HISTORY OF THE CLASS OF 1935

The time is fast approaching when the Class of 1935 will be but a memory; a memory which we will never forget and one which we will always recall with pride.

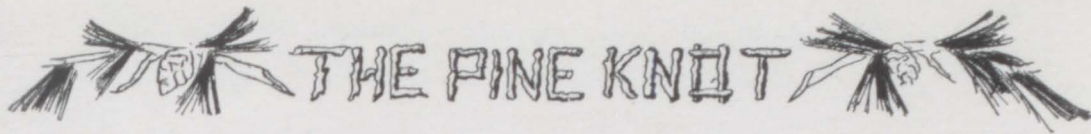

In the balmy days of September, 1931, the extraordinary Class of 1935 became a part of G. C. H. S. It was only a short time until they made themselves conspicuous by their athletics and social positions, which showed that they were not easily set aside. Their record this year was an exceedingly good one, and each member of the class worked in unison with all the others.

Stupendous! Colossal! These adjectives may not make up the best English but they thoroughly describe the activities this year in which the Seniors have taken part. Perhaps the one that deserves the most credit was the Senior Play, "Shavings". The Seniors have also afforded most of our entertainment in chapel in a series of interesting plays.

Many Freshmen have given thanks to the experienced Seniors in getting the new rule passed—if a person flunks Latin he does not have to take French.

We could name countless other noteworthy achievements of these remarkable Seniors of '35, but it would make up a book in itself, which would be very unfair to the other classes to follow.

This year we are Seniors and not nearly as dignified as we are supposed to be, for we gave our teams in football, basketball, and track genuine support. A feeling of sadness comes over us when we think that a few short weeks of school will end our career here. We are approaching the last steps when we shall start out upon the great field of life, where each one is for himself. Soon we will lay aside our weather-beaten books of 1935, and the 180 members of our class, adorned with hired caps and gowns will pass across the stage and into the chapel for the last time. It is our sincere hope that each one of us may do his best that he may be worthy of membership in the Class of 1935.

Whose crowning glory is her reddish sheen.

Flo's willing to help, and always alert.

"Peezie's" a regular guy, if he's not very tall.
- G is for Gilliland, Jean is so sweet,
And proves it to you as soon as you meet.

The opposite sex is a failing of his.

To the rest of the Juniors whose names you don't see.

When he wrestles, the crowd doesn't yawn.

But looks are deceiving, she's full of vim.

Being first in his classes is his favorite sport.

And if you doubt it, you can ask Spike.

Let it stand for Prof. Crowther, who treats us all fair.
- R is for Reagle, Alice by name,
Whose suggestions in Council have won her acclaim.

In this old world Georgie will sure leave his mark.

THE SOPHOMORE CLASS HISTORY

1934-1935

In the fall of 1933, one hundred and ninety-three green and curious but ambitious Freshies entered the portals and began exploring the halls of Grove City High School. One year later, in 1934, after nine months' exposure to the different germs of education and the red pencils of critical faculty, one hundred and seventy-nine survivors re-entered school as Sophomores. All the greenness that marked us as Freshies has disappeared. Our ambitions are higher. We have grown to love our school with its interesting activities. We are proud of its years of history and tradition teeming with stories of success on the gridiron, the basketball court, the wrestling mat and in literary, music and scholastic events.

This year, the Sophomore Class has been well represented in the many activities of the school. Members of the class of 1937 are found in the orchestra, the band, choruses, clubs and the athletic teams.

We already are looking forward to our Junior year with its new interests, studies and challenges. We hope when we have donned our graduation robes that our fellow classmen will be able to say that the Class of 1937 has been one of the best classes ever to have been graduated from this high school. And also we hope the teachers will be able to say that it was a pleasure to teach that class. And so, our aim is to be one of the most progressive, studious, hard-working classes this high school has ever seen.

Jack McKinley.

THE PINE KNOT

THE IDEAL SOPHOMORE BOY

Wouldn't it be nice if a Sophomore boy walked down the corridors of old Grove City High who could combine the wavy hair of Emerson Miles, the blue eyes of John Paxton, which surpass the summer sky in blueness, the height of Paul Elder, and who could really have the handsome qualities of Don Elliott?

Wouldn't it be nice if besides these qualities he could be as hardworking as Miss Houston thinks Roy Giesman is, as serious and studious as Ralph Brown, and yet could be as happy-go-lucky as Jack Kelly?

Wouldn't it be nice if he could sing like one of those two Sophomores, George McGinty and David Easterbrooks, play football like Floyd Mathieson, basketball like Raed Patterson and wrestle like Carl Teare?

If we could find these qualities in one boy he would be our Ideal Sophomore.

THE SOPHOMORES

(As they see themselves)

Pretty bright
You bet!

Always right
By heck!

Sometimes sleepy
And how!

Signing off
Right now!

(As others see them)

Very dumb
All bum!

Never right
Not so bright.

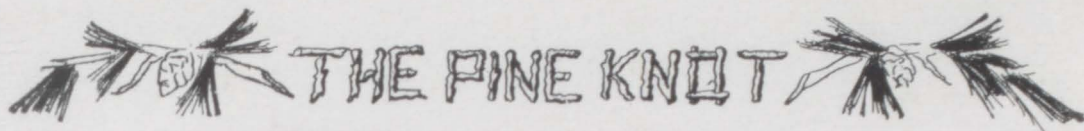

Always slow
We all know.

Time will tell.
Oh — — well,

—Jack McKinley.

THE PINE KNOT

EIGHTH GRADE

The Eighth Grade of 1934 has been one of the most outstanding classes (except of course, the Seniors).

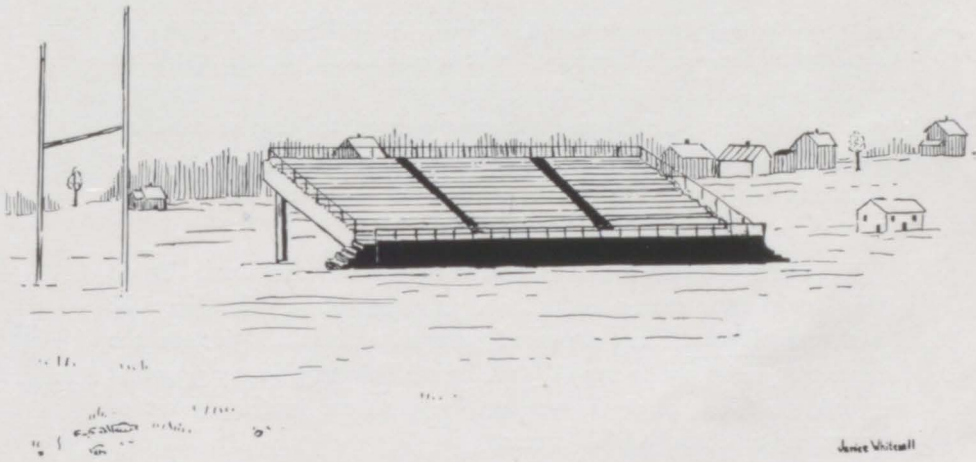

They took the lead in selling tickets for the operetta. Their reward was a large box of candy, and from the pained look on some of their dear faces the day after, they must have heartily enjoyed it. Of course, we cannot forget the excellent singing contributed by the eighth grade triple trio on Armistice Day. Prominent among this group was Wayne Book, brother of that great baritone, Ed Book.

Another of their many feats of this year, which was greatly resented by Junior Room 8, was winning the season ticket sale for athletic dues. A red-cheeked eighth grader would poke his head into Room 8 every day during the sale and ask what had happened to the supposedly great Juniors. Then Peg Campbell would fume and fret about allowing the lowest class (only by rank) in the high school beat the superb Juniors.

A great future can be seen in the eighth grade of 1934. We predict that the Freshman Class of '35 which will be partly made up of these honorable pupils will be the most outstanding Freshman class in many years.

Keep up the good work next year, eighth graders!

Blessings on you, Eighth Graders, dear.
It's your first work to amuse and cheer.
Welcome are you into our High.
Why do you act so sad and shy?
Sweet, pink, and fresh, enter our halls.
Boys, leave your drums and, girls, your dolls.
You come from the grades with sparkling eye.
So please do not try to reach the sky.
Little drops of moisture, colored red
On your report cards nearly knock you dead.
You've got musicians, dancers, comedians, too—
What do you little ones want to do?
Learn to love the Gold and White
And try to do right with all your might.
Erma Negri.

FOR COURAGE TO PLAY THE GAME

When the game is going against me and there seems little chance to win, when there is a whole half to be played and I am hot, tired and sick at heart then I pray, Divine Comrade, for strength to play the game! It is easy enough to play when I am winning, when I feel fresh and there are no odds against me; but when things are going wrong and I am tempted to cheat, to grumble, or to quit, then I need Thy help.

I want to take life as a game and play it fair and hard. To do this I need some strong leader, so I pray that Thou wilt always be with me. When I am a coward or tired or baffled, give me the sense that Thou art by my side, telling me how to plan my way and giving me the courage to keep on. Be with me in the contest of today and all through life's course.

AMEN.

THE SEASON

Grove City High's cage team of '34-'35 went through one of the toughest schedules ever played by any Mercer County basketball team, engaging in twenty-three games.

The team had its only veteran in Captain John Smith, and its only regular, back from last year's squad, in George King. The outlook for a successful season was not bright but Coach Hartman's boys played the games throughout the season with rare spirit, strict observance of training rules and devotion to the school. As a result the team won nine games and lost fourteen. Smith received honors in scoring and succeeded in taking second place in the county.

The team enjoyed the fine support of the student body which came out in full force at each home game.

FIRST ROW: Emerson Miles, Frank Bell, Floyd Mathieson, Clifford Smith, William Englehart.

SECOND ROW: Frank Cook, Coach Arthur McBride, Malcolm Barger, Walter Moore, Robert Dye, Clifford McCarl, William Milner, Dick Engle, Manager Robert Reagle, Bill Perry.

Despite the fact that the Junior Varsity won only one game, due credit must be given to the team and Coach McBride for their hard work and spirit shown during the season.

Always playing against larger and more experienced opponents, the Jay-Vees were not so successful. However the purpose of this club is not to win games but to teach the future ball players of our school the fundamentals of basketball.

The team was built up around Captain Emerson Miles, Clifford Smith, and Floyd Mathieson. Reliable players were found in Frank Bell and Bill Englehart. All the players were under-classmen. Therefore our hopes for the future are bright.

Wrestling was organized four years ago by Hubert Jack, director of physical education. As there was no schedule for the first year, the sport involved only the boys in the school and no outside competition was entered.

During the next season, in 1932 and 1933, our only county opponent, Greenville, was met and defeated. This automatically made our team Mercer County Champions. As wrestling was then not a varsity sport, pins instead of letters were awarded.

The first time that a schedule was arranged was in 1933 and 1934, and consequently wrestling became a varsity sport in our school. The team had a successful year, becoming Mercer County and Northwestern Pennsylvania champs and only met defeat at the hands of Cannonsburg, the state champs.

The season of 1934 and 1935 has proved to be very successful, although the outlook at the start of the season was not as good as the preceding year. The team was captained by Ken Eakin and won six out of eight meets. The letter men were Dave Braine, Earl Dickson, Ken Eakin, George Hunter, Stanley Moodie, George Parker, Willard Shawgo, Carl Teare, Adorfo Trepasso, William Walters and Manager James DeGregory.

The best record in the four years of wrestling is that of Dave Braine who participated in 28 matches, never was thrown, and lost only one match by a time decision.

The outstanding feature of the team was its fine spirit and aggressiveness. The High School and Community should be, and are proud of its fine record.

THE FOOTBALL SEASON

The representatives of the Gold and White Squad of this season engaged in ten football contests with other schools, winning four games, losing five, and tying one.

Although the team's record looks none too impressive, due credit must be given to both the team and coaches who strove hard to make a winning combination. When we consider the new and untried material which faced the coaches at the outset of the season, having but four regulars back from last year's first two teams, Grove City High School has enjoyed a most successful football year.

The Yellow Jackets opened their season on September 15, beating a fighting Karns City eleven. As the first game, it was marked by ragged playing and numerous fumbles. Score 12-0.

The next game was with Meadville at home and was classed as one of the most exciting games of the year. Meadville entered the game a top-heavy favorite, yet only succeeded in scoring in the closing seconds of the game by a long forward pass.

On Sept. 2, our team met Oil City at the opponents' field with high hopes of winning, but these hopes were crushed when the Oilers displayed a powerful running attack. Captain Smith was not able to start the game because of an injury. After this defeat the team seemed in the lowest of spirit, which continued through the week and resulted in Greenville's victory on Oct. 6. Score 13-0.

After a hard week of practice, Union Township was met and defeated. The final score was 24-0.

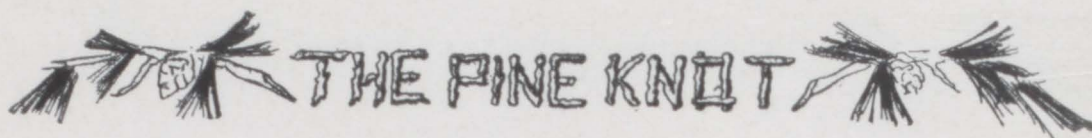

The next game took place at Sharon on Oct. 20 and the Sharon team, as favorites, were rather hard put to win. The score at the end of the first half was a deadlock but Sharon's heavier line and backfield began to tell on the Grovers in the second half and the final score was 13-0.

Oct. 27 was marked by an easy victory over St. Joseph's of Oil City. The game was one-sided and rather uninteresting. Score 20-0.

The last three games on schedule were considered the toughest on the list of opponents, yet the team came through with flying colors. Titusville was beaten 13-0. The Yellow Jackets were defeated by the county champions during the next week but succeeded in being the first team to score on the Sharpsville eleven. Result 20-6, and a moral victory for Grove City.

The game that closed the season was played at home with Farrell on Nov. 17. The score proved to be a deadlock, neither team being able to score but the Yellow Jackets completely outfought the Farrell eleven and finished their season in the next best possible way.

We congratulate the team for their good work.

The Junior Orchestra was capably directed this year by Miss Smith.

This organization gives to every pupil a chance to be a member. It trains the younger musicians for positions in the Senior Orchestra. Although it is not so well known, it deserves mention because of its earnest work every Tuesday.

The Junior Orchestra furnished music in the Music-Literary Contest this year.

Grove City High School has for a number of years ranked particularly well in music and literature. There has been shown this year a keen interest in the inter-high school contest in this field of endeavor. During the current school year, on December seventh, representatives of our school competed at Farrell and Grove City, attracting favorable attention in oration, declamation, and numerous vocal and instrumental events.

OTHER CONTESTS

Each year some of our students interested in Music-Literary activities meet with various high schools in County and North Western round ups. This year Grove City won several events with the active cooperation of the students in the County Round-Up:

Mary Ellen Huskin	Extemporaneous Speaking
Janice Whitesell	Latin
Edward Book	Vocal Solo

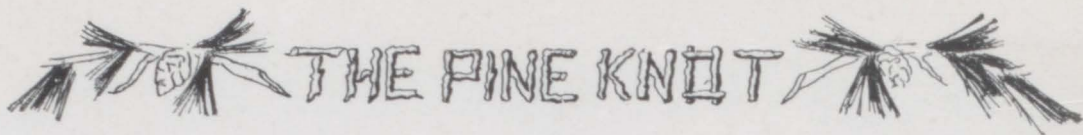

First places in the North Western Round-Up were won by the Girls' Ensemble, composed of:

Virginia Lininger	Dorothy Richardson
Betty Hall	Virginia McGarr
Betty O'Connor	Margaret Gardner
Mary Ellen Huskin	Virginia Millsop
Mildred Lester	Evelyn Nutt
Mary Ellen Lucas	Charlotte Matthews

The Brass Sextet composed of:

Loyal Walters	Kenneth Christley
Donald Elliott	Charles Haid
Russell Gilliland	William Albright
Tuba Solo	William Albright
Baritone Vocal Solo	Edward Book
Bass Viol Solo	Ruth Campbell

We also won the Girls' and Boys' choruses as there was no other entrant.

THE PINE KNOT

DRAMATICS

Although as yet no formal dramatic organization exists, Grove City High School may rightfully lay claim to considerable dramatic talent.

During the chapel periods, the Senior Public Speaking class presented a number of excellent one-act plays which have been the occasion of much favorable comment. Among these entertaining performances may be mentioned, "Little Prison," "Copy," "Joint Owners in Spain," "Enter the Hero," and the pantomime "Shepherds in the Distance."

For Thanksgiving program, "Jazz and Minuet" was presented. It was the story of a young girl in the time of minuets and fair ladies.

At Christmas a delightful play entitled "The Toy Shop," was presented in the High School Auditorium. It interpreted the dream of two children in the toy shop. The rag doll, the china doll, the French doll and rubber doll, all become alive on the show table. Indignant, the sailor and soldier bewail their fate of being reduced to half price. But this does not bother the jack-in-the-box who yells from time to time, "Cheer up, Cheer up."

During the Music Literary contest in December another comedy entitled "Thanks Awfully" was given. The young artist, Dick Montague, carried on a nice conversation with just two words "Thanks Awfully." At the end he was even able to propose and declare his undying love to his fair love with just the two words, "Thanks Awfully."

Senior dramatic talent scored a triumph in the recent production "Shavings," in which a simple toymaker proves to be the hero of the plot in the person of "Shavings" a part most ably played by Walter Gilliland.

It was the old, old story of love which finds a way out despite the antagonism of two obdurate fathers. William Milner, in the role of Captain Sam Hunniwell, and Loyal Walters as Phineas Babbit have been the bitterest of enemies for the past twenty or more years. But nevertheless Maude Hunniwell, impersonated by Evelyn Nutt and Leander Babbit, played by William McCamey, are finally united by the simple plans of the lowly toy-maker, who patches up the old rivalry between the Captain and Phineas.

On a moment of generosity Uncle Jed, as the toymaker was affectionately called, rented the little rose-colored cottage behind his shop to the pretty young widow, Mrs Rugh Armstrong, portrayed by Alice Bryant; the role of her small daughter, Barbara was nicely carried out by Marjorie Campbell, most youthful member of the cast.

Ruth's brother, Charles Phillips, acted by William Albright, who, after serving a two year term in a penitentiary made his home with his sister and promised to start a new life. "Shavings," although he knew his past, procured him a job in the local bank.

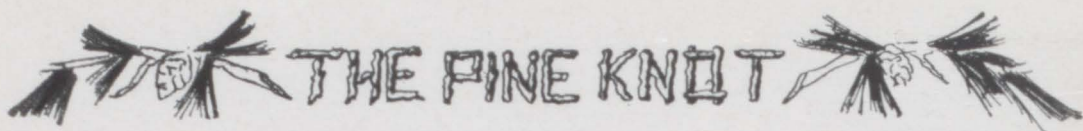

As the months rolled by, Ruth has become the toymaker's idol and was the inspiration for the improvements of his once so untidy shop. Led on by this strange feeling of love, he was ready to do anything whatsoever that might save Ruth from worry and sadness.

Unfortunately this was not to last for he had scarcely found out his real love for Ruth, when overhearing a lover's conversation between Ruth, and her old sweetheart Major Leonard Grover, played by John Campbell, he realized that his hope could never be. Therefore surrounded by everyone's happiness which he had created, unable to create his own, the lonely toymaker tried to forget.

Several humorous parts of this delightful comedy were carried on very successfully by Floyd Humphrey as Gab Bearse, the gossiping carpenter and Wayne Womer in the part of Roscoe Holway, the up to date salesman.

THE PINE KNOT

If aught in these pages
Your spirit enrages,
 Consider before you give voice.
This may seem quite rough,
But some of the stuff—
 You really have cause to rejoice.

If we had just hinted
(What some wanted printed)
 Your fate then indeed would be hard.
We said only the best,
Suppressed all the rest;
 The really mean things were disbarred.

We think it has snap,
And we don't care a rap
 Just one word, and then we are through.
Whatever you say,
We stood for fair play—
 We didn't tell all that we knew!!!

THE PINE KNOT

IT IS FINISHED—THE 1935 PINE KNOT

Where once could be heard the scratch of pencils, click of a typewriter, and mingle of chatter and laughter, now hangs the dismal gloom of an old deserted house which once re-echoed to the laughter and glee of a happy family.

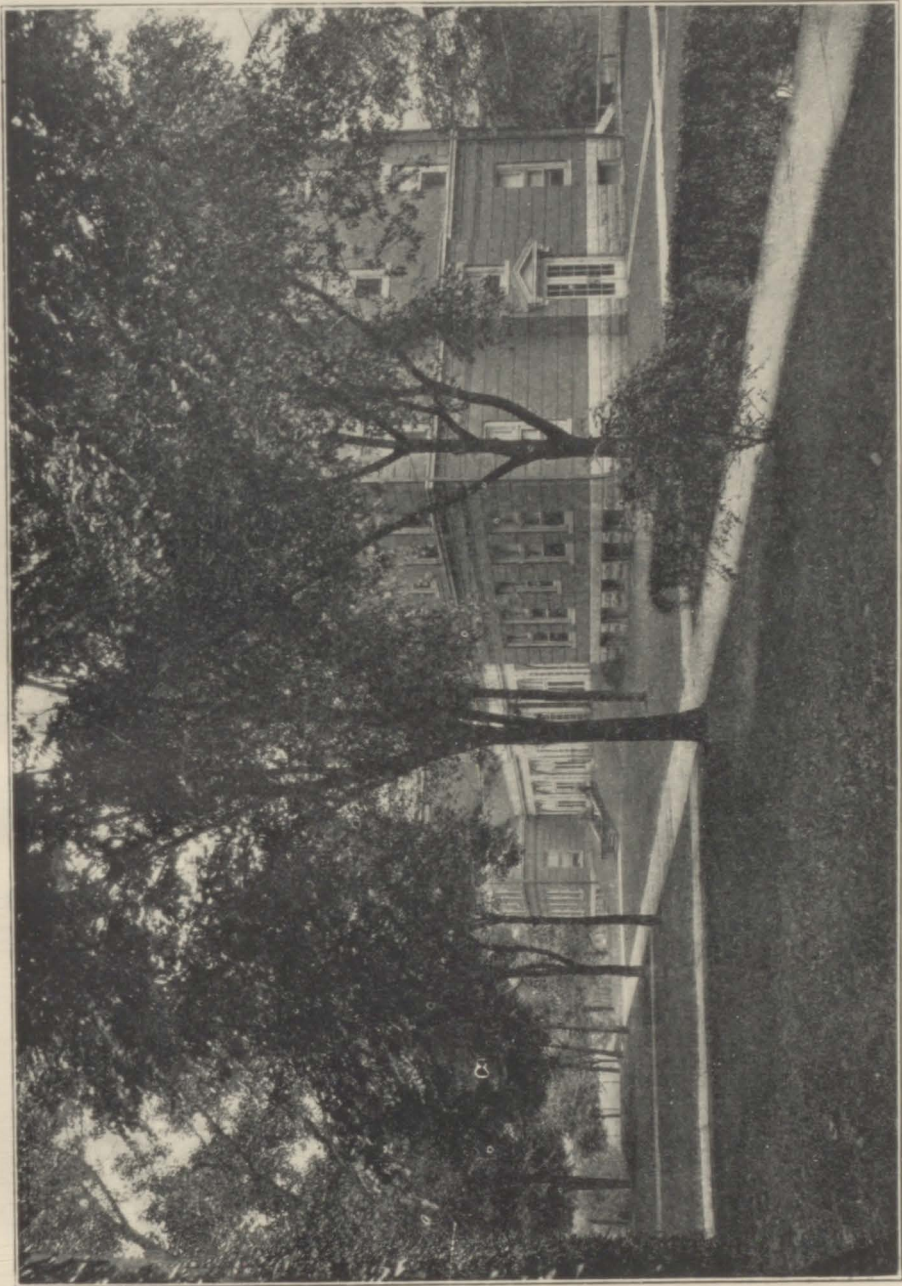

There have been many who have helped. The staff has been loyal. From our typists to our nickel pincher, Jack Mullen, we have received nothing but the best.

As for our humble self, we are owed no debt; but rather we feel ourself a debtor. We owe Miss Walters for the manner in which she tolerated us. Our debt to our worthy assistants lies in the way in which they have co-operated with us, and lastly, to the teachers whose classes we so rudely interrupted or neglected, we offer the greatest of apologies.

Yes, we have been four years within these walls whose haunts we know so well. Yet, how short it has been, all too short. For what can ever crowd from our minds the friendships and experiences which have come to us here.

It is finished—the 1935 Pine Knot, this is the last page. The press that prints it will toll the knell of our High School days. In the future, when we think of them, may that thought be full of joy and satisfaction, and may we then confirm them as the best, happiest, and fullest days of our whole life.

WALTER GILLILAND.
