# ALTER EDUC

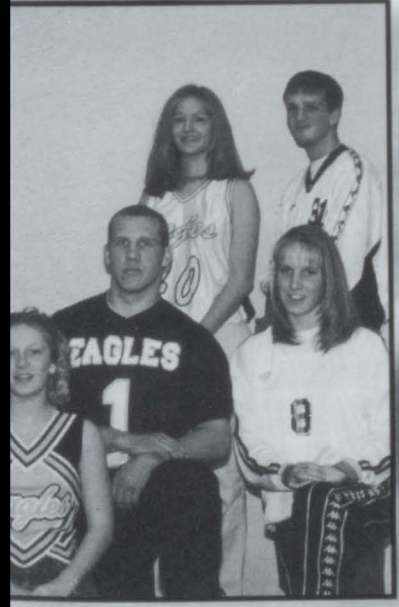

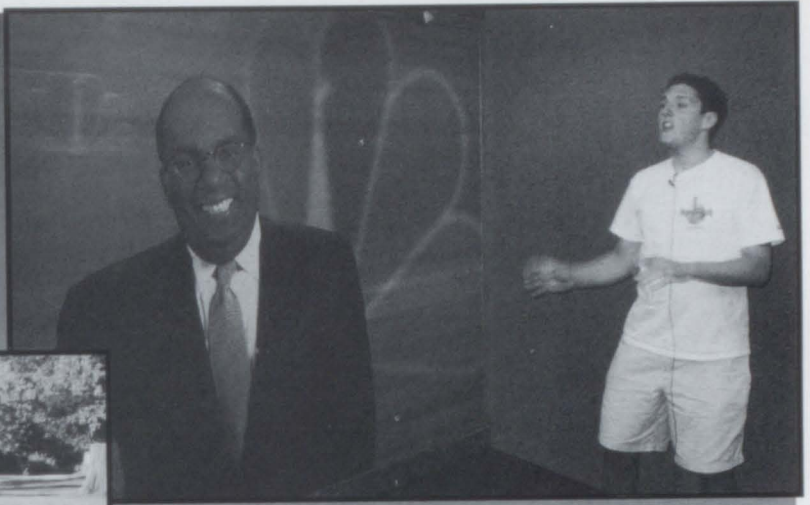

Many of the students at GCHS have escaped the normalities of the classroom and have chosen to expand their opportunities in alternative forms of education.

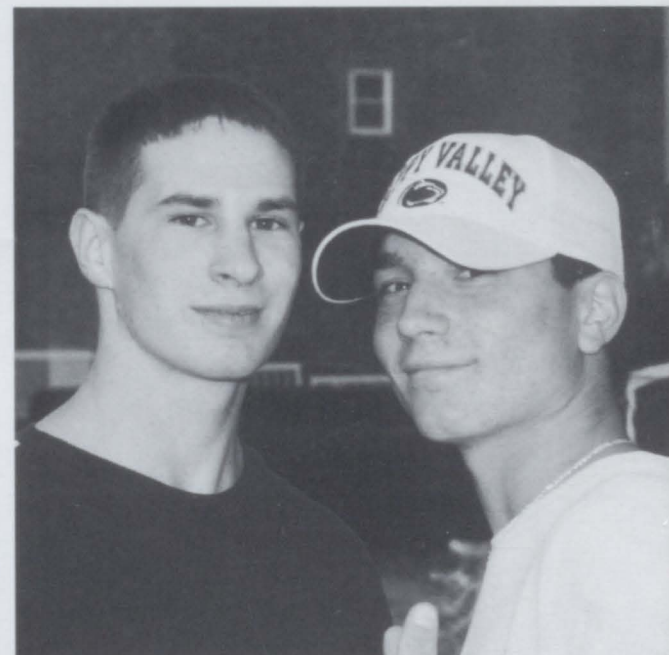

Volunteering with elementary classes, taking classes at the surrounding colleges, or utilizing the various VoTec programs are just a few ways that students have expanded their horizons.

These fine individuals have chosen to take the road less traveled. This has set the tone for future GCHS pupils.

A Medieval acting group sets out to share the story of Pippin. It is the story of a Prince who is in search of the meaning of life. He has lost his sense of direction and hopes to find fulfillment in war, power, and love. In the end he dissapoints the group by choosing to stay with the love he has been searching for all along.

The Leading Players provided an insight into Pippin's mind and show reasons for his actions.

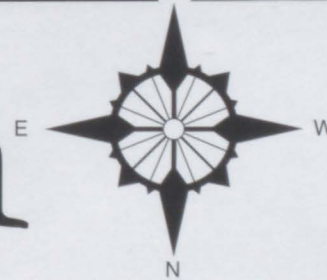

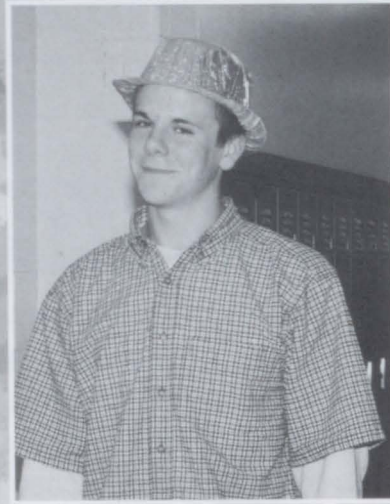

Theo cradles his little ducky showing his childish infatuation

Berthe passes on her elderly wisdom to an anxious Pippin.

## Just The Boys

The 1999 Eagle Football season was a wild one to say the least. The season commenced with the Eagles revenging last year's loss to Meadville with a 26-0 stomping of the Bulldogs. In the following weeks, the Eagles lost two very hard fought battles to Wilmington and Sharon, but returned to the win column with a come from behind victory against rival Hickory. The Eagles fell on hard times losing the next three games to Brookville, Kennedy and Slippery Rock. However, the never quit attitude shone through, as the Eagles won two of the last three games beating Reynolds 27-16 and Mercer 42-7. Unfortunately, the team lost a heartbreaker to Oil City, 17-15, on a last second field goal, to finish with a record of 4-6. A special thanks goes out to all the seniors who gave everything they had during the year, as well as everyone who supported the team.

*Go and make a difference!  
We are so very proud of you!  
With love,  
Mom, Dad and Natalie*

**Dearest Melissa,**

*How do we sum up in a few words the many blessings that you have given us over the past 18 years? We have watched God mold and shape your life, as you walk daily with him. May He continue to use your sensitive spirit and creative talents, to touch the lives of others and draw them closer to Him.*

*Like the Apostle John, we rejoice in being able to say, "I have no greater joy than to hear that my children walk in truth." (3 John 4)*

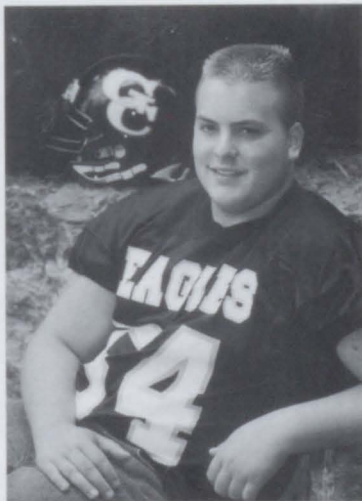

*Love and prayers always,  
Mom, Dad, Marnie, and Megan*

Mom & Dad

P.S. You are my "son"  
shine.

Beth,

The night of your birth we were so proud, we didn't think it could get any better, but we were wrong. For as you grew, we saw you become the fine young woman that you are. We

saw you try new things and master most. We heard you sing and watched you dance. We heard you cheer and act. We witnessed your hopes unfolding, and our hopes, pride, and love grew too. Now we know your hopes and ours will come to flower in all the days to come. Forever you will be our Sweets, our Lizzy, and our Pumpernickle.

Love,

Donnie,

Since your first day in school 13 years ago in Knox, you've made us happy and you've made us proud. Yet you've never made us disappointed. Thanks for all the memories. Mom, Dad, Meredith and Susan

Todd,

On July 16, 1981, WE were given a great blessing from God. On July 5, 1992, after the accident, YOU were given your greatest blessing from God. Even after the doctors said that you would never play sports for the rest of your life, you showed determination and drive and have been an inspiration to us all. You have made us so proud to be called your parents!! Never underestimate the power of God and remember to trust HIM in everything you do and to HIM be the glory. We love you and we will always be here for you!

Love,  
 Mom, Dad and Ryan

Dear Dave, My party-hearty, fun-loving Dave,

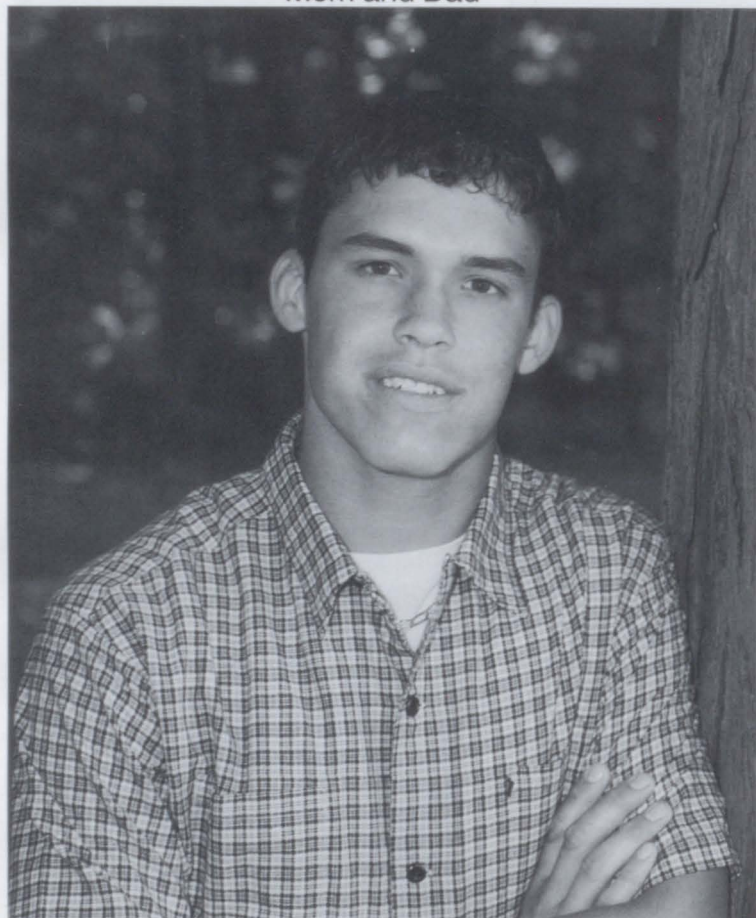

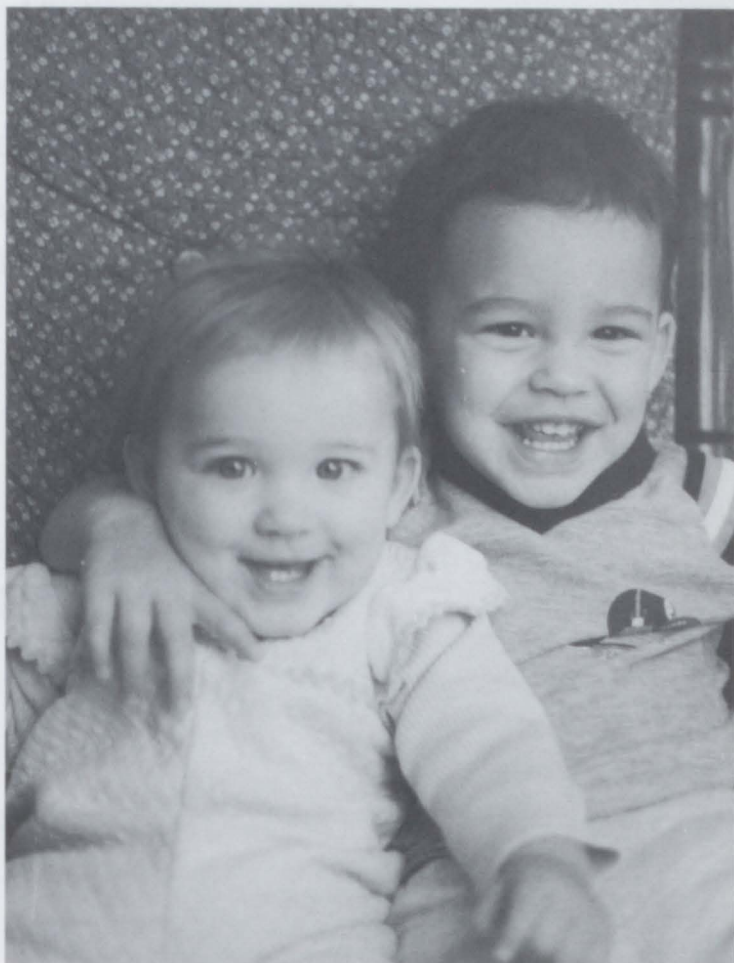

You have been a real challenge to raise; we spend so much time debating that I think you should become a lawyer. In lighter moments, you have me laughing so hard, you're bound to be a comedian. But you love spending time with your friends and meeting new people; you would make a good politician. All of your life I have watched how caring and patient you are for others; you would be a wonderful doctor. Your goal is to be a pilot like your dad.

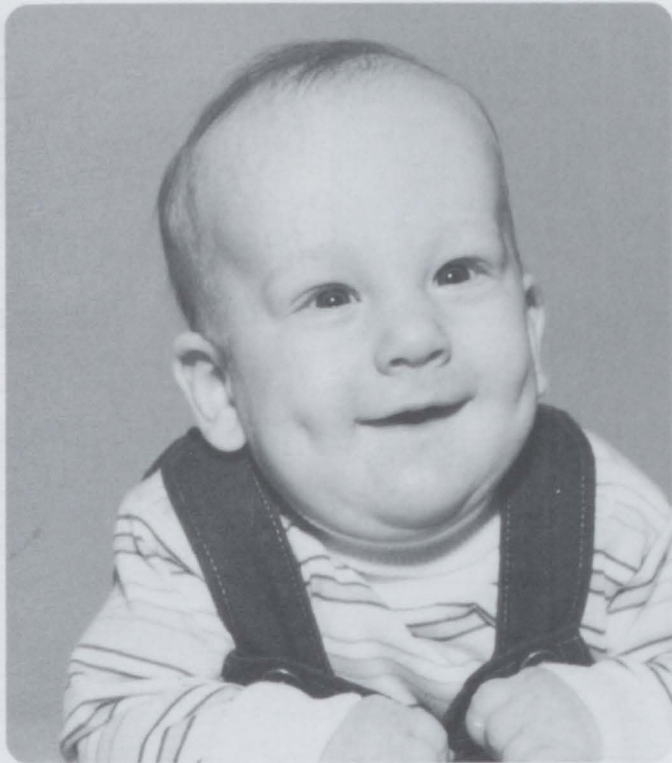

Dear Jolene, My beautiful Rose amongst the thorns,

You light up my life and make my heart smile. You are the center of our family. You have rushed to your little brothers with band-aids, helped me spar with David and are Daddy's little helper. I am so proud and happy that you are my daughter, you are the sunshine of my life.

This is an exciting time in your lives. You are both good kids, you make us proud and happy. Please remember we will always love you and will continue to be here for you.

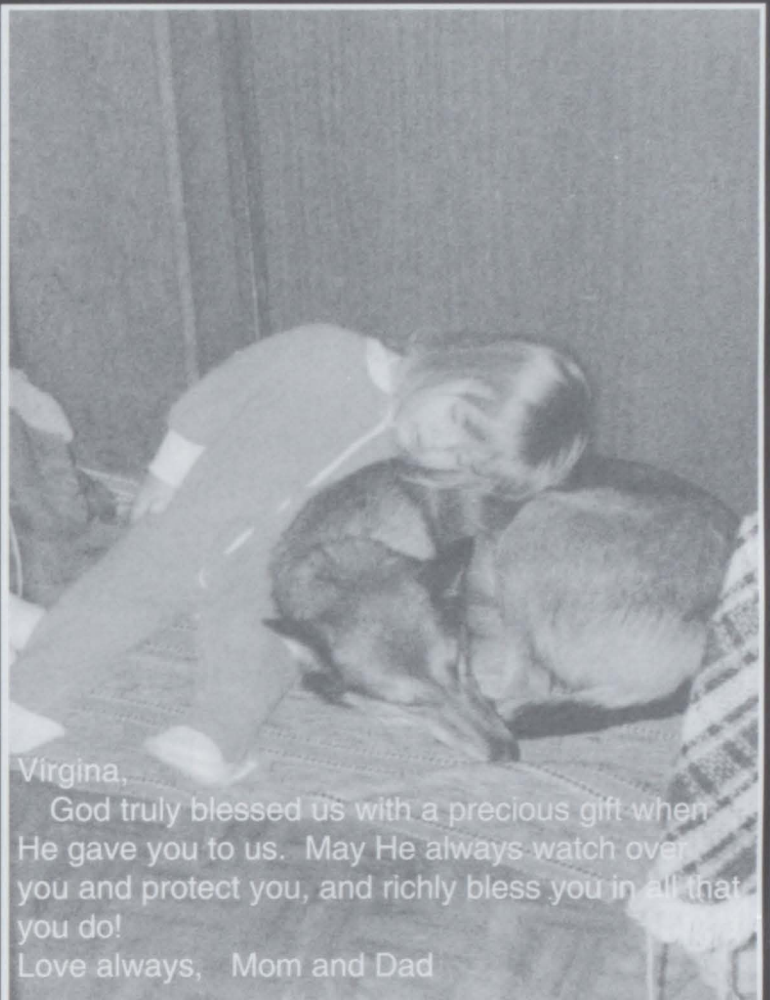

Love,  
Mom and Dad

Craig,

A baby is God's opinion that the world should go on. Good luck as you continue to grow in His word. We love you.  
Love, Mom, Dad, & Erin

Virginia,

God truly blessed us with a precious gift when He gave you to us. May He always watch over you and protect you, and richly bless you in all that you do!  
Love always, Mom and Dad

Abby-Give to the world the best that you have, and the best will come back to you. Good luck in college. May God continue to bless you. Love-Mom, Dad, Hannah & Sam

*We thank  
God every  
day for giving us such  
a wonderful  
and talented  
daughter.*

*Look to Him for guidance as  
you go out in the world.*

*We love you.*

*Dad, Mom, Shannon, and Eric*

**BEN,  
WE LOVE  
YOU AND  
ARE SO  
PROUD

good nature have  
always been your  
best attributes.  
Remember to al-  
ways be true to  
yourself.  
We love you.  
Mom, Dad, Chris,  
Billy

first in your life  
and you will

We love you

Love, Dad,  
Mom & Kyle

Crystal,  
When Mom and Dad  
brought you home from the  
hospital, we were careful not  
to hurt you. But we grew out  
of that. Being the baby, you  
had it coming. Now that  
you're almost taller than the  
both of us, we realize you're  
not so bad.  
Love Ya,  
Jamie & Mike

The future is whatever you want it to be. Never let go of your DREAMS. Remember the prize is not in winning, but in trying your best.  Eighteen years have  
 passed so quickly, since  
 you entered this world

 come. Always keep your wonderful sense  
 of humor and your heart of gold. Be true to  
 yourself. Believe in yourself and in the  
 magic of your dreams.

May God watch over you and keep you  
 safe as you begin this new and exciting  
 chapter of your life. And remember, we love  
 you, and will always be with you.

# Chad Miller

JUNE 9, 1982-SEPTEMBER 3, 1999

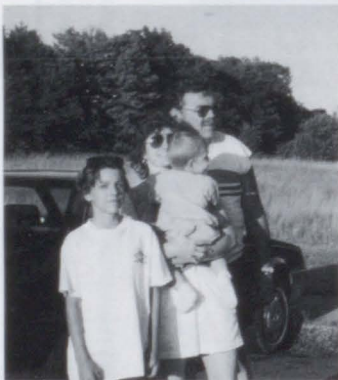

At 7:30p.m. on Friday September 3, 1999, Chad "Twiggy" Miller, age 17, died due to heart and chest injuries. It's a shame that this tragedy happened before he could graduate with his class from Grove City High School.

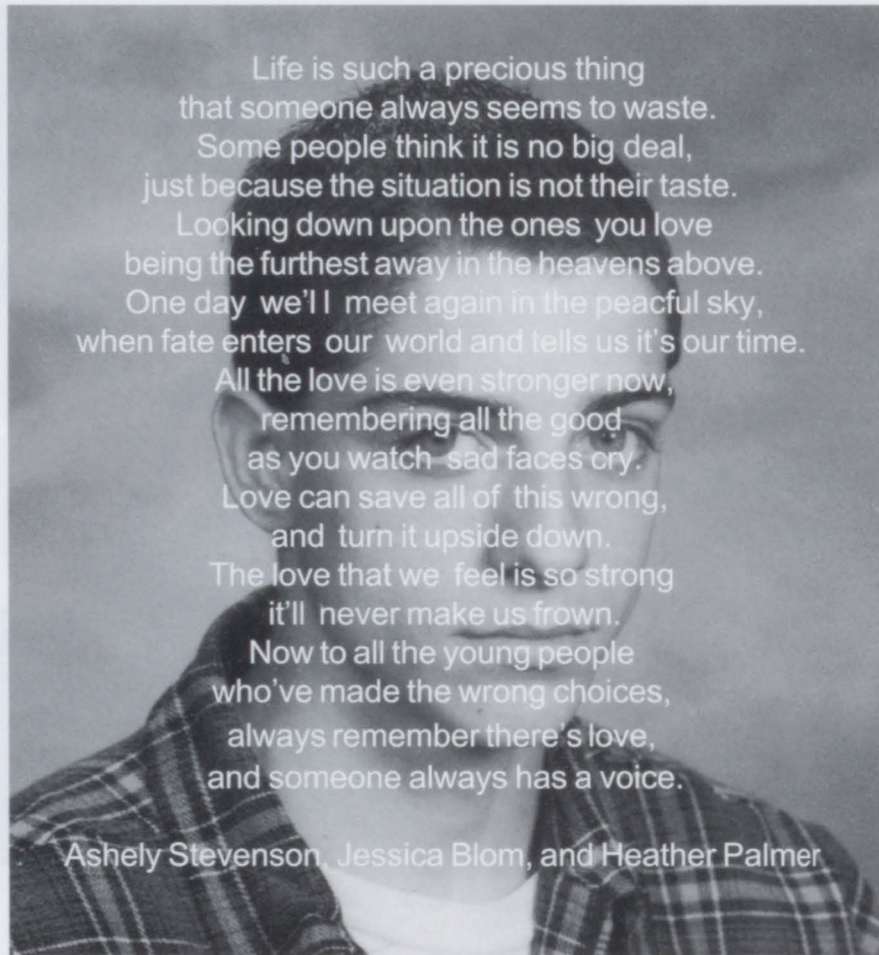

"The tears are almost gone, but the memories are forever."  
-Ericka Lander

"You always said I'd never get your picture. You were right bud, I never did."  
-Miranda

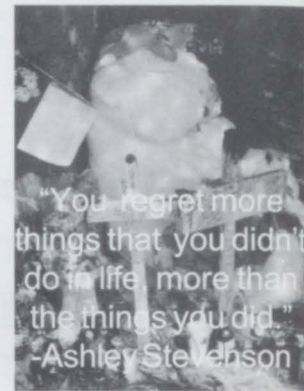

"We didn't lose a friend, but learned a lesson."  
-Duncan  
"You always had the right things to say."  
-Dayna Burk

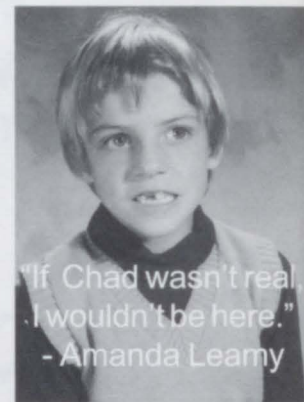

Life is such a precious thing  
that someone always seems to waste.  
Some people think it is no big deal,  
just because the situation is not their taste.  
Looking down upon the ones you love  
being the furthest away in the heavens above.  
One day we'll meet again in the peaceful sky,  
when fate enters our world and tells us it's our time.  
All the love is even stronger now,  
remembering all the good  
as you watch sad faces cry.  
Love can save all of this wrong,  
and turn it upside down.  
The love that we feel is so strong  
it'll never make us frown.  
Now to all the young people  
who've made the wrong choices,  
always remember there's love,  
and someone always has a voice.

Ashely Stevenson, Jessica Blom, and Heather Palmer

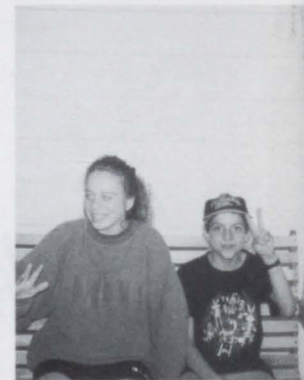

"A man is not truly dead, until he is forgotten. And in our hearts you will live forever."  
-Dan Hubbard

"You regret more things that you didn't do in life, more than the things you did."  
-Ashley Stevenson

"If Chad wasn't real, I wouldn't be here."  
-Amanda Leamy

"You have but one life to give, and now that life is gone. I will never forget you."  
-Angie  
"This one's for you."  
-Jessica Collins
