fits best, with the understanding that it be worn constantly by the heir.

XLVII. I, Fontene Page, do bequeath to all future debaters, my forceful debating ability. Make it count for G. C. H. S.

XLVIII. We, Shirley Dickson and Eleanore McCarthy, leave a reputation for cheering pep and punch for next year's cheerleaders to back up the team.

XLIX. I, Agnes Matuszewski, hand over my quill and the numerous headaches that go with it, to next year's editor of the Grover Star. You have a high standard to live up to. You have my sincere best wishes.

L. I, Shirley Lucas, leave my faithful old cow bell to anyone in the cheering section possessing the necessary vim and vigor to make it do its stuff.

LII. I, Mae Buxton, leave my bashfulness to Phyllis Marshall, although I am willing to take Sam along.

LI. We, Ruby Smith and Franklin Horam, leave, happy to be going together.

LIII. We, the twins, Carolyn and Marilyn Shellito, leave many fellow students still guessing.

LIV. I, Leanord DeAugustino, bequeath to thee, Jim Black, my physique and extra biceps, to be used for future purposes.

LV. I, Terry Reeves, leave to thee, Dick Fehrs, my ability to make all my basketball shots add up the score for G. C. H. S.

LVI. I, Jim Sterrett, bestow upon thee, Dick Bennett, my knack for always knowing the right answer at the right time.

LVII. I, Joyce Holstein, bequeath to thee, Mimi Mullen, ten very pretty fingernails. Keep them as neat and always as well cared for as they are now.

LVIII. I, Matthew Midey, leave to my little brother, Nick, my ways of pestering Miss Taggart and Mr. McClelland for library slips.

LIX. I, Suzanne Shaffer, leave to thee, Barbara Robson, two graceful feet, full of dance rhythm and dancing ability. Keep them in constant use to insure continued pleasure for yourself and others, and in order to prevent rusting.

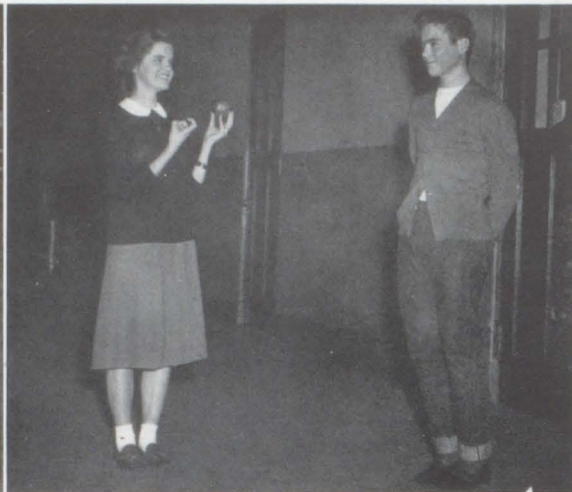

LX. I, Jim Turner, out of the kindness of a big heart, give to thee, Jim Kennedy, my man-sized feet. I'm sure you will find them a true mark of distinction.

LXI. We, the Senior Class, endow our beloved faculty with a set of finely carved desks in each room.

The afore-said legacies are entrusted to you, the Junior Class, with the understanding that they will be used only for the highest honor and glory of our Alma Mater.

During the year junior boys were found active in all sports while four girls lead us in showing our support to the fellows. Junior girls also participated in the sports program, with Marion Jones having a basketball team that won the league championship.

The Juniors put on the play, "We Shook the Family Tree." Helen Gregory and Dick Hawke played the lead parts with a supporting cast of Gail Jones, Don McClelland, Jim Black, Vergene

Carlson, Jerry Campbell, Marion Jones, Mary Lou Lynn, Ruth Kennedy, Dick Stewart, and Joan Eakin.

In the annual fall carnival the Junior Class had a basketball toss. A movie, "The Sullivans," and the Sadie Hawkins Dance were put on by the class as a means of raising funds for the biggest project for the class—the Prom. Committee chairmen were: prom committee, Harlan Keck; program, Anna Mae Boozel; banquet, Doreen Jones; and tickets, Val Jean Osborne.

ADVISORS

Miss Mary Campbell, Mr. Homer Christie

In September the class of 1951 bounded from the green, grassy fields of freshman life over the fence into the sophomore world.

As a class, one of their goals is to have a successful Junior-Senior banquet and prom, and they have been busy raising money to make it a big hit. Their class dues were fifty cents a year.

Room 26 sold candy during the holiday seasons, and the money which they took in will be a big step toward their goal. Those most active in this were Marilyn Hines, Peggy Winder, and Lucille Rust.

They had a Sophomore party in March which was a big hit, and not only have they been successful in social activities, but also in their school work where they have spent many long hours.

ADVISORS

Miss Sally Soppit, Miss Lucile Uber

Although our little green frosh did not make any spectacular showing this term, they have been busy making plans for their future years within the walls of G. C. H. S.

Through patience and hard work of the leaders and sponsors, the class of '52 has become well established. Ideas for future money-raising projects have been submitted by some of the students and semester dues of 25 cents are required from each member. Most of this money will be used for their Junior-Senior banquet and prom.

Keep an eye on these freshmen. Their pep and personality will shine within these aged portals for the next three years.

THAT'S THE WAY IT GOES

What you hear never sounds half so important as what you overhear.

He's the kind of bore who's here today and here tomorrow.

You grow up the day you have your first real laugh—at yourself.

We'll believe the air age has arrived when we see a two-passenger plane go by with seven or eight high school students in it.

Success is getting what you want; happiness is wanting what you get.

The difference between a conviction and a prejudice is that you can explain a conviction without getting angry.

A man is about as big as the things that make him mad.

When we can't make light of our troubles, we can keep them dark.

A man is never so weak as when some woman is telling him how strong he is.

As the evening wore on, her face wore off.

What many of us need is a good kick in the seat of the can'ts!

Many a young man gets into difficulties through a miss understanding.

She's a pretty good photograph of her father and a perfect phonograph of her mother.

Too often when you tell a secret, it goes in one ear and in another.

She looks intelligent when she wears her glasses, but it's only an optical illusion.

Senior Science Club is made up of boys from the junior and senior classes. These boys must have an interest in science and have better-than-average grades.

Some of their activities during the year included interesting movies in chapel and a booth at the carnival. Under the direction of Mr. John Turner, the club's chief aim is to broaden the student's mind in the field of science.

It is our good fortune to have a club such as Literary Club in our high school. It helps to better our library and get us interested in it.

Under the leadership of Miss Anna Belle Hamilton, members try to improve their literary tastes. Most of their time in meetings is spent in giving book reviews, skits, and impromptus.

New members are required to give an oral short story, review or a joke combining intellect and humor.

The only requirements of the Boys' Chorus are the ability to read music and a reasonable singing voice. Membership is open to all except freshmen.

The members participated in the annual Christmas Concert. In this concert they sang some numbers of their own and also a few with the Girls' Chorus. Some of the boys are chosen to attend Midwestern chorus each year. Of course, they feel quite proud of themselves.

The chief aim of Dramatic Club is to develop the dramatic talent in each member. To become a member it is necessary to give a skit or monologue before the membership committee.

The group presents plays, monologues, and pantomimes in club meetings and in chapel. Such things as make up, lighting, and direction of production are often discussed. Miss Jean McCoy is sponsor of the group.

Most of the time of the Junior Star Staff this semester was spent in learning how to perform their job of publishing the paper next year.

During the first semester they studied different required types of literature such as poetry, essays, and autobiographies. Then in the second semester the group really got to work. They spent a week on each department of the text which contains 17 parts. They studied it in three steps—first reading the text; next reading examples in newspapers; and last, writing their own stories.

The last three weeks of the year is spent editing the last issue of the "Grover Star." This gives them a preview of their work for the next year.

The school paper, edited every two weeks, is made possible by this group. These girls are under the able direction of Agnes Matuszewski, their editor.

The paper carries all the school news including sports, fashion, club activities, gossip, and editorials.

These girls now are doing their work on the "Grover Star" on their own time. Previously they had a class but it has been dropped and they spend many hours outside of school time to put out this wonderful paper.

Having an all-girl staff this year, they have really done a remarkable job. Each time the star is ready to be put out, a member of the staff is appointed as news editor. This enables each staff member to have an opportunity to gain experience from this job.

Under their new sponsor, Miss Drake, the girls in Athletic Council are proving a great success this year. The members of the club must receive an average of a "C" in their grades.

The group conducted the Homecoming elections, helping to make it very successful, and sponsored a side show at the Carnival. The girls help in other gym classes. Their aim is to promote health, sportsmanship, and loyalty among the students.

All these girls stand for self-improvement, Christian fellowship and pure actions because they have joined the Senior Tri-Hi-Y. They are always striving to seek, to find, to share.

At each meeting held in room 12 the girls have a program. First the devotions are read and after the business on hand is taken care of, the members give a program. All too soon the gong rings and the meeting is adjourned until the next Thursday afternoon.

To belong to the Girls' Chorus a girl must have a voice of pleasing quality, be able to read music and have a try-out. The girls must be dependable and are not excused from practice unless it is due to illness.

Girls' Chorus meets every day the fourth period under the direction of Mrs. Patricia Hindman, a former member of Girls' Chorus and Ensemble.

The band is always helping out somewhere, somehow. This year they joined with the orchestra to present a concert. No Christmas concert would be complete without our band playing the Christmas carols.

Under the direction of the Band Captain, Edward Dunkerley, the band performed many maneuvers at the football games and played under his leadership at the basketball games.

This year the band presented gifts to some of the senior players at graduation.

Pupils with a "C" average or above are eligible for membership in the Junior Science Club.

They have a program planned each week by a member of the club. Some of the members who have hobbies have a program and explain their hobby.

Several of the social events for the club are participating in the school carnival and the annual picnic at Grove City Park.

The purpose of the Junioir Tri-Hi-Y is to create, maintain, and extend throughout the school and community, high standards of Christian character.

For the past two years the group has sold candy and chewing gum at the basketball games which brought them large dividends.

For their activities throughout the year, the girls have swimming parties, discussion groups, and church visits.

The twelve girls in the Ensemble are selected from Girls' Chorus. Since the number is limited, the qualifications for membership are rather strict. The girls are chosen for co-operation, singing ability, and a fine upright character. The girls chosen are usually sophomores or juniors.

With the help of their director, Miss Selkirk Burgess, the girls work hard for perfection.

Some of the appearances of Grove City High School's orchestra are the Senior Play and Operetta. Each year members are sent to the Midwestern concert.

The group is composed of students who are interested in music and have the ability to play some particular instrument. Their instructor and director is Miss Selkirk Burgess.

The purposes of the Hi-Y Club are to make the boys better citizens and to help them understand the proper attitude of youth.

One of the activities of the club is to take part in the Bible study program sponsored by the state. The members really co-operate to help put it across. Other activities they have are discussions, lectures, and basketball.

Two of the members plan a program for the week. This gives each member an equal opportunity to find out more about the purposes of the club.

"To create, maintain, and extend through our school and community the standards of Christian Character." This is the purpose of the Jr. Hi-Y, consisting of members of the freshmen and sophomore classes. Their platform is clean speech, clean sports, clean scholarship and clean living.

These boys are under the able instruction of Mr. Dan Remley. The club got off to a good start this year and has continued in this manner throughout the year.

Several of the meetings consisted of special speakers. All of these help the boys to lead better lives.

Scholarship and leadership are two of the ideals of the Honor Society whose members are chosen from the junior and senior classes. These boys and girls must have better-than-average grades, be good leaders, and also have a high standing as a good citizen.

Divided into different committees, each member has a particular job to do. Working together they have very interesting meetings, including entertainment and refreshments.

The group is under the direction of Miss Mary Barber, Miss Sally Soppit, Mr. David McClelland, and Mr. John Turner. With the teachers having an interest in their work, each member has put forth effort, time, and ideas hoping to advance their aims in our school of today and in the school of the future students of tomorrow.

Future Kiwanians and builders of the community are the members of Key Club. Helping to maintain a better school and furthering good citizenship are the objectives of these boys.

The members fulfill the duties of street guards and inspectors during fire drill to see that the windows are closed. They do a big job in helping to keep the school orderly and respectable.

Sponsored by the Kiwanis Club of Grove City and under the direction of these men, the members of this club will grow up to be good citizens. They helped sell tickets for the Kiwanis Club's "Winter Fair" at the armory, in March.

This is just a new club in our school but regardless of this fact, the members have set a high standing for the future Key Club members.

DEBATE

Representatives of each class form a governing group for our school. The Student Council has three objectives:

(1) to give the students an interest in the things about the school in which they have little interest otherwise;

(2) to pave the way for experience in doing things co-operatively.

(3) to aid in developing a wholesome attitude among the student body toward the high school.

This group is responsible for the wonderful carnival we have every fall. They make the plans for our school social affairs and plan some activity which will entertain every student in G. C. H. S.

Many thanks and congratulations to our Student Council for their wonderful work throughout the '48-'49 school year.

The subject of the debaters this year was "Resolved: That the United Nations now be revised into a Federal World Government."

April 1 and 2 the team traveled to Allegheny College in Meadville, to debate with other teams. The team had debated with Butler, Greenville, Oil City, Meadville and Franklin.

Student Council divided with the debate team the money they received from sponsoring the movie, "Magnificent Doll," in chapel.

The teams and their sponsor, Miss Sarah Albin, went to the University of Pittsburgh to hear other high school teams debate at the first of the year.

The teams meet every Thursday evening to practice debating procedure.

Every spring the students of G. C. H. S. get their new year books. Within the fancy covers we find pictures of fellow classmates, a summary of the year's sports, news about the clubs, and the pictures of our faculty.

The Pine Knot Staff is composed of juniors and seniors interested in this type of work.

Mae Buxton is the editor and her assistant is Marybelle Buchanan. The upperclassmen pictures were taken care of by Sue Porter, senior adviser, and Ronald Eperthener, her junior helper. The informal pictures, last will and testament, and other feature pages were prepared by Joyce Holstein and her assistant, Janet Peden. Credit for covering the sports and getting the stories goes to Mac Sopher and Richard Hawke, while club pictures and the write-ups about each club were done by Virginia Filer and Anna Mae Boozel.

Underclass pictures were identified and arranged by Marjorie Ritchey, Doreen Jones, and Joan Hollingsworth. The business staff is composed of Sam Williamson and the assistant is Harlan Keck. Last but not least, photographer, George Carson, and his assistant, James Eaton, did an efficient job of taking the feature pictures, sport pictures, and snapshots of the school.

These are the people who are responsible for your year book. It has been a big job, but it is finally finished. The staff hopes you enjoy your copy as much as they enjoyed preparing it for you. They sponsored a chapel program in the fall to open the subscription week. All the members took part in the program and a free Pine Knot subscription was given to Shirley Stinedurf.

The entire staff would like to thank Mr. Elder for his help in putting out this year book. He has been the faculty adviser for several years and his advice has been appreciated.

A new club that has just been organized this year is the French and Spanish Club. It is composed of students taking French or Spanish in their junior and senior year. They must receive average grades in their subjects.

One of their activities is reading newspapers written in these languages. The members also write to boys and girls of France and Spain.

Composed of students enrolled in the art classes, members must receive a grade of "A" to be eligible. They hold evening meetings as well as meeting on Wednesday morning during club period.

Art Club sponsored the Christmas "Snow Ball" which was highlighted by the crowning of a king and queen.

 Standing—George Carson, Marlene Richardson, Nancy Moon, Miss McCoy, Joy Reznor, Reni Pagni, Frank Moretti.

Senior Play

Orchids to you, the cast of "Now and Forever." This year a play with a setting in the early nineteen hundreds was chosen for the Senior class play.

The play centered around the Pierce family, their housekeeper, neighbor child and a business family.

The leading role, Aunt Ellen, was played by Shirley Martin. Other members of the cast were Menerva, Eleanore McCarthy; two undisciplined twins, Virginia Filer and Terry Reeves; Mr. Pierce, Kenneth Smith; Jennifer, Marlene Richardson; Harlan, George Carson; Mr. Bushfield, Reni Pagni; Jim, Frank Moretti; Ronnie, Sam Williamson; Grandmother, Mary Lou Black.

Practicing for six weeks previous to the play dates, which were November 18 and 19, they really showed a good job.

Many spectators laughed, some cried, but all in all everyone went away satisfied and another cast put away the makeup and costumes with the satisfaction of a job well done. Special appreciation goes to the prompters, Joy Reznor and Nancy Moon; to the committees, and to the director, Miss Jean McCoy.

After the play the cast, committees, and their guests attended a party at Schuster's. Also, the cast gave Miss McCoy roses in appreciation of her directing the play.

● Oh-h-h my heart!

● Oh Ellen, me love!

● How many, please?

Football Resume

There goes the whistle! The football season of 1948 is under way. With seven letter men returning from last year's squad, the experienced Grover team took to the gridiron to bring many a thrilling moment to the Grove City fans.

The Grovers faced nine opponents and came out on the big end of the score six times, tying one, and losing two. The six victories were over Oil City, Butler, Kittanning, Franklin, Sharpsville, and Titusville; their two losses came from Greenville and Hickory; the tie was with a favored Strong Vincent eleven.

Altogether, the Eagles piled up a total of 223 points against the 86 points of their opponents. Leading the way for the Grovers was Frank Moretti with a total of 68 points. Closely following Moretti was James Eaton who turned in 60 points. Moretti and Eaton were also second and third in county scoring. Others who

contributed to the Grover's scoring were Dunn, 24; Riddle, 21; Wise, 10; Reeves 9 (drop kicking specialist); DeAugustino, 6; Kennedy, 6; Holland, 6; Sopher, 6; Midey, 6; and Hawke with 1.

Behind all of those passes, touchdowns, tackles, blocks, and runs, were not only the eleven men on the team but also the entire squad and the three coaches; Head Coach Eugene Forker, and assistant coaches Kenneth Westlake and Wade Skelton, who were pushing all the time.

In the last game of the season with Titusville, 14 senior lettermen played their last game for Grove City High. They were DeAugustino, Riddle, Dunn, Midey, Reeves, Eaton, Eperthener, Holland, Jordan, Turner, Moretti, Miles, D'Arcangelo, Buckley, Trinch. Riddle and DeAugustino co-captained the team throughout the season.

Season Results

Grove City 12—Hickory 14

The Grovers lost their opener by a close margin of 12 to 14. But we will never forget the kickoff runback of 80 yards, made by fullback Frank Moretti, in the opening of the second half.

Grove City 34—Oil City 7

Forker's men bounced back to trounce the Oil City Oilers by a great margin. Bucking the center of the line as well as going around the end, the Eagles just couldn't be stopped.

Grove City 13—Butler 7

The Butler Tornadoes held the Eagles scoreless throughout the half. The Grove City eleven came back to win over the Tornadoes with a heavy ground and air attack.

Grove City 33—Kittanning 7

The Grovers kept their winning streak to overtake the Kittanning Indians with little interference. Every man of the Eagle squad saw action that night. The Grovers kept to the ground to cross pay dirt six times.

Grove City 18—Strong Vincent 18

One of the thrilling highlights of the year was when the Eagles held the Colonels to an 18-18 deadlock. After the Strong Vincent eleven scored twice in the early minutes of the first quarter, Grove City with that "never say die" spirit came from under to tie the Colonels.

Grove City 46—Franklin 13

Traveling to Franklin, the Eagles set out to stop the passing attack of Marchibroda. Grove City's new and untried defensive backfield was making its first appearance and came out on top.

Grove City 0—Greenville 7

Grove City was set back in a tussel with Greenville's Trojans. Greenville's line was at their greatest, stopping the Grovers' ground attack and keeping them out of scoring possession.

Grove City 26—Sharpsville 6

The Grove City fans were not only thrilled at the way that the Eagles handled the Sharpsville Bluedevils, but also enjoyed the homecoming queen, Joy Reznor and her aides, Shirley Dickson and Virginia Calderone.

Grove City 41—Titusville 7

To wind up the season, a strong Grove City team traveled to Titusville where they handed the Titusville Rockets a 41 to 7 defeat. Another highlight of the year was when Terry Reeves, by drop kicking, split the uprights four times in succession.

Basketball

During the 1948-49 basketball season the Eagles were able to win only three games out of 22. The Eagle cagers, facing a stiff schedule, took to the court with only two lettermen returning from last year's squad. They were Jack "Skinny" Hall and Terry Reeves. Those coming up from the junior varsity were: Keith Hodgson, Harlan Keck, Ron Eperthener, Dick Hawke, and George Carson. Newcomers to the team were Frank Moretti and Phil Bumbacco.

Though unexperienced and handicapped by height, the Grovers handed some of their best opponents a tough ball game.

The Eagles' first victory came when they traveled to Cochranton to beat the Cochranton five 40-35. Defeating the Alumni 41-39 in an overtime provided the second victory and the last game of the season brought the third victory, when the Eagles met Cochranton to trounce them 58-30.

The highlight of the season was when the Greenville Trojans handed the Eagles a 43-45 defeat.

Total points for the Grove City five at the end of the season was 703 against their opponents' 1108. "Skinny" Hall was high man of the year with 202 points, closely followed by Terry Reeves who turned in 156 points. The rest of the score was divided among Ron Eperthener who had 75; Keith Hodgson with 73; Dick Hawke

with 54; Dick Fehrs with 36; Don McCoy with 18; Jim McBride with 15; George Carson with 13; Frank Moretti with 10; Dick Sophor with 10; Harlan Keck with 5; and Ted Elder with 2.

Those playing their last game for Grove City were: Hall, Reeves, Carson, Moretti, and Eperthener.

Wrestling

This year's wrestling team has been the up-and-coming team ever since Coach Eugene Forker returned from the Navy in 1946. They proved to themselves and to their spectators that they were one of the best teams in their district by losing only one match out of nine.

They started their season off by traveling to Titusville and defeating the Rocket grapplers 39 to 10. The next match was with Oil City. The Oilers were no match for the Grover matmen, and went down to a defeat of 39 to 11. The following week brought about the only Eagle defeat of the season when Greenville out-pointed them 26 to 17.

In a return bout with Titusville, the Grover matmen shut them out to a score of 51 to 0. Traveling to East Liverpool, Ohio, the Eagles came home with the big end of the score 28 to East Liverpool's 14. The next bout, Shaler Township was guest of Grove City High School only to go home with a defeat of 27 to 14. Again the Eagles met East Liverpool and handed them a 35 to 5 defeat. Looking for revenge, the matmen traveled to Greenville to beat the Trojans by a close score of 25 to 22. Keeping up the good record, the Eagles got their second shutout when they defeated the Oil City Oilers by a score of 41 to 0. Grove City piled up a total of 302 to their opponents' 102 points.

Those appearing for the last time as Grove City High School wrestlers were McClymonds,

Puntureri, DeAugustino, R. Perry, M. Midey, Riddle, Darcangelo.

District 10 Champs

District 10 this year was held at Penn High, Greenville, where the Eagles again proved to be one of the best contestants. Adding much color to the District meet, the entire Grove City team entered the finals. The following Saturday three came out with District crowns. Those three were Bob Riddle, Richard Perry, and Leonard DeAugustino. The same three were District Champs last year.

STATE CHAMPION

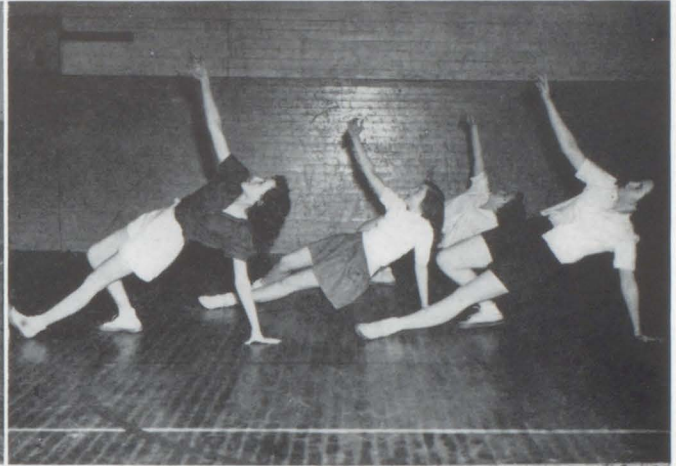

Leonard DeAugustino's career as a wrestler for G. C. H. S. has been very outstanding in that he won the 133-pound state championship without having any points scored against him in the entire tournament. Leonard's title has been the first since 1942 when his brother won the 115-pound title. Bob Riddle and Richard Perry, also District 10 champs, have traveled to State with Leonard for two consecutive years.

In three years of wrestling Leonard has lost only three matches, two of which were for the state title. The other defeat was handed to him by Lenkner, from Greenville. In a return bout and at District 10, Gus beat Lenkner to go on to the state title.

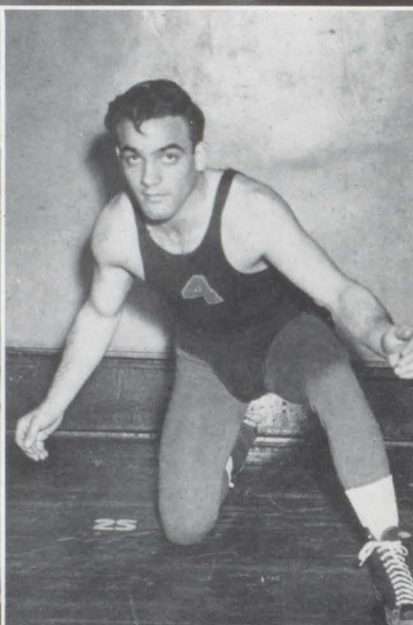

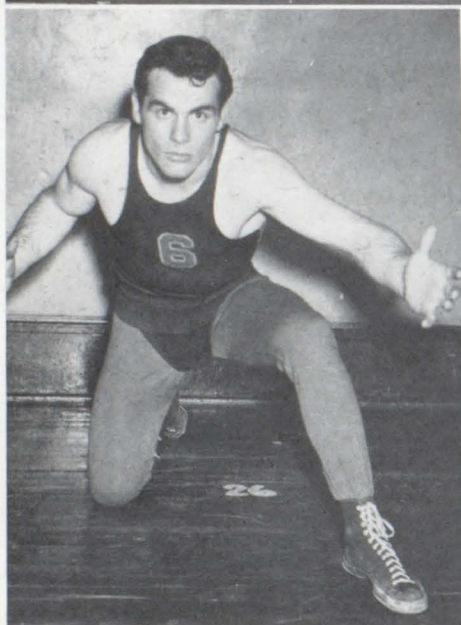

1. All tied up at the moment. 2. Gus taking Lenkner for another roll. 3. Looks bad for Greenville. 4. McClelland getting advice from Coach Forker. 5. Jim Brown racking up 5 points for G. C. H. S. 6. Gus working on Lenkner again. 7. Riddle again pins his opponent. 8. Al working into a pin hold.

Gym Classes

1. Girls gym class. 2. What form! 3. Flying high. 4. Watch your head! 5. Perfecto.
6. Hold it.

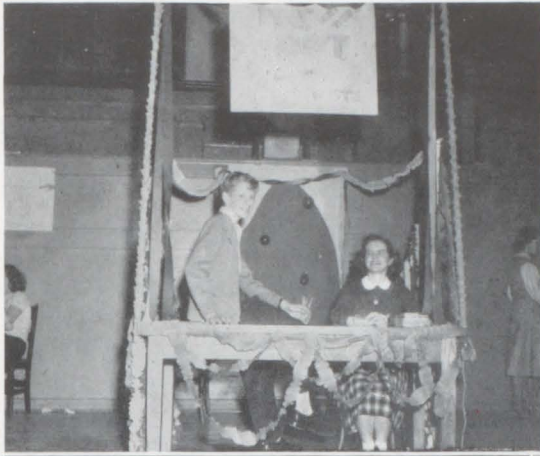

Cheerleaders—Della Buchanan, Eleanor McCarthy, Mary Lou Lynn, Darlene Hassel, Marion Jones, Shirley Dickson.

Second Row—Hughes, manager; Watson, Hoffman, Bickel, Gill, Shorts, Patterson, Morretti, Mathieson, Schuler, Millsop, Coach Skelton, Meadows, Hensel, manager.

1. Hit the bull's eye! 2. "La fiesta." 3. Ye olde "Fargo"! 4. Just what I've always wanted. 5. Lucky, aren't we? 6. Grand March. 7. Autograph, please. 8. Everybody up.

Life In G. C. H. S.

Whatever trouble Adam had,
No man in days of yore
Could say when he had told a joke,
"I've heard that one before."

* * *

Mr. McClelland: Fools often ask questions
wise men cannot answer.

Bob Samuels: I guess that's why I flunked
this test.

* * *

Shirley: I don't like that boy; he knows too
many naughty songs.

Bonnie: How do you know? Does he sing
them for you?

Shirley: No, but he hums the tunes all the
time.

* * *

Jim: What's wrong, Brownie, you look
scared.

Ian Brown: A hold-up man just placed a gun
against my stomach and said, "Make one move
and I'll blow your brains out."

* * *

Mrs. Filer to Virginia: Have a good time at
the party, dear, and be a good girl.

Virginia: Make up your mind, Mother.

* * *

Mr. Buchanan to his son, Buck: What do you
expect to be when you get out of high school?

Buck: An old man, Father.

* * *

Jim Turner: Do you notice any change in
me?

Bob Stevenson: No, why?

Jim: I just swallowed a nickel.

* * *

Mrs. Jones to Marion (the next morning): I
want your explanation and I want the truth.

Marion: Well, you can't have both.

* * *

Unidentified hopeful: We plan to get mar-
ried as soon as he asks me.

* * *

Racing up and down the basketball floor
all evening, the visiting team had completely
overwhelmed the G. C. H. S. Eagles. Both sides
had sent in so many substitutes that the players
weren't unusually worn out, but the referees
were exhausted.

Late in the fourth quarter, with the score
68-0, in favor of the visitors, one of the referees
handed his whistle to an Eagle guard, and, gasp-
ing for breath, said, "Here, you referee for a
while and let me play!"

Margie (on the telephone): I'd love to go,
but I feel I should help my father with my home-
work.

* * *

George Carson (to one of his customers):
And how did you find your steak?

Customer: I just lifted up a couple of french
fries and there it was.

* * *

Terry Reeves to Della Buchanan, shortly af-
ter he moved to Grove City: "I'm a stranger in
town. Can you direct me to your house?"

* * *

Mr. Ed King, the faithful janitor of G.C.H.S.,
was dutifully carrying the large clock from Dr.
Mowl's office down our crowded main street to a
jeweler for some necessary repairs. As the clock
limited his vision, he unintentionally collided
with a woman, knocking her down. After collect-
ing her composure and packages, the woman
struggled to her feet and scathingly inquired,
"Why don't you carry a wrist watch like every-
body else?"

* * *

Mr. Turner (after handing back an experi-
ment to Jim Sterrett): Jim, you should write your
experiments so even the most ignorant may un-
derstand them.

Jim: Yes sir, Mr. Turner, what part is it that
you don't get?

* * *

Alice: I thought I told you to come after
supper.

Jim: That's what I came after.

* * *

Coach: In my opinion, what this team needs
is life.

Ray F.: Oh, no, thirty days would be enough.

* * *

Professor: When did Caesar defeat the great-
est number?

Stude: I think on examination day.

Gerry: I wonder if Bob loves me?

Jean: Of course he does, dear. Why should
he make you an exception?

You seniors aren't what you used to be.

How's that?

You were juniors last year, weren't you?
