## Where Everybody Believes

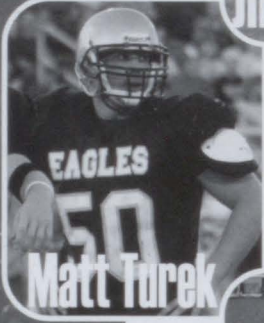

The football team had an unforgettable season this year. When the year started out with back to back losses, we could only hope for a win the third week. Little did we know that we would not see another loss until December. As the team continued to win, our playoff hopes continued to rise. As the D-10 playoffs neared, the GC Football team was ready to do whatever it took to capture the title. Grove City soon went on to win the D-10 championship game and earned the title of "Best in the West". As most of Grove City traveled to Hershey to cheer the team on, we couldn't have been any prouder of the team. School records were broken, many long bus rides were taken to far away games, and a group of boys played many games that Grove City will never forget. Congratulations on this unforgettable season.

The girls Cross Country team started off the 2004 season with all healthy girls, but they finished the season with barely enough runners to fill a varsity team for the district race. Injuries definitely took a toll on the team's performance with a number of the girls out and the new competition of Section II. It was a difficult season for the runners and coaches. Top runner, sophomore, Jess Parson, was not able to run most of the last half of the season. Senior Nikki Greenawalt and freshman Abbey Consbruck had to step up and lead the team. With the majority of the team and the infusion of talent coming in from the middle school team, next season looks to be successful.

This year was the first year not being in Mercer County Athletic Conference. For the lady eagles, this meant more teams and harder ones at that. The girls knew this was going to be a challenge for them, but took it willingly. Their main goal was to make it to the playoffs. With hard work and perseverance, the girls accomplished this goal.

**Where Everybody Knows Your Lane**

The boys and girls swim teams have been at the high school now coming up on five years. They have made amazing progress and are looking forward to the 2005-2006 season.

*“ Everyone did great this year; there were many personal goals achieved as well. I can't wait to do it again next year - Zack Bombatch ”*

## Seniors

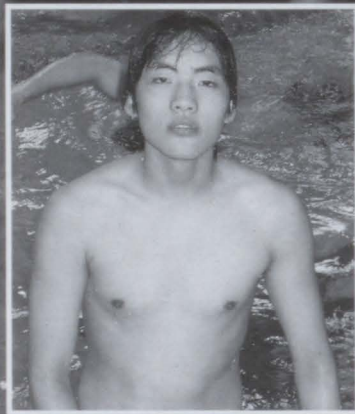

Chris Trinch has been on the boys swim team since the very start. He has been the captain for four years as well. He is an excellent swimmer and will be attending Grove City College. Good Luck Chris!

Garrett has also been on the team for four years as well. He is the team's leading 500 man. Garrett will be attending college. Good Luck Garrett!

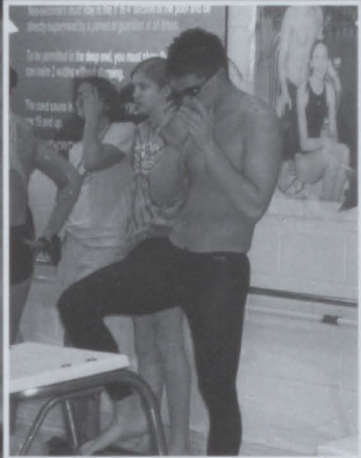

Dan has been on the team for two years, and what a two years it has been! He has made amazing progress and lowered his time immensely. Dan will be attending Delaware Valley College. Good Luck Dan!

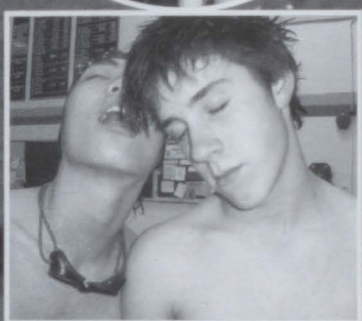

"This year was amazing; it was my second year on the team and I swam my best time ever, along with a few others who did the same thing as well. I am looking forward to next year. I feel we will have another strong team. Good luck, Seniors; we'll miss you."

# girls swimming

## Senior Spotlight

**Allie Masson** started her competitive swimming this year. Allie struggled to finish try-outs, but by the end of the year, she became quite an asset to the entire girls squad.

**Carlie Warner** always had an interest in swimming, and this year found the time to join the team. She thoroughly enjoyed her experiences with the team and only wishes she had one more year to swim again.

The Grove City Girls Swim Team was started only four years ago. Since then, they have acquired an abundance of talented swimmers. The girls really put their hearts into the season this year. Although they were often defeated at meets, most of the time every girl had a tremendous personal victory. In the end, that's what swimming is all about. The girls made this evident with their actions.

## Team Captain Sonja Jones

Sonja Jones is a Junior. She was voted team captain by her peers because she is one of the most responsible people on the team and always brings the girls together when they need it.

## The Seniors

Senior Mark Schnelzer

Mark is the number 1 singles player on the team. He began his tennis career last year and has improved his game since then. He had a fun and successful season.

Senior Ben Arnhold

Ben Arnhold has been a member of the team for four years. He's been a huge asset to the team. He always raises the team's spirits and is a very skilled tennis player.

Senior Andrew Lee

Andrew Lee is a very talented doubles player. He dominated the league with Arnhold. He was never intimidated and always kept his cool during matches. He will certainly be missed.

Coach Gilson

Mrs. "G" Gilson has coached the Boys Tennis team since it began over thirty years ago. She's had an outstanding career with no sign of slowing down.

"The team had an outstanding season this year. The singles players improved their games tremendously, and the doubles absolutely dominated the league."

## 2005 Tri County Champs

The 2005 girls track team ended with a 1-10 season record. But this score does not give justice to the effort these girls put forth this track season. With seven new freshmen, this year was much of a building year for the team. We had many athletes represent Grove City at the District-X meet. Sophomore, Helen Phipps set a new record in the mile with a time of 5.32. Freshman, Kristy Woods was a phenomenal track all-star in her first year. Woods first broke the school record in the shot put with a throw of 37' 6". Woods also made it to the state meet in Shippensburg placing 4th overall.

"This was a wonderful first year of track. I can't wait for next season."  
-Freshman Kristy Woods

"All I remember is Hardenburg yelling, "Shut Up and RUN... Zinkham'."  
-Sophomore Katie Zinkham

"We trained really hard this season, but always left a little time for fun with Coach Sikora."  
-Junior Sonja Jones

Dear Emily,

You have always made your Mom and Dad proud of you because you are the epitome of the All-American Girl! You are a friend and a confidant to your brothers and your friends and family are blessed with your loyalty. They know that you will "always be there" for them. Your eyes sparkle with your quick wit and extraordinary sense of humor. Your honesty and sensitivity shine through in everything you do, and your thoughtfulness and good manners speak for themselves. Your determination and your ability to "hold your own" are amazing. It is with much pride and joy that I congratulate you and look forward to your future accomplishments and successes! Always remember that "God works in mysterious ways" and "To thine own self be true!" I know that you will continue to amaze those around you, especially me!

### **DANIEL LEWIS:**

**BB**, brothers don't shake hands brothers hug! I look at you like a brother and will love you to the day I die. That's my boat! Lets go shoot something, don't drink the milk. Great times have passed, and there are more to come. **BH**, ha ha where to start, need a shake. Possum stomping what a blast, we're not hicks or anything. Man we've had a blast over the last little while just know I love you guys, Just don't hurt anyone with your new toy. **KI**, To the teacher that deserves more credit than any teacher in this school. A man of great morals, a man that understands the way of the world and is not afraid of the way it turns. A man that understands the way of the wilderness. Till the day that I shall pass I will have more respect for you than any other man that walks these halls. **AR**, where to even Begin you're the craziest kid I know, You had an awesome year at football brother, I love you man. **CW**, Best of friends we used to be but slowly pulled apart stupid stupid girls. Got to love mud boggin and fast cars. **DD**, wrestling what a hoot, remember the old times. **MB**, lets go roll around in the snow, or maybe swimming in winter and talent show here we come **DW**, your just plain old weird ha ha. **JD**, Man he hasn't ate for like forty years he must be really hungry.

Glad I met you don't know where I would be nowadays. I can honestly say that I found the true meaning of the word **love**. We've changed so much together we've grown together. Can't wait to go fishing and senior trip what a blast. Let's take a dip in the pond. When Barnes is around no worries of the eight-legged creatures. When all is done and said we shall look back on these days and smile. Where does the time go? You are a part of my family and they love you almost as much as I, almost. If I didn't have you at times there is a good chance that I would not be here at this time, you helped me through some hard times. Well I guess I'm trying to say thank you and that *I love you*. **To all the notties** sorry boys will be boys. **To the days that have passed and the people that I love**. I am leaving soon and don't realize if I shall be back. Time can be lost so quickly, and the days get shorter, day-by-day we all grow older. All we have are memories it's just a question if we can keep them alive. **To all my pals** morning, noon, or night my door shall always be open. Some people don't know the meaning of the word pals, if you have a couple of pals you're unstoppable. **To the three amigos** life is short death is swift but until then we shall ride again.

### **MADDISON FYFFE:**

Katie- We're living proof that you shouldn't hate someone over a boy (or 2 or 3). We have definitely made some memories in the last few years. Ben & Jerry, lemon pepper, stalk walks, blanket game, the bench, myrtle beach and manyyy more to come! Traci- My favorite Spanish class diva. Your negativity brightens my day. Hey, you dropped your milk. Aren't you and Barnhold dating? Josh- My Spanish class husband, don't forget if we're both still single in 7 years we're getting married. Thanks for always beating me up and being such a good friend. My wrestling girls- Northeast, getting hit on by ugly guys and 12 year olds, how to fill up a water bottle, all the fun times that go along with Fred Bell, frizz, beating Danielle up at practices. No more mopping mats for me! The corner- Thanks for all of the valuable information you've taught me this year and constantly making me put on earmuffs. You'll never know how much I appreciate it. Silkline- It doesn't get any better than CBS 2004. You are the craziest, most fun girls I have ever met. Cedar Point, sleepovers, band camp and football games are some of my best memories ever. And don't worry, Kate and I will always come back to visit. Scott- I think it goes without saying how much I adore you. You are the most SPECIAL guy I know. My senior year would never have been the same without you. Thank you for everything, especially putting up with my moodiness.
