What makes you **stand out**? We spend our entire high school careers searching to find what sets us apart. Running, singing, performing: we all try to find our place. To stand out based on your achievements and shine because of your talents is an amazing feeling. Grove City High School has provided us with the abilities to make our **mark on the world**, but it is up to us to use them to make the world see us shine. As we go on past high school, keep searching for ways to stand out. **Never** fade into the background, we are all born to **stand out** in our own way.

"The penny war was a great success. GCHS raised \$3,510.69. The competition was mainly between the freshman and senior classes who each raised over \$1,000. 'I never thought we would get such an overwhelming response,' said Mrs. Miklos. All of the money raised through the penny war will go to the Caring Fund."

"...This is it though....one day left for The Friday Night Lights, The Football Fanatics, and The Defending of The Nest. The chants, the roars, the awful aluminum wrapped hot dogs that are apparently worth one dollar, and the beat to the drum line in the 'Hey Song'. But no matter what our record is and no matter how far we make it, and not even the fact that I have never once wore any football gear, my heart is there now and always will be on the small Western Pennsylvanian town's home football field."

# Boys Soccer

Fall 2010

Coming into this season the Grove City Boy's soccer team didn't have many expectations from outsiders because of the loss of 17 seniors and getting 2 new coaches. The team suprised many people with 8 wins, 6 losses, and 2 ties. The team got off to a bad start, but came back: winning 6 out of the next 7 games. Throughout the year the team displayed great moments.

The team worked tirelessly to improve their game as it showed through the season, they improved drastically. Will Potter had 11 goals for the team while Thomas Hummel scored 6 times and Alex Boarts had 5 goals for the Eagles. The team had little experience coming into the season. With 2 seniors it seems that the team will get better with experience. Look out for the Eagles!

# CROSS COUNTRY

*In My Dreams, I Am A Kenyan*

On November 6, the boys' cross country team attended the statewide competition in Hershey. The entire team finished 13th in the AAA race, a very commendable victory considering the size of the team. In addition, the girls varsity team clinched their 2nd straight region 2 title. Good things are certainly likely to come in the next few years for the entire team. GCHS's invitation at states is the second occurrence in three years, and the runners are hoping to prevail.

# Paul Bengs

Paul,

I can't believe the years have gone by so quickly! It seems just a short time ago we were bringing you home from the hospital. Then it was off to pre-school, after that, kindergarten. I remember the first day of school as you got on the bus; it didn't seem possible that you were old enough, where had our little boy gone? The years

have flown by and here we are; you are a senior in High School. We are so proud of the man you have become. You have been through some of the hardest challenges in your life and have become a stronger person because of it. No matter where you go, what you do, know that we are always here for you. You have so many wonderful qualities that will carry you through. Remember your values, stay grounded, and be the person that you know you should be.

We love you! Mom & Molly

places, people, and things! We are honored to have loved, nurtured, and guided you over these last eighteen years, and joyfully anticipate continuing all those as your future unfolds.

My darling Juliet,

Wow! Where did the time go? It seems hard to believe that you'll be graduating in a few short months. In my heart, you'll always be my little girl. But, my baby has turned into a beautiful, caring young woman who is closing in on the last chapters of high school. As the next chapter of your life commences at college, I'll miss you so much. You'll never really know how much you've meant to me over the years, especially the last ten. I thank God everyday that he gave you to me. May you always maintain your strength of conviction in all that you do and will continue to do in the future. Strive to do your best and remain true to your heart. I am so proud of you. You know your daddy is too as he watches in amazement from above that his little "Juls" (as he so dubbed you) has achieved so many successes.

# Flashback

In 8th grade the big bad high school loomed ahead of us. Fear and excitement gripped us all as we looked forward to the "big school". Graduation seemed like forever in the future, a distant thought. It is here now, we are the class of 2011. Grade school, middle school, dances, assemblies, tests: we have done it all. Now a bigger thing looms ahead of us: the real world, our futures. Here are some of our memories we have made...

8th grade newspaper (2007): "Is everyone ready for the high school? Yeah, mixed, I understand how you feel. The Middle School feels like home. I want to leave, but "most embarrassing moment at gcms: falling up the stairs- Brady Beech" don't at the same time. When we get the the high school, don't lose your character and remember, next year we won't be the "big dogs" anymore, so chill, layback, and grow into THE CLASS OF 2011."
