"All the world's a stage,
And all the men and women
merely players;

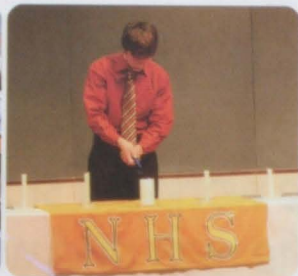

They have their exits and their entrances,
And one man in his time plays many parts."

~ William Shakespeare

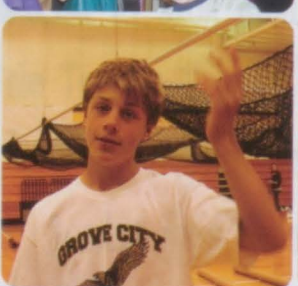

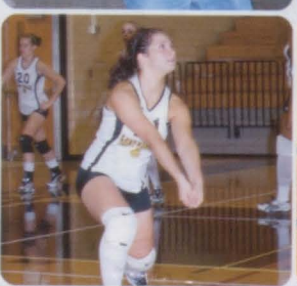

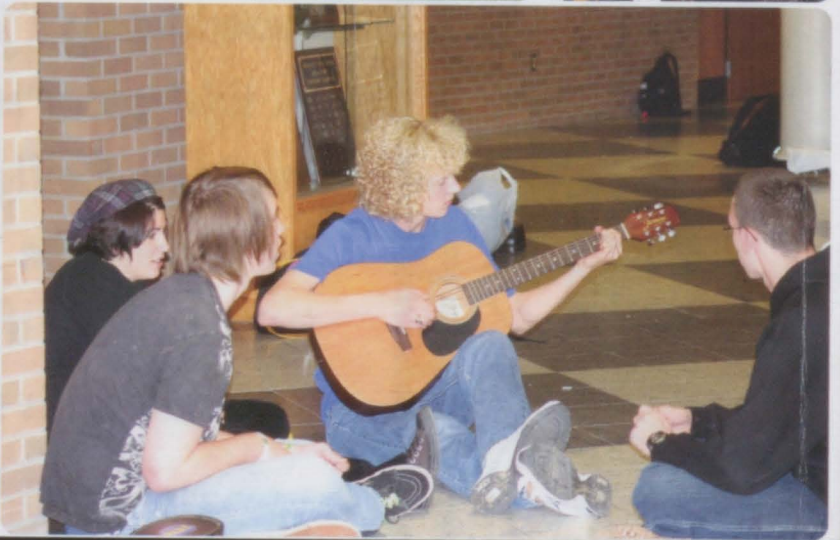

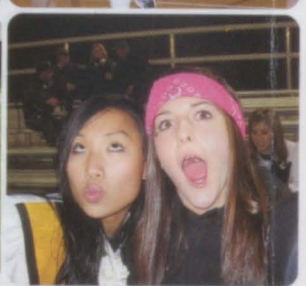

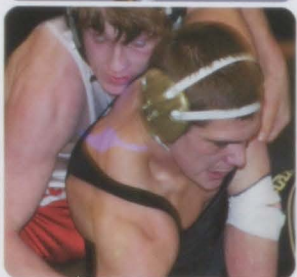

"As You Like It"

During the course of their high school career, each student plays many parts. As a freshman, the role of an extra is assumed. While a necessary role, their talents often go undiscovered. Sophomore year brings a rise in status: Stage Crew. These are the individuals that know the play inside and out, but their dedication is usually unappreciated. As a junior, the supporting role is cast. It is a highly coveted position, although it is also vaguely unsatisfying. Finally, senior year rolls around. Talents are celebrated, the lead role is secured and a star is born! During all of this, it doesn't matter what part is played because it is an integral part of the drama that we call high school.

This season of girls volleyball was certainly a memorable one. New friendships were made, spaghetti was eaten, and many bees were put to death. The girls finished the season with a 9-5 record and impressive finishes at tournaments throughout the year. Sophomore, Cassey Trent, says, "I think we all really grew into a team and it was fun to see everyone get better over the course of the season." The underclassmen are looking forward to another successful season next

"What a great season, but I was only on the team for comic relief." -Steve Deyarmin

This year, we finished third in the league and had an overall record in dual matches of 5 and 4. Ryan Prokay and Steve Deyarmin both qualified for districts for the boys, and Danielle Bales and Brianna Wrigley qualified for the girls' District 10 tournament. Ryan made it to the regional and state tournaments and finished 32nd in the state. It was a very successful season for a very young team with only Ryan and Steve having any varsity experience. Kyle Foster, Jason & Jeff Revesz, Alex Miklos, Camden Palmer, and Jordan Orlowski rounded out the varsity team along with Dalton Dzadony. Freshmen on the team were Alec Goodwin, Pat Rastatter, Bobby Lucas, Alex Hall and Kailee Decker.

COACH'S WORDS

"The girls soccer team had a winning season this year with a record of 10-8. Their hard work during the off-season and at pre-season camp showed the improvement they needed to have a run at playoffs. After beating Mercer and Wilmington and other region teams, the season came down to the final game against rival Slippery Rock. Although the game ended in favor of the other team, the girls continued to fight to the end (as they did in every game throughout the season) demonstrating that they are one of the best teams in the region and will continue to prove their success each year."

Overview

Defying most expectations for the season, a young team went on to win Region 5, as well as District 10. The team made it to the Western PA Semi-Finals, which is the farthest the program has ever advanced. The team's success can be much accredited to the leadership of the seniors.

FEED ME!!!

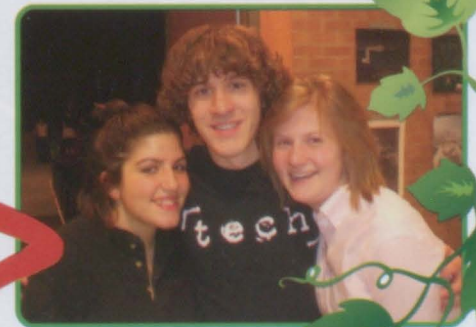

It's STUCK!

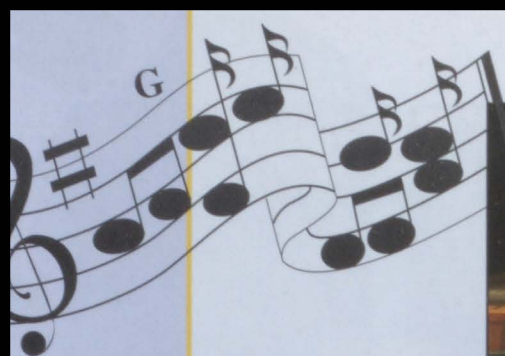

It means a lot to us to put so much time and effort into a show, and get so much out of it in return. The three of us had the privilege of sitting in the balcony together and reflecting on our time in theatre while planning green room each night before the show. This ritual became our favorite part of the show, partially because we got to watch the underclassmen do jobs that we nostalgically remembered doing in years past. Each person in this production has truly made it one of the best we've ever been involved in, and for that, we want to thank all of you.

We can't believe you're graduating already! Time has passed so quickly. Although you used to hate having your world changed, you always loved a good adventure now and then, from boating at the river when you were 2, to vacations at the beach, all the way to an exchange year Germany when you were 17. There's still so much for you to see, and even though we haven't been able to take you to all the places you dream of going, we know that you have the strength and confidence to get there on your own now.

We are so proud of the man that you've become. Your charm and wit have the power to command attention, especially if you can keep it on the positive side. Never stop believing that God has big plans for you. Anything you put your savvy and enthusiasm into is already finished and a success. All you'll need to do is put the work in to get it done.

Congratulations! You're the best!
