What A Long Struggle

We travel along life's long road, journeying here and there. There are many stops, and this is our most important one along the way. Life can take us in many different directions yet this is something that we all have in common. We all share these few, but significant years together. But the road that lies ahead of us is very mysterious, with many sharp turns and steep hills. But we are not left unprepared for our long journey. Each stop has better prepared us for the days that are just around the corner. None, though, have shaped us more than this stop. We leave here with the skills essential to navigate those several turns and numerous hills. Here we are handed the roadmap and the compass that will guide us the remainder of our lives. Here the road forks and finally we must decide which route to follow. No matter what direction we should take, our paths will surely cross again. Then we can look back together, and say "What a long strange trip it's been."

Student Life at GCHS Outdoors

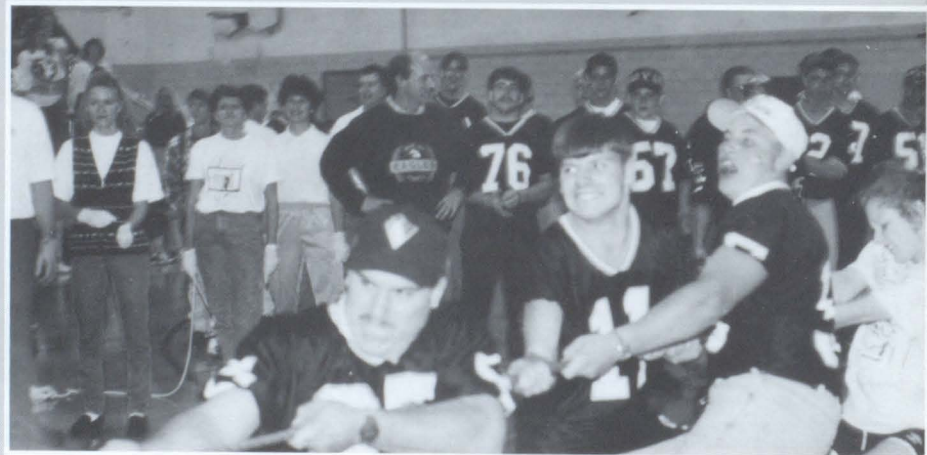

GroveCity High School students not only spend their time in school, but student life here is also filled with many different activities all year around. Many students at GCHS had busy summer plans before the 1995 school year was under way. One of the summer activities this past year included band camp. Where our talented musical students practice before the Fall Sports activities head under way. The summer of 1995 was also a time of new foreign experiences. Students interested in expanding their horizons had the opportunity to travel to Spain this summer, which proved to be a great success. Other students were on their feet lending a hand in the Habitat For Humanity Project, where many chose to volunteer their time to help out needed communities. Above all the busy schedules this summer GCHS students had time to relax and spend quality time with friends which is what makes Student Life at GCHS special.

Homecoming Week

Top: Barrett Sigmund, Kyle Black, Lori Jeffcoat, Paul Spradley, and Steve Buck- the winners of Toga Day pose for a glorifying shot.

You could smell the spirit in the air during the week of October 2-6. The annual week began with a bang. There were a few new activities added this year to stir up the excitement. The festivities started off with Election Day. Activities continued with Flannel Day, Hat Day, and Toga Day. Unfortunately, the traditional bonfire was canceled due to weather. However, there was nothing but faces glowing with excitement on Spirit Day concluding with a pep assembly. Which the student body responded with a round of sound, in order to get "pumped" for the big Homecoming game against New Wilmington. However, when it came to the last few seconds of the game, Grove City was caught short by one point, ending the game with a frustrating loss to New Wilmington.

Seniors; Fay Grossman and Brandi Sloan capture a memorable moment.

In the fall at GCHS highschool many activities take form at this time. Among all of the continuous action, the entire GCHS student body nominates five young women from the Senior Class to represent this year's annual fall Homecoming Court. The ten nominees are narrowed down to five senior girls who possess an overall sense of charisma, that shines from deep within. The five young and talented ladies chosen for this prestigious event were Cassie Denniston, Erin Gilliland, Mandy Tomeo, Jenn Weinel, and Joelle Woodley. Through much thought the list is limited to one senior girl who pushes beyond the expectations. Our 1995 Homecoming Queen was Jenn Weinel. Jenn and her court were crowned before the Homecoming Football game by last year's Homecoming Queen Michelle Hanby.

Winter Festival Court

There are many traditions that Grove City High School carries on from year to year. One of the best traditions is the Winter Festival ceremony. Every year, a new face from the Junior Class is selected from ten nominees to represent their class.

This year's nominees, picked by the juniors, were Aubri DelPozzo, Brooke Engles, Jody Hancox, Jessica Herndon, Susan Lewis, Tiffany Link, Shelia

Purich, Johanna Rossi, Amber Stembal, and Haley Wagner.

An assembly was held to introduce the nominees. Afterwards, the student body chose the three they wanted to represent them.

Later that day, the court was announced to be Susan Lewis, Johanna Rossi, and Amber Stembal. The queen was to be revealed at the annual Winter Festival basketball game. During half time, Amber was crowned, and she and her court reigned over the game. After the game, a dance was held to celebrate.

Winter Dance 1996

On January 6, 1996 couples gathered at the Grove City Country Club for the annual Winter Dance. Students arrived between 6 o'clock and 7 o'clock for the social hour. Then dinner was served shortly after. The tables were cleared and the chairs were moved and to many that is when their night began. Camera flashes, slow dances, and many other things, including the cold weather all set the stage for a beautiful evening meant for fun.

Dances have proven to be a huge success in the past and this year has been no exception. Every year our student body has been provided with the opportunity to participate in all types of school dances. Thanks to the help of Student Council, Project P.E.E.R.S., and the school faculty, who work hard to sponsor these festive functions, dances are enjoyed by many at G.C.H.S. all year round. Dances are kicked off with Welcome Back Dance, and include 5th Quarters following home football games, Level III Dance Days, student council sponsored dances, and finally the Senior Farewell Dance, a favorite among many students. Dances held at G.C.H.S. are awaited, well-organized events for the pure enjoyment of our student body. They are times of friendships, dancing, and lots of entertainment.

May 3. 1996

Night Under the Magnolia Tree

This wonderful night started off with the traditional Grand March. The couples proceeded across the balloon decorated stage and then into the dance floor. The decorations were created by the Junior quota sellers with Mr. Miller's creative touch. The gymnasium was transformed into a beautiful setting. It consisted of a large magnolia tree with a hanging swing beneath it. Also, a boat with a turning paddle wheel for the concession stand and a mansion were the main attractions. The dance floor was rimmed with a white picket fence and during the dance it was dusted with spurts of confetti. The night was miraculous and gave special memories to all that attended this unique formal event.

GOLF '96

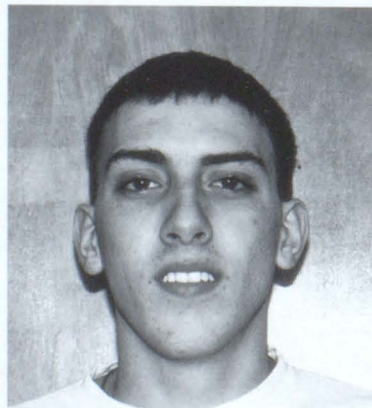

"I sensed a togetherness among our team members and I believe they will carry the joy of golf with them for the rest of their lives. I am just as sure that each of our seniors will be successful in life also."

-Coach Lenny Clarke-

"It was really disappointing not ending with a winning record, but we had a lot of laughs and good times. We grew as a team as well as individuals and learned a lot that will help us out in life."

-Senior Dan Ferrucci-

The 1995 golf team had high hopes coming into the season, and it was evident when they defeated Greenville and Sharpville in the opening match. This year's team consisted of four seniors, the most in the last three years. The Eagles entered the second match with hopes of beating the heavily favored Kennedy Christian team, but fell just short, making their record 3 - 1. It was at this time the team went into a slump, losing four of their next five matches to perennial powerhouses Hickory and Sharon. This left their record at 4 - 6 and tied for fourth place in the league. The Eagles ended the season with a 3 - 2 surge giving them

an overall record of 7 - 9. The team, for the first time in a long time, had depth, which consisted of Seniors Ryan Lutes and Jason McKee, Juniors Ben Chutz, Brad Chutz and Rob Hill, Sophomore Jason Bennett and Freshman Dane Kuhlber. This year the Eagles only had two players qualify to compete at the District X match. They were Seniors Kris Bell and Dan Ferrucci. Dan Ferrucci fired an 18 hole score of 88, which qualified him for the second round. Kris Bell fell just short by firing a score of 90. The team also competed in the Tam O'Shanter Invitational, which consisted of some of the toughest teams in Western Pennsylvania, and finished 17th overall.

The team was helped by contributing underclassmen including Tiffany Link, Brooke Engles, Amy Schneider, Sarah

Peterson, Jenn Coss, Erin Kennedy, Christy Biberich, and Launa Changnon. The Lady Eagles played with Eagle spirit. With their hard work and dedication to the team and court. The ladies ended up 13-3, and made it to District 10 playoffs, but there season then ended there. There was no disappointment or regret within the team, just the will and determination to come back stronger next season.

The Grove City High School soccer team started off the season with high hopes. The team was very young with only two returning starters. This year's team had 2 seniors, 5 juniors, 1 sophomore, and 3 freshman starters. Even though the team started off on the wrong foot by losing to first-year team Mercer, they won the next four out of five games to get back into playoff contention. They were in 2nd place in the MCAC at this point. But, losing their next two games to Rocky Grove and Kennedy put them in 4th place. However, the Eagles did not give up. They won the next six out of seven games. They were now tied for 2nd place in the league again. Even though the Eagles played their hearts out, they lost the last three out of four games finishing 5th in the league. This year's team probably had the most talent in the league, but they could not gel as a team.

Conquering the hill, Lonnie Bess and Jon Peterson lead the race during a meet at West Middlesex. Grove City had not beaten West Middlesex in over five years.

Beginning the season running in hot, humid weather and ending in cold, snowy weather could only be one sport--CROSS COUNTRY. With the success of last season behind them, the boys team entered the season with high hopes. These hopes became a reality at their first meet when they blew away hosting Greenville, a team which posed a threat to the Mercer County title.

Aside from the success during the regular season meets, the boys proved themselves at invitationals. They placed 4th at West Middlesex, 2nd at Lakeview, 2nd at Central Catholic, and 7th at Rocky Grove.

Sophomore Kyle Black displayed an outstanding performance at the County meet, taking first place honors. The team won the County meet and the following week won the District 10 meet, thus making them the second team in Grove

City cross country history to win a District meet. "It was great seeing their hard work and support of each pay off with a trip to State College," said first-year coach, Mr. Hough.

The girls team started the season short a runner making an incomplete team, though the four returning runners' performances were strong individually. As the season went on, a few girls joined the team. Unfortunately, due to illness and injuries, the girls only had a complete team for a few meets.

Melissa Wallace and Mandy Tomeo placed 7th and 9th, respectively, at the County meet. At the District meet, Wallace placed 15th, qualifying her to compete at the state meet.

From the creek runs, to singing on top of the baseball dugout at Lakeview, to a state championship meet, it was definitely a memorable season for all.

Once again the class of 1996 took control of the annual Powder Puff game. This year's game was played on October 28, 1995.

The juniors and seniors practiced for three weeks prior to the game learning their strategies for defense and offense. The fact that the seniors had won the previous year didn't intimidate the juniors. "We saw the game as a challenge and a possibility to prove ourselves," said junior, Karen Deitrick.

On game day, spirits were soaring as both teams wanted the victory. The first touchdown, in the first quarter, was made by the seniors on a run by Mandy Tomeo, but the juniors came

back fighting and an interception and touch-down run by Jody Hancox tied the score at six. However, this was the only touchdown the juniors scored while the seniors made it to the endzone four more times. Seniors, Sara Clancey and Jill Richardson each had a touchdown and Tomeo added two more. The game was enjoyable to all who played and watched.

At halftime, the Powder Puff court, escorted by the Homecoming Court, were introduced and Jarrod Gault was crowned by last year's king, Dave Bouch. King Jarrod received kingly powers giving free candy, free lunches, and releasing a student from detention.

Top: On the way to the endzone is senior, Jill Richardson. Middle: The senior cheerleaders attempt to do an organized cheer.

"Our team played hard. We had a tradition to uphold and I had complete faith in the seniors. With two wins to our record, that proves that we had the spirit, fight, and determination to win both years," Mandy Bulfone, Senior Captain.

"Overall, I feel that we did pretty well. We could have used more girls to come out and hope to see more next year." Jody Hancox, Junior Captain.

Blocking strong is senior, Jamie Bobbert who was able to stop junior, Jessica Herndon from the tackle.

The 1995 Grove City Eagle football team played with fiery eyes and Eagle hearts to create a winning season of 6-3. This season would take the team to the playoffs for the first time in 8 seasons. The season started off slow with an 0-2 record with losses to Greenville and Sharon. The team stayed proud and kept their heads high as they traveled to Slippery Rock. The team played as a family and won the backyard rivalry with a score of 26-13. Led by team leader Jarrod Gault, the team went on to win the next two games against Kennedy Christian and Mercer. The team was now 3-2 and playing the 6th ranked team in the state, New Wilmington. The team hit hard and made the

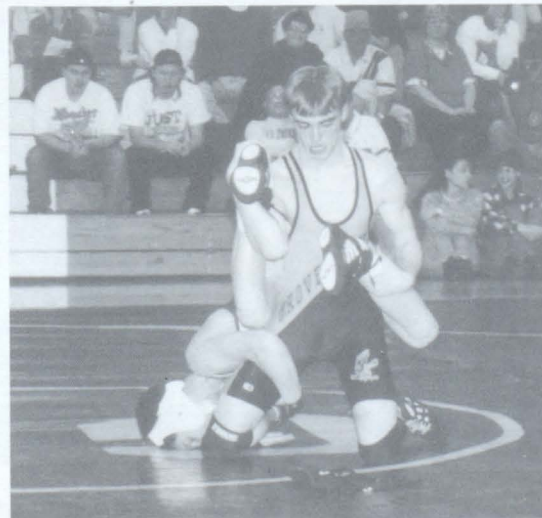

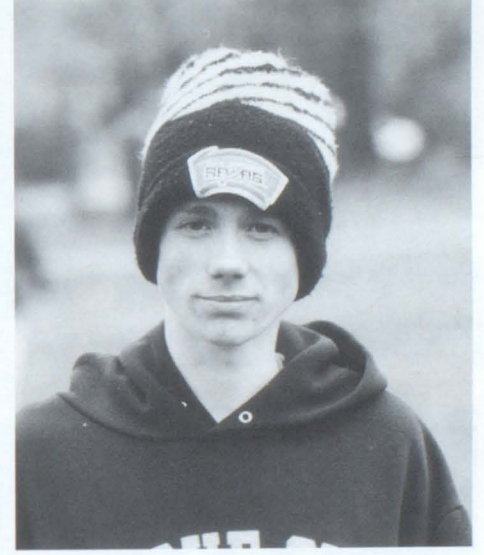

Hounds worry. The Hounds led 7-0, but the Eagle spirit and pride led to an Eagle touchdown, making the game 7-6. The Eagles went for the win with attempting to make a 2 point conversion, but failed. The Eagles lost the game, but went on to win the remaining contests of the season against Erie East, Reynolds, and Hickory. The Eagle team made it to the unseen playoffs, playing Northwest and winning. The team then made it to the District 10 championship game. They fought hard, but lost 21-19 to New Wilmington in a heartbreaker. The season ended with no regrets, only pride in their accomplishments and determination for next season.

The Varsity cheerleaders prove they have spirit by cheering throughout the entire Homecoming game.

The J.V. cheerleaders assist the remaining Varsity cheerleaders after rain forced many of them to leave early.

The cheerleading season began in August when the cheerleaders attended a cheerleading camp.

"Cheerleading camp was fun, I got to know a lot of people I didn't know that well," said Aubri Delpozzo. The Varsity and Junior Varsity squads both were prepared to cheer at Wal-Mart before football season began. However, Wal-Mart cancelled the occasion. The cheerleaders put more time and effort into cheering than is known. They practice for endless hours, make signs for the Friday night football games, and make locker treats.

A lot of hard work was put into the 1995-96 cheering season. The season started under two senior captains, Joelle Woodley and Shawna Uber, but ended with the entire team as captains, due to the fact Joelle and Shawna quit cheering during the season. However, the rest of the squad continued working hard to promote school spirit and help lead the football team to a winning season.

Girls '96 Basketball

The 1995-96 season for the Lady Eagles, produced one of the best records in awhile. Ending with an overall record of 22-3, one would think that all season goals were reached. This wasn't so. The team rolled through the regular season with a record of 22-2, and at one point were ranked honorable mention in the state. They entered the District X playoffs as the #1 seed out of the MCAC with a conference record of 6-0. The momentum shifted at the end of the season, as the Lady Eagles suffered only their second defeat of the season, to Wilmington. Their only previous loss was to the #3 ranked

team in the state, Oil City. The team entered the District X playoffs on a down note, but hoped to change that in the first game. Their first foe was the Lady Grapepickers of North East, who out sized them in all areas. The team fought and battled, but came up short in the end. Many of the players said that they were not totally disappointed, at the beginning of the season, no one expected them to dominate like they did. Even though their hopes were set farther into the playoffs, the buzzer sounded and the team had reached their farthest point. A season filled with joy and fun, ended abruptly.

We beat a lot of teams that we weren't supposed to. In other words, we were good real good.

The Grove City Eagles boys' basketball team entered the 1995-96 campaign with renewed enthusiasm. With seniors Greg "Mad Dog" Mebane and Bobby Rider leading the way, the Eagles jumped out to a 5-0 start.

With junior Seth Jenny engineering the offense, and fellow junior Amos Upshaw rounding into top form in the post, the Eagles snapped out of a mid-season skid by posting a come-from-behind victory on the road against Mercyhurst Prep. Playing without Upshaw and Rider, Mebane and supersubs Matt Nikoloff and Rob Hill stepped up and pulled out the win.

Grove City then started MCAC-AAA action by downing Slippery Rock. After a disappointing defeat at home from Hickory, the Eagles pounded Sharon, as

well as Slippery Rock for the second time. Grove City then spoiled Hickory's county title hopes with another come-from-behind win. The Eagles then whipped Sharon again in front of a large Winter Festival crowd.

Following a playoff win over Hickory to claim the MCAC title, The Eagles started the District playoffs by again defeating Sharon. After having their seven game winning streak snapped by Franklin, Grove City downed Erie East, advancing to the PIAA playoffs.

Although the Eagles' trip to states ended in the first round by losing to eventual state champion Blackhawk, the season was still a tremendous success. With letterman Jenny, Upshaw, Laird, Hill, Nikoloff, Lee, and 6-6 freshman Josh Morgan returning, the Eagles are loaded for next year.

During the 1995-1996 basketball and wrestling seasons our high spirited cheerleaders showed us their talent and ability to make the event more enjoyable. The role as a cheerleader is that of great impor-

tance, and is definitely appreciated by the players. Through the season their rough times are to be expected, but the squads worked through them to perform as a unit. The season was a great success and many of the returning cheerleaders are anticipating the excite-

Senior Pitcher Ed Surrena Throwing another strike.

The 1996 edition of the Eagle Baseball team has seen many new faces in this year's starting line-up. With a roster chalked full of sophomores, coach Pat Forese, could only look to two returning seniors this year. Ed Surrena, this year's captain, has been a consistent performer on the mound, and has added greatly to the starting rotation. Bob Reed, the team's most versatile player, and returning letterman has added his defensive skills to a very young team. The team went into this season with hopes of once again returning to the District 10 playoffs, for a fourth year in a row. Starting off, this goal seemed to be attainable as they quickly grabbed victories from Hickory, Kennedy, and West Middlesex. These hopes were quickly extinguished when they dropped their last four, and slipped out of contention for the playoff berth. In spite of their losses the Eagles are not hanging their heads. Despite their youth they have much promise for the future. With only the loss of these two seniors, and a very young line-up already, they should emerge a power house in the MCAC, next season.

and Villa Maria. The season was said to be a great experience by many of the girls. The whole way through the season the team had heart and strict discipline to make themselves a good team. This good attitude is expected to carry on to further years as girls softball progresses in Grove City.

Despite horrible weather conditions, everyone worked hard to improve the record to 3-6, and brought home an overall fifth place at Districts.

Individually, the team did very well. They showed this at both the

county and district meets.

At counties, the girls distance team showed strong performances. Melissa Wallace took fifth in the 3200. Brooke Engles took third in the 1600, and first in the 800 meter run, while Mandy Tomeo took fourth in the 800. Here Comes the Big Parade!

While most students were still hiding under the covers of a comfy bed at 9:00 a.m., the GCHS marching band had a summer job to do--in two weeks, the 110-plus members had to put together football pre-game shows, halftime routines, and parade routes at band camp. Working together as such a large team didn't make the job any easier, so learning to get along and help each other out for routines to songs "Stiletto," the percussion feature "William Tell Overture," and the "Ben Hur Overture" became the most important goal to achieve. But the "Eagle" Marching Band proved themselves worthy of the roaring applause and cheers that greeted them as the finished product was performed for Grove City fans every Friday night under the bright lights of the field.

Dancing In the Streets!

The 1995-96 Danceline kicked off their season in the smoldering August heat. This year had an interesting start, because more than half of the line consisted of freshmen. But, in spite of this, the Danceline, led by co-captains Erin Gilliland and Shelia Purich, had a successful season. Their feature "Boogie Woogie Bugle Boy" took the audience back to the 40's with their glittery trumpets and swinging style. The girls pulled themselves together despite their differences, and they made the year an unforgettable one.

The 1995-96 Silklime season got off to an interesting start in August, with band camp. Led by co-captains Christina Bain and Denise Jones, the line prepared for the upcoming season with selections such as "Rock Around the Clock", "Stiletto", "Boogie-Woogie Bugle Boy", and "Ben Hur". They added a twist to their feature, "Rock Around the Clock", by wearing poodle skirts, which definitely added a lot to their performance, especially when one of them would happen to fall off unexpectedly. However, in spite of minor complications, the girls had an excellent season and made some wonderful memories.

Notable Quotes

Silklime was fun this year. We had good times and bad times, but there is good and bad in everything. You just have to stick with it and hope that things get better.

--Junior

Denise Jones

It's really an experience to see so many people who are so different from each other work together and accomplish so much as a group. The Silklime this year was proof that you can make it through anything if only you try.

--Senior

Christina Bain

Just being on the line was great. Being a part, all together, we always pulled through everything.

--Sophomore

Janette Dailey

Oh, you so crazy! Even drum majors can get wrapped up in the spirit of a football game, just like silk liners and dancers. Looks like some of us need a break from the set--man, that marching can sure hurt after carrying around a tuba for two hours!

Oh, the places we can go in the fine arts. What a journey--let's take a pit stop and look...

Behind the Scenes

Behind the scenes of the halftime shows, the curtains, and the performances are more than 150 talented artists, honing their crafts for hours upon endless hours of preparation and dedication. The fine arts, though, aren't all hard work and no play. Here we show you the games and the lighter sides of the groups and aficionados that make up the fine arts.

Sleeping Beauty

The heroic musical of a damsel that is in need of rescue by a handsome prince captured the audience with skillful acting and joyous singing. The actors and actresses brought the fictional characters to life under the direction of Ms. Shirley Berkey and Mr. Dave Barron. The cast and crew of the musical were absolutely wonderful. With stage manager Erin Cornell and assistant Heather Patterson, the musical proved to be a success.

Notable Quotes

There were thirty people in the cast and when you added all the crews it totaled over fifty. It was a challenge but with the help of assistant stage manager [Heather Patterson] and cast and crews we worked through the tough spots. The shows were a success thanks to Ms. Berkey [director] and everyone else.

-- Senior
Erin Cornell

It was a lot of fun. I was glad for the chance to be on stage. It was a great experience.

--Sophomore
Josh Gilliland

The play was the most stretching thing I have ever done. It was a whole new world for me.

--Senior
Jon Peterson

The actors take a break from their hard work for a quick photo. Actors are Dan Settlemyre, Amber Stembal, Erin Gilliland, Tara Stewart, Mike Collins, Angie Settlemyre, Marla Voltz, Paul Spradley, Erin Schleigh, Shelia Purich, David Moore and Andrea Sack.

The Twelve Dancing Princesses

The second musical performed had an extremely large cast. The musical consisted of twelve princes for twelve princesses and the royal family. The musical was filled with laughter and singing. The stage was transformed from a castle to a dance floor in Danceland with Hope Diamond [Betsy Dupree] as the instructor. The cast and crews of the musical did a great job under the direction of Ms. Berkey and stage manager Erin Cornell.

The Music Man

On the Sunny Side of the Street

When one thinks of jazz, visions of old movies with cabaret scenes and guys with funny-looking trumpets come to mind. But for these high school musicians, jazz means hard work and a good time. The good times come from many bus trips together to compete in West Virginia at jazz festivals--the hard work is what gets them there.

Jazz Ensemble I consists of 20 talented individuals who are the very thread of high school music--they come from backgrounds like marching band, Show Choir, and theatre, but they all share a common interest: Recreating great music from the Big Band era to entertain. Eventually, the hard work pays off when a great show is over and the applause rings in their ears for hours to come. Jazz is often considered one of the purest forms of music--and this group knows how to perfect it.

Notable Quotes

I'm grateful to Mr. H for bringing jazz to us to stretch our abilities. I also note that it's interesting to discover what can happen (on a bus, during practice, and wherever we go) with such a small group of people. It was a great 6 years!

--Senior Angie Settlemire

The Jazz Ensemble is the medium that allows us to show our true colors musically. Without this group, many of us would be wasting our talents.

--Senior Joel Moore

I have no idea what the name of the college down in West Virginia is where we compete every year, but at least we all know where Hoss's is.

Follow the Music

The lights, the dancing, the music--and 24 voices perfectly joined in harmony. It's another Musical Impact Show Choir show, and, as usual, it's entertaining and coyly delightful.

Following director Dave Barron's lead, GCHS' own Musical Impact has built a reputation over the years as Grove City's premiere musical act, traveling around the Western Pennsylvania area, including Pittsburgh. And this year, the need to travel elsewhere to present their talents itched its way into plans to tour Florida--and a visit to Mickey Mouse to top it off. Performing at the Magic Kingdom, the Show Choir returned home with sunburns and smiling faces. The hard work since the fall had paid off.

Notable Quotes

Ever since I was little I've wanted to be in show choir, so this has been one of my best high school experiences.
-Senior Tara Stewart

It's been like a dream. We're so much like a family. I've had so much fun with such talented people. I'm thankful to Mr. Barron for giving me a chance and for being the best director anyone could ask for.
-Senior Angie Settlemyre

I've shared four years with the most entertaining and warmhearted people in the school.
-Senior Ben Keck

Notable Quotes

I am very honored to sing with a very talented group of performers. The choir does not get the respect or attention that it deserves. We have first-class singers and a first-class director; I am very proud to be part of this group.

--Senior Jason Dunn

This was my first year of chorus, when I didn't know a whole note from a rest. Needless to say, I learned a lot!

--Senior Jon Peterson

Chorus has been great to be a part of for four years. Mr. Barron was a lot of fun to work with.

Starlight Express

Every year, the Grove City High School concert choir begins practicing a brand new show for Christmas--and then another one for the spring. But this year, the spring concert was going to be a different story.

When the spring show began, it was like any other performance. The harmony of the group was beautiful, as always--but then the second selection was up, and with a Les Miserables medley, the concert choir proceeded to shock and amaze the audience. The soloists outdid even themselves in their perfection, and some audience members were even brought to tears.

And as is the tradition every year, the annual concert choir award was given to an outstanding senior who had shown excellence in the vocal arts--and, deservedly, Joel Moore stepped forward to accept the honors.

45 Minutes from Broadway

Participation in the Pennsylvania State Thespian Conference proved to be an overwhelming success once again for the Grove City High School International Thespian Society Troupe #1998. The tiny troupe of ten proved that money and size are not the ingredients that make up an award-winning theatre department. With talent, dedication, a love for the theatre and a supremely-talented director in Ms. Shirley Berkey, bringing home the gold medal has simply become a standard of excellence. Not only did this troupe return with the highest honor a Pennsylvania Thespian can earn, they also brought with them a sense of family and memories that will not soon fade.

ACADEMICS

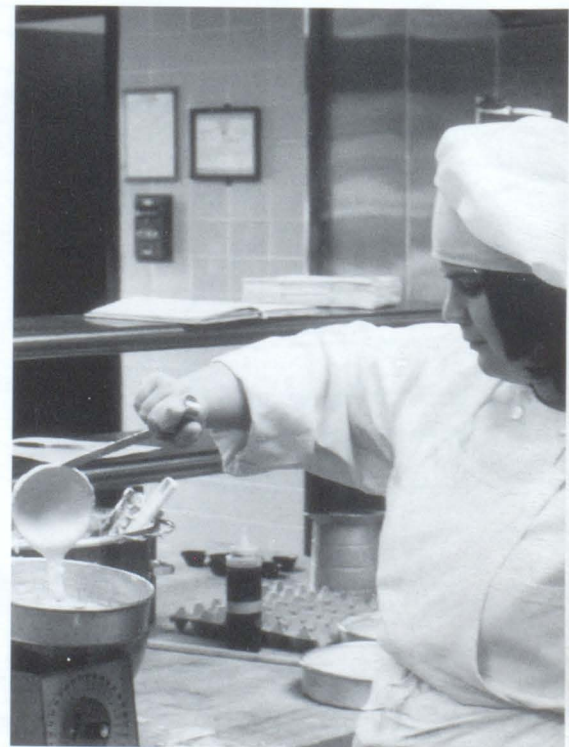

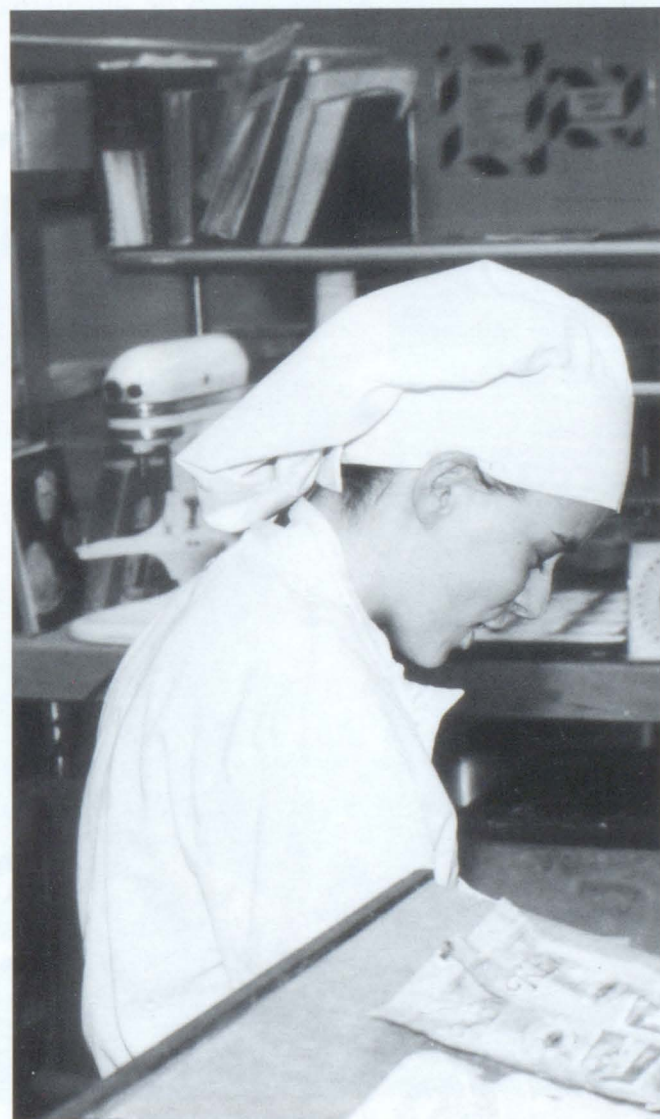

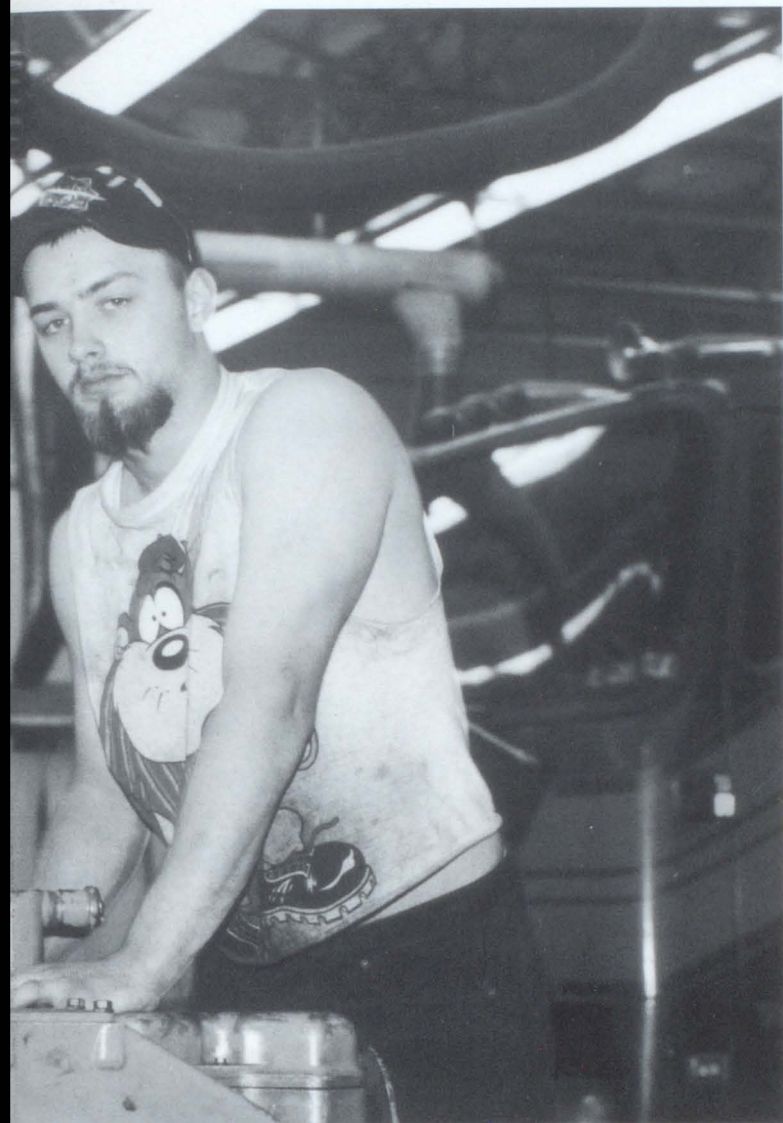

VOTECH: OFF THE TRAIL

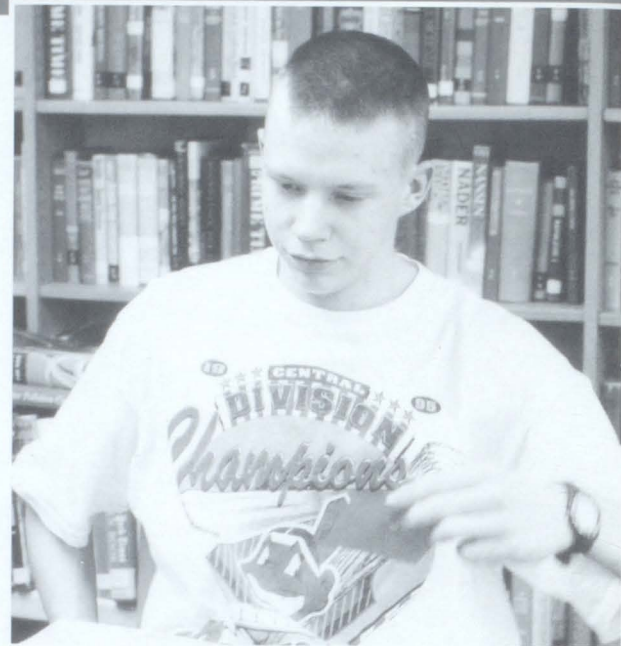

MOST OF US SPEND OUR DAY HERE AT G.C.H.S. BUT A FEW OF US HAVE THE UNIQUE OPPURTUNITY TO DO SOMETHING DIFFERENT. EVERYDAY OF THE WEEK RIGHT AFTER 5A, A BUS LEAVES THE HIGH SCHOOL AND ARRIVES AT THE MERCER COUNTY CAREER SCHOOL. HERE STUDENTS EXPLORE FUTURE CAREERS, AND RECEIVE SPECIALIZED TRAINING IN A NUMBER OF FIELDS. THEY LEARN, HANDS ON, A CAREER, AND BETTER THEIR CHANCES FOR THE FUTURE. THEY ARE TRULY AHEAD OF THE PACK.

VOLUNTEERS: KEEPING US MOVING

Behind the scenes of Grove City High School there are many people who volunteer their time and really keep this school moving. Every period library aides check out books and fix the shelves. Attendance office helpers pass out teacher messages and absentee slips. People sacrifice their time to help sell candy in the school store, and many others go to the elementary school teaching the younger children foreign languages. Students give up their study halls and other free time to help better our school. So the next time you see a student in the school store or in the library be sure to thank them, because their services are greatly needed.

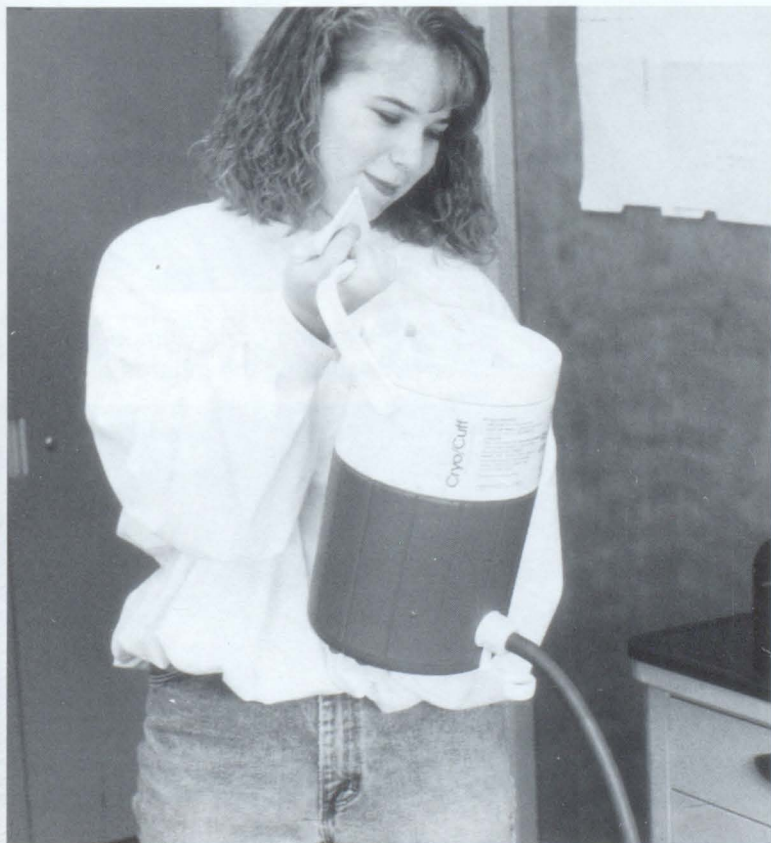

Above: Junior Tom Rodemoyer sacrifices his time to keep this school's library in working condition.

Junior Don Whiteman diligently works at the computer, checking out books and other tasks.

Below: Freshman Bob Glassel keeping the halls "spic and span" throughout the day.

The Level of Academics here at Grove City High School is virtually unheard of at other schools in our area. We pride ourselves on being the best and succeeding in all that we set out to do. Our teachers are set on giving us the best education available. Our school district has made available to us the latest in technology and the greatest of

tools to further our education and to help us to prepare for the world after high school. We have the privilege of in having an administration that will do anything to better our education and help us develop into successful students. Sports are not the only activities that students participate in, and here at GCHS we all should know this very well. Not only do we excell in our athletic abilities we also excell in our academic abilities. No one can leave this school without the best education that is available. We pride ourselves on our academics

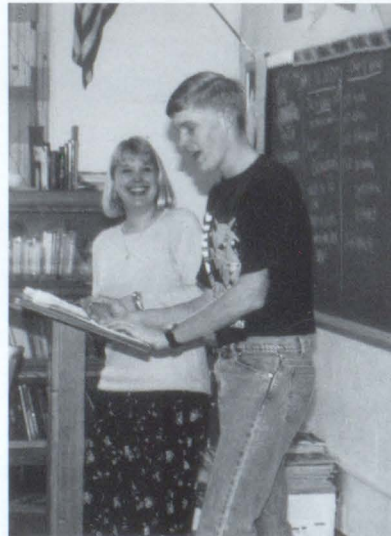

and most of us will go on to further our education. We have this school to thank for our success.

Newspaper has very rewarding year

The Talon was blessed with an extremely outstanding staff this year. With a perfect blend of staffs and leaders, the paper put out five, 12-page issues and one 16-page issue. The staff members worked together and had a lot of fun in the process. Although the Talon has first period to work on the paper they also have to dedicate one Saturday every month to get the paper ready to send to the printer. A typical Production Saturday starts at an early 8.00 am, with every one straggling in after their late Friday night dates, often times sipping a cup of coffee in an attempt to wake up! Staffers work diligently for about four hours all the while checking the clock and counting the

minutes until lunch break, as their stomachs growl loudly, disturbing the person working next to them. This is just about the time Brooke Sample begins to scream at the staffer who did not fix the mistakes in their article for the tenth time. Although many of the staffers go out for lunch, another

group, mainly editors, send their order with another staffer and continue working through lunch. After lunch, the pages begin to get pasted down, pictures get cropped, boxes created, and many, MANY computers have hostile conversations with their "masters". Or is it the other way around? After several long hours of being in the same room together, staffers of course are strained and a tiny bit grouchy! This is when the Editor-in-Chief gets to referee! Despite this fact, the staffers pull together, helping each other with various last minute jobs. Finally the paper is ready to be sent to the printer. Whew! Good Job!

PSPA; Learning experience for staff

Nine staff members of the Talon attended the 64th annual Pennsylvania School Press Association convention, held in Pittsburgh November 16-17.

While there, junior Johanna Rossi was selected along with three other teens out of the fifteen applicants to sit on the four member student board.

"As a student board member I am basically the voice of the students for the PSPA members," commented Rossi.

Senior Brooke Sample placed second in a timed impromptu opinion writing contest. Sample received \$50 dollars for her efforts.

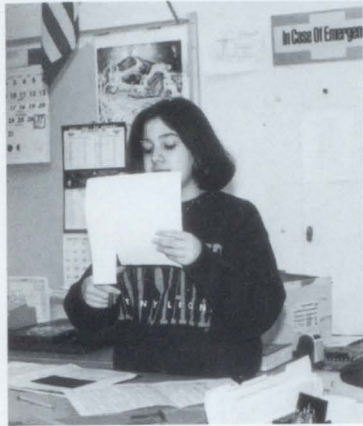

One of the main events this year were the speeches given by author Richard Lederer (The Miracle of Language) and anchor Ken Rice of KDKA. Lederer and Rice gave informative speeches to the over 400 students present.

The convention concluded with an awards banquet where a speech was given by Mr. Robert Rhodes.

The convention wasn't all work and no play, however. The PSPA hosted a pizza party and dance mixer the night before the convention. The GCHS students also visited such sights as KDKA-TV productions in Pittsburgh and the Valley News Dispatch.

Here at Grove City High School, we are blessed with such a wonderful faculty and administration. NOWHERE ELSE can a student receive the caliber of education that one can attain at Grove City. This school is full of caring teachers who are dedicated to the student body. Our teachers are constantly striving for excellence, not perfection, and it definitely shows in GCHS' ability to succeed. Most of us may go on to much bigger and better things, but let us not forget who gave us this edge.

Teachers are a very powerful tool in our society, whether we realize this or not. They have the ability to shape and mold our minds, and to inspire us to greatness.

REMEMBER WHEN...

On June 6, 1996 one hundred fifty-five people became official graduates of Grove City High School. There were many different feelings going through the auditorium and gym that night. Many seniors excited to go about their way, yet others wishing it weren't all over and many were left to wonder and think about their futures and what is in store for them. To many this was scary as with every corner you turn. However, it will all turn out okay. Set goals for yourselves. Many of you already have and don't realize it... There is a large percentage of graduates moving on to a form of higher education and even a few who are ready to start their own businesses. The best of luck as you move on.

You have powers you never dreamed of. You can do things you never thought you could do. There are no limitations in what you can do except the limitations in your own mind as to what you cannot do. Don't think you cannot. Think you can.

--Darwin P. Kingsley

The class of 1996 has accomplished so much in their four year stay at Grove City High School. While specific members may excel individually, the class of 1996 as a whole has stuck together through it all. They have shown through various activities, that they can work productively towards a common goal.
