LANGUAGES

Effective communication through speaking, reading, and writing is the goal of the language arts department.

Language is the basis for all of man's activities. With a baby's first uttered word the struggle to conquer and learn a language begins. When man becomes proficient in one language his desire to communicate urges him to learn another. Thus the desire to communicate makes the mastering of languages more and more essential to modern man. Subjects covered in the language department are: English, French, Spanish, and Latin.

SCIENCE

No longer can one ignore science for never before in our history have scientific discoveries made such rapid changes in our way of life. Almost overnight our homes, our food and clothing, our means of transportation, and our amusements have been changed by scientific improvements and discoveries. Our modern world depends on science, and as citizens of a free country it is imperative that we have at least a basic knowledge of scientific principles.

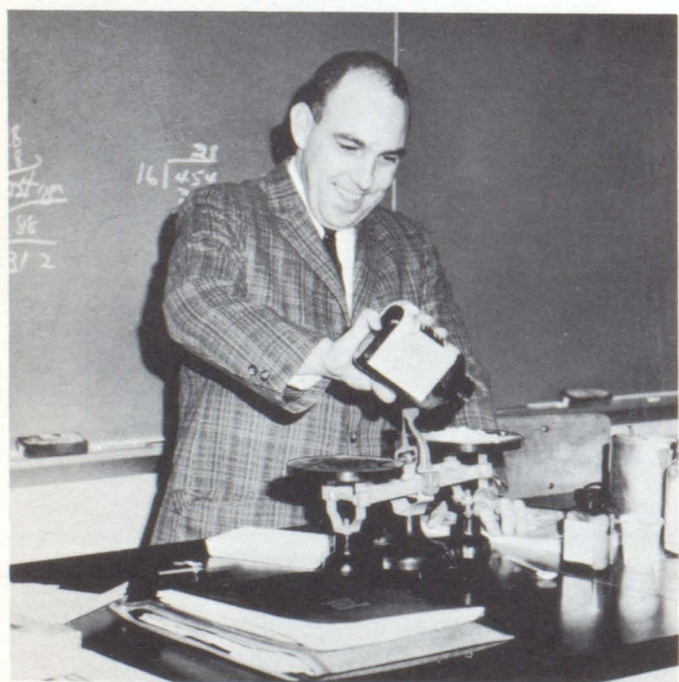

General Science provides a background in science for Freshmen. Further studies in science include biology, the science of living things; physics, the study of energy and matter; and chemistry, the science of composition and transformation of substances.

BUSINESS

To help a student prepare for a more successful life, both on the job and in the everyday duties of the home is the aim of the business department of Grove City High School.

Business subjects to further this aim are offered in great variety. These courses include typing, bookkeeping, shorthand, clerical and office practice, sales and law.

MATHEMATICS

The ever-increasing complexity of our civilization, especially in the realm of science and technology, makes it imperative that the number of students in mathematics and the pace of their training be increased.

Progress toward a better future depends in part upon the successful integration of the new mathematics with the old, so that increasing numbers of educated persons are thoroughly educated in the fundamentals and, at the same time, have a glimpse of the rapidly expanding frontier.

Mathematics is often regarded as the bread and butter of science.

SOCIAL STUDIES

Man's understanding of himself through studies of history and problems of the present is the major aim of the social studies program.

Students studying social studies learn what men have thought, felt, and done throughout time, and how history has affected the way people live and behave today.

Sophomores studying world history are presented a broad picture of the history of the world. American history gives the juniors the opportunity to understand the events in the background of our own country. The seniors learn in their studies of problems of democracy the problems and principles of our modern society and how these principles may be best preserved.

FINE ARTS AND

Miss Barbara Snyder; *Art*

Through the study of music and art the Fine and Industrial Arts departments bring to the foreground students' hidden talents and creative abilities. With proper guidance, the development of these abilities may be the initial step in the choice of a lifetime career or hobby.

The music department gives the student an opportunity to perform in the band, orchestra, or chorus. The department's annual project is the Christmas concert.

Students in the Industrial Arts department acquire good working habits and learn to display their projects effectively. Developing their creative abilities through various projects of their own and ones for display throughout the school is the goal of the students in the Art Department.

Through training in these areas, students are able to develop their creative abilities and gain a broader scope of knowledge for the future.

Included in the specialized fields of education are speech, library, vocational agriculture, driver's education and industrial arts.

PHYSICAL EDUCATION

To develop students physically while growing in character and sportsmanship is the objective of the physical education department. Students must be helped to grow, to keep well, to develop permanent play interests, and to meet and solve emotional and social problems which interfere with personal development.

This department accepts the responsibility of physical fitness in its finest and broadest sense, in all boys and girls at all times.

Varied activities are offered in the gym classes. Girls participate in tumbling, modern and square dancing, deck tennis, duck pin bowling, badminton, volleyball, basketball, soccer, and softball. The boys look forward to tumbling, rope work, and track fundamentals in addition to the usual seasonal sports.

Mr. Gene Forker; *Health, History*

Mr. Richard Bestwick; *Physical Education*

Miss Barbara Boyts; *Physical Education*

HOME ECONOMICS

Opportunities in this program give consideration to the management of money, the nutritional needs of the family, clothing, management of time, energy, and human resources, the care and guidance of children, and housekeeping skills. The department furthers the development of the personality in the family and the interpretation of the individuals to themselves and to their family and their friends.

The homelike school environment develops self confidence, initiative, leadership, co-operation, judgment, and efficiency. Emphasis is on recognizing the interests and meeting the needs of individuals.

IN MEMORIAM

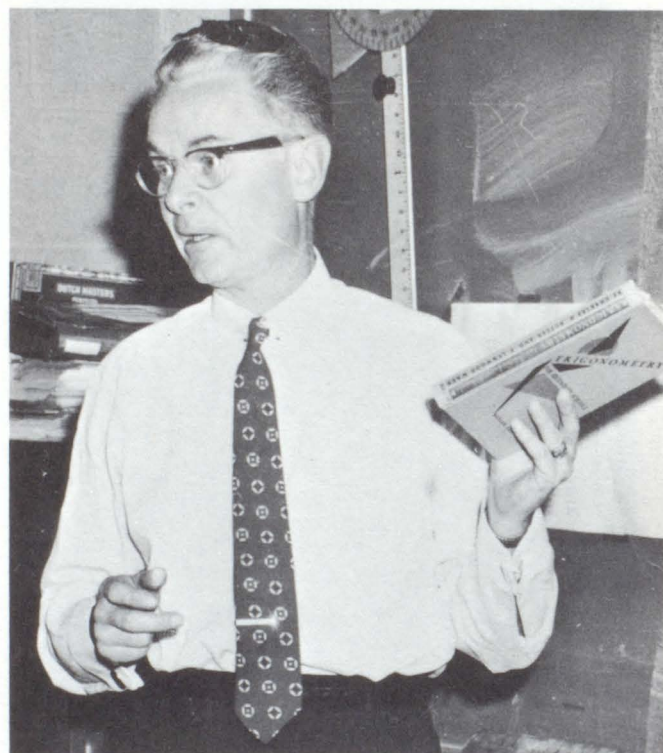

In Preparation

On August 11, 1961 Mr. Wade Skelton, teacher of mathematics and faculty athletic manager, died of a heart ailment. He taught at Grove City High School for nineteen years.

In this, the 1962 Pine Knot, we picture Mr. Skelton as we remember him.

It is with great humility and gratitude that we dedicate this page to Mr. Wade Skelton, our teacher and friend.

In the Classroom

from the Students . . . time out for credits

Miss Leona Taggart

"Don't try and make anything hard out of it," says Mr. John Turner. "It" may have to do with science, physics, or gladiola raising, but after thirty-two years of teaching experience, Mr. Turner knows how to make it easy to understand. After teaching in Allegheny County and Lawrence County, Mr. Turner assumed the duties of general science and physics teacher at Grove City High School. He received his Bachelor of Science degree from Grove City College and his Masters in Education from the University of Pittsburgh. Mr. Turner makes it "easy" but he urges those who plan more scientific study to go into the advanced phases of science.

Travel, raising flowers, and serving as Justice of the Peace are his plans for the immediate future.

Versatility is the word which best describes Miss Leona Taggart. After teaching eight grades in a one room country school and graduating from Grove City College she moved to Punxsutawney to teach French. Returning to Grove City Miss Taggart began what proved to include nearly forty years of service as a sophomore world history teacher. Each year she covers from stone age man to the present day including all wars, politics, and past and present world leaders.

Miss Taggart holds a Bachelor of Arts and Master's Degree in Education from the University of Pittsburgh.

She looks forward to the time when she will be able to devote more time to her various civic and church affairs and hobbies. The activities include Business and Professional Women's Club, Grove City Chamber of Commerce, and the Social Studies Council.

HOMECOMING COURT

The crowning of Mary Ellen Clark as homecoming queen marked the opening of the 20th annual homecoming game and festivities. The queen and her aides, Barb Benson and Bev Mick, were honored with a parade through town which reached its climax at the football field where they reigned over the game with Rochester. There the traditional kiss was given by team captain Bob Wise. Following the game Queen Mary and aides Barb and Bev presided over the annual Homecoming dance at Youth Center. Other candidates were: Virginia Alessio, Sandy Cummins, Doris Hawthorne, Rennie Jensen, Carol McKnight, Norma Pearson, Joan Pollock and Nancy West.

SENIOR PLAY

The Senior Class placed "One Foot in Heaven" for their annual dramatic production. Based on the best selling book by Hartzell Spence the play combined comedy and drama in a realistic look at the problems of a preacher and his family. The plot revolved around the variety of difficulties the Spences encountered: the decrepit parsonage, bigotry of church members, and quarreling among the members, to mention only a few. The problems faced by the Spence children added the comical side to the plot of the successful 1962 Senior Class Play.

Painting, sculpturing, and work in the creative arts are activities of the art club members. Besides working on projects for their own personal satisfaction, the club performs services for the school. Young artists decorate the school at Christmas, Thanksgiving and Easter. They also paint scenery and help construct props used in school plays. The objective of the club programs is to be both entertaining and informative. Miss Marlene Gamer is the adviser of this creative club.

CHEERLEADERS

Seven peppy girls could often be heard around GCHS sounding their cry for VICTORY. Under the direction of Norma Pearson and Miss Myrna Kamerer, the cheerleaders were even more active this year as they made signs, organized a pep club and created new cheers—not to mention their regular performance at all sporting events. The result of these efforts in GCHS was increased student interest and greater school spirit.

Gary Vechnak set a new individual scoring record with 354 points as the Gold and White outscored their opponents 1377-1189. Three Eagles scored over 200 points: Fran Hassel, 257; Dick Snyder, 232; and Bob Mellon, 209. Ron Coleman passed the century mark with 163 points.

The future looks bright as four of the first five on this year's squad were juniors. Only four players, Lynn McAninch, Ed Walters, Larry Dunn and Fran Hassel will be lost by graduation. The Trojans from Greenville put an end to the Eagles' winning streak (33-7), but as a result kept up their undefeated season. After the hard loss to Greenville, the next two matches came as a welcome relief in the form of easy victories for the Eagles. The scoreboard showed the score 35-14 against New Castle and 36-15 against Jamestown.

After losing 29-20 on the return match with Hickory, the Eagle grapplers faced Commodore Perry at the annual Winter Festival. Here the Eagles scored their eighth victory 37-22.

The third and final loss for the Eagle matmen came at the hands of a strong Oil City team 38-11. The grapplers chose victory as their cry to end the season by defeating West Middlesex 38-10.

FOOTBALL

Junior High Coaches Bill Scott, John Hummel; Head Coach Dick Bestwick; Varsity Coaches Doug Clinger, Wayne Petraca and Walt Pretko.

INVINCIBLE is the word that best describes the 1961 Eagle football squad. Coach Bestwick's boys chalked up a record of nine wins and no losses. For the third straight year the Mercer County Class A title rests in the lair of the Eagles, and this year they added the District 10 title. This is the first time in the history of the school a team has won nine games. The only other unblemished record was in 1942, under Coach Gene Forker, with a record of eight wins and no losses.

Offensively the 1961 squad set a new school record by gaining a total of 2,992 yards. The Eagles dominated the defensive play by holding their oppo-

nents to 25 points and racking up six shutout victories.

Next year will show the following names missing from the Eagle roster: Bell, Squires, Luli, Neely, McLean, Throckmorton, Ithen, Johns, Wise, Webster, Mathieson, Kaiser, Fennell, Hassler, Myers, Cornelius, Bortz, and Hassel.

Team honors came in the form of first place District 10 and County Class A trophies, while individual honors came in many forms. Bob Wise and Tom Throckmorton were named to UPI All State team, Big 33, and Wiseman's Wigwam All American High School Team.

GCHS 21—ERIE STRONG VINCENT 6 . . . by downing Erie Strong Vincent 21-6 in the home opener the Eagles began what proved to be an undefeated season. This win for the Eagles was their first over Strong Vincent in the history of the two teams. The Gold and White rolled to a commanding 21-0 lead early in the game. It wasn't until the last quarter that Strong Vincent finally hit paydirt. Erie's lone touchdown came during this period against the third and fourth units of the Eagles. Thus the "little" town of Grove City proved to Vincent to be a football powerhouse. Bob Wise, Jim McLean, Jim Mathieson and Tom Throckmorton led the Eagles both offensively and defensively.

McLean and Eakin stop ball carrier; Mathieson, Neely ready to make sure.

GCHS 7—TITUSVILLE 0 . . . this encounter found the offensive squad of the Eagles bogged down. Rising to the occasion the defensive squad held the Rockets scoreless. The Eagles were able to penetrate the Rocket defense in the second period when Fran Hassel skirted fifteen yards for Grove City's lone touchdown. The remainder of the game was a defensive battle with neither team scoring. Key factors of the game were the interception of two passes by Gary Vechnak. Also starring defensively for the Eagles were Lee Davis and Bud Ruley.

McLean sprints downfield while Davis throws block.

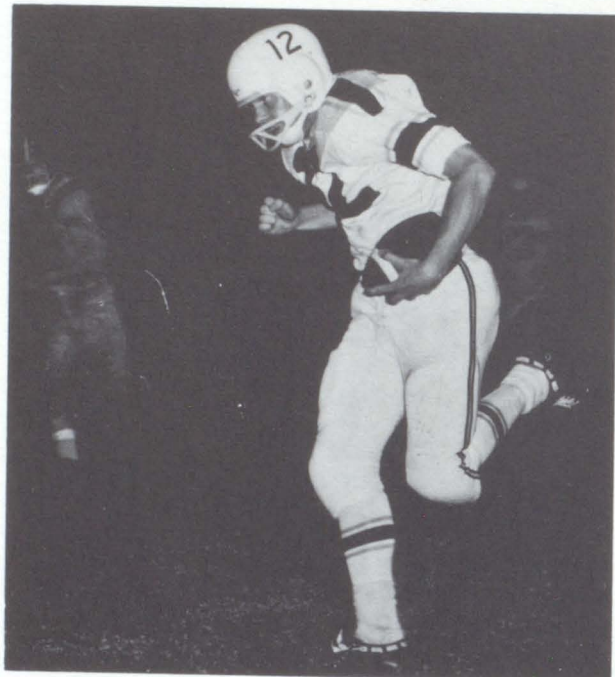

Wise gains as Mathieson and Throckmorton look for blocks.

GCHS 31—MERCER 0 . . . the Eagles continued their winning by clobbering the Mustangs. The Mustangs failed to rally to the cause as the Eagles dominated the play. The Grovers accounted for their longest run of the year as Bob Wise returned the second half kickoff 85 yards for a touchdown. Gary Vechnak, Bud Ruley, and Jim Mathieson threw key blocks on the play. The offense gained a total of 366 yards and defensively the Gold and White held the Mustangs to 98 yards with the fourth win of the season as the result.

GCHS 19—OIL CITY 0 . . . the Eagles proved in this game that they were not just a home team. The first encounter of the year proved to be just another rung in the Eagle championship ladder. An 86 yard march was climaxed when the Eagles scored their third touchdown. Offensively and defensively the Eagles played their best with another prized victory as the result. Leading the offensive attack was Dick Kaiser, Jeff Ithen, and Bob Wise. Bill Neely, Don Johns, and Bud Ruley headed the defensive charge.

Hassel hits paydirt.

Harper paves way for Kaiser.

GCHS 64—ROCHESTER 0 . . . "It was the best team effort I have seen in my nine years of coaching" were the words of Head Coach Bestwick describing the annual Homecoming game. The Eagles gained 427 yards and racked up a 64 point total—the fourth highest in GCHS history. Defensively the Eagles were as strong as possible with the only Ram score coming against the reserve defense team. Proving to be too much for Rochester was the Eagle combination of good offense and a strong defensive wall. This team play against the Rams enabled the Eagles to take their fifth straight victory to the championship scoreboard.

Wise throws key block.

Coleman drags him down.

GCHS 31—GREENVILLE 0 . . . the Trojans became the Eagles first win in County Class A competition. Put on the spot by the offensive team fumbling on the first play, the defensive team dug in and stopped the Trojans cold. The offense snapped back and marched to the goal line for the first touchdown. One of the key plays of the game for the Gold and White was the recovery of a fumble by Tom Webster. In this, the seventh straight win of the season, the Eagles gained 390 yards to Greenville's 106. Outstanding players were Ron Coleman, Jim Bortz, and Gary Vechnak.

John escapes tackler for long gain.

GCHS 33—SHARPSVILLE 0 . . . eight straight wins and two county Class A victories became the Eagle record after trampling the Blue Devils. In possession of the ball throughout most of the game, the Gold and White offense overran the Sharpsville defensive team by scoring five touchdowns and three extra points. This game was another example of excellent teamwork by both offensive and defensive squads. This victory brought the Eagles to the threshold of the county championship and an undefeated season. Touchdowns were scored by Wise, Coleman, and Johns. Other starring players were Bucky Buchanan and Gary Vechnak.

Vechnak returns kickoff.

GCHS 19—HICKORY 13 . . . this final victory proved to be the hardest of the year. Hickory put together their best showing forcing the Eagles right down to the wire before they could pull out the win. Dominating the play in the first half, Hickory led 13-6 at halftime. The Eagles returned to the field a team not to be denied. The Eagles proved the second half ball club tag when they scored two touchdowns. Bob Wise set up the second score with a 28 yard run. Don Johns raced over from the Hickory 25 for the winning touchdown.
