Of all the beauties of a road  
None is more charming than the  
thrill  
That dreaming places just beyond  
the hill.

Read on then and discover here  
The story of the road you know so  
well,  
The Pine Knot Trail.

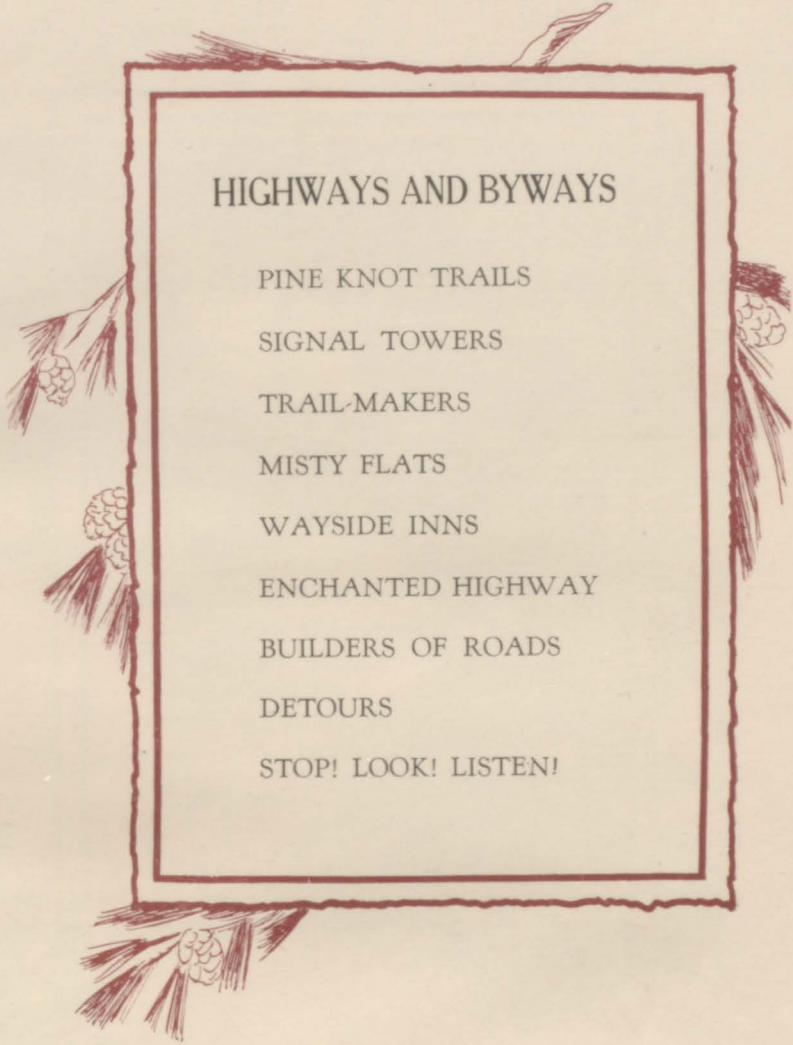

To  
Supt. H. M. B. Lehn

Often the winding roads confuse  
and weary travelers drop along the  
way. 'Tis then you point the proper  
trail and speak a cheering word to  
those who fall.

## *Pine Trees*

Pines, rugged pines, against the western  
splendor,  
Dark silhouettes against the sunset  
gold,  
Stand tall and strong with faces raised  
to heaven,  
Silent in prayer like valiant knights  
of old.  
Pine trees at dawn, breathless with  
exaltation,  
Match shadows banished by Morning's  
rosy hand;  
Wind voices call them, and all the wait-  
ing pine trees  
Waft golden music across the listening  
land.

Martha Aylesworth.

## “Keep A-Goin’!”

If you strike a thorn or rose,  
    Keep a-goin’!  
If it hails or if it snows,  
    Keep a-goin’!  
’Taint no use to sit an’ whine,  
Ef the fish ain’t on your line;  
Bait your hook an’ keep a-tryin’—  
    Keep a-goin’!

When the weather kills your crops,  
    Keep a-goin’!  
Though ’tis work to reach the top,  
    Keep a-goin’!  
S’pose you’re out of every dime,  
Gettin’ broke ain’t any crime;  
Tell the world you’re feelin’ fine—  
    Keep a-goin’!

When it looks like all is up,  
    Keep a-goin’!  
Drain the sweetness from the cup,  
    Keep a-goin’!  
See the wild birds on the wing,  
Hear the bells that sweetly ring;  
When you feel like sighin’, sing—  
    Keep a-goin’!

Frank L. Stanton

## To Pennsylvania

*An Italian Sonnet*

They say that you are wicked, Keystone State,  
They tell me I should live some other place;  
That Pittsburgh's giant mills are without grace,  
And Philly's greed for power and rampant hate  
No trace of brother's love can indicate.  
Yet, underneath your ruthless, brutal ways,  
I see your laughing, sweating, toiling face  
And know misunderstood must be your fate.  
Allegheny, Susquehanna, Delaware,  
Your hills and valleys all are dear to me.  
Your teachers, preachers, doctors, statesmen rare,  
Your miners, oil men, farmers, all I see.  
I love you, Pennsylvania, and I'm proud  
To have a chance to mingle with your crowd.

Glenna Robbins.

## CLASS HISTORY

In September, 1927, a class of 205 freshmen entered the spacious halls of Grove City High School. There may have been brighter and better looking classes in former years, but we, the Class of '31, doubt it.

Our first weeks were made miserable by the threats of the teachers and the taunts of the lordly sophomores. After our fright was over, we settled down to four years of hard work. We were well represented on the football and basketball teams, to say nothing of track and tennis. Our contestants made a fine record for themselves in the Music-Literary contests and the Northwestern Pennsylvania Music League meets. Our Janet Gaynors and Charlie Farrells have proved what good actors we are. Who says that the Class of '31 hasn't done its bit?

## G. C. H. S. Song

---

G. C. H. S. is a dandy old school, E-I, E-I, O.  
And mark your bones it keeps its rep, E-I, E-I, O.  
Its a quiz-quiz here and a quiz-quiz there,  
Here a quiz, there a quiz, everywhere a quiz-quiz;  
Know your books, ye students dear, E-I, E-I, O!

Houston surely knows her stuff, E-I, E-I, O.  
When we poor freshmen try to bluff, E-I, E-I, O.  
With a bluff-bluff here, and a bluff-bluff there,  
Here a bluff, there a bluff, everywhere a bluff-bluff;  
How will we ever learn our stuff? E-I, E-I, O!

Principles of chemistry, E-I, E-I, O.  
Go over the heads of you and me, E-I, E-I, O.  
Its a hydrocarbon here and a hydrocarbon there,  
Here a carbon, there a carbon, everywhere a hydrocarbon,  
How we'll learn them, we don't know, E-I, E-I, O!

The Sophomores take a bottle of ink, E-I, E-I, O.  
And wind up their brains so they can think, E-I, E-I, O.  
Its a composition here, and a composition there,  
Here a comp, there a comp, everywhere a comp, comp.  
Oh, Miss Johnston, have a heart, E-I, E-I, O!

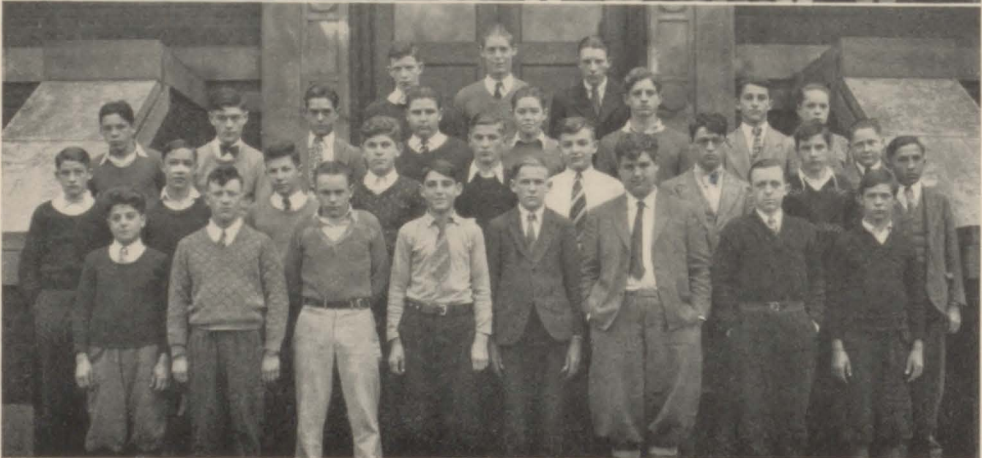

Now Mr. Surrena has a lab, E-I, E-I, O,  
With the junior class and an arc lamp on a slab, E-I, E-I, O.  
We learn a voltage here, and we learn a voltage there,  
Here a voltage, there a voltage, everywhere another voltage,  
The big long names we soon can gab, E-I, E-I, O!

The Domestic Arts girls are a very fine bunch, E-I, E-I, O!  
They'll make good housewives we've a hunch, E-I, E-I, O.  
They fix a sandwich here and they fix a sandwich there,  
Here a sandwich, there a sandwich, everywhere they fix a sandwich.  
The Domestic Arts girls are a very fine bunch, E-I, E-I, O!

We've tried our best to give you a song, E-I, E-I, O.  
And we're no poets as you knew all along, E-I, E-I, O.  
We've scratched our heads here, we've scratched our heads there,  
Here a scratch, there a scratch, everywhere another scratch  
And that helped a lot to build this song, E-I, E-I, O!

The alumni of Grove City High School formed a permanent organization, February 15, 1901. Jennie Pearsall was elected president; Mark Graham, vice-president; Millie Robinson, secretary; and Lew McKay, treasurer. The organization had yearly meeting and banquets until the year 1912.

In 1925, the association was reorganized with Harold Daugherty as president and Jane VanHorn as secretary. Banquets were held regularly at the Penn Grove Hotel until last year when there was no meeting.

To the members of last year's council, two representatives from the freshman and sophomore classes have been added, as well as a representative from each of the senior rooms. The objective of the council during the two years it has been organized has been chiefly the elimination of waste, promoting the care of the high school building and its property, and discussing school matters suggested by pupils and teachers.

By short playlets in chapel, much enthusiasm has been aroused in the music-literary and athletic contests. Facts concerning the education needed for entrance to college have also been brought before the students. In the near future the council plans to form a co-operative government, in which teachers and pupils will share in adjusting matters of discipline that occur outside the classroom.

Under the leadership of Mr. Hartman, the club has progressed rapidly and is a live-wire organization.

The Club has attained high standards and is at all times ready to serve the high school and community. Among the year's projects have been the organization of a Junior Hi-Y, the promotion of a clean-up campaign, an alumni banquet, a parents' night, and the giving of toys and baskets of food to the poor at Christmas.

The club ranks sixth in the state and is one of the outstanding clubs. It stands for Clean Speech, Clean Sports, Clean Scholarship and Clean Living.

The Tri-Hi is a club of girls whose purpose is to create, maintain, and extend throughout the school and community high standards of Christian character. In carrying out this purpose, the Tri-Hi has attended each church in Grove City in a body. At Christmas the girls dressed a doll to give to the Welfare Committee of the town. These were distributed among worthy families and need it be said that they were appreciated?

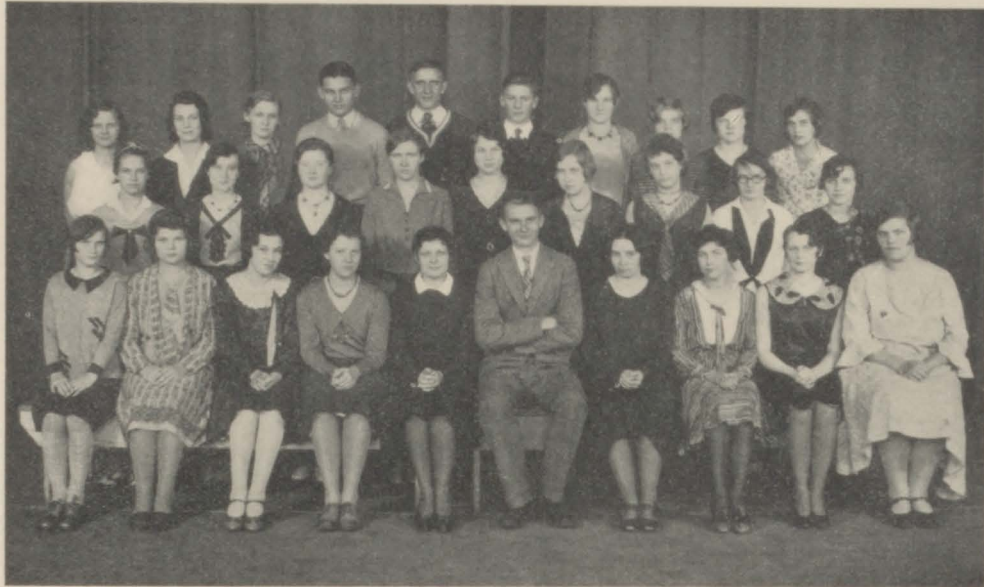

The program for each month consists of four meetings: business, devotional, program, and social. One of the most impressive of the meetings this year was the initiation ceremony to which the mothers were invited.

The club is under the supervision of Miss Helen Forrest and Miss Lorna Lithgow whose help has been very beneficial to the girls.

A cabinet is formed of the president, vice-president, secretary, and treasurer, and the following chairmen: Doris Rider, Mary Grace Kennedy, Alice Coyer, Margaret McKee, Mary Anderson, Jane Fellows.

The senior staff, whose picture appears above, completed its work at mid-term. The second semester's work was prepared by the junior class, with George Bowles acting as editor.

Representatives of the Gold and White and the Pine Knot Staffs attended the Northwestern Pennsylvania Press Club Convention which was held at Meadville and also the National Press Club Convention at Cleveland.

On November 15, the journalism classes and their instructor, Miss Robbins, entertained representatives from Sharon, Sharpsville, Greenville, Mercer and Hickory at the Mercer County Press Club Convention, which was held in the local high school.

Dr. Weir C. Ketler and F. Lorell Hoskins were guest speakers. Seven seniors, six juniors and one post-graduate were initiated as charter members of the society.

The purpose of the Quill and Scroll Society is to instill in students the ideal of scholarship; to advance the standards of the profession and journalism by developing a higher ethical code; to promote exact thinking and forceful writing. The motto of the society is "Ye shall know the truth and the truth shall make you free."

The Science Club is a group of 20 seniors and three juniors, who represent the leading science students of the two classes. It is under the capable direction of Mr. Nutt.

Meetings are held every Thursday at 7:30 with special speeches and discussions on all scientific subjects. During the winter, the boys played basketball afterwards.

The weekly meetings led up to the climax, which was a very interesting trip, close to the end of the school year.

## JUNIOR HI-Y

First Row: Elwyn Mendenhall, Jack Meyers, Eddie Bowden, Joe Nickerson, Paul Smith, Dick Howe, Kenneth Black, Mark Graham, Jack Welch, Homer Osborn.

Second Row: Wallace Christley, Kenneth Moon, John Montgomery, Harold George, Horace Gregg, Merle Shorts, Fred Thomas, Glenn Walters, Paul Vogan.

Vice-President	- - - - -	Richard Howe
Secretary	- - - - -	Jack Welch
Treasurer	- - - - -	Mark Graham Jr.
Advisers	- - - - -	Dan Skala, Charles Huston

From a very small beginning, the Junior Hi-Y has become a well-organized group of boys. Since the club is composed of only freshmen and sophomores, quite a few members each year are graduated into the Senior Hi-Y.

In January, many delegates from this club were sent to Erie, where a large rally was held. Such rallies and social functions have aided in interesting the club members.

Dan Skala, a senior of Grove City College has been the adviser of the Junior Hi-Y. The Club appreciates his keen interest in their work and expresses its regret in losing such a faithful helper. Charles Huston took his place at mid-year.

Next year's motto is to be, a "A Bigger and More Prosperous Year" and the prospects look bright for fulfilling this aim.

## A Small Boy's Delight

*A Shakesperean Sonnet*

My grandma's cookie jar is on the shelf,  
All full of cookies that tempt little boys;  
She told me she made them just for myself,  
And do they taste good when you're tired of toys?  
Now raisins and nuts are things that boys like,  
And when mixed up in cookies they're right nice;  
You can bet grandma's cookies are great—"sure Mike,"  
For they're just crammed clear full of the best spice.  
And do you know that when I play alone,  
Somehow that cookie jar jumps into my mind;  
I must peep into that old jar of stone,  
It never disappoints me—it's not that kind.  
You see my grandma's nice as nice can be,  
She always thinks of little boys like me.

Librarians	Milton Stewart, Richard Howe
Concert Mistress	Roberta Lehn
Leader	Miss Burgess

The Senior Orchestra was capably and successfully directed this year by Miss Selkirk Burgess and a group of competent officers.

The orchestra, composed of high school musicians, plays for the entertainments and various other events held in the high school. In the past years it has been successful in the Northwestern Pennsylvania Music contest, held with towns much larger than Grove City. This year, Roberta Lehn was sent to the Eastern District Orchestra held at Syracuse, New York, and others of its members have obtained a place in the musical life of the town. Last year, a picture of the orchestra was sent to the Chancellor of England who wrote a letter of acknowledgment and praise to Miss Burgess.

## VARSITY FOOTBALL

Ends: Kelly, Spence; tackles, Hazlett, Shultz; guards, Glessner, Shawgo; center, Moon; backs, Bashline, McCoy, Eakin, Murphy.

Grove City High's football season could be compared to the hero in a story book, who is down most of the time, but in the end comes out on top.

They started out by putting up a hard fight at Erie, but lost to the tune of 19-0. The next week the team went to New Castle and lost 24-0. The following week they surprised local fans by taking Greenville over by a score of 19-13. Slippery Rock Reserves, by getting most of the breaks, won their game, 18-12. Grove City traveled to Ellwood and took a tough beating. The Great Vandergrift team then came up in flying colors and the team again pulled another surprise by beating them 6-0, with Kelly being the mainstay both on the offense and defense. The team made pilgrimages to Farrell and Oil City and played nice ball but lost both games. Sharpsville and Union Township were the next on the schedule and both won their games by a small margin.

Then came the climax. After the game had been postponed, Thanksgiving Day, on account of bad weather, the team went over to Sharon the next week and through the efforts of the whole team, but with Tom McCoy standing out as a ground gainer, brought home the bacon by a score of 6-0. Thus endeth the chapter with the hero winning "THE GAME."

## VARSITY BASKETBALL

First Row: Hartman, Mook, R. Henderson, Kelly, (Captain), Gursky, G. Henderson.

Secod Row: McBride, Patterson, McGill, Filer, Richards, McDonald, Armstrong (manager).

Grove City went through a very tough schedule this year, playing 16 games before the Tournament. With several raw recruits, the team showed up fairly well in some games and did not look so promising in others. The games throughout the winter months could be called only practice games as far as honors go, since the credit goes to the team who wins the Mercer County Tournament.

March 4 came and all eyes turned to the annual county event. Grove City got a good draw and played Jamestown on March 5, taking them over by the score of 20-16, with the Henderson brothers doing most of the scoring. This advanced them to the semi-finals where they were destined to play Greenville. The team struggled on until they were ahead in the middle of the third quarter but finally lost the game, 24-17. Kelly did most of the scoring. The finals were held on Saturday night, March 7, with Farrell coming out ahead of Greenville by an easy win of 37-13. Farrell, in turn, took over Erie Central and Oil City, making them champions of Northwestern Pennsylvania.

## GIRLS' VARSITY BASKETBALL

First Row: Jean Allen, Betty McCurdy, Geraldine Cameron, Eleanor Forker, Rose Moore.

Second Row: Marian Thompson, Marjorie Christy, Midge Myers, Dorothy Keck, Leola Gills, Kathryn Scott, Mildred McIntire, Evelyn Dunn, Emma Howard.

Third Row: Miss Atwell, Adelaide Ray, Selma Gilliland, Fredrita Johnson, Josephine Ladds, Sara Buchanan, Geraldine Holaus, Anna Ruth Anderson, Kathryn Harshaw, Margaret McKee.

The girls' varsity started practice the second week of November with seventy candidates. This number was soon cut to twenty-three and the squad practiced faithfully until the end of their season. There were fifteen games on the schedule, of which six were won and nine lost.

The following girls were awarded G's: Leola Gills, captain, Betty McCurdy, Dorothy Keck, Kathryn Scott, Evelyn Dunn, Mildred McIntire, Marian Thompson, Marjorie Christy, Geraldine Holaus, and Kathryn Harshaw, manager.

## VARSITY TRACK

First Row: Bone, Smith, Mendenhall, Bohlender, Matthews, Brown, Ross, McMichael, McCoy.

Second row: Briggs, Fielding, Glessner, Frisch, McClelland, Graham, Bashline, Cookson, manager, Cameron.

Third Row: Coach Jack, Armstrong, Gildersleeve, Clarkson, Patterson, Rosequist, Dunn, Murphy, Eakin, W. Bohlender.

Fourth Row: Shultz, P. Hoagland, Kelly.

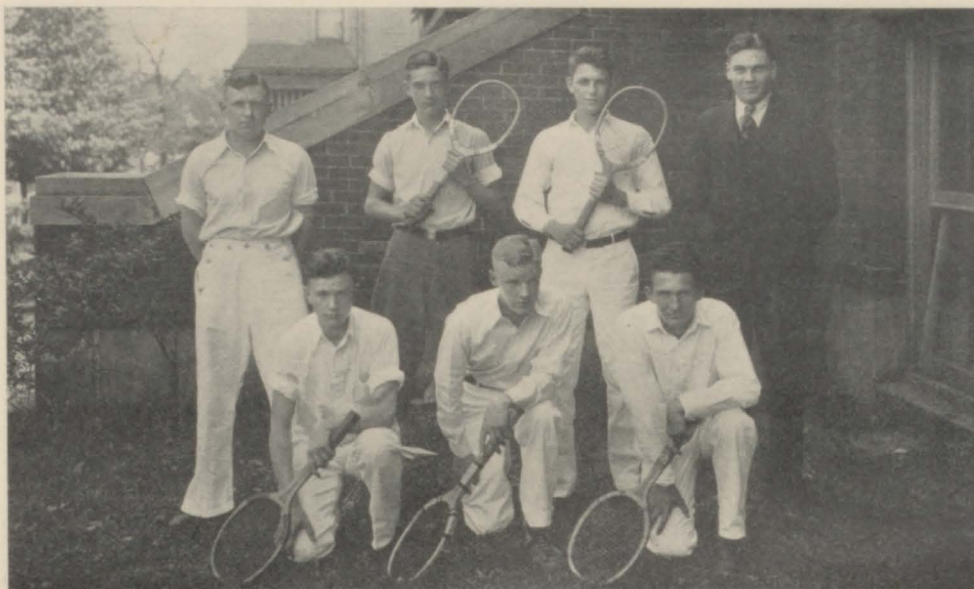

Track! Track! Track! This is where all the teams of the county have to look up to Grove City in a big way. The principal event of the season is the county meet and our team came out with flying colors to take this meet last spring with 57 points, their closest rival being Sharon with 26. This makes Grove City's third year to hold these honors.

In the Geneva Interscholastic Meet, Grove City placed third out of a group of 50 schools, and Bohlender broke the broad jump record. The next event was the Carnegie Tech Interscholastic Meet held in Pittsburgh. The team placed fourth among 60 schools. Bohlender broke the 100 yd. dash record by running the century in 10 seconds flat. Jimmy Dunn also took the javelin record at 172 ft. 6 in.

Grove City also come out on top at the Northwestern meet by 38 points against Erie Academy's 36. Coach Jack took Bill Bohlender and Jimmy Dunn to the National Interscholastic meet held at Chicago. Both qualified for the finals, with Bohlender in the hundred yard dash and broad jump and Dunn throwing the javelin.

The outstanding members of the team were Bohlender, Dunn, Murphy, Rosequist, Bashline, Eakin, and Kelly. All of these boys scored heavily in any event which they entered.

## VARSIITY TENNIS

First Row: Harold McDougall, Edgar Holstein, William Fehrs.

Second Row: Thomas McCoy, Laverne Phipps, Colby Easterbrooks, Mr. Nutt.

The tennis team was organized last year under the direction of Mr. Nutt. Bill Fehrs acted as captain, and picked the members of the team after a tournament had been played to eliminate part of those who came out for places.

Matches were scheduled with Erie Academy, Carrick, and Slippery Rock, but the first two had to be cancelled. The only meet that was held was with Slippery Rock State Teachers College and Grove City won by a score of 7-0.

In the Northwestern Pennsylvania Tournament, which was held at Sharon, Fehrs and Holstein were entered. Fehrs went to the semi-finals in both the men's singles and junior singles and Holstein went to the semi-finals in the men's and junior consolation singles. Phipps, with Bob Perkins as his partner, won the doubles championship, in the Citizen's Training Camp, a few miles from Washington, D. C. Fehrs also won the men's singles in the Shenango Valley tournament, which is really a Mercer County Tournament.

## GROVE CITY GIRL IS CHOSEN MISS UNIVERSE TODAY

Miss Sally Grace Victorious  
Over Representatives of  
40 Countries

RATING 99.8 POINTS

Word was received here, late today, that Miss Sally Grace, popular member of the local social register, and won the International Pulchritude Contest held at Galveston, Texas, yesterday.

Miss Grace was victorious over representatives from 40 countries. Miss Russia placed second and Miss China was awarded the third prize.

Chief Justice of the Supreme Court, Tom Burke, explained that Grove City's contestant triumphed because of her beautiful hair and sparkling eyes. Her rating was 99.8 points out of a possible 100.

The title of Miss Universe was the fifth to be captured by the local beauty. Last fall she ran off with honors in a school beauty contest and thus secured the "Miss Grove City High" banner.

At Christmas time, Miss Grace again demonstrated her beauty by being chosen "Queen of the Mistletoe Boughs of Mercer County."

## JACK JONES IS PUPIL PRINCIPAL

At last! The principal's office has been filled with one of our own kind. Jack Jones has succeeded to the chair. (Whoops and other exclamations of joy!) Do you know what that means? No more lessons! No more cooler! No more grades!

Immediately upon entering his office this morning, Mr. Jones issued orders to the effect that the teachers will do all the studying hereafter in order that they may earn their pay. Also pupils will be required to come for only two classes. One of these will be to teach the teachers what they don't know (and never will), while the other will be Grub (with a capital G for Grove City).

## CLASS OF '31 IS CALLED BY DEATH

Given As Cause of  
Four Year's Hard Work  
Demise

WAS 4 YEARS OLD

The senior class died quietly at its home in Grove City High School, Tuesday morning. That death was caused by four years of hard work, a continuous struggle for passing grades, and a growing disillusionment about the condition of the world, is the general opinion of authorities.

The Class of 1931 entered the school four years ago. From that time they have taken an active part in scholastic and athletic activities, keeping the cooler as full as possible, and annoying the faculty to the best of their ability.

The deceased is survived by three brothers and sisters, the classes of '32, '33, and '34, all of Grove City, and by aunts and uncles from various cities and hamlets of the globe. All their property is bequeathed to their relatives and to the faculty for future use.

Funeral services will be conducted by Supt. Lehn, assisted by five sorrowing members of the Board of Education, on the evening of June 2. Interment will be made in the annals of the alumni record book.

## PRES. HOOVER AND HIS CABINET ARE GUESTS THURSDAY

High School Faculty Entertains With Spanish

DINNER IN GYM

President Hoover and his cabinet were dinner guests of the home economics department, Thursday evening, in the high school gym.

The table formed a flag and was decorated in the national colors. Fruit cocktail consisting of red cherries, plums, grapefruit, and grape juice were served first. Next came a salad made of blue lettuce, red cherries, white carnation leaves and blue ribbon mayonnaise. Following this came the dinner course. The plates contained a huge helping of Irish potatoes, a slice of baked ham, a small serving of beets, and a side dish of cranberries and peas.

While dessert was being served, the guests were entertained by the mixed chorus. Their numbers were "Oh Promise Me" and "Give Me Something to Remember You By." The dessert, which was vanilla ice cream garnished with red cherries, was served in blue dishes and with

## Teachers Elated As School Term Ends

Despite the almost unheralded opposition upon the part of the members of the faculty, one hundred fifty members of the senior class were graduated on June 2, 1931. Of this number, several completed the course in five and a half years (four year course). A few had actually passed in their subjects, but the great majority were invited by their teachers to leave, self-preservation being the first law of nature.

The teachers, having done everything in their power to prevent their graduation, finally admitted that freedom from the awful horde was indeed a blessing, and proceeded to celebrate at a grand party, two lollypops being provided as refreshments and each member of the faculty taking one lick.

Because of an extreme lack of vigilance upon the part of several

DIARY OF JENNY LEE'S LIFE

1861—Every\* day I TIPTOE THROUGH THE TULIPS singing the DOLL DANCE. On my way to THE LITTLE RED SCHOOL-HOUSE ON THE HILL to spend my SCHOOL DAYS, I keep PICKING PETALS OFF DAISIES. The teacher calls me SWEET JENNY LEE. At school I learn to paint. ALWAYS I keep PAINTING THE CLOUDS WITH SUNSHINE.

Thus the years roll by until YOU AND I ARE SEVENTEEN. 1871—The LITTLE THINGS OF LIFE ARE DRIVING ME CRAZY because YOU'RE THE ONE I CARE FOR. Each evening I get the ROCKING CHAIR BLUES, just THINKING OF YOU. They call me a LONESOME LOVER. Every night, CRYIN' MYSELF TO SLEEP, I dream that we are on a BALCONY IN SPAIN, while THE REST OF THE WORLD GOES BY. I want to hear THOSE THREE LITTLE WORDS instead of JUST THINKING OF YOU.

A VERY GOOD FRIEND, OF A FRIEND, OF A FRIEND, OF A VERY GOOD FRIEND OF MINE told me that she was always LUCKY IN LOVE. IF I COULD BE WITH YOU ONE HOUR TONITE, I'd be lucky, too. But I'll still have the ST. LOUIS BLUES and remain a LONESOME LOVER, ALWAYS.

If only every day was AN UN-CLOUDED DAY, HONEY! Anyway, wherever you go, you're always sure of MY LOVE FOR YOU. Please send me a TALKING PICTURE OF YOU. Just SOMETHING TO REMEMBER YOU BY when I'm LONESOME AND BLUE.

1874—BARNACLE BILL, THE SAILOR said "GEE, BUT I'D LIKE TO MAKE YOU HAPPY, because I LOVE YOU TRULY." I answered "I'M YOURS, BODY AND SOUL unless you're telling me LITTLE WHITE LIES."

ALL EAST SIDE WEST SIDE came to the WEDDING OF THE PAINTED DOLL, until it was like the WEDDING IN THE ARK. One guest said, "I MAY BE WRONG, but I think they'll make a PEACH OF A PAIR, if they keep SINGIN' IN THE RAIN and sayin' BY-BYE BLUES."

1881—On BABY'S BIRTHDAY PARTY DAY, SONNY BOY came running in with A CHEERFUL LITTLE EARFUL OF MISSISSIPPI MUD. He was crying, "MAMMY! MAMMY!" I picked him up and kissed his TEN LITTLE FINGERS AND TEN LITTLE TOES while singing ROCK A-BY-BABY until he was CRYING HIMSELF TO SLEEP. STEAM-BOAT BILL came in and smiled down at him and said, "YOURS AND MINE."

1921—ME AND MY SHADOW sit in our HOME SWEET HOME, ALL ALONE, KEEPING THE HOME FIRES BURNING. There are SILVER THREADS AMONG THE GOLD. SONNY BOY is WORKIN' ON THE RAILROAD UNDER A TEXAS MOON. To the neighbors, THE OLD FOLKS AT HOME are like A SONG WITHOUT A NAME.

1931—At the END OF A PERFECT DAY, when it is SPRING-TIME IN THE ROCKIES, the postmaster brings a LETTER EDGED IN BLACK to SONNY BOY. It contains A MESSAGE FROM HOME, saying, "COME BACK TO THE HARBOR OF HOME SWEET HOME on the DREAM TRAIN, for your father is now on the BEAUTIFUL ISLE OF SOMEWHERE, OVER THERE." When DADDY died, there was only left A COTTAGE FOR SALE. We CUT DOWN THE OLD PINE TREE that was DOWN BY THE OLD MILL STEAM.

Now, I just keep SMILIN' THRO' as SONNY BOY and I GO TRUDGE, TRUDGE, TRUDGIN' ALONG. SOMETIMES I'm BLUE AGAIN and follow the TRAIL OF THE LONESOME PINE until I reach my RIVER OF GOLDEN DREAMS, singin' A SONG TO THE STARS, and SEEIN' THE UN-CLOUDED DAY AMONG MY SOUVENIRS.

Grove City Girl Chosen Miss Universe Today

Local beauty contest fans urged Miss Grace to compete for state honors in February. She again swept everything before her and was accorded the emblem of "Miss Pennsylvania."

Last April, Miss Grace was notified to come to Galveston, Texas, to represent her state in the national contest. Meeting very stiff competition, "Sally" was hard pressed to win the honor. In the competitive point system, she triumphed over Miss Patricia Van Deusen of New York City by one point.

Competing for international honors at the spot where she had won the national crown, she copped her fifth beauty award.

Miss Grace expects to spend the next four months in the Bermudas in the company of Count So Diola of Yugoslavia. In the fall she will prepare for her first talkie, "Why I Vamp 'Em," personally directed by Florenz Ziegfeld.

of the leading universities, a great percentage of the members of the class are to continue their education at more expensive institutions of athletic endeavor. Two scholarships in football, one in baseball, and one in track were received by members of the class.

The great majority of the class forgot to appear at the commencement exercises, but it really didn't make much difference since the janitor forgot to open the building and Mr. Lehn and the speaker of the evening went to Curry's and had a milk shake.

SCHOOL DAYS

When school is out, And we all scatter different ways, We say we're glad that we are free, From the teachers' sassy ways.

We talk about the teachers, Being impatient and mad, And how they made us study, When we were feeling glad.

They made us do our work just so, And of course we daren't speak, And if we made a little noise, We'd stay in the cooler for a week.

But then when fall comes again, And back to school we go, We say the teachers are just fine, And oh! how we love them so.

So after all our ups and downs, Don't you think it's nice Just to go to school and then— Have a vacation twice?

## MISS MOLLY MIX WILL SOLVE YOUR LOVE PROBLEMS

Dear Molly Mix:

I am in love with a senior classmate. Sometimes I think she loves me but she has another man. I have often wondered if she really loves me. What does my handwriting signify?

Claire McDougall.

My dear Claire:

Yes, she is in love with you. Don't let little things like dates with other fellows worry you. Your writing is bad, but it signifies that you will be a great actor some day. Luck.

Molly Mix.

Dear Molly Mix:

I am a frivolous young kid. I am in love with a Grove City High School girl, but she never pays any attention to my love making. How shall I win her love?

Bill Proctor.

My dear Bill:

I am sure she does not love you. Why not go to New Castle and find a queen? You have lots of time for girls when you are through school. Be a real good little boy until you are older.

Molly Mix.

Dear Molly Mix:

I am a very attractive young lady in Grove City. All the boys are crazy about me. I love only one, and he loves me. Tell me, please, how shall I keep all the other boys away from me?

Grace Houston.

My Dear Grace:

You must be very attractive. Your handwriting signifies a lovable personality. The only way to keep the other fellows away from you is to shun them. Why not tell the boys there are other nice girls besides you?

Molly Mix.

Dear Molly Mix:

I am frequently bothered by a boy whom I do not care for. What shall I do? Although I can usually solve my own problems, this one is beyond me.

Virginia Perrine.

My dear Virginia:

My advice is to refuse him. You must be too easily persuaded. However, do not let it worry you.

Molly Mix.

## ODE TO CHEMISTRY

Chemistry is my greatest sorrow,  
I shall not want more of it,  
It maketh me to blow up house and home.

It leadeth me to the laboratory daily,  
It reneweth my wrath, my teacher leadeth me

To knowledge in disguise of chemistry,  
Yea, tho I walk through the laboratory

In fear of explosions,  
I will not fear them, for all the students

And their attempts are refreshing.

Thou preparast oxygen before me  
In the presence of my classmates;

Thou lightest my gas with a match;  
My burner burneth.

Surely misunderstanding and miscalculation

Shall pursue me thru the year,  
And I will dwell in ignorance

Of formulas forever.

# TEAM BACK FROM CHAMPIONSHIP TOUR

## GOLD AND WHITE FLOOR SQUAD RETURNS HOME

Returning home on the B. and O. Special at 4:30 this morning, champions of the United States, the Gold and White cagers of Grove City High were met at the railroad station with the greatest exhibition of enthusiastic splendor since Captain Applejack returned from trouncing the Huns in 1918.

Mayor VanEman addressed the team and offered his sincere appreciation for their successful trip to Wichita, Kansas. Each member of the first team received an 18-carat Bulova watch from the local jewelers.

Arriving at Washington, D. C. at noon yesterday, the team met President Hoover and were decorated with the Congressional Medal of Honor for Distinguished Service.

The boys made the trip from Wichita by plane in the company of Capt. Frank Hawks. Hawks used his tri-motor Ford transport. While on the flight, "Lanky Bill" Kelly, All-American High School center, allowed his awkward ways to get the best of him and walked out of the rear entrance of the Capitol and crossed the Hudson to Mitchell Field, New York, on the tail piece of "The Spirit of Grove City." After treatment at Walter Reed Hospital, the local star was discharged and joined his mates at Pittsburgh.

"The greatest team in the history of high school basketball" has received many flattering offers. Dr. W. Griffith, noted producer, has submitted three-year contracts for their services to the Paramount Producing Co. All boys declined the offers. "Dutch" Henderson as spokesman of the squad said:

"We all choose to lead the simple life away from the glare of the footlights and the cinema colony at Hollywood."

The Gold and White won the coveted title only after an uphill battle against the Georgia Peaches of Atlanta. The Atlanta aggregation was in the lead 18-14 at half time, but after adjusting his belt and blowing his nose, "Wild Eye" Gursky took the matter into his own hands and scored his usual ten field goals in the last canto. The final score was 69-19.

Referee Stozospesick, in order to encourage the downtrodden losers and upon the request of Capt. Mook of the locals, allowed Si Patterson to record a foul for their benefit. It was the most dramatic moment of the tournament as the Grove City cager threw all sportsmanship to the winds and sent the ball ripping through the cords for the Peaches' only tally in the last half.

Women cried, children shrieked, men swore and players dropped dead at hearing of the greatest example of sportsmanship since Sister Sue gave her new two-buckle shoe

## AWARD 'G's' TO CHEWERS

At an impressive assembly held during lunch hour, Tuesday, three G's were awarded to the members of the senior class who had best represented their school in the gum chewing contest which has been going on for four years.

The first emblem was awarded to Leola Gills who, it is estimated by Marguerite Baker, demon estimator of the Gold and White Staff, chewed gum enough to generate one million, two hundred thousand, seven-hundred and sixty-two and a third foot-pounds of energy, or exactly enough power to raise Jack Larry, Mark Patterson and William Royal, and place them on top of the high school flagstaff.

The G's are lovely things consisting of the letter with a stick of spearmint rampant on a bright yellow field. They were designed by Mrs. Houston.

## ICEBERG WHALES

Miss Atwell's swimming classes, held in the Wolf Creek Dam, will close at the end of this month since spring is near. If you want to "cut any ice" next winter, please see Miss Atwell at once, because she wishes to arrange her enrollment sheet.

to Aunt Eddy Hogg.

Supt. H. M. B. Lehn has announced that the remainder of this semester will be disregarded and everyone will return to his home to celebrate the event of events. The local school head said: "I presume that everyone is filled with the enthusiasm and good-will for these boys, who have brought us honor. Therefore I do my utmost to make an all-summer celebration possible."

Whoopee!

## GIRL'S FOOTBALL SEASON COMPLETE LOSE TEN GAMES

Grove City co-eds have finished a very successful season in spring football, losing 10 games out of 12. Emma Howard was the star line plunger, losing 144 yards and 26 pounds during the season. Jane Fellows won recognition by missing 199 passes, and Margaret Patterson tore up the line with her vicious tackles, causing several of her opponents to take time out in the hospital.

The championship game was played at Barerock, Arizona, on Memorial Day, the object being to see which team could come out of the game with the fewest points. Three million prairie dogs witnessed the contest and added howls of encouragement as the players leaped at each other's throats, bent on losing as many runs as possible.

The line-up included Midge Myers, right end; Margaret Patterson, right tackle; Alice Coyer, right guard; Evelyn Brenneman, center; Goldie Brunson, left end; Roberta Lehn, left tackle; Jane Fellows, left guard; Marion White, right half; Ora Perrine, left half; Leola Gills, quarterback; Emma Howard, fullback. Lucille Nordstrom acted as cheer leader. Miss Johnston coached from the sidelines, assisted by Miss Kepner.

Faculty members, who had played on the second team throughout the season, accompanied the team and broke into the line-up several times, since first team members were knocked out with startling frequency. The second team aggregation included Miss M. Washabaugh, Miss M. Campbell, Miss Montgomery, Miss Robbins, Miss Barnes, Miss Smith, Miss Barber, Miss Burgess, Miss Armour, Miss Taggart, and Miss Coulter.

The game finally ended in a riot, with the crowd stampeding the field because the referee allowed time out to Miss Barnes when she dropped her compact on her foot and broke her toe. Miss Barber heroically held the spectators at bay with a powerful vocabulary of French irregular verbs, while Miss Taggart called on Napoleon Bonaparte, Alexander the Great, and Julius Caesar for aid. Miss Robbins stood on the sidelines, taking notes on the affair for the evening paper, serenely unconscious of the danger her team mates were facing.

"Lipstick Women" succeeded in losing to Harrisville, Chicago, New York, Barkeyville, Little Italy, Pardo, and Jackson Center this year and hope next spring to be able to finish the season with a clean slate—no points. Since most of the first team will be lost to the school through graduation, the members of the second team expect to spend the summer in intensive training for Grove City's newest sport.

## THUMB NAIL INTERVIEWS

By  
GROVE CITY HIGH  
SCHOOL STUDENTS

Bill Murphy—It is my belief that everyone, male or female, should go to school six days in the week at the rate of 10 school hours a day. Each student should have at least eight subjects and no football, basketball, track or tennis teams should be allowed.

Evelyn Dunn—Girls shouldn't be allowed to play such a rough game as basketball. They should devote all their time to music, art, literature and philosophy.

Don Corbin—All music instructors should take a rest as soon as they feel at all tired or worn-out.

Kate Scott—The Junior-Senior Banquet is a waste of time, money, and energy.

Miss Margaret Campbell—All students must sit in their seats every minute they are in my room, and not one is allowed to open his mouth unless he is called upon to recite.

Student Body—What's the use of going to round-ups and other contests? We know we'll get the cup and we've no place to put them all.

Miss Kate Smith—Of course, I believe in contests. I like to hear Mr. Lehn read letters in chapel, singing their praise of our high school to the tune of two or three a year.

Regis Naples—Nothing is more fun than making chalk go sailing over the room and then having a teacher come in unexpectedly.

Mr. Thomas—I believe that music taught in the high school would be more practical than bookkeeping. It gives a wider view of the world.

Miss Robbins—I believe that the cooler should be abolished and that students should do exactly as they please. It develops their initiative.

Mr. McBride—There are too many reckless drivers in the world today. You are always hearing of accidents caused by fast driving. If everyone would drive like I do, there would be fewer of them. (Query: Accidents or people?)

Miss Johnston—I think gum chewing is a very good habit for high school students to cultivate. There is nothing I like better than to see a boy or girl coming into my classes chewing gum.

Jack Henry—Clark Bars are the best I have ever tasted. They give satisfaction every time.

### NOTICE

Pencils that will write only correct answers are being sold in Prof. Lehn's office: Ten days' free trial. Teachers will give all final exams during this time. Only \$100 a pencil. Come on, folks, get an A number 1 grade this week!

## "PUPPY LOVE" TO BE PRESENTED SATURDAY JULY 4

Proceeds to Go to Cupid's Victims of the Senior Class

### MR. THOMAS SINGS

"Puppy Love," a heart-gripping drama of the American people, written by H. J. Surrena, will be presented in the high school auditorium, Saturday, July 4, at 8:15.

The distinguished cast includes Loved, Betty Clark; Lover, Jack Henry; Sweet, Genevieve McMillan; Sweetheart, William Kelly; Disturbing Element, other Student Council members. Mr. Crowther will direct the play. Mr. Thomas will entertain with popular love songs of his own composition between the acts.

The proceeds of the play will go for the benefit of the members of the senior class who succumbed to Cupid's darts during the year.

## HI-HUMOR

"Please, mum," began the aged hero in appealing tones as he stood at the kitchen door on washday, "I've lost my leg—"

"Well, I ain't got it," snapped the woman, slamming the door.

Tom: "I say, old dear, what's good for biting finger-nails?"  
Mary: "Sharp teeth, silly."

Teacher: "Who can tell me the uses to which our forests are put?"  
Willie: "Dey cut 'em up into sawdust for de circus grounds."

"Hello, is this John?"  
"No, this is Fred. John went out after dinner."

"Will he be back after dinner?"  
"No, that's what he went out after."

First Humorist: "Do you read your jokes to your wife?"  
Second Ditto: "Yes, and when she doesn't laugh, I know it's a good one."

Miss Barber—Emma, it gives me great pleasure to mark you 85 on your examination paper.

Emma Howard—Why not make it 100 and give yourself a real thrill?

Our sympathy goes out to George Bowles and Creig Hoyt who skipped school for the first time only to find out later that it was Memorial Day.

Father—This is going to hurt me more than it does you.  
Son—Then don't be too severe with yourself, Dad.

## Towns And Industrial Trends

While it has not yet been possible to measure the extent of the industrial trend toward the small town areas, it is an established fact that manufacturing executives are regarding non-metropolitan factory locations with increasing favor. In areas such as are served by this company, factories may find freedom from metropolitan congestion, better living conditions for employees, improved transportation facilities, proximity to markets or raw materials and more reasonable land costs.

It is well that towns with these qualifications take stock of their resources so that their advantages as factory locations may be presented to the industrial world. The groups of communities served by this company are all equipped with an ample and economical electric power supply—a prime consideration in the selection of a factory location.

With the facilities of our Industrial Department available to all towns in this community, we offer our co-operation for the mutual benefit of all.
