

LOVE

*Life...*

AND *Life* WILL LOVE YOU BACK

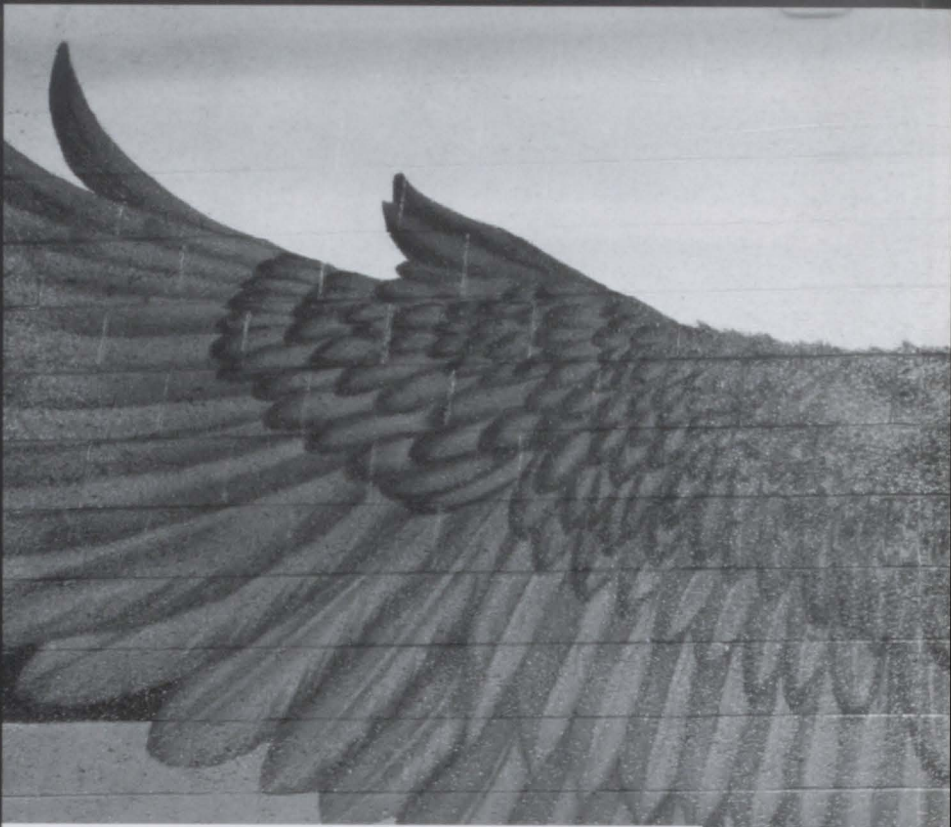

*"You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your own. And you know what you know. And YOU are the guy who'll decide where to go." - Dr. Suess*

*"...and YOU are the guy who'll decide where to go." The meaning behind those words is truly something to ponder. The years spent here at Grove City High School are only a small part to the great scheme of life. In this small time though, the lessons we learn and experiences we go through are things that shape us into the people we will become. We all have different paths to follow and different streets to wander, but in the bigger picture, we are brought together by an ability that we are all blessed with; the ability to love. Whether it is the love you have for the theatre, the love you have for your favorite sport, or the love you have for another person, it is something that binds us. If you are ever in a spot where you feel as though you have nothing left to give and nothing left to love, my advice to you is this; love yourself. If you can love nothing else, **love life and life will love you back**. To the class of 2012; Good luck in all your futures and may you never forget to leave a little love everywhere you wander.*

*~Liv*

Let's get together and feel alright...

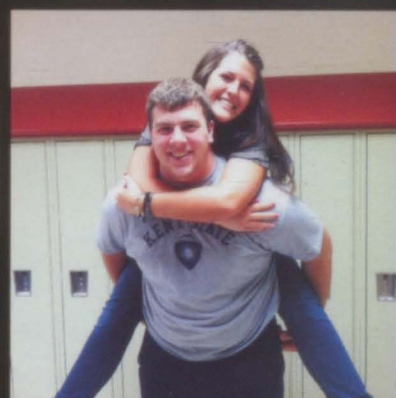

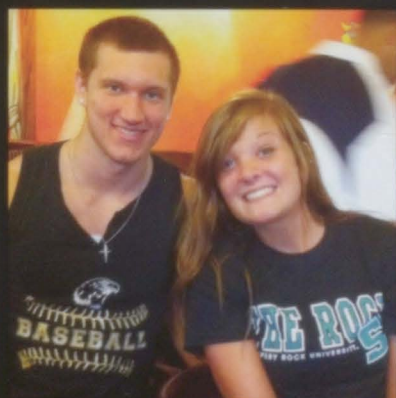

*"To laugh often and much; To win the respect of intelligent people and the affection of children; To earn the appreciation of critics and endure the betrayal of false friends; To appreciate beauty; To find the best in others; To leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; To know even one life has breathed easier because you have lived. This is to have succeeded."*

*-Ralph Waldo Emerson*

The 2011 Grove City Boy's High School Soccer team had an unbelievable season. The varsity squad finished with a record of 15 wins 3 losses and 1 tie. They nearly doubled their win total from a year ago. They also scored twice as many goals from a year ago while the defense played spectacularly all year. 17 players on the squad either scored a goal or recored an assist for the Eagles as it was a total team effort all year. In the playoff game against Hickory, Grove City won the hard fought match 2-0. In the semi-final match Grove City was paired up with General McLane. In a back and forth match General McLance scored to win the match and put an end to the Eagles season. Overall, Grove City had an amazing season. It was a fun ride for everyone involved with the Eagles.

The Junior Varsity squad had an equally impressive year recording an overall record of 6 wins 2 losses and 4 ties. The Eagles scored 22 goals and gave up only 10. The season brought about many strong team efforts as many different Eagles chipped in offensively and defensively. Both the varsity and junior varsity will be back in full force next fall.

-Ben Arnhold

### The Girls Season:

The Grove City Girls soccer team had finished out their 2011 year with a winning record of 9-6-1. This year had been an unusal one, with the friendships that had been created to the everlasting memories that will never be forgotten. Along with the senior girls who have left an imprint on all of our hearts. We wish the seniors a great year, and a great season when they go on to college and begin their lives.

"This year was definately the best season I've had. The team was made up of some really great guys, that I will miss and I wish them all the best of luck, with the game of golf and with their future careers." - Bobby Lucas

The golf team worked extremely hard this year. They practiced during the hottest days of the summer and played in the midst of the rain storms. After a long, hard season, they finished 9 and 9. Keep it up in the future seasons!

# Boys Basketball 2011-2012

## Season Overview

The 2011-2012 Grove City Eagles Boys basketball season was one of great success. Led by a senior class of Alec Goodwin, Torin Smith, Alex Hall, Donte Robinson, and JP Patterson, the Eagles soared to a Region 6 Championship amid a very competitive league. Highlighted by the victories over Hickory and Sharon (twice each) and a thrilling victory over Franklin at the Nest, the Eagles exceeded the expectations of many this season by qualifying for post-season play. The legacy of this team will be recorded on the Championship banner hanging in the Nest for years to come!

You should be very proud! We are very proud of you! You have overcome some tough times, and problems that seemed impossible to solve. However, thinking "outside the box" is what it took. You have proven to us that you are tough. Don't ever forget what I have always told you; "you can do or be whatever you want, if you put your mind to it." You have always been thoughtful, kind, considerate, and helpful to others. Keep reaching for your goals! Keep loving the outdoors! Your family loves you very much! Congratulations on your 2012 High School Graduation!

Jenna,

It seems like just yesterday we were watching you climb on to Bus 12 for your first day of Kindergarten. *The time has passed so quickly. You've gone from a sweet, little, carefree girl playing in the fields of flowers to an intelligent, beautiful, compassionate, self-disciplined and determined young woman. We are so very proud of you!*

*As you go through this life setting and reaching goals always remember to do it for the One who made the flowers and has given you all good things.*

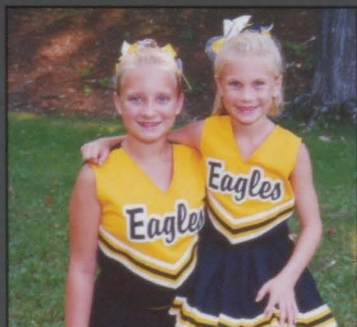

*We love you,  
 Mom & Dad*

## Rhiannon Sherman-Dick

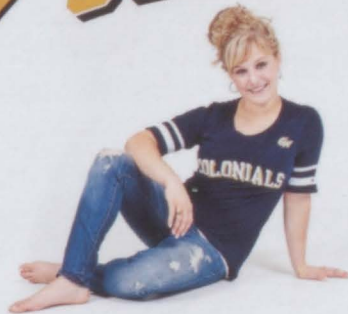

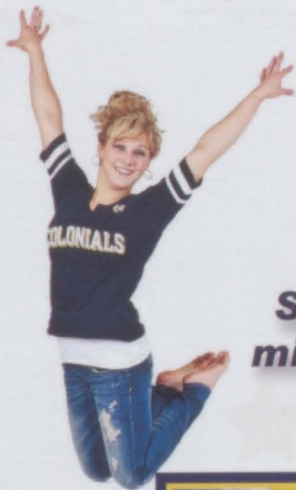

Rhiannon

Rhiannon rings like a bell thru the night  
 And wouldn't you love to love her?  
 Takes to the sky like a bird in flight  
 All your life you've never seen  
 A woman - taken by the wind  
 would you stay if she promised you heaven?  
 She is like a cat in the dark  
 And then she is darkness  
 She rules her life like a fine skylark  
 And when the sky is starless  
 Dreams unwind  
 Love's a state of mind  
 Congratulations Rhi!  
 We Love You,  
 Dad, Betsy, Brogan, Kyle, & Grandma

The world awaits you girl!

Somewhere over the rainbow  
Way up high  
And the dreams that you dreamed of  
Once in a lullaby  
Somewhere over the rainbow  
Blue birds fly  
And the dreams that you dreamed of  
Dreams really do come true  
Someday I'll wish upon a star  
Wake up where the clouds are far behind me  
Where trouble melts like lemon drops  
High above the chimney tops that's where you'll find me  
Somewhere over the rainbow bluebirds fly  
And the dream that you dare to, why, of why can't I?  
Well I see trees of green and  
Red roses too,  
I'll watch them bloom for me and you  
And I think to myself  
What a wonderful world  
Well I see skies of blue and I see clouds of white  
And the brightness of day  
I like the dark and I think to myself what a wonderful world  
The colors of the rainbow so pretty in the sky  
Are also on the faces of people passing by  
I see friends shaking hands  
Saying, "How do you do?"  
They're really saying, I love you  
I hear babies cry and I watch them grow.  
They'll learn much more  
Than we'll know  
And I think to myself  
What a wonderful world

*We both wish you a lifetime of rainbows and fulfilled dreams, lasting friendships,  
and continued success wherever your travels take you within this wonderful world.*

To Our Dearest Jacob,

Mere words cannot express what you mean to us. The most incredible gift we've been given is to be your Mom and Dad and to watch you grow. From the moment you were born, we knew how very special you were. You have overcome so many obstacles in your short life and never let one of them hold you back from achieving your goals. All of your elementary teacher/parent conferences were the same. Your teachers would tell us they asked someone, "Who is a good friend to you in class?" and your name was always the first one given. You have carried that trait with you throughout and have developed others like a strong work ethic, deep compassion for those less fortunate than you, and a desire to learn. These qualities will take you far in life and you are already starting to see some of these bring some goals to fruition. We have enjoyed watching you grow into the young man that you have become, guiding you, being by your side, and trying to let go in small increments. We know that very soon you will be on your own and we only hope that you will continue to grow in your knowledge, faith, and friendships. We are so proud of you and all that you have become and what you are yet to be.

We love you very much,

Mom, Dad, and Jordyn

Dearest John Micheal..... our most precious and loved son

"You must be the change you want to see in the world."

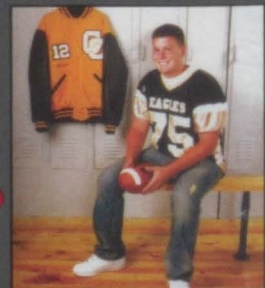

-Ghandi

On August 19, 1994, God blessed us with a beautiful baby boy to love, guide, nurture, and enjoy and we have cherished every step of the way with you.

We are so proud of the young man you have become. We are truly honored to be your parents. John, from birth you were always content, patient, kind, loving, giving, and true to yourself. Don't ever change! Throughout the years we have watched you grow by guiding you and sharing all of your accomplishments as you found your own way and became your own person. By the grace of God we now see a wonderful, bright, confident, positive young man completing his high school career. John, you have always been quite a leader and a very self-motivated individual. You have demonstrated the ability, the desire, and the passion to continue growing, learning, and succeeding. We pray that you will always find joy and success in everything you try and do. Please remember to keep God in your life and know how much you are loved. Congratulations John, we wish you continued success in college as we celebrate your Graduation and success with laughter and joy, mixed with a few tears. We pray with God's grace and love, you will remember always that we love you forever to the sky and back!!!

Mom, Dad, and Leah
