Dedication

Miss Burgess has long been a prominent figure in Western Pennsylvania musical circles. We are justifiably proud of the fact that she has remained in our public school's faculty for thirty-five years. Her zeal for perfection has led Miss Burgess to spend most of her life in various colleges and universities polishing her musical talents. She has become nationally known through her contact with students in our local colleges.

Born and raised in England, Miss Burgess has been trained to sing since she was five years old. She received her Degree of LTCL. from the Trinity College of London. She then came to America with the intentions of singing. She attended our own Grove City College where she received her Master of Arts Degree. She next attended Julliard School of Music of New York University and finished her course at the University of Pennsylvania where she received the Master of Education Degree.

Miss Burgess' first position in the field of music was held at our next door church, the United Presbyterian, where she was choir leader and soloist. During summer vacation, she liked to find out about American Schools. She first started to teach in Grove City High School in 1913 and has successfully devoted her entire career to the youth of our community.

We the Pine Knot Staff are proud to dedicate the Year Book of 1950 to such a worthy teacher who has helped us throughout our twelve years of schooling.

Administration

Board of Education

Mrs. Betty Hummel
Secretary to the
Superintendent

Mrs. Mabel Caldwell
Secretary to the Principal

The job of the Board of Education is to see that Grove City Schools maintain their high standard among the Schools of Pennsylvania. The first Monday night of every month the board has its meeting to discuss the problems which confront the school, the problem of appropriation and curricula, care of the building and grounds, and of taxes and school books. They are also responsible for the general administration and financing of the schools for this district. They receive the money for these duties from three sources:

1. State appropriation.
2. Tuition.
3. Taxes.

The school's fiscal year is from July 1, to July 1. A budget is set up in April which must be approved by the board.

The members of the board are entrusted by the community with the responsibility of providing its children with the best school it can afford. They are the ones who offer opportunity to the students while attending High School. They have always made decisions with our best interests in mind. They have set a fine example for us by their intelligent consideration of and wise decisions on all problems brought before them.

The members are elected by the people for a six-year term. Mr. Raymond Fleck was elected Secretary by the board for a four year term.

Top row (left to right)—F. H. Elliott, N. S. Crill, W. S. McKay.

Second row—Glenn Cunningham, Mrs. J. E. Nordstrom, P. N. Carpenter.

First row—W. S. Rossman, (President), J. N. Mowls, V. H. Fleck (Secretary).

Dr. J. Nelson Mowls

Superintendent

Your superintendent, Dr. J. Nelson Mowls, whose B.S. in Ed. degree is from Kent State University and Ph.D. and M. A. degrees from the University of Pittsburgh, has well served the schools of Grove City for the past four years. Mr. Mowls has always had the welfare of the students at heart and has worked tirelessly that we might be provided the best in education in Grove City for the past four years. To Dr. Mowls, we owe a debt of gratitude for the many things that have been done in our city to advance education.

Our superintendent is also socially and athletically minded. His encouragement to the student body to participate in school activities stands high among all.

Principal

Your principal Mr. H. J. Surrena, whose Bachelor Degree is from Grove City College and M. Ed is from the University of Pittsburgh. Mr. Surrena taught Physics eighteen years before he became principal and has very successfully filled his present position for the past four years. Mr. Surrena was a member of the graduation class of 1914 and he was a member of the football and track squads.

His work is directed toward our benefit, and the fact that he is interested in our progress may be readily seen. Mr. Surrena spends many hours arranging schedules.

His spirit in school activities is noticed and appreciated by the entire student body.

H. J. Surrena

Now again the seniors are looking back over the best years of their lives. They all remember that those four years in Grove City High School were the happiest and most wonderful days of all. All of the seniors remember that living, yet intangible thing, school spirit; which is fundamental to the success of the high school. As they recall those hard-working and carefree days they wish that they were just beginning high school.

The Juniors are beginning to realize that they also must soon make a decision that will predict their future. Three fourths of their high school life is completed and only one year to make their great decision.

After the Juniors come the Sophomores. They have become acquainted with the ways of the high school and are a great group for showing their pep.

Last but not least come the Freshmen. They are working to reach the goal of making a good program for future years in school.

Juniors

The Junior Class of G. C. H. S. started the year by choosing Frank Elder, President; Dick Sopher, Vice-president; Ruth Benshoff, treasurer; and Olga Pagni, Secretary, as their class officers. Miss Hamilton, Mrs. Holland, and Miss Soppitt were the class sponsors.

The class has been very active in order to raise money for the annual prom and banquet. Means employed in order to achieve their goal have been the selling of candy and the production of the "Seventeenth Summer" which was well received.

The Junior class also played a big part in all sport events and was well represented in the band, orchestra, and the choruses. The members of the class are noteworthy because of their activity in all the other activities of the school.

Sophomores

Half and Half! That's the Sophomores. They have become well acquainted with the high school life under the leadership of Louie Moretti, Don McCoy, Verna Mae Kiebler, and Dale McFadden, who were chosen as the class officers at the beginning of the School year.

These "halfway kids" are a bunch of swell kids with lots of vim, vigor, and vitality which combine to make part of the spirit of our school.

Their main goal, like all other classes before them, is to succeed in making their Junior and Senior prom and banquet a huge success.

Freshmen

Last come the freshmen. The funniest and most cheerful of the classes. They fill the school with gaiety and show good sportsmanship. They worked hard this year to make it a success for they know that the future program of school depends upon them. Their contribution toward the upbuilding of fine standards of conduct and achievement depends upon the future years. Such a spirit is fundamental to the success of the High School.

May they carry their courage, enthusiasm, and industry through the rest of their school life and every year after.

Ode to Chemistry

Chemistry is my greatest sorrow.
I shall not want more of it,
It maketh me to blow up house and home,
It leadeth me to the laboratory daily,
It reneweth my wrath, my teacher leadeth me
To knowledge in disguise of chemistry,
Yea, tho I walk through the laboratory
In fear of explosions,
I will not fear them, for all the students
And their attempts are regreshing.
Thou preparest oxygen before me
In the presence of my classmates;
Thou lightest my gas with a match;
My burner burneth.
Surely misunderstanding and miscalculation
Shall pursue me thru the year,
And I will dwell in ignorance
Of formulas forever.

Goodbye, Seniors

Dear Senior friends,
We say Goodbye,
These sad words
Make us pine and sigh.
Dear friends, when you
Are from us parted,
Your "real" work
Has only started.
We wish you success
What more could we do?
But when we think of your going,
Oh, it makes us feel blue.
When you are leaving
Please bid us goodbye.
And the "Gold and White"
Will forever fly.

Our sympathy goes out to Patsy Walsh and Joanne Vinton who skipped school for the first time only to find out later that it was Memorial Day.

Clubs are one portion of our school activities which we would not willingly give up. That short period each Wednesday morning affords experience which is just as valuable and necessary as knowledge gained in the classroom. Here, through his various clubs, the student may get practical experience in leadership and in expressing his own ideas. The club offers opportunity for the student to learn the art of organizing and careful planning and then seeing his ideas and plans come to life in the form of assembly programs, club projects, and dances. Through participation in club programs, the club member learns to be poised and at ease before an audience.

The sponsors of our clubs deserve a great deal of credit for their success. It is the sponsors who must bear the blame for failures and then stand by to administer first-aid when an idea or a plan of one of the members backfires. But they seem to feel that it's worth it and encourage the victim to try again.

The clubs with their various activities comprise a considerable part of our training for a happy and successful future life.

Clubs

Boys' Chorus

The Boys Chorus under the direction of Mr. Marshall, participated in the Christmas Concert.

The requirement of membership is to have an acceptable voice and the ability to read music. Membership is open to all boys except freshman.

Girls' Ensemble

Under Miss Burgess the Ensemble takes part in the Christmas concert, chapel programs, and sing at various civic events.

The members must each be a member of Girls Chorus. Other requirements are to have a voice that will blend with others, and a fine upright character.

As a member of the Ensemble, each girl has a specific duty. As a result their co-operation and effort prove worth while.

Junior Tri-Hi-Y

The members of the Sr. Tri-Hi-Y are girls from the Junior and Senior class.

During the school year this group of girls, under the leadership of Miss Scowden, strives to seek, to find, and share. These are achieved by carrying out the purpose of the club which is "Create, maintain, and extend throughout the school and community, high standards of Christian character."

The members participate in programs during their meetings which are given after the devotions and business are completed.

Senior Tri-Hi-Y

Each member pledges herself to create, maintain, and extend standards of Christian character throughout the home, school, and community.

The members are made up of girls from both the Freshman and Sophomore classes under the sponsorship of Mrs. Holland.

Jr. Tri-Hi-Y carries on various activities during the school year. Some of these are initiation party, sending necessities to unfortunate families or children in homes, selling candy at basketball games, and their candlelight ceremony at which the officers are installed.

In their meetings, the club has discussions, lectures, and worthwhile programs.

Senior Science Club

Junior Science Club

This year the Senior Science Club brought us a very interesting chapel program. It was a logical explanation and experimentation on the wonders of liquid air.

The club's members are seniors and juniors who have average grades in science and have an interest in scientific happenings.

Their meetings are filled with various experiments, discussions and lectures pertaining to Science.

At each meeting a program is planned by a member of the club to entertain the members.

The members are those of the Freshman and Sophomore classes interested in Science. Membership is based on grades received in Science or Biology which must be above a "C" average.

The members make a trip each year to observe the museum, observatory and many other interesting sites in Pittsburgh.

Miss Montgomery and Mr. Christie are the club's sponsors.

Debate

The Debate Club, sponsored by Miss Albin, had another active year. Noted were many inter-regional debates in which our teams acquitted themselves well against stiff forensic opponents.

The teams schedule for this year was with Greenville, Meadville, Oil City, Franklin, and Butler.

They traveled to Allegheny College for their annual tournament debate in Meadville in April.

The team seems to be getting a little larger each year which is understandable because of its good qualities. There were eighteen on the teams this year.

The subject for the debaters for this year was resolved: The President of the United States should be elected directly by the people.

Athletic Council

The purpose of Athletic Council is to further girls sports throughout the school year.

Under the direction of Miss Drake the members participate in swimming, bowling, and caroling parties, take part in the annual carnival, stage a chapel program and usually enjoy a trip to Pittsburgh to some event.

Membership is based upon character, leadership, athletic ability, appearance, and co-operation. To be a member one must maintain a "B" average in gym.

Athletic Council has established a point system by which any girl taking part in inter-class sports may receive an award. The awards are emblems, letters, and silver basketballs.

To become a member of this club you must first try out. An oral story, a review, or a joke combining intellect and humor are required.

The Literary Club is always at the top of school activities and it sponsors many of the outstanding entertainments and social activities of the school year.

Those who wish to become a member of Dramatic Club must give a reading, monologue, or short skit before the membership committee. New members are taken in at the beginning of each new semester.

The activities of this club make the members of both the club and the school more conscious of the value in the study of drama.

In the spring an art display is given by the Art Club under the sponsorship of Miss Risheberger. This is attended by the public who have the opportunity of viewing the member's talent.

Hall Duty

Under the sponsorship of Miss Barber the members lend their service for the benefit of our school.

The members are mostly seniors with some juniors also participating. The chief aim is to have representatives of all classes active.

The Key Club is a project of the Kiwanis Club that has proved very successful since its organization two years ago.

Its advisors are Mr. Turner, faculty member and Mr. William McKay a prominent business man.

The new members are chosen by a Board of Directors who are previous members. The officers are elected both at the beginning of the year and midterm.

The club holds their meetings every other week at noon on Monday.

At the Winter Fair the Key Club members participate in parking facilities, selling tickets, and running concessions. Also this year the club sent delegates to the Key Club State Convention at Bradford. The representatives were Richard Watson, President and Ralph Gurley, Secretary.

Girls' Chorus

Members of the Girls' Chorus are tried out in the fall by Miss Burgess. The members are from all of the classes with the majority chosen from the Freshman. There are about fifty members.

Under the direction of Mrs. Levy, the girls sing for the Christmas Concert, chapel appearances, and baccalaureate. The Chorus practices each day the fourth period. Their selections are comprised of various types of music.

Senior Hi-Y

One of the purposes of the Hi-Y is to make the boys better citizens and to help them to understand the proper attitude of youth.

Each week two members of the club prepare a program to entertain the club members. Some of their activities are discussions, lectures, and also to play basketball.

Their club is under the sponsorship of Mr. Bowers this year. The club inspires young men physically, morally, mentally, and spiritually, by their participation in different activities.

Junior Hi-Y

Mr. Dan Remley is the sponsor of the Jr. Hi-Y. This club's purpose is to create, maintain, and extend throughout school and community the standards of Christian Character.

They hold their meetings every other week at which time devotions are held consisting of scripture readings, the Lord's Prayer, and the salute to the flag. Several of these meetings consist of special speakers.

Orchestra

The orchestra plays for the Junior, Senior plays and the Operetta.

The group is made up of students who have the ability to play an instrument, and are able to read music. Much of its success is due to the capable leadership of Miss Selkirk Burgess.

Each year several members attend the Mid-western concert. Those who attended this year were Shirley Carpenter, Lenore Watso, Walter Barber, Janet Peden, Joan Shellito, Ruth Benshoff, and Patricia McMichael.

Band

The activities of the musical organization known as the Band seem never to end. At the beginning of the year the band plays for the football games. This year members of the band played for the basketball games also. They were known as the "Kreidle's Kiddies." The brass choir joins the other musical organizations to present the Christmas Concert. Near the end of the year the band, under the baton of its director, Mr. Marshall, join with the orchestra to bring the Spring Concert. The Band's final appearance of the year is the Memorial Day parade.

This year Don Kreidle represented the Band at the district contests.

Honor Society

Since this organization's beginning in our school, it has shown much progress.

Those who are eligible must be in the upper fifth of his or her class. The membership is based upon character, leadership, scholarship, and service.

Their ambition is to establish better standards of scholarship in our school, and better standards of living in our community.

Student Council

Student Council serves as the middle man in running our school between the students and the faculty.

The members are elected for two years by their own class to bring up its problems for discussion.

Mr. Surrena is the sponsor of Student Council.

The annual carnival is sponsored by Student Council so that everyone may enjoy himself while meeting others.

The Pine Knot Staff

Well it's done, and I'm here to tell you who done it! Each of the characters pictured here had at least one finger in it, and most of them had three or four fingers and a couple of thumbs besides, working hard and furiously to get our year book published. We didn't want just any year book, but one that would suit each and every student in G. C. H. S. It isn't easy!

Our new sponsor, Mr. Coleman, had lots of new ideas and helpful suggestions to boost moral, which ebbed rather low at times.

The staff met with Mr. Coleman before school started to get a head start on things. The first big project was a chapel program to open the sales campaign. The purpose of this program was to reveal to the student body all the deep dark secrets concerning the long process of publishing our year book, the Pine Knot. Each staff member had a part in that too, and we admit it!—brave souls, we. The staff sponsored a booth at the Carnival and a sweater hop, as well as the chapel program.

Nobody can work all the time, not even Pine Knot Staff members. The two publication staffs got tired along about December and had a party in the new Youth Center Building. There was a Christmas exchange and so much food that the next day, staff members were forming a continuous stream in and out of room 10 for sandwiches, pickles, and cake.

Amid all the confusion of carnivals, and what have you, the work must go on. Margie Ritchey, assisted by her two stooges, Essie Robson and Ted Elder, struggled through senior pictures. The first job is to get appointments for each Senior to be photographed within two specified days. If you've ever attempted to get an appointment with a Senior, you won't laugh. After you do get reproductions of their dignified countenances, you keep haunting them till they get their proofs returned. Next you settle down to the simple little task of making out a list of activities for each Senior to be placed beside his picture. Now the pictures arrive, and there's a gooey gluing party to get the pictures on the proper

background to be sent to the publishers. At last the senior pictures are out of the way.

About this time underclass pictures were being maneuvered by Doreen Jones, assisted by Olga Pagni, and Dick Sopher. As they begin to identify the pictures, they are filled with wonder as to how a face like that in the halls of G. C. H. S. could possibly escape their notice; but it had. Now comes the fun of spelling all the names, and then pasting until you have nightmares about it.

Ron Eperthener and his two right hand men, Bob Meadows and Dick Fehrs, tackled the sports section. Our athletes are their buddies, so identification wasn't too difficult, but other phases of the work managed to keep them busy. The boys worked hard, but they enjoyed every minute—I think!??!

Another tricky little fete is that of putting the proper "handle" with the proper face in the club pictures. Anna Mae Boozel, Peggy Zahnizer, and Gloria Murphy specialized in this department; those little complementary paragraphs aren't purchased by the dozen from publishers either. They're "rit by hand", and the job isn't the easiest.

Mac Sopher and Frank Elder are silent members of every section. They're constantly kept busy taking sports pictures, classroom shots, feature pictures, and anything else that you find missing.

Our editor, Dick Hawke, is kept busy drawing up all the layouts and doing whatever everyone else says belongs to some department other than his own. Dick's job certainly isn't easy, but it's well done.

Harlan Keck, the business manager, assisted by Dick Watson, is always running around with a pencil and a little black book trying to extract money from merchants and students; then he sits down in Room 10 trying to figure out how he'll make the money pay for publishing the Pine Knot. It didn't make his hair gray, just nice and wavy.

The assistant editor, Janet Peden, assisted by Peggy Winder, concerns herself chiefly with writing of the feature articles and imagining poses for feature pictures.

Well, we did it, and we're glad! A little work maybe, but it was fun too. All we hope now is that you kids will get lots of enjoyment out of reading your 1950 Pine Knot now and even more, twenty years from now.

Grover Star Staff

The school's bi-weekly news is made possible by the Grover Star Staff. The staff's ability for the paper's publication is gained through their study in journalism class.

All expenses are paid by subscription drives and advertisements.

Editorials, personalities, gossip, club and sports activities, fashions, and exchanges compose the main sections of the Grover Star.

The staff is under the supervision of Mr. Coleman. Jerry Campbell headed the staff as editor-in-chief, assisted by the managing editor Jane McMichael.

Charles Brennemen wrote the greatest inch output of any member of the staff.

Junior Star Staff

Through the year the most emphasis is placed upon the study of Journalism. In Journalism, the staff is prepared in putting together the paper, writing, and managing it. American Literature is also studied.

The Junior Star Staff's biggest job during the year is issuing the final Grover Star of the year.

Practice for publishing the next year's paper is secured by making a dummy paper. Richard Paxton was editor; assisted by managing editor, Winifred Shaffer. Advertising was taken care of by Edward Buxton, Carol Wardle, and Diane Kelly. Circulation was managed by Clyde Getz and Gale Christie. Features were written by Robert Perry, Terry Gill, Gale Christie, Carol Wardle, and Diane Kelly.

Other positions were filled by Winifred Shaeffer, news editor; Norman Hoffman, business manager; Richard Webster, boys sports; Carol Wardle, girls Sports.

Occasionally the members wrote for the Grover Star.

What is the key to school spirit? Of course, your school's sports are the primary factor in the molding of the spirit of your student body. The attitude of the student body would be unimaginable without our football, basketball, wrestling and golf teams.

Although our teams were not the best in the world or even the county they served their main purpose that of molding men from boys.

Much credit is due to the players on the year's squads who continued to struggle through thick and thin in order to improve their mistakes and advance G. C. H. S. to a higher rank among its rivals.

With five lettermen returning for the 1949 season, the Grovers were able to win only three games, while dropping four. The Grovers also played a scoreless tie.

The Eagles started out with a bang, beating Hickory, last year's District 10 Champs. Other wins were over Franklin and Titusville by a 33-7 count. Their losses came at the hands of Butler, Oil City, Brookfield, and Greenville. The scoreless tie was played with Sharpville.

Altogether the Eagles scored 96 points to their opponents' 88. Buddy Wise led the Grovers in scoring with 48. Mac Sopher came in second in scoring with 18 points. Others who contributed points were Dick Hawke with 10, Ralph Rice with 6, Don McClelland with 6, Dave Shields with 6, and Bill Thorne with 3.

Seniors who have played their last game for Grove City High School are Don McClelland,

Dick Hawke, Stanley Hines, Bud Wise, Jim Kennedy, Jim Magee, Roger Clarke, Loren Spencer, Pete D'Amore, Norman Turner, Dave Shields, and Mac Sopher.

There will be eight returning lettermen next year. These include Dick Sopher, Dick Fehrs, Ted Elder, John Errera, Clyde Getz, Dave Bovard, Ralph Rice, and Dick McCandless.

Adding much color to the gridiron season was this year's homecoming. The Franklin game was the homecoming contest. Barbara Robson reigned as the homecoming queen. Her senior attendants were Esther Orr and Marjorie Ritchey. She was also assisted by Junior Gwendolyn Kiebler, Sophomore Linda Johnson, and Freshman Barbara Hoffman. The queen was crowned at the half by co-captains Dick Hawke and Bud Wise.

Season Results

Grove City 18

Hickory 2

The Grove City Eagles touched off the 1949 gridiron season by defeating the Hickory High Hornets 18-2 in a thrilling opener on the home field. The oddity of the game was a running kick by Buddy Wise.

speedy Titusville Rockets. Cheering moments of the game were an interception by Hawke, his run back, and a 35 yard sprint by Wise. The total score was 33 to 6.

Grove City 0

Oil City 13

The Eagles first defeat came when they met Oil City. The score was 13-0. The team also lost first string tailback Dick Fehrs who was sidelined for the season. This was the first time Oil City defeated Grove City since 1931.

Grove City 33

Franklin 7

The homecoming was a complete success with the Eagles going full strength against the Nurserites and trouncing them 33 to 7 (with every man on the bench playing). The highlight of this game was the work performed by the powerful line which has not received enough credit for its gruelling and efficient work.

Grove City 6

Butler 27

The Butler Tornadoes handed Grove City Eagles a 27-6 defeat, the second of the season. The highlight of the game came when Deless of Butler ran 43 yards for a T. D.

Grove City 0

Greenville 13

A strong Greenville eleven handed the Grovers their fourth and final setback of the season by defeating them 13-0. The hard fought contest was highlighted by two brilliant punt returns for touchdowns by Peterson and Wertz of the Trojans.

Grove City 6

Brookfield 19

The Eagles were handed their third straight loss of the season by a strong Brookfield team. The spotlight fell on left end Peters of the Warriors, who ran 72 yards for a tally. The final score was 19-6.

Grove City 0

Sharpsville 0

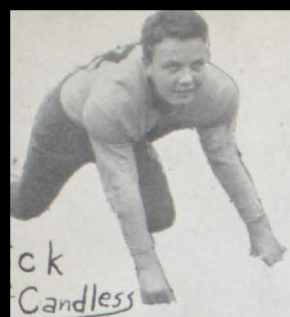

The Sharpsville Blue Devils managed to hold the Grovers to a scoreless deadlock as twelve senior lettermen took the field for their final appearance. The climax of the game came when the Grover drove into scoring position with seconds to go but failed to tally.

Grove City 33

Titusville 6

During the 1949-50 season the Eagles were able to win only two games. The Eagles faced a stiff schedule with only three lettermen returning, Dick Hawke, Keith Hodgson, and Harlan Keck.

The Eagles trounced Cochranon in the fourth game of campaign, but then ran into a seventeen game losing streak.

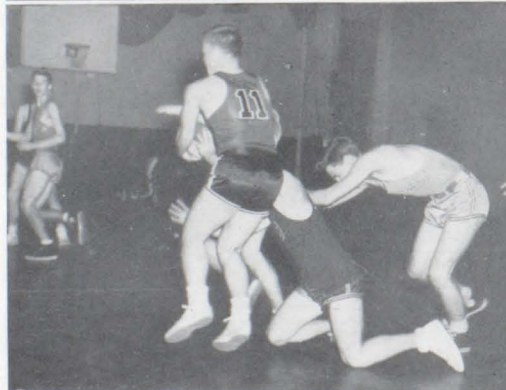

Probably the most thrilling games of the year were with Greenville, Sharpsville, and Cochranon. The Eagles lost the Greenville and Sharpsville games by scores of 53-51 and 38-29, while winning the last game of the year against Cochranon 43-41.

Grove City lost five men by graduation. These were Dick Hawke, Keith Hodgson, Harlan Keck, Raymond Jones, and Dave Miles. Returning lettermen next year will be Dick Sopher, Dick Fehrs, Ted Elder, Don McCoy, Delmar Meadows, Dick Webster, and Daughn Brumbaugh. Keith Hodgson, and Dick Hawke participated in the all star game at Thiel College.

The Grovers scored 759 points to their opponents 1153. Leading the individual scoring was Dick Fehrs with 157 points; Hodgson, 150; Elder, 96; Hawke, 86; Jones, 71; Sopher, 61; McCoy, 55; Brumbaugh, 35; Webster, 30; Meadows, 15; Watson, 2; Moon 1.

The majorettes, as in other years, entertained at the halftime periods of all home games.

The Grover grapplers made a fine showing in the 1950 season winning six of the eight scheduled matches.

The grapplers dropped both losses to their rival Greenville. Greenville also edged the

Grover out to take first place in the district tournament leaving the Grover in second place. Three of the Grover grapplers were placed in the finals. They were: Bob Perry, Buddy Wise, and Don McClelland.

District Champions

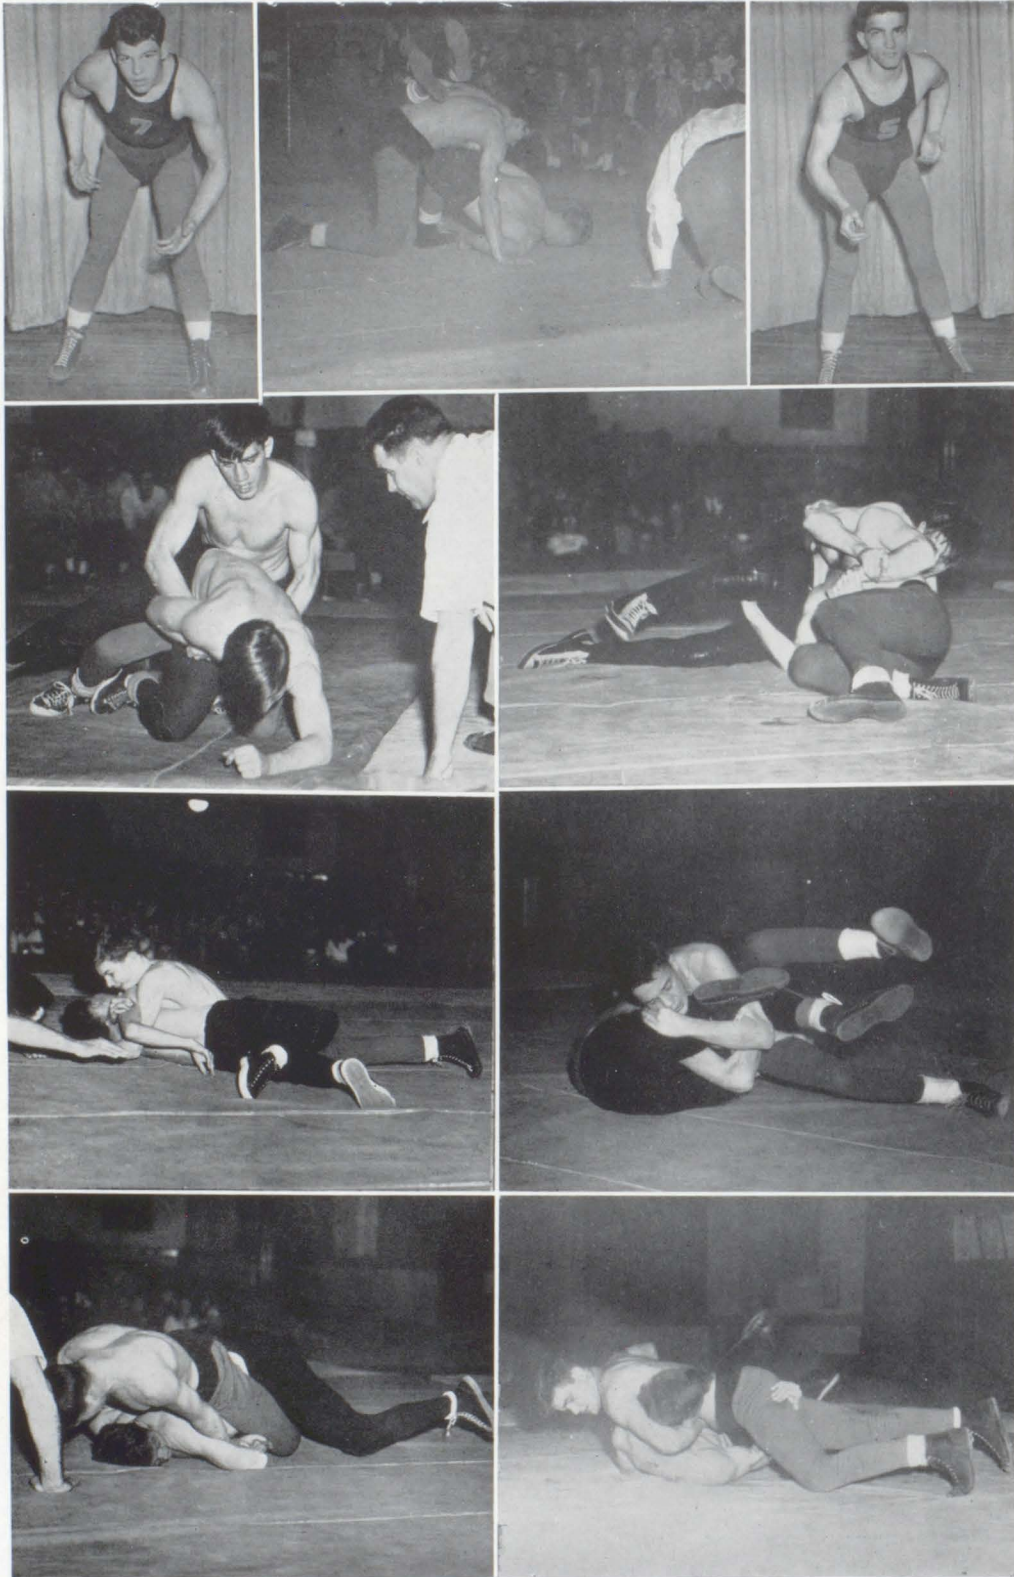

The two Grover grapplers to come out of the district ten tournament finals as winners were Bob Perry and Buddy Wise. These boys also won the Southern District Ten Tournament, with Don McClelland taking one award in this tournament.

There were two of the Grover grapplers sent to the state tournament, but were unsuccessful.

Bob Perry was runner-up in the state competition in the 112 pound class.

Buddy Wise was a semi-finalist in the 165-pound class. Wise was definitely successful as this was his first year on the varsity team. Perry is only a junior and has a great chance of being State Champion his Senior year.

Gym Classes

Miss Drake was head of girls gym classes this year. Soccer, basketball, tumbling, modern dancing, and softball are the features of girls gym.

The girls had individual teams in soccer, basketball, and softball. The girls vie for individual honors in these sports by a point system.

Coach Westlake was in charge of boys gym classes again this year. During the fall, pickup football games were the highlights of the gym classes. In the winter, basketball was the main interest. Before playing basketball, however, the gym classes had to do fundamental drills.

As soon as spring comes, softball takes most of the time of gym classes.

Golf

Up and coming is the title you could attach to Golf as a sport in G. C. H. S. The turf-diggers are gradually replacing track, which has not been reinstated since the war, as Grove City's only spring sport.

It was originally introduced in 1941, but was abandoned until 1947 when the sport was resumed on a trial. In the past three years the sport has increased until participants in it are awarded varsity letters. Schedule difficulties may prevent this year's team from taking an active part in competition. The Grover linksmen have three returning lettermen and one other veteran from last year's season which netted one win and five

losses. The 1949 version of Grove City fairway men also took part in two tournaments in which their topman, Jim Eaton who has now withdrawn from school, captured second and fourth place respectively. These tournaments were at Yankee Run and the District 10 meet at Wanango Country Club in Reno, Pa.

This year's four man team will boast three lettermen, Jim Magee, Dick Winger, and Jerry Campbell. Daughn Brumbaugh veteran of two years of action will hold down the fourth position. If a five man team is fielded, those vieing for the final position will be Terry Gill, Kirby Could, and George Sidley.

I Remember

I remember—oh, many things, but these above all:
The crowds having schedules changed, the daily roll call,
Duck walking in gym, noon movies, a broadcast,
Office dictation, making friends that will last;
Ball games, play try-outs, ushering at plays,
Gym dances, feet shuffling, inventing new ways
Of eluding hard tests, the A Senior shine
On hair and on shoes as well as on their “line”,
The turbans adorning the heads of the girls
While lurking beneath lie their potential curls,
The efforts boys make to coax on little wave
And the peach fuzz that calls for a (at least) weekly shave,
Committees at work, the name cards for sale,
Locket curiosities, love through the mail;
Girls’ trio, boys’ sextette,—fine music ensuing;
A girl with a new car—all boys pursuing;
Good posture reminders, clear speech, public speaking;
Broken test tubes we hide, with our formula leaking;
A Cappella, the Concert Choir, students directing,
The final class officers, students electing,
A whole week of programs, the prom, and class night,
Commencement, diplomas, our hands shake in fright,
The half-empty classrooms, the last final few days,
Going around both in circles and a bright foggy haze;
And at last it is over, our activity ceased,
We became eager alumni, in naming at least,
The whole world’s before us, the limit’s the sky,
Our destiny’s winging, how high will we fly?

1. Christmas play cast. 2. Hoosier Hotshots. 3. New Youth Center.
 4. Wipe that grin off, Margie. 5. Isn't love grand 6. Heavy drinkers.
 7. Sopher our beautician. 8. Detective Kennedy. 9. Oh you kid.

To Our Advertisers:

No amount of space can express this student body's gratitude to the merchants of Grove City who have generously given to guarantee the publication of the yearbook.

We, the members of the Pine Knot staff, wish to extend our appreciation to our Patrons of the 1950 Pine Knot and extend our sincere thanks.

Since the cost of the printing, engraving photography, covers, etc., of the book amounts to a much larger sum of money than we receive from the subscriptions, the difference must be made up by the sale of page space to you.

Hence our advertising section is the most important part of the book, and for your cooperation in making it a success we thank you.

Sincerely yours,
THE STAFF
